## Board OK's new HIV/AIDS sex ed curriculum

BY SUE MASON  
 STAFF WRITER

Mary Stewart believes the Wayne-Westland Schools should focus on teaching academics rather than teaching her son about HIV/AIDS.

And that was the message she delivered to the Wayne-Westland school board prior to approval of the sex education curriculum for fourth- and fifth-graders.

"I'm not really happy about this," Stewart said. "I'm not really happy the

state says you have to do this. I think the kids are too young and you want to go a step further and teach them about sex. I think what you want to teach is better for middle school."

Stewart was the only parent to speak out in opposition to a new sex education curriculum prior to the second of two public hearings, held last week.

The curriculum is mandated by the state. Recommended by the district's sex education advisory board and life skills teachers, it's taken from the Michigan Model for Health, which is

endorsed by the state Department of Education, said Greg Cooper, executive director for secondary education.

According to Cooper, the HIV/AIDS lesson will be taught to fourth- and fifth-graders beginning this year, and the curriculum will be expanded next year to include a second HIV/AIDS class and classes in male and female puberty for fifth-graders only. The puberty instruction will be held in gender-segregated classes.

The classes will be taught by the district's lifeskills teachers, who have

completed the required sexuality and HIV/AIDS certification training. The teachers received the training this year and, at the beginning of the new school year, several experts will be brought in "to walk them through this so they feel comfortable," with the instruction, Cooper said.

"Our district philosophy for HIV/AIDS and sex education is one of abstinence only," Cooper added. "That is the approach we take and how we teach it."

According to letters sent home to par-

ents last week about the classes, students will learn what HIV/AIDS is, how it can and cannot be contracted and how it damages the immune system. Students also will learn to treat people with HIV/AIDS in a respectful way.

Students will be encouraged to share what they learn with their families, who will receive a resource sheet with more information.

Parents can preview the lesson and materials. They also can have their

## Auto business grows in troubled times

BY SUE MASON  
 STAFF WRITER

At a time when most business news is bad news in the state, when the automotive sector is shrinking faster than a wool sweater in hot water, Chris Peters and Tim Gorton can say business is good ... really good.

The owners of Michigan Driveline Products, the two men have seen their three-year-old business grow 21 percent last year and 20 percent the first quarter of this year.

"That's our best quarter ever," said Peters.

"We hope to keep the momentum going, keep being creative and keep building the business," added Gorton.

Housed in the industrial park on the east side of Hix north of Ford, MDP specializes in transmission rebuilding and service. It provides fleet work for municipalities like Livonia, Inkster and Northville Township, and auto dealerships like Stark Hickey Ford and Fairlane Ford.

"We currently do the warranty work for Stark Hickey, they lost their transmission guy," said Peters. "We did work for another dealer whose transmission man was off for six weeks."

Gorton and Peters started the business with two employees - themselves - and a small order from New York City for taxi cab

Tim Gorton and Chris Peters have found success in a sour economy by rebuilding and servicing transmissions at their business, Michigan Driveline Products in Westland.

transmissions. That first order was for 125 transmissions that they shipped nine to a box to the Big Apple. It kept the lights on, according to Peters.

"We continued to build and got several orders after that," he said. "It kept us going."

"We had a lot of work, but we weren't making a lot, but it all

worked out," said Gorton. "Timing wise, it was very fortunate."

Within three months, they hired their first employee, by the end of their second year they were hiring a sales manager. They now have four employees and rebuild an average of eight-10 transmissions a week.

MDP does both retail and wholesale fleet repairs. It also has transmission available for over-the-counter sales with a 24-hour turn-around.

"It's 48 hours, if you hand me the keys and say fix it," Peters said.

## Police look for info on ball cap bandit

BY SUE MASON  
 STAFF WRITER

The Westland Police are hoping someone can identify a man who robbed the 7-Eleven store at Wayne and Avondale last Thursday morning.

The robbery occurred around 12:59 a.m. when a man pointed a gun at the 49-year-old employee and ordered her to "get the money."

The employee told police the man had come into the store about 10 minutes earlier, had walked to the pop area and then left without buying anything. When he returned, he was wearing a bandana to cover his face.

According to Detective Sgt. David Heater, the store's surveillance video shows the man entered the store the first time wearing a New York Yankees baseball cap. When he returned, he had on a different Yankees cap and was wearing a white glove on his right hand.

"When he walked in the first time, it's clear he's aware of the video camera," Heater said. "He kept his head down as he walked around. But he's wearing the same clothing, has the same build. You can tell from the video that it's the same guy. The only difference is the hat he's wearing."

The employee had been cleaning the coffee pot the first time the man came in and said while it was odd he didn't purchase anything, she told him to have a "good night."

She also told police the man left the store with about \$100 in cash and headed south. A K-9 officer from the Romulus Police Department followed the trail from the store; it ended in the parking lot just south of the building.

"The dog didn't go far, so it's a good indication that there was most likely a vehicle there waiting for him," Heater said.

The suspect is described as a white male 25-35 years old. He is thin, between 5 feet 8 inches and 6 feet 1 inch tall, and possibly has brown hair. He was wearing black clothing at the time of the robbery.

People with information about the suspect can call the Westland Police Detective Bureau at (734) 721-6311.

## Volunteers needed for annual Rouge Rescue

BY SUE MASON  
 STAFF WRITER

If you're in the mood to do some spring cleaning, consider volunteering for this Saturday's Rouge Rescue, the Friends of the Rouge's annual cleanup and celebration of the Rouge River.

Volunteers will converge on Tonquish Creek in Westland's Hix Park at the northwest corner of Hix and Warren roads to do everything from removing debris from the creek and pulling out invasive plant species to putting down wood chips on paths.

"We never know what needs to be done until we get there," said Bob Patterson, who is coordinating the event with Community Development Director Terry Carroll and Bill Craig of the

Holiday Nature Preserve Association. "Normally we go down there in January or February and look, but when you go back in June, it looks completely different."

The Tonquish Creek site is one of 36 areas that will be cleaned up by volunteers. The sites stretch from as far as Roeper School in Bloomfield Hills in the north to Ypsilanti in the south to Superior Township in the west and Fordson Island in southwest Detroit in the east.

The work will begin at 8:30 a.m. and go through noon. Volunteers are encouraged to register at the park pavillion. The first 135 volunteers will receive free Rouge Rescue T-shirts. Volunteers should wear old clothes, long pants, long-sleeved

shirts and shoes to prevent punctures.

The city of Westland will provide cold drinks, tools, wood chips and staff support during this year's event. There also will be a good supply of insect repellent and sunscreen, Patterson said.

The city, along with the Holiday Nature Preserve Association, has co-sponsored a cleanup site for Rouge Rescue for nearly 12 years.

"This event provides the perfect opportunity to better the environment in our own backyard," Westland Mayor William R. Wild said. "The restoration of the Rouge River depends on it."

Patterson has been involved in the Rouge Rescue for 17 years. He's seen as many as 300 people - church groups, Boy Scouts and

Girl Scouts and families - come out to help and is hoping to match last year's 130 volunteers.

"We're encouraging people to register, the community gets credit for doing community service," Patterson said. "Someone actually figures out the hours."

Residents interested volunteering can call Patterson or Carroll at (734) 595-0288, ext. 223.

Promoting restoration and stewardship of the Rouge River watershed has been the mission of Friends of the Rouge for the past 21 years and Rouge Rescue is its most celebrated watershed-wide event. For more information about the Rouge Rescue or a complete list of cleanup sites, visit the Web site at www.therouge.org.

Cassandra Haupt's photograph, above, is part of a black and white photo exhibit and project put on by Focus: HOPE.

# Student's photo is in Focus: HOPE show

Cassandra Haupt of Franklin High School in Livonia will be one of 59 students to have black and white photos in the Focus on the Mission photo exhibit by Focus: Hope now through Aug. 31. This display is the culmination of Focus: HOPE's six-week program for high school students from urban and suburban high schools, which is designed

to expose them to extraordinary racial and cultural diversity of southeastern Michigan. Annette Vanover, community arts manager, said the exhibit is entertaining and educational for the students and their audience. "The quality of the students' work always amazes me," Vanover said. "They don't have any formal photography training,

but their photos always capture what's in their hearts creatively and openly. It's interesting to see how youth view the world." Working with 18 professional photographers and/or art educators 59 students came together for four day-long sessions at Focus: HOPE. The sessions included various photographic assignments, group discussions based on topics

that the photos stimulated, sharing of mentor portfolios, diversity presentations, creative art activities, ethnic foods, and touring and photographing various cultural and historic sites throughout metro Detroit. Following the exhibition at Focus: HOPE, the resulting black and white photos will travel throughout the year to selected venues in metropoli-

tan Detroit. The Focus: HOPE Gallery is inside of the Center for Advanced Technologies at 1400 Oakman Avenue in Detroit. Hours are 8:30 a.m. until 5 p.m. Monday through Friday. Focus: HOPE is a nationally recognized civil and human rights organization in Detroit founded 39 years ago. Its Web site is www.focushope.edu.

# Quick action leads to arrest of trio for purse snatching

BY SUE MASON  
STAFF WRITER

Westland police are crediting the efforts of its patrol officers and an alert witness in apprehending three people following a purse snatching at the Westland Meijer store late Friday.

