High-speed chase ends with suspect's arrest

BY DARRELL CLEM
STAFF WRITER

A Redford man is charged with driving a stolen vehicle and leading officers from four police agencies on a chase that started in Westland and topped 100 mph before it

ended in Detroit, where the suspect was captured.

Hosea Moore, 44, also is accused of dragging a Westland police officer and running over his foot just before the chase started around 5:30 a.m. Sunday. The incident ended when he

rammed into a Michigan State Police car and tried to flee on foot, police Sgt. Chris Benson said.

Moore, arraigned on multiple felony charges Tuesday in Westland 18th District Court, is accused of stealing a 2006 Chevy Trailblazer

in Livonia before going to a Westland group home where his girlfriend works, on Ann Arbor Trail west of Middlebelt, Benson said.

The pair had been having problems, and the girlfriend called police amid allegations Moore went to her job and

started harassing her. Officers already had been watching for a stolen Trailblazer.

Officers went to the group home and searched Moore for weapons before a struggle erupted, prompting Moore to flee on foot to a vehicle he had parked a short distance away,

Benson said.

Officer Ron Merrill chased the suspect and tried to pull him out of the vehicle, but Moore was accused of starting the Trailblazer, dragging Merrill a short distance, run-

Candlelight vigil remembers children lost too soon

BY BRAD KADRICH
STAFF WRITER

Hundreds of people braved dropping temperatures and a sleeted drizzle Sunday to attend the annual Compassionate Friends Candlelight Vigil in Plymouth's Kellogg Park, all with the same goal in mind.

Paying tribute to the children they've lost too soon.

The event, sponsored by The Compassionate Friends-Western Wayne County (Livonia) Chapter, included the dedication of a tree decorated with ornaments with the children's names, the candlelight vigil, a reading of the children's names, poetry and songs.

This year, nearly 400 names were read.

"If that's not the most we've ever read, it's close," said Gail Lafferty, a Compassionate Friends member who co-chairs the vigil. "They just seem to keep coming."

Dave and Kim Blackwell of Westland were there Sunday

to remember Amy Louise Blackwell, Dave's sister, who died in an apartment fire seven years ago. Seven years later, the pain is still evident.

"She was my best friend," Dave said of Amy. "We have to come (to the vigil)."

Claudia Schmitt isn't among those who have lost children, but she felt compelled to be at the vigil anyway, to support a friend who had lost a brother. The weather apparently kept the friend away, but Schmitt was touched by the ceremony just the same.

"I wanted to be here for her," she said of her friend. "I'm going to take a candle to her."

Compassionate Friend Pat O'Donnell, who lost his son, reminded the audience what they already knew.

"We loved our children yesterday, we loved them today and we'll love them tomorrow," O'Donnell said. "Death can't kill that which lasts forever."

Area high schools fail to make AYP

BY SUE MASON
STAFF WRITER

The state's switch to a more rigorous high school curriculum and standardized test that includes the ACT college entrance exam has taken a toll on Wayne-Westland's two high schools.

Based on test scores, John Glenn and Wayne Memorial high schools failed to make Adequate Yearly Progress as required by the federal No Child Left Behind law. They also received an Education YES! letter grade of D.

"This is the first year that both high schools didn't make AYP, but we believe we will pull it out and show progress

next year," said Superintendent Greg Baracy. "As we get the first year under our belts, the students will start taking the test more seriously."

The two high schools, which failed to make progress in two subgroups — ethnicity and economically disadvantaged — were the only Wayne-Westland schools to not make AYP. The letter grade they received reflects the drop in test scores, Baracy said.

In all, 16 of the district's 21 elementary and middle schools received Education YES! letter grades of A or B. Five received C's. "We as district made AYP, it was only the high schools

Salvation Army needs help meeting goal

BY JULIE BROWN
STAFF WRITER

The Wayne-Westland Salvation Army goal for Christmas fund-raising is \$135,000 this year. As of Dec. 8, about \$71,000 had been raised.

That includes \$56,850.20 from the familiar red kettles outside local stores around town. Some \$13,231 has been raised in mail appeals, corps commander Capt. Matt O'Neil said. Mini-kettles at restaurants, a new undertaking this year, have generated an additional \$1,500 or so.

"I think we're actually a little down from last year," he said Monday. "We're hoping things pick up."

Bell ringers started work before Thanksgiving and took to the streets by Westland Shopping Center, at Wayne and Warren roads, the Saturday after Thanksgiving. That on-street effort will be repeated the Saturday before Christmas, Dec. 22. The local corps uses a combination of volunteer and paid bell ringers and welcomes volunteers.

"The need has increased and donations are a little lower," said O'Neil, corps commander with wife Capt. Mindie O'Neil.

There's an Angel Tree at Westland Center (court by

Macy's) where people can adopt an individual child for Christmas. To adopt a family, call Salvation Army social worker Margaret Gaster at (734) 722-3660.

There is a Saturday, Dec. 15, deadline for family adoptions. Staff and volunteers will begin distributing clothing, toys and other gifts at the corps facility on Venoy the week of Dec. 17.

About 600 families will be helped this year, O'Neil said.

"We pray regularly, things will work out in God's timing," O'Neil said. He appreciates challenge participants like the local restaurants, to be recognized at an upcoming Westland City Council meeting. Grocery stores also have accepted the challenge to help needy local people.