"It was a good job all the way around from the witness getting the license plate number of the car to the officers who made the stop and the arrest," Detective Sgt. Thad Nelson said.

Robert Probst Jr., his sister Rachel Probst, both of Canton, and Christopher Sager of Carleton were arraigned Tuesday before 18th District Court Judge Sandra Ference Cicirelli on charges of unarmed robbery and fraudulent use of a credit card.

The incident happened around 10:45 p.m. May 25 at the Meijer store at Warren and Newburgh. A Westland woman was walking into the store when a man, wearing a black Nike jacket, grabbed her purse and fled.

According to Nelson, a Livonia man chased the suspect and was able to get the license plate number as he fled in a car with three other individuals. Police officers spotted the car a short time later at Cherry Hill and Newburgh.

They stopped the car and searched it, finding two of the victim's credit cards and dri-

ver's license in the front passenger seat. Her cell phone, a black jacket and her purse were recovered from the back seat and floor of the car.

The arrests came after the defendants had stopped at the Speedway gas station at Cherry Hill and Newburgh and used one of the credit cards to buy gas.

According to Nelson, it appeared the motive was to get money to buy drugs. A Canton man, a passenger in the car, wasn't charged.

"He knew of the robbery conspiracy between the individuals in the car and said he tried to talk them out of doing it," Nelson said.

Nelson added that Sager had just been released from jail three days earlier and was on probation out of 18th District Court on a fraud charge.

"A part of his probation was not to be at any Meijer store or be on any Meijer property," he said.

The defendants are in jail in lieu of \$500,000/10-percent personal bonds. Rachel Probst also is serving a 10-day sentence on an unrelated charge.

They face a Thursday, June 7, hearing to determine if they should be bound over for trial in Wayne County Circuit Court. If convicted, they could face 15 years in prison on the robbery charge. The credit card charge carries a four-year sentence and/or \$5,000 fine.

## CRIME WATCH

### Gas and go

A employee at the Admiral gas station on North Wayne Road could be out \$13.01 in wages after a woman put gas in her car then left without paying Monday afternoon.

The employee told police the woman was fueling her car and came into the building to make a purchase. She then returned to the car and left without paying.

She added that she believes there was a "foul-up" with the card reader, leading the woman to believe she had paid for the gas.

The employee, who was able to provide police with the license plate number of the car, described the driver as having a distinctive tattoo on her ear.

She also told police that she

is more interested in getting the money, since loss will be deducted from her pay.

### Tires vandalized

A resident in the 100 block of Vanilla Street believes an ex-boyfriend damaged the rear tire of her car early Monday morning.

The woman told police that they had argued after he had shown up at her home late Sunday. He left on foot and when she went outside later she heard air coming out of the right rear tire of her car.

Officers couldn't find signs of the tire being slashed, but noted that it was continuing to lose air while they were at the home.

## Local Web-based improv show makes debut

BY TIFFANY L. PARKS  
STAFF WRITER

There's "Sal," an interior decorator that fancies himself a ladies man, and "Sherry" who is struggling to remain faithful in her third marriage and then there's "Richard" who is fresh out of prison for stalking. Throw them all together and you've got "group-the series," a new web-based show that premiered Tuesday on [www.grouptheseries.com](http://www.grouptheseries.com).

The improvisation series, which is uncensored, uncut and unscripted, depicts what happens when you throw a mix of personalities into group therapy.

The "Webisodes" feature nearly a dozen characters, including "Sal Beefy Macchio" who is played by Brian Titus of Canton.

"This is totally off the wall," said Titus, 24, who has been acting for five years. "It's something no one else is doing. We're taking improvisation to the next level."

The series, which will release new Webisodes on Saturday nights, is the brainchild of Madison Heights resident Skip Erickson.

BILL BRESLER | STAFF PHOTOGRAPHER

Skip Erickson (from left), Nicole Sullivan, Brian Titus, Sarah Nickel, and Emma Frith are the creators and actors of "group-the series."

"We are so all over the map and uncensored that we wanted to start on the Web because there are no parameters," said Erickson, whose career is in producing television commercials. "We would still like to pitch it to a network in the future, but it would have to be HBO or Showtime."

Erickson has already filmed 12 Webisodes that will comprise the first and second seasons. Each show, which is filmed nonstop, is 27 minutes and is

divided into two parts.

Titus, an Eastern Michigan University graduate, jokingly describes his character as "a skinny man trapped inside of a fat body."

"He thinks he's God's gift to women but he's really God's gift to Manwich," he chuckled.

Other characters include a self-absorbed male model, a compulsive shopper and a conspiracy theorist. Royal Oak resident Sarah Nickel plays "Meredith," who has controversial views of the elderly and African Americans.

"I was telling my grandmother all about it, but then I realized some of the stuff I was saying, so I told her the show had been canceled," Nickel joked.

The cast and crew are using MySpace, mass e-mails, YouTube and word of mouth to promote the show. A clip of the show on comedian Will Ferrell's Web site, [www.funnyordie.com](http://www.funnyordie.com), received more than 14,000 hits.

## Dining with the stars!

Tell us why you'd like to dine with Glenda, Diana Lewis

Enjoy the best pizza in metro Detroit and meet your favorite stars — all for fun and charity.

Buddy's Pizza and the *Observer & Eccentric/Mirror Newspapers* present "Dining With the Stars," a monthly contest designed to give local fans a chance to meet their favorite local celebrities and help a metro area children's charity.

In 100 words or less, tell us why you're a fan and would like to have lunch or dinner at Buddy's Pizza in June with Diana Lewis and Glenda Lewis of WXYZ-TV (Channel 7).

Send your fan letter to [BuddysDiningStars@gmail.com](mailto:BuddysDiningStars@gmail.com) and be sure to include your name, address, daytime phone number and e-mail address. Deadline to enter the June contest is 5 p.m. Monday, June 11.

The winner will be treated to:

- A limo ride for the winner and stars to and from Buddy's (Farmington Hills or the original Buddy's Six Mile Road locations only) for lunch or dinner with Diana Lewis and Glenda Lewis courtesy of Protran Transportation.

- A special table reserved for you and the stars.

- A ballroom dancing exhibition courtesy of Arthur Murray Dance Studio in Royal

Oak.

- A fabulous meal from Buddy's great menu!

- A special makeover (including styling by Sebastian), courtesy of Ruby Blu Salon & Spa of Farmington Hills.

- A photograph of you and your favorite stars published in the *Observer & Eccentric* and *Mirror Newspapers* and online at [www.hometownlife.com](http://www.hometownlife.com).

And to top it off, Buddy's Pizza will donate \$500 to each star's special children's charity.

"We want our winners to dine with their favorite stars and feel like a star, too," says Marcy Brontman of Buddy's Pizza.

Look for upcoming dining with these local stars — July: Jay Towers of WKRC-FM (97.1); August: CoCo of WJLB-FM (97.9); September: Chuck Gadia of WDIV-TV (Channel 4) — in all *Observer & Eccentric* and *Mirror* editions and online at [www.hometownlife.com](http://www.hometownlife.com).

No purchase necessary to enter. Buddy's Pizza will review all entries and select the top four "fan" letters. The star(s) featured for the month will make the final selection. Lunch and/or dinner date to be determined with winner and star by Buddy's representatives.

Listings for the Community Calendar can be submitted by e-mail at [smason@hometownlife.com](mailto:smason@hometownlife.com). They also can be mailed to Sue Mason at 36251 Schoolcraft, Livonia 48150, or faxed to her attention at fax at (734) 591-7279. For more information, call (734) 953-2112.

Peters, a Livonia resident, handles GM products, while Gorton, a Commerce resident, does classic cars and imports. The shop also specializes in Ford products, a reflection of their combined dealership experiences and training. "We both came out of dealerships, we're both transmission guys," Peters said. "The dealers trust us." "We do dealership repairs," added Gorton. "There's certain protocols you follow on repairs and diagnosis. There's a return part protocol. We already know

the procedures, so it's pretty seamless. They just call us." A lot of their customers are through word-of-mouth. They believe in putting their customers at ease. "They don't want to spend a lot of money on a major repair," Gorton said. "You deal with three guys at a repair shop - one person who does the test drive, one person who writes up the order and one person who does the repair. Here, it's the owner working on your car, so we have a vested interest in doing it right." At the shop, a transmission is fully disassembled, inspected and repaired. Unlike shops that make minor repairs, MDP does a complete rebuild,

Gorton said. "When this first started we were doing transmissions for police cars all over the country and it just morphed," he added. Admittedly, it was scary start up a business when so many were closing or laying off, but the two men are glad they did. "If you look at the troubles of the Big Three, staying at a dealership might not have been the right move," said Gorton. "The auto business might turn around, but right now, this is a winner." Michigan DriveLine Products is at 38140 Executive Drive off Hix in Westland. children excused from the classes. Parents for philosophical or religious reasons can opt their student out of class, however, the HIV/AIDS instruction is state-mandated and that's part of recommendation," Cooper said. According to Cooper, 22 parents reviewed the materials

between the two public hearings. The first was held last month and attracted no comment. Cooper added that he received phone calls and talked to parents about the information. "Actually, the number of people who were concerned, there was a concern about the unknown," he said. "At the end of the conversations, we had people who felt it was not for their students and we let them know they could opt out." Stewart, however, said that

opting out will not keep her son from hearing about the classes. His classmates will fill him in on what he missed at recess, she said. "You can't give back the innocence you'll be taking away," she said. "You should spend the time teaching reading, writing and arithmetic and putting the district back at number one and leave sex education at home. Let me teach my son about sex and morals when he's ready. Don't force it on him."

**Hard rockers catch break in battle of bands**

It's a great chance to for any local rockers - the chance to open for the heavy metal band Godsmack at the Fox Theatre on Friday. And it was won, in a battle of the bands, by the heavy metal band Overloaded, with two members from Redford and one from Westland. "It's really cool of them," said Overloaded guitarist Erik Kluber, of Redford. "It's a great opportunity for a local band to play a show of this caliber, this magnitude."

Kluber and his four band-mates, who rehearse at the "lofts" just off of Grand River, east of Beech Daly, will play for about 40 minutes Friday at a packed Fox. Overloaded has been around for about three years and is set to release its second CD this summer, he said. Godsmack is recruiting opening acts on its current tour with similar contests, Kluber said. Sponsored locally by radio station WRIF-FM, the contest involved submitting a performance video.

Overloaded made it to the semifinals, along with Soul Circus. Godsmack's lead singer, Sully Erna, made the final decision, and Overloaded was also invited to open for Godsmack in Mount Pleasant on the following night. Overloaded's other members are lead singer Chris Gillen of Westland, drummer Lorenzo Gonzalez of Lincoln Park, bass guitarist Michael Massie of Royal Oak, and rhythm guitarist John Sullens, also of Redford.

# Time to videotape your assets, get home insurance in order

The Memorial Day holiday is over and we can look forward to a beautiful Michigan summer. However, before we get into our summer frame of mind, there are some issues to be considered in order to keep our financial house in order.

This is a great time of year to make sure that you have an up-to-date videotape of your home and assets. Whether you have done this in the past or this is the first time, it makes sense to go through your home and produce a video inventory.

It is important to document your assets so in case of a disaster, you have something not only to remind yourself of what you have but also documentation for your insurance company. It's a good idea to videotape

## Money Matters

Rick Bloom

your assets and your receipts. Then store the videotape in a safe deposit box outside the home. If you keep it at home, store it in a fireproof box.

Next step is to update your homeowner's insurance policy. And, it's also not a bad idea to shop around and receive competitive bids.

Most people obtain their homeowner's policy when they buy their house and they never make changes. We live in a time of unprecedented change

and when it comes to homeowner's insurance, it should be up to date. For most, a home is the single largest asset.

## REVIEW DEDUCTIBLES

At the same time you're looking at your homeowner's policy, why not review your automobile insurance? Think about raising the deductible. In the past, the standard deductible was \$100 and then it eventually moved up to \$250. In today's world, many consider the minimum deductible at \$500 or \$1,000. Remember, the larger the deductible, the lower the premium.

Find out what discounts are available on your homeowner's and auto insurance. For example, if you have a teenager who

drives your car, there is a discount for good grades.

There are more alternatives than ever when shopping for insurance. In addition to your current carrier, credit unions offer a variety of discount programs. You can also search the Internet. Even if you don't feel comfortable purchasing a policy through the Internet, it can be a great tool to check out prices and discounts available.

One mistake many people make is they assume the lowest bid is the best bid. That's not always the case. Although, I do believe that the money you save looks better in your pocket, it is important to compare apples to apples. Sometimes a policy with lower premiums offers inferior coverage.

Don't assume all homeowner's

and auto policies are the same. Do the research before beginning your search.

Many people will say the time they spend learning about homeowner's and automobile insurance and shopping around will not save them a substantial amount of money. However, you may be surprised. You can save money and get a better policy.

As you shop around, consider whether you need an umbrella policy. Umbrella liability policies provide additional coverage above and beyond your homeowner and automobile policy. Umbrella coverage is usually sold in increments of \$1 million and in the big picture is relatively affordable.

Although I don't recommend being overinsured, if I

have to be overinsured in one area, it is homeowner's insurance. And for professionals and business owners, or high-net individuals, umbrella liability coverage does provide an extra amount of protection.

Purchasing an umbrella policy for auto and home with the same company, usually results in discounts and is easy to coordinate coverage.

The time you spend now will provide you peace of mind down the road.

## Works in wood and metal take 1st place

BY REBECCA JONES  
STAFF WRITER

Sarah Noffze spent hours after class at Emerson Middle School cutting and inlaying oddly shaped pieces of wood, smoothing them around the 8-and-a-half-inch sphere.

The result: Seven continents carved out of walnut veneer create a sharp contrast against the curly maplewood that represents the planet's water.

Noffze's wooden globe won first place in her division at the Michigan Industrial and Technology Education Society competition held May 16-19 in Battle Creek.

It's the same award her brother Christopher earned three years ago.

"My brother did a soccer ball three years ago. (My teacher) thought of the idea to try a globe. I thought it would be fun to do it," said Noffze, who had never worked with wood before this year.

Mason Larkin, an Emerson eighth-grader, also won a first place award in his division for pattern making and metal casting.

He cast a 3-D robot out of

aluminum, patterned after the logo for Emerson's robotics club.

Larkin traced the design on paper, cut out different layers on Masonite and packed sand to create a mold, then pour melted aluminum down two spouts. He did the same thing with a mold made out of Styrofoam.

"The heat of the aluminum will just eat the Styrofoam," he explained.

Both Larkin and Noffze are in the after-school Industrial Technology Club, run by teacher Ron Wilson, who submitted students' works for judging at MITES.

Six thousand student projects from 450 middle schools in Michigan and northern Indiana made it to the state-level competition.

"We compete and do really well. It's rare to come away with a division winner," Wilson said. "Every year the bar seems to raise."

Emerson also earned a second-place award for a grandfather clock and a fourth-place award in graphic art for safety posters.

# Kroger warehouse chips away jobs

BY ALEX LUNDBERG  
STAFF WRITER

Citing limited capacity for increasing frozen food operations, the Kroger Co. has announced it will further scale back its Great Lakes division, located in Livonia, in favor of newer facilities in Delaware and Ohio.

The Livonia warehouse, operated by Advantage Logistics, will stop housing frozen foods in mid-June. The parent company, Supervalu, said there were 541 employees there as of July of last year when the supermarket chain first announced it was pulling perishable items from the shelves.

There are 391 employees there now and Supervalu doesn't know how much of an impact the new change will have. The warehouse will still house dry groceries.

Mayor Jack Engebretson said he was very disappointed at the announcement, saying it has limited uses.

"Hopefully, it will be resurrected," he said. "It's very modern and well-designed, but because it's so highly specialized there aren't that many potential users."

Kroger Co. Integrated Communications Manager for the Great Lakes Division Dale Hollandsworth said the Livonia operation no longer fits the company's needs.

"It's no longer able to support our frozen food sales," he said. "We've been using several outside storage facilities (one in Canton, one in Taylor, to pick up the load). We've outgrown it."

According to the American Frozen Foods Institute, the frozen dinner and entree market represents \$5.9 billion in annual sales, with frozen foods representing one-third of annual food sales.

Hollandsworth said since 2001, Kroger has invested \$300 million in stores and equipment in Michigan, increasing its statewide workforce to 13,500.

Councilman Brian Meakin said the city's already done all

it can to keep the facility open.

"There's not much we can offer," he said. "We've already given them abatements."

Engebretson said a similar situation occurred when Northwest Airlines closed its call center in Livonia. Hundreds of jobs were lost, but hundreds came back when the building was purchased by direct marketing company Valassis.

"Things happen, we manage to overcome," Engebretson said. "There are going to be tough times now but I believe we'll get through them in the long run."

## Golf outing helps Angela Hospice fulfill mission

Angela Hospice's supporters and business friends will once again head to the greens for the organization's annual golf outing, to benefit programs for terminally ill patients and their families. Phillips Service Industries of Livonia is sponsoring the outing, which will take place Friday, June 15.

"We are excited about taking our golf outing to the Woodlands of Van Buren, in Wayne, this year," said Barbara Paul, events coordinator for Angela Hospice. "This is a new venue for Angela Hospice and we anticipate a great day of golf."

The event begins with continental breakfast and free range balls before golf, shotgun start

at 10 a.m., followed by 18 holes of golf with cart, box lunch and open beverage carts on the course. A steak reception follows golf with an open bar and dessert, prizes, and a mini silent auction.

"We are receiving registration for golfers weekly," said Paul, "but there is still room for new and returning individuals and groups to join us."

Golfers can register in foursomes or as individuals at a price of \$175 per golfer. Packages for business partners and corporate sponsors are also available.

The popular "First Choice" Raffle is one way for both golfers and non-golfers alike to

take part in the enthusiasm. Each \$10 ticket offers a chance to win one of four prize packages, including a Mackinac Island getaway; a weekend at a Northern Michigan golf resort; Tigers box seats and a helicopter ride with WJR; or a night on the town with Detroit Symphony Orchestra tickets, dinner at Opus One, and a stay at the Athenium Suite Hotel.

"Thanks to Phillips Service Industries generously underwriting this event, 100-percent of proceeds will directly benefit Angela Hospice's patients and families," Paul said.

The event will support Angela Hospice programs not covered by insurance reim-

bursements. Since 1985, Angela Hospice has been providing home hospice services to patients throughout Southeast Michigan.

Angela Hospice also offers specialized programs for terminally ill children, a prenatal hospice program, and a dedicated hospice care center, which provides a home-away-from-home for hospice patients. The organization provides grief support services free-of-charge to the community as well.

To learn more about supporting the mission of Angela Hospice and the annual golf outing, call Barbara Paul at 734-953-6014 or visit [www.angelahospice.org](http://www.angelahospice.org).

OUR VIEWS

## Graduation is no time to get stupid

Teens throughout the area are counting down the days until they will walk out of their high schools for the last time - and out into a new world full of promise and wonder.

Graduating from high school is one of the great milestones of life. It is an exciting time of transition. Many students will be headed off to college in the fall, others will take on jobs. Either way, most teens graduating from high school will be getting their first real taste of freedom.

It is a well-earned time of celebration that should be enjoyed. Proms, graduation ceremonies and graduation parties will be held throughout the area to mark the important milestone.

Unfortunately, many teens choose to use their newfound freedom to party harder than they should, and in many cases, this includes drinking, drugs, and even driving too fast (and sometimes a combination of all three).

All too often, teens think they are indestructible, and don't think about the consequences of their actions before it's too late. Here are some sobering statistics they should be aware of before they go out and screw up their future before it really has a chance to begin.

The graduation and prom season is the deadliest season of the year for teen drivers and their passengers. According to the National Highway Traffic Safety Administration (NHTSA), teen traffic deaths peak in the summer, when teens are behind the wheel more than at any other time of year.

Car crashes are the leading cause of death for teenagers, according to AAA, and 40 percent of teen car accident fatalities during prom and graduation season are alcohol-related. Of all fatal teen auto accidents, one-third involve speed-related collisions and one-quarter involve the use of alcohol.

Underage drinking has also been linked to a significant number of drownings, and as many as two-thirds of all sexual assaults and date rapes of teens and college students.

So while graduation is certainly a milestone to celebrate, there can be some significant consequences for celebrating too hard. Teens should enjoy themselves, but not jeopardize their future.

## Cheer up; there's plenty to do locally

Everyone loves a party, especially a birthday party. And there will be plenty of opportunities to celebrate birthdays this summer in southeast Michigan.

Just leave the party hats at home.

These are birthdays of a different sort. There are no presents and no goody bags, but they are events that all ages will enjoy.

Birthday celebrations this summer will range from Livonia's six-day event, June 19-24, called the Livonia Spree, to Clarkston's Independence Day parade and festival July 4, honoring the birth of our nation.

Summer celebrations come just in the nick of time as local residents are reeling from bad news about the state's fiscal stability, unemployment statistics and the escalating cost of gasoline.

There is little the average resident can do about the job situation or state politics, but these celebrations offer residents plenty of ways to save gasoline while still having an enjoyable summer.

Participating in these events also boosts community spirit and gives neighbors a chance to meet in a relaxed atmosphere.

Local residents are fortunate in that the celebrations are scattered across the coming months throughout the area.

The key to all of these events is their inherent variety, reflecting the nature of the community in which they are located.

Farmington, for instance, has a Founders Festival July 20-22, while Redford Township hosts its own festival June 7-10.

Many of the events offer a midway or rides. Food will be part of the lineup at such venues as the Hot Barbecue & Blues in Oxford June 22-24, Rochester's Art and Apples Festival Sept. 7-9 and the Taste of Clarkston Sept. 30.

Some communities, like Rochester on June 28, will offer fireworks. Many, like Troy, will offer summer concerts. Troy also will offer a Motoring Memories Car Show at its historic museum July 15.

So whether you choose to celebrate civic birthdays we all can be proud of, or just want to vacation at home this summer, check the calendar listings in this newspaper for what's coming up in the local area.

### Good things do happen

I am not a resident of the City of Livonia, but during both my youth and now with my own family, I proudly make my home in the northern section of neighboring Westland. For a good part of my life, I attended Livonia schools, walked to the Noble Library, shopped, ate out, rode my bike, went to movies, attended church, visited friends and even worked a few part-time jobs, within Livonia's boundaries.

I love Westland and all that it has to offer as well. I'm especially honored to serve as a member of the City Council, but growing up so close to another community allowed me the opportunity to experience the best of both cities. With so much negative news these days, please allow me to share not one, but two positive items.

The first involved a situation where I was carpooling a couple of individuals to an event and their cars were parked in a shopping center lot near a local expressway. Later that evening, one of the riders reported to me that his wallet was missing. Unfortunately, it was not in my vehicle. Fortunately, for him, a good Samaritan turned it in to the store security and he recovered it the next day. Contents intact. Thank you to the honest individual for turning in the wallet and proving that good people still exist in world.

The second good deed occurred while my family recently dined out and a woman approached our table with four FREE tickets to a play at the Fisher Theatre that she could not use for that evening's performance. Without any hesitation, she offered them for our enjoyment.

With only an hour to spare, my daughter, her friend, myself and my mother-in-law enjoyed the benefits of this stranger's generosity - in excellent seats, I might add. Thank you to the giving individual who not only extended a kindness, but even better, demonstrated for my daughter, and her friend, that good people still exist in this world!

Where did these public acts of kindness occur, you might wonder? Both squarely within the I-96/Middlebelt corridor of stores and eateries. I know that controversies have circulated about certain stores and certain events in this section of Livonia, but we need to remember that both bad and good things can, and do, happen anywhere.

### Ethanol price gouging?

Call me Green, I use Leed's construction when I can and bought a dual-fuel Ford Motor ethanol/gas engine vehicle. Having funds flow to the North American farmer is a much more pleasant thought than shipping profits overseas.

One reason we bought the Mercury Marquis was that the price of gas may double again; however, ethanol should remain relatively stable in price. Right? Maybe not!

I can understand with our dependence on foreign oil that the worldwide market for barrels is beyond our control. Every time a world event occurs we pay more at the pump. Fortunately, during one of the recent lulls in the storm, gas was down near \$2 and I was able to buy ethanol for about \$1.90.

### Be proud of our flag

I just heard a very sad and disturbing talk on the local radio. People who choose not to stand and sing the anthem to the flag? Are they serious?

Men and women who chose to go to war and lost their lives and families for that flag. Men and women who chose to make a better life for their families by putting their actions where most people's mouths are. Men and women who came back and had only half or less of their life because of injuries.

Men and women who to this day still have the memories of the events they chose to go through so that, by the grace of God, they could live here and be in a free America. Men and women who were raised in a free America because of their ancestors and mine going off to war.

Men and women who when that flag is raised still stand proud and say yes, I will do whatever it takes to keep America free. Families who to this day grieve the loss of someone who chose to go off to war so that their families would have a better tomorrow.

Yes, there are those who live here who do not have a clue about the sacrifices that men and women went through to have that flag blow in the breeze. Yes, the environment of our society today would suggest many do not have a clue.

But many do know the loss of life, the memories of days gone by, the "get it done" attitude of what our flag means to us.

Your actions when you choose not to stand up and sing the anthem says loud and clear - so what if you went to war, so what if you lost a family member, so what if you were injured, so what if you were a MIA or POW. Stand up and be proud that the flag of America still blows in the wind and represents those who "chose" to make a difference in the life you are choosing to live here in America today.

To this day when I stand I choose to cross my heart, I choose to cry and I choose to say thank you to every vet I see as I pass through my day.

Aggie Richards  
A proud-of-the-flag American

### Thanks for the help

Veterans Haven would like to thank everyone who supported our first annual Veterans Cup Shooting Competition and our Armed Forces Day Dinner.

A big thanks goes to Don Haigh over at the Firing Line and all of the volunteers who made this cup a success. We were able to raise \$2,500 for our homeless veterans thanks to our corporate sponsors - Ford Motor Credit, Chrysler Brand Marketing, Route One, T Mobile of Westland, Two Hot Salon, Accent In and Around Town, Leader Printing, the Detroit Tigers, the Detroit Red Wings, the Detroit Lions, Showcase Cinemas, Panera Bread, Melissa Gasco - Nique-Elles Salon, Famous Dave's BBQ, and, of course, our host - the Wayne Ford Civic League.

Thanks again to everyone and I look forward to seeing you at the GI Blues Festival.

Scott Romp  
Veterans Haven

There may be a justification for the recent rise in gas to over \$3 but the price of ethanol rising to \$3 has to be pure price-gouging.

Right now in southeast Michigan, ethanol is a win-win situation. The leaders in this alternative energy are GM and Ford with over three million dual-fuel vehicles like mine on the road. Where is the government, when we need to implement the changes so often spoken about but, so far, not acted upon?

There are very few ethanol pumps available. When I asked the newly constructed gas station in Plymouth, why no ethanol tanks, his response was that there was too much government regulation to make it worth his while. This was a multimillion-dollar investment by an independent entrepreneur. The governments did not help, they hurt the cause.

Perhaps at least until the alternative fuel system, including distribution, gets established the state of Michigan could take the road-use tax off of ethanol. Give the Green people a break. More importantly, give GM and Ford the advantage they need to beat the foreign competition. If the system works we all win by having less dependence upon foreign oil, more jobs in southeast Michigan, cleaner air and more income to North American farmers.

After a temporary moratorium on ethanol fuel state road tax, put it back on in a few years, if necessary.

Tom Goebel  
Plymouth

### Against war, but for troops

We can be against war, all "Wars," and still support the troops. As a mother, I support "all" the girls and boys from all countries of the world who don't want to die in a war that old men decided they should die in. Do these old men send their grandchildren to die in these wars? You tell me! I only live in America, not a foreign country.

I thought they created the U.N. so wars would be fought with "words" and not "weapons" that kill other parents' kids. What do you think? Write your senator or representative in D.C. and tell them your opinion on the war in the Middle East (Iraq, Iran, Lebanon and Israel plus other countries). Let's save our world for the children.

# New RESA head must balance tighter budget, greater needs

BY HUGH GALLAGHER  
STAFF WRITER

At a time when school districts need more support services in the wake of the state's budget problems, the state's intermediate school districts are facing budget problems of their own.

When Christopher Wigent, currently superintendent of the Calhoun County Intermediate School District, becomes the new superintendent of the Wayne County Regional Education Service Agency on July 1, he will face the task of tightening his budget while continuing to provide needed services.

"There is a tightening of the organization, but at the same time when RESAs and ISDs may cut providing services to the local districts, they may need services even more," he said.

Intermediate school districts were created by the state Legislature in 1962 as an intermediary service agency between the state Department of Education and local school districts. The state has 57 intermediate school districts. RESA serves the 34 school districts in Wayne County.

Wigent was selected by the RESA board to replace Marlene Davis, who retires June 30. He comes to RESA after six years as superintendent of the Calhoun County ISD. He has served as superin-

Wigent

tendent at the Olivet and Dryden school districts and held positions as principal, assistant principal and teacher in a 27-year career in

education, which included a student teaching position at Redford Union High School. "I've had a very successful career and each of those moves was for something better and a blessing of the people I worked with," he said. "People have really mentored me very well and I desired to move to the next level and people have been good at helping me with that."

RESA serves a larger area than the Calhoun County agency, where Battle Creek is the largest school district. But in some ways, it is a smaller operation.

"In Calhoun County, it's a little different than in Wayne. We provide a few more direct services," he said. "We have a development center; starting in July, we'll be operating a technology center; we supply all of the school social workers and psychologists for the local districts. In fact in July, we'll have 400 employees, while Wayne RESA has less, about 280. The idea is the same, education service and leadership. The delivery system is a little different."

## DIFFERENT NEEDS

In Calhoun County, Wigent dealt with 13 school districts,

many of them rural. In Wayne County, he will be working with 34 districts in the state's most urban environment, including the large Detroit school district. Wigent said he and his staff were able to build close personal relations with the superintendents of the Calhoun districts.

"Obviously with 34, that's a little more difficult in providing services," he said. "But I still think it's about those relationships and helping districts understand that it might not always be equal. There might be projects where just half the districts wish to take advantage of that, but at the same time be responsive to the other half of those districts and what they need as well."

One of Wigent's top priorities will be meeting with the 34 superintendents individually in July and early August about what RESA is doing right and what the superintendents think can be improved.

Wigent will be dealing with the troubled Detroit School District, which will also have a new superintendent.

"The first thing I'll do is build on the relationships that are already there between RESA and Detroit," he said. "There has been a lot of work that has gone on over the last several years, specifically with Detroit Public Schools — going into high-priority buildings, providing coaching. I think it's important to put their minds at rest that we are

going to continue that and I am committed to that."

In addition, he said changes at the Department of Education will move funds from Detroit to RESA for the high-priority schools.

"It will be more important than ever that we communicate and work closely with Detroit to make sure those monies are put to as good a use as possible," he said.

## NO CHILD LEFT BEHIND

Wigent said another key area for RESA is working with school districts to meet challenges of the federal No Child Left Behind legislation and the state's new high school graduation requirements.

"Our role is to help provide leadership to the districts to get through the myriad of laws and requirements," he said.

Wigent said there will continue to be political obstacles to the merging of smaller school districts, as proposed by many political leaders to save costs.

"I'd rather concentrate on consolidation of services," he said. "Achieve a smarter use of dollars."

Wigent, his wife and two sons, 10 and 7, will be moving to Wayne County from Marshall as soon as they sell their home. He said the timing is right as his wife is just completing a doctorate at Michigan State University.

## Rockets orbit past rival Wayne in predistrict, 2-1

### Kangas hurls 2-hit gem, strikes out 10

BY BRAD EMONS  
STAFF WRITER

It was an old-fashioned pitchers' duel Tuesday between a pair of juniors in the opening round of the Division 1 baseball state tournament.

And when the dust cleared, Westland John Glenn emerged the victor thanks to the two-hit performance of lefty Chris Kangas, who also delivered the game-winning RBI in the top of the fifth inning to beat host Wayne Memorial, 2-1.

Glenn improved to 13-17 overall with the victory and advances to Friday's district semifinal to play Belleville. Game time is 10 a.m. at Wayne.

Kangas had pinpoint control to keep the Zebra batters off-balance. He struck out 10 and walked only one. He also picked off a Wayne runner at first in the sixth inning.

"Chris hit his spots, he had command of all his pitches and only walked one — he did a great job," Glenn coach Matt Howton said. "It was probably his best outing (this season). He had a similar game against Walled Lake Central (a 2-1 victory)."

Losing pitcher Ryan Collop also pitched a gem. The right-hander

## Sidelines

### MU signs 2 golfers

Madonna University head men's golf coach Steve Mato has announced the signing of local standouts including Austin Stillman (Livonia Franklin) and Josh Brist (Livonia Churchill) for the 2007-08 season.

Stillman, a Division I state qualifier and All-Observer first-team selection, joins the Crusaders next season with a great deal of tournament experience. He was the Patriots' first state qualifier in over 20 years.

"Austin has a positive attitude in everything he does and this is reflected in his golf game," Mato said. "He has an excellent short game and a very good putter and has recently added some distance to his game."

Brist, who hails from Westland, is described as a hard-working individual. He earned third-team All-Observer.

"Josh has a very good golf swing with a great amount of potential," Mato said. "I feel he will be a valuable contributor to the Madonna golf team in the near future."

### MU links scholars

A pair of Madonna University women's golfers were named to the 2007 Daktronics Scholar-Athlete team in the National Association of Intercollegiate Athletics (NAIA).

Seniors Kassi Jacob and Lisa Rodriguez were both honored for their achievements on and off the course.

Jacob, a marketing major from Gaylor St. Mary's, and Rodriguez, an English and Speech Communication major with a minor in Television and Video Communication from Farmington Hills, were named to the squad after carrying a 3.5 cumulative grade point average or higher this season.

## Chargers reach tourney final, 2-1

BY BRAD EMONS  
STAFF WRITER

A 50-minute weather delay couldn't stop in the inevitable in Wednesday night's Division I district girls soccer semifinal.

Host Livonia Churchill improved to 15-2-3 overall by overcoming an early 1-0 deficit to beat rival Livonia Stevenson, 2-1, and earn a spot in Friday's district championship match against 13-3-3 Northville.

The 4 p.m. final Friday at Churchill will be a rematch of the Western Lakes Activities Association title game on May 23, won by the Chargers, 1-0.

The Mustangs, meanwhile, advanced with a hard-earned 1-0 win in the other semifinal over Salem.

"Overall we played well and we got the win," Churchill coach Dave Hebestreit said. "You've got to be happy about that. We came back from 1-0 deficit. The girls showed a lot of character and right now we're good enough to get a little luck."

Stevenson's lanky senior forward Kat Griffith took a high-bouncing ball that got pushed by the wind and fought off a Churchill defender to give the Spartans a 1-0 lead with 25:24 left in the first half.

But Churchill answered when junior forward Alisha Lussiez was taken down on a foul in the box after working the ball down the right wing.

"The one thing you never want to let a team do is dribble on the goal line — too many things can happen," Stevenson coach Chris Pinta said. "The backs (defenders) are your most pressured players and you never want to single anyone out, but we made two mistakes and it cost us."

Bailey Brandon's penalty kick with 18:12 left until intermission made it 1-1 and the Chargers took the lead for keeps on sophomore midfielder Lindsay McMullen's goal with 5:15 remaining off an assist from Alyssa Mira, who again worked the right flank.

"We did a nice job of playing wide," Hebestreit said. "Give credit to both Alyssa Mira and Hannah Otto. Mira, I thought, was the best player on the field, and Otto was awesome, too. She's very versatile."

## Youth is served: Zebras ousted by Cougars, 3-1

BY TIM SMITH  
STAFF WRITER

An infusion of freshman talent is paying big-time dividends for Garden City's varsity girls soccer team.

Look no further for Exhibit A than Tuesday's 3-1 win over host Wayne Memorial in a Division 1 district quarter-final.

After the Zebras took a 1-0 lead about 16 minutes into the second half, on a four-on-none breakaway goal by senior midfielder Kellie Newsted, the Garden City kiddie crew took over.

First it was freshman midfielder Alex Johnson drilling a penalty kick into the Wayne net to tie the match just three minutes after the Zebra marker.

Freshman forward Rachel Szczenbara, in her first varsity match after being called up from the JV, scored the game-winner with 13:59 remaining and another ninth-grader, forward Marianne Lewallen, provided some insurance about seven minutes later.

"She (Szczenbara) will remember that goal forever," said Garden City coach Bill Torni, whose squad faces Canton at 6 tonight in the district semifinal. (The final is 7 p.m. Friday, back at Wayne.

On that marker, the Zebras rushed Cougars sophomore goalkeeper Stephanie Nichols after a long through ball bounced past Garden City's midfielders and defenders.

## Glenn girls celebrate first win

BY BRAD EMONS  
STAFF WRITER

Julie Rogers got doused with a cooler of water and the Westland John Glenn softball coach didn't mind at all.

The first-year coach had reason to smile for a change as she watched her Rockets end a spring of frustration with an 11-2 Division 1 predistrict victory over host Wayne Memorial.

It was Glenn's first victory of the season in 22 games and propels the Rockets into a 10 a.m. Friday semifinal against Belleville at Wayne.

It was only a year ago that the 1-22 Rockets embarrassingly pulled out of the Birmingham Seaholm district tournament due to a forfeit because they could not field enough varsity players. "This is nice going into next year, it

will give us confidence for next year," Rogers said. "We just seemed more confident today. We hit the ball and Brittany (Holbrook) threw hard and pitched defensively."

Wayne, which bowed out at 3-23 overall, had beaten rival Glenn in two previous meetings, including a 7-6 victory May 23 in the Western Lakes Activities Association crossover.

But the Zebras made a total of six errors on the day and collected just three hits off the sophomore Holbrook, who struck out five and walked only two in seven innings.

"They (Glenn) made plays today that they didn't make the first two times we played them," Wayne coach Wayne Woodard said. "They played a good game."

Losing pitcher Taylor Krohn, a sophomore, allowed eight hits, walked nine and hit one batter. She struck out three.

Holbrook, Tarra Anderson and Lisa Pecorelli had multiple hits for the Rockets, while Ashley Ringel went 2-for-3 for Wayne.

Glenn first baseman Stacey Truskowski made a couple of key defensive stops, none bigger when she snagged a line drive off the bat of Bianca Hayes with the bases loaded in the bottom of the fourth inning. Glenn was leading 7-1 at the time.

"She (Hayes) hit a shot down the line and if that goes through it might have been a different game," Woodard said.

## PREP BASEBALL

Someday soon, Plymouth's baseball team may present head coach Chuck Adams with a no-sweat, easy-does-it victory — but he's not holding his breath.

The suddenly peaking Wildcats took their high-wire act to Livonia Stevenson Tuesday afternoon and upended the host Spartans, 11-7, in a Division I predistrict matchup that wasn't decided until All-WLAA Stevenson outfielder Luke Knochel struck out with the bases loaded in the top of the seventh inning.

The Wildcats' first-ever Division I district tournament victory propelled them into a noon Saturday semifinal showdown against cross-campus rival Salem at Stevenson.

The other semifinal at 10 a.m. will pit Canton against Livonia Churchill. The championship showdown is slated to begin at 3 p.m.

"We don't ever make it easy on ourselves," said Adams, with a hearty laugh, just moments after his team's historic win. "Like I always say, 'Nothing ever comes easy for the 'Cats.'"

"It's our first district win at the varsity level, so obviously it's a big win. But we also look at it as just a first step toward trying to win this district. We feel like we're as good as anybody else in the district and that we can compete with all the other teams. It's not like we're a Cinderella story here.

"If we play our game and catch the ball, we can play with anybody in this District, at least that's the way I look at it."

The odds — and history — were stacked against the Wildcats heading into

Tuesday's pre-district battle. Their 14-14-1 record paled in comparison to the Spartans' 20-11 mark and they had lost two previous matchups against Stevenson starting pitcher Matt Tuttle, a 6-foot-6 flame-thrower who will be pitching at Adrian College beginning in the fall.

Plus, there was that 0-for-districts dry spell staring them in the face.

But Plymouth played confidently from the opening pitch and build a 4-0 advantage in the second inning thanks to a pair of walks, a hit batsman error and a clutch two-run single from Ben Kosmalski.

"We felt the third time against (Tuttle) would be the charm," said Adams. "He beat us two weeks ago and then last week in the cross-over, but we committed a lot of big physical errors."

"In our last game, we were high on a lot of his pitches and he threw 146 pitches, so we took a lot of first-pitch strikes. In our big second inning, I think he threw about 60 pitches and he was having a hard time finding the zone."

The Spartans countered with two runs in the top of the third on Nick Plank's two-run single — his second of three hits for the game.

The Wildcats regained their four-run cushion in the bottom of the third when Garrett Rebain walked, Stephen Ostrowski walked, Matt Skubick advanced them to second and third with a sacrifice bunt and Valle drilled a deep sacrifice fly to center field. Junior lead-off batter David Harvey made it 6-2 when he singled in

Ostrowski with his second of four hits for the game.

Tuttle departed the game after hitting Ostrowski with a pitch.

The resilient Spartans put a three-spot on the board in the fourth on a two-run double by Knochel and an RBI groundout from Sam Vomastek.

Plymouth upped its lead to 8-5 in the fifth thanks to an RBI double by Harvey. They added three more in the sixth on a hit from winning pitcher Brad Lineberry, a walk to Rebain, a walk to Matt Skubick, a Valle RBI groundout and an RBI single from Harvey.

Stevenson inched to within 11-7 on Dan Rozek's two-run double and they eventually loaded the bases with two outs before Lineberry K's Knochel, who's one-strike shot down the right field line on the previous pitch was just foul.

Lineberry tossed a complete-game nine-hitter, striking out four. The Spartans went down in order in just the first inning.

"Plymouth played well and we didn't — my hat is off to them," said Stevenson coach Rick Berryman. "They did the ball hard and did what they needed to do, and we didn't. Our starting pitcher was 8-0 coming into the game, but they scored their first four runs without a hit thanks to a hit-by-pitch, an error and a couple free passes. When you do that in a game like this, it's not going to work out too well."

"We kept battling, though. My compliments go out to my kids because they never gave up to the end. I'm just sorry my seniors' high school careers had to end like this."

allowed just three hits, walked two, hit a batter and struck out five.

"Collop also pitched well," Howton said. "He's going to be something. He had good speed on his fastball. He located it well and battled through adversity the whole game."

Glenn took a 1-0 lead in the top of the third when sophomore Andrew DeLuca doubled, went to third on a wild pitch and scored on a Wayne infield error off the bat of Jerry Smith.

The Zebras answered with their only run in the bottom of the fourth, when Brent Patterson reached base on Glenn's only error of the game before eventually coming home on Jon Bryant's RBI groundout.

In the bottom of the fifth,

Jake Murawski drew a walk and took second on Jeff Gergen's sacrifice bunt. DeLuca was hit by a pitch and Smith blooped a single to center field loading the bases.

Kangas then came through with a sacrifice fly to break the 1-1 deadlock.

"We're hot and cold with the bat," Howton said. "It was nice we played good defense and got some timely hitting like Kangas' (RBI) sacrifice fly. When you're not hitting, you need other things in your game to come through, and they did."

Wayne's season ended at 9-21 overall, but there is hope for the future.

"His (Collop's) pitching was outstanding," Wayne coach Frank Garcia said. "If he gets a little stronger, he'll play college because he knows how to pitch."

The Wayne coach, however, tipped his cap to the Glenn

left-hander. "We knew what he was going to throw — strikes away," Garcia said of Kangas. "He did what he had to do to get us out. We wanted to go to the opposite field. He hit the outside corner so well and he got a little extra on it. He threw strikes, but I thought overall we went with the pitch pretty well."

"I can't be too disappointed, though. I thought overall we played a good game."

Glenn, meanwhile, stays alive in the state tournament and Howton was unsure whether Kangas would get the start again with only two days rest.

"We can throw him if he's ready," the fifth-year coach said. "We'll throw him if he's ready. If it's on Saturday like it should have been, we'd have him out there for sure."

# Chargers win slugfest versus Franklin, 16-15

BY ED WRIGHT  
STAFF WRITER

A slow-pitch softball score broke out at Tuesday's Livonia Churchill-Livonia Franklin predistrict baseball game at Livonia Stevenson.

When the dust had cleared and the scoreboard's lightbulbs were restored, the Chargers had prevailed, 16-15, in a game that resembled one you'd see at Hines Park on a Sunday afternoon.

Churchill's record is 16-15 overall, while Franklin bows out at 7-22.

The exciting — although at times sloppy — triumph earned coach Ron Targosz's squad a berth in Saturday's Division I District 1 semifinal showdown against Canton, which drew a first-round bye. The first pitch is slated to be thrown at 10 a.m. sharp.

"That was one of the ugliest games I've ever seen," said

Targosz, flashing a broad grin following his team's come-from-behind triumph in the bottom of the seventh. "We were ahead 12-5 then they started hitting the ball and we started booting it. I think we had five errors today. It was an ugly game. It times it seemed like we were playing slow-pitch softball."

Sophomore southpaw James Tyler earned the win for the Chargers after working the final 1.2 innings. He yielded just one hit and struck out two in his clutch performance.

Tyler Cotter paced the winners' hitting attack with three hits, two runs scored and a pair of RBIs. Tyler Bledsoe (4-for-4, three runs) and Mike O'Keefe (3-for-5, two runs) powered the winners' 16-run attack.

The Patriots trailed 14-12 in the bottom of the sixth — when with one out and the bases loaded — Anthony Andrus drilled a two-run single to knot the game at 14-all. Franklin

grabbed its final lead when Tyler Canyock singled in Andrus, who had advanced to third on a wild pitch.

James Tyler then entered the game and got the next two batters to strike out and fly out.

Churchill regained the lead in the top of the seventh when lead-off batter Kirk Ciarrocchi was hit by a pitch, advance to second on Tyler Bledsoe's single and third on a passed ball. He then scored on Eric Mitchell's single. The eventual game-winner was plated when Steve Jones' groundout scored Bledsoe.

James Tyler was stellar in the bottom of the seventh, retiring all three batters he faced, the last on a strikeout.

"We don't really have a No. 1 pitcher and we don't have a stopper, but we have a lot of kids who can do the job when they need to," Targosz said.

## Ladywood coasts into D-2 final

The state tournament has injected new life into the Livonia Ladywood girls soccer team.

The Blazers, who finished 3-10-1 during the regular season, earned a spot in Friday's Division 2 district championship with an 8-0 mercy-rule victory Wednesday over Detroit Western International (4-11-1) at Redford Thurston.

The Blazers, now 5-10-1 overall, will face host Thurston (5-9-5), a 5-2 winner over Ferndale in the other semifinal, in Friday's championship game. The rematch of last year's final, won by Ladywood in overtime, starts at 6 p.m.

Ladywood received a pair of goals from Rachel Maceri, including the game-ending score with 10 minutes remaining.

Kristen Selasky, Sarah Kempa, Kaitlyn Vitale, Jessica Benaglio, Laura Bou-Maroun and Amanda Field also scored for the Blazers, who led 4-0 at halftime.

Goalkeeper Michele Ring (two saves) recorded her second straight shutout of the district.

"The girls came in focused and ready to play, we really tried to control play and prepare for Friday's game," said assistant coach Sue Christenson, a former Blazer player and 2004 Ladywood grad who plays defender for NCAA Division II runner-up Grand Valley State.

Christenson was filling in for coach Brent Petkus, a goalkeeper for Bowling Green State who was attending an NCAA student-athlete convention in Florida.

Petkus is expected back for Friday's championship match.

**CHURCHILL 1, FRANKLIN 0:** Bailey Brandon's goal off a corner kick from Kayla Johnston in the 71st minute Tuesday gave host Livonia Churchill (14-2-3) the Division 1 first-round district triumph over stingy Livonia Franklin (6-12-1).

Goalkeeper Stefanie Turner, who was barely tested, notched her 12th shutout of the season.

Churchill outshot the Patriots, 20-3.

Seniors Meghan Horgan, Kristine Ostrosky, Kelly Roulier, Diana Brda and Jackie Covert set the tone for the Patriots, according to coach Jen Barker. Junior Erica Pepper stood out in goal for the Patriots despite playing with a cast on her broken wrist. She got defensive help from sophomore

defender Courtney Smith and junior midfielder Kelly Powers.

**STEVENSON 4, PINCKNEY 1:** In first-round Division 1 district action Tuesday, Kat Griffith notched a hat trick as Livonia Stevenson (10-6-3) rolled to a victory over the host Pirates.

Mandi Keedle played the first 60 minutes in goal for the Spartans before giving way to Brittany Vella.

Griffith scored in the 28th minute on a break-away set up by Victoria Slavin, who tallied the Spartans' second goal off a pass outside the 18-yard mark from Stephanie Gutkowski in the 38th minute.

Just a minute later, Griffith's header off Julia Schroeder's corner kick made it 3-0 at halftime. In the 50th minute, Gutkowski made a nice pass to set up Griffith for her third of the night.

Pinckney spoiled the shutout bid with a rebound goal in the 65th minute after Vella made a nice save.

**LADYWOOD 7, REDFORD UNION 0:** Kaitlyn Vitale scored a pair of goals Tuesday as Livonia Ladywood (4-10-1) advanced with a first-round Division 2 district triumph over Redford Union (1-15-2) at Redford Thurston.

Ladywood, which led 2-0 at intermission, also got goals from Kirsten Selasky, Sara Burnosky, Lura Bou-Maroun, Lindsay Maier and Alison Szczypka.

Goalkeeper Michele Ring recorded the shutout. **GROSSE ILE 7, CLARENCEVILLE 0:** Cristina Kovich and Kristie Tamer each scored a pair of goals Tuesday as the Red Devils (15-1-3) blanked host Livonia Clarenceville (6-11-2) in first-round Division 3 district action.

Kelsey Sassack added a goal and three assists for Grosse Ile, which led 6-0 at halftime.

Other Grosse Ile goal scorers included Sarabeth Makins and Amanda Moehr.

The Trojans played without junior midfielder Amanda Moody (knee injury).

**GREENHILLS 6, LUTH. WESTLAND 2:** Carly Topper and Marcia Silveira each scored twice as Ann Arbor Greenhills (6-6-4) rolled to a Division 4 district victory at Lutheran High Westland (10-8-1).

Allyson Yankee and Juliann Thomas each scored a goal for the Warriors, who trailed 1-0 at halftime.

area as the first-half ended, causing game officials to declare a delay for nearly 50 minutes, which included the 10-minute intermission and a 10-minute warm-up.

"The delay was substantial, it kind of changed the mood of the game," Hebestreit said. "But we played O.K. at the restart."

Churchill sophomore goalkeeper Stefanie Turner then did the rest, making three key saves in the second half including a diving stop off a low header by Griffith in the 46th minute followed by another timely grab off a point-blank attempt with 28:48 remaining by Stephanie Gutkowski off a well-placed free kick from Kayla Kimble.

"She (Turner) is a great keeper, the best in the conference (Western Lakes)," Pinta said. "I said that last year and I still think she is. She's smart, she's poised and it takes something special as far as pressure to beat her."

The loss ends Stevenson's season at 10-7-3. The Spartans went 0-2-1 against Churchill.

"I thought our seniors fought hard for each other," Pinta said. "Given the way it started this season, it was a heck of a turn-

## Bucks qualify again for U.S. Open Cup

BY BRAD EMONS  
STAFF WRITER

Another mission accomplished for the Michigan Bucks, who earned a victory and a tie over the weekend, good enough to clinch their record seventh Lamar Hunt U.S. Open Cup appearance in 11 years.

On Monday, the 2006 North American Premier Development League champions clawed back from a 2-0 hole to deadlock the host Indiana Invaders (2-0-2) in South Bend, 3-3.

Scoring goals for the Bucks, now 3-0-1 in the Central

Conference's Great Lakes Division, included Kenny Uzoigwe (59th and 61st minutes), both from Nate Jafta, and Khelli Dube (his team-leading fifth in the 78th minute) from Uzoigwe.

Saidi Isaac, who snapped Bucks goalkeeper Steve Clark's consecutive shutout minutes at 378 in the first half, scored all three goals for the Invaders.

On Saturday, at soggy Independence Park in Canton, the Bucks scored all four goals in the second half to scorch the Chicago Fire Premier, 4-0, as part of the Memorial Weekend 25th annual Canton Cup. After Chicago goalie Matt

Pyzdrowski stopped Dube's penalty kick in the opening half, the Bucks went to work offensively on goals by Ty Shipalane (Lindsay Wilson, Ky.), Dube (Coastal Carolina), Jafta (Lindsay Wilson) and Eric Brunner (Ohio State).

Clark (Oakland University) got the shutout.

The loss dropped Chicago to 2-1-2 in the Division.

The Bucks will travel Tuesday, June 12 to take on the United Soccer League's Second Division champion Richmond (Va.) Kickers.

Game time is 7:30 p.m. at the University of Richmond Stadium.

## COUGARS

FROM PAGE B1

Nichols came out to meet Newsted and three other Wayne players as they approached her, but the forward managed to knock the ball past her into the wide-open goal.

Torni could almost immediately be heard urging his players to pick up the tempo in order to not fall further behind.

Shortly thereafter came the play that turned the tide in Garden City's favor. A loose ball in the box near Wayne junior goalkeeper Nikole Jarvis was ruled to have been touched by a Zebra defender, resulting in a penalty kick.

Johnson, who had just entered the game in place of senior Alyssa Chambo (who usually takes penalty kicks for the Cougars), blasted her shot into the top right corner behind Jarvis.

"She buried it," Torni said.

According to Wayne first-year coach Evan Baker, whose team finished the season 3-13-2, it was a questionable penalty kick call.

"Typically on a hand-ball infraction, you need the intent to play the ball," Baker said. "It simply bounced off her hands and rolled away. The call on the penalty shot there was kind of baffling and that took the air out of our sails."

Torni, meanwhile, said the play "looked like she put her hands up and played the ball down."

Baker stressed that the referee's decision wasn't why his team went on to give up two more goals and lose.

"In no way was the referee responsible for the loss because they put three goals in the back of the net," he said. "When the other team ties the score, you have to keep coming."

The winning goal by Szczembara (21 goals on the JV) followed some outstanding ball control both by sophomore forward Cara Braun and sophomore midfielder Brooke

Solomon.

It was Solomon who neatly crossed it from left-to-right, where Szczembara swooped in to nail her shot.

"She (Solomon) knew where Rachel was going to be," Torni said.

The Cougars made it 3-1 with 7:18 left when sophomore forward Geri Gabrielson's cross was bumped in on the doorstep by Lewallen, who used her chest to direct the ball into the cage.

But just seconds earlier, a scoring chance by Lewallen was stymied by Jarvis. The goalie dove to her left to block the shot.

"Nicole has really carried us all year," Baker noted. "I'm happy to have her back next year."

In addition to praising Newsted, who played well despite a lingering rib injury, and Jarvis, the Wayne coach saluted junior forward Whitney Jacobs for a solid outing.

## Guzik, Kerr spur Churchill win; Plymouth burns Spartans, 9-2

Paula Guzik's two-out RBI single proved to be the game-winner Tuesday as Livonia Churchill edged Livonia Franklin in eight innings, 3-2, in Division 1 pre-district action at Livonia Stevenson.

Churchill, 17-14 overall, advances to Saturday's district semifinal to face Canton. Game time is noon.

Franklin ends its year at 22-12 overall, the most wins in season since 1997 when the Patriots captured the Western Division in the Western Lakes Activities Association.

Churchill jumped out to a 2-0 lead with a pair of runs in the bottom of the third inning thanks to a two-run single by Katie Stodulski, who finished with three of the Chargers' 10 hits.

Franklin came back with a run in the top of the sixth on pitcher Natalie Sanborn's RBI double and tied it in the seventh when Nicole Emery singled and later scored on a Churchill outfield error.

In the bottom of the eighth, Katina St. Pierre led off with a walk before Sanborn got the next two outs. Julie Hassell then walked and Chelsea Wydick was hit by a pitch to load the bases, setting the stage for Guzik's game-winning hit.

St. Pierre added three hits for the Chargers, while Wydick contributed two.

Brittany Taylor went 2-for-4 in a losing cause.

Winning pitcher Jordan Kerr went all eight innings, allowing just four hits. She

### PREP SOFTBALL ROUNDUP

struck out five and walked one.

"Kerr pitched an outstanding game," Franklin coach Linda Jimenez said. "She kept the ball down and demonstrated determination and poise on the mound. Megan (Misiak-Hall) has done an outstanding job coaching this season, especially with all the injuries."

Sanborn (16-9) struck out four, walked three and hit a batter in 7.2 innings of work.

"Despite today's loss, I'm proud of the fact that we kept fighting and came back to tie the game in the seventh, which we have done all season," Jimenez said. "With only three seniors, we have high hopes for next season."

**PLYMOUTH 9, STEVENSON 2:** Kim Klonowski went 2-for-3 with a solo homer in the fourth inning to propel the Wildcats (23-5) to a Division 1 pre-district triumph Tuesday over host Livonia Stevenson (19-11).

Erin Rodes contributed two hits, including a key two-run single in the bottom of the sixth inning to spark a six-run Plymouth rally.

The Wildcats, who led 3-1 through five innings, also took advantage two of Stevenson's four errors on the afternoon during the six-run sixth.

"We kind of fell apart defensively and let the pressure get to us," Stevenson coach Rob Witherspoon said. "They had runners on first and second when we made an error and the wheels came off."

"Plymouth is not the type of

team where you can make too many mistakes against."

Winning pitcher Meghan Patterson limited the WLAA champions to just four hits. She struck out four and walked two.

Losing pitcher Jamie Johnson gave up six hits, walked two and struck out four. Six of the nine runs were earned.

Amanda Paison had an RBI double for the Spartans in the seventh.

"We waited until the sixth and seventh (innings) to hit the ball," Witherspoon said. "It was a big game and it was pretty tense to start off with."

**HURON VALLEY 15-13, MACOMB CHRISTIAN 6-15:** It was a clean sweep Tuesday as Westland Huron Valley Lutheran (18-5, 10-0) capped an unbeaten season in the Red Division of the Michigan Independent Athletic Conference in a doubleheader at Macomb Christian.

The Hawks collected 14 hits and overcame six errors to win the opener, 15-6, as Katie Kipfmiller went 3-for-4, with an RBI and three runs scored. Winning pitcher Amanda Gruenewald scattered three hits and six walks, while striking out eight.

Gruenewald also went 2-for-6 with a triple. Macomb Christian starter Kaycee Reed took the loss.

In the nightcap, Gruenewald homered, double and knocked in four runs as Huron Valley beating Crusaders, 13-1.

Gruenewald allowed just two hits, walked one and struck out seven in five innings.

Nicole Smith added two hits and two RBI in the victory.

## The Essence of the Game

power carts. The reason is money. Power cart rental are a huge part of revenue for most courses. They are even more important now in these challenging times when courses try to squeeze every last dollar they can out of revenue sources. And when golfer choose to walk, with or without a caddy, the course loses revenue from cart rental. Many upscale public courses don't allow walking at anytime. This is especially true in Northern Michigan, where greens and tees are so far apart one can only navigate the course with a cart. Of course, the many steep hills up there would make it too difficult to walk any ways. One private club that still encourages walking is the Detroit Golf Club. There you will find arguably the best and strongest caddy program in Michigan. The problem is when golfers take a caddy, the course loses revenue from cart rental. That is just one reason why caddy programs are often not what they used to be either. One reason often given for power cart usage is the pace of play. Most think that a power cart is faster than walking. Not! Over in Scotland and Ireland where "buggys" are usually not allowed, they finish their rounds in three to three and a half hours or they run you off the course. In the U.S. the average round with cart is at least an hour longer than that.

# HOW WORK IMPACTS CANCER SURVIVORS

**WORKWISE** Many of today's cancer survivors return to work and throw themselves into community service.

Omaha entrepreneur William Penry had to survive. He went into treatment for non-Hodgkin's lymphoma with two businesses and came out with three, all of which he still owns: Air Power of Nebraska Inc., Omaha Pneumatic Equipment Company and Caskel Leasing Company. On May 2, 13 years after his cancer struck, he received The Nebraska Medical Center's Star of Courage Award.

The first time he entered the hospital, he armed himself with a desktop computer and fax. "I set up a little office and promised to communicate daily," he recalls. "I couldn't have visitors. About the second day, I had a laptop and clipboard with me." He returned to work immediately after chemo treatment, only to relapse ten months later and have a stem cell transplant. This time he took only a telephone.

Penry attributes his turnaround to his "work ethic, personal philosophy and self-discipline," and his success with cancer to the entrepreneurial experience, with its constant challenge and uncertainty.

Dan Foster, an administrative

assistant and 40-year worker at KeySpan Energy in New York City, survived rectal cancer twice in almost 11 years with the help of Beth Israel Medical Center. He had two chances to work -- or not. "In 1996," he says, "I had surgery in September and reversal in November. I was back to work in the spring." That's not what friends advised.

"I wanted to know that I could do what I did before," he says. He was committed to working, even if it meant he'd returned too soon. KeySpan held his job. Because of some unpaid compensation, and because his long-term health insurance kicked in, he did all right financially.

"It was well over a year before I felt like myself," he states. "For a short time (battling the feeling of being tired), I went home a little early." His company didn't seem to mind that it took time to restore his productivity.

The next time around was worse -- surgery on one lung in September, 1999; surgery on the other lung in October; eight months of chemotherapy beginning in November. Once again, his job was waiting for him. Foster was thrilled to be back in the harness and shifted his treatment to Fridays, which gave him the weekend to recover from the aching tireds.

## COMMUNITY

Many cancer survivors contribute to the community with gusto. Paul Nicholls, former development director at Ogilvy & Mather, was sitting in a

chemo chair at St. Luke's - Roosevelt Hospital Center in New York City, next to a man from Hong Kong. "I'd walked 10 minutes to the hospital," he recalls. "I realized that I'm going to my own bed. I'm eating the food. My wife is there. The man was here alone, terrified of disease and New York. He was phoning home twice a day. It was expensive; he was stressed because of the time difference."

Nicholls founded Team Continuum, which started at St. Luke's - Roosevelt and expanded to two other hospitals. He's raised \$3.5 million, and he's helped approximately 3,000 patients receive personal living services to defray the "devastating" expenses required for international travel, job cessation and double residences, sometimes with entire families in New York.

Like Nicholls, Penry and Foster are extremely engaged in the community. Foster worked up to speaking at community meetings, health fairs and a half-hour cable program. He's the Voice of Brooklyn for the Colon Cancer Alliance. His list of activities doesn't stop. Penry continues board service and fundraising. "I also spend quite a bit of time meeting with cancer patients at The Nebraska Medical Center," he explains, "trying to provide emotional and spiritual encouragement." He even takes them to his family's lake house to encourage them to live life to its fullest.

These three survivors reflect that work kept them on track. (Dr. Mildred L. Culp is an award-winning journalist. Copyright 2007 Passage Media.)