"I could really say this is the best community I've lived in as a pastor," he said, adding it's also his first. "It is a very supportive community."

He noted volunteer opportunities for bell ringing and passing out gifts at the corps building on Venoy south of Palmer in Westland. Checks payable to the Salvation Army can be sent to the Wayne-Westland Corps, 2300 Venoy, Westland, MI 48186.

"God bless everybody who gave so far," O'Neil added.

Volunteers build ramp for 6-year-old in wheelchair

BY LEANNE ROGERS
STAFF WRITER

Getting around has gotten a lot easier for 6-year-old Luke Stacho thanks to a group of volunteers who funded and constructed a handicap ramp from his home.

"I'm still overwhelmed. Each time I get up in the morning and open the curtains to see the ramp, it takes my breath away," said his mother Kelli Stacho.

A student at Roosevelt-McGrath Elementary School in Wayne, Luke has hydrocephalus, a condition in which cerebro-spinal fluid accumulates causing his brain to swell, and is unable to walk. Luke uses a wheelchair and until the ramp was constructed, his mother had to lift him and his wheelchair separately so that he could get in and out of their home on Farmington Road.

"He's always been a big boy — my husband is a big guy. Luke weighs nearly 65 pounds and the wheelchair weighs about the same amount," said Stacho, who is married to Al

Garden City resident Kelli Stacho and her son Luke posed with volunteers who constructed a wheelchair ramp from their home. Among those working on the project were Matthew Ryan (left), Jimmy Foley, Patrick Ryan, police Officer Randy Lorenzetti, Fire Lt. Corey Chandler, Fire Engineer Dan Neault, firefighters Randy Keen, Eric Tews and Darren Candela and Fire Capt. Ray Wlosinski.

and has a daughter Allison, 10. Anticipating problems as her son continues to grow and when winter weather arrived,

Stacho said last spring she began trying to get some help with a ramp to their home. "I was given a lot of num-

bers, but I didn't have any luck. There are a lot of people in need," Stacho said. Stacho's luck changed after a

Garden City Schools employee contacted Patrick Ryan of Ryan Home Improvements of Garden City. Ryan got in touch with Dan Neault, an engineer with the Garden City Fire Department, and the ramp project started coming together.

"After the lady got ahold of Patrick, I mentioned it at work," Neault said.

Garden City firefighters have a charity fund, money raised largely at their annual golf outing, which was used to fund the new ramp with Ryan, Neault and other volunteers providing the labor.

When word of the project reached members of the Garden City Police Department, the Police Officers Association of Michigan and Command Officers Association of Michigan each made contributions to help cover materials costs. Garden City POAM President Randy Lorenzetti, a patrol officer, also helped with the construction.

Material costs for the project were about \$1,900 as the ramp was constructed with Trex, a

composite decking and fence material made of reclaimed wood and plastic.

"He (Luke) is young, so he'll use the ramp for many years. That's why we went with a higher end material. It will last longer — it doesn't rot and won't have to be treated in a few years. We wanted something that would last," Neault said.

Garden City Rental provided free use of a post hole digger for the project. Among those providing labor for the ramp construction were Ryan, Neault, Lorenzetti, Fire Capt. Ray Wlosinski, Fire Lt. Corey Chandler, firefighters Randy Keen, Eric Tews and Darren Candela, Matthew Ryan, Jimmy Foley and Mike Gerzych.

"It's been wonderful having the ramp. I'm so gratified. It makes it easier to get in and out of the house," Stacho said. "It's especially nice at Christmas. Luke really loves to go for a walk in his wagon during the summer, so that will be nice."

Residents savor best of city's cuisine

BY DARRELL CLEM
STAFF WRITER

To hear Georgia Becker describe her first time at Westland's Holiday Taste Fest, it sounds more like she went to Hershey, Pa., or Willy Wonka's Chocolate Factory.

She savored the chocolate-dipped strawberries and chocolate-covered marshmallows on a stick served by the William D. Ford Career-Technical Center's culinary arts program. She raved about the amaretto chocolate cake prepared by Back Home Bakery of Canton.

"That was almost decadent," Becker said.

To be fair, she also sampled

the cuisine from restaurants like Marvaso's Italian Grille — one of 17 places that brought food and drinks Tuesday, Dec. 4, to the ninth annual Taste Fest, a holiday affair dished out at the Hellenic Cultural Center by the Westland Chamber of Commerce.

"Marvaso's is one of my favorite restaurants anyway, but all the food was good," Becker said.

That could explain why 520 people eagerly paid the \$20 tab — or just over \$1 per eatery — to attend.

"Everybody seemed to have a really good time," said Brookellen Swope, the chamber's executive assistant.

"Everybody was in the holiday spirit."

Restaurants brought sample-size portions of their signature dishes, in hopes of convincing Taste Fest connoisseurs to stop by their various locations for a meal.

This year's participants included Back Home Bakery, Dario's Italian Eatery of Garden City and the following Westland establishments: the Hellenic Cultural Center's kitchen, Hickory BBQ & Grill, Lakeshore Grill at Macy's, Leo's Coney Island, LongHorn Steakhouse, Malarkey's Irish Pub, Marvaso's, Qdoba Mexican Grill, Red Robin, Starbucks Coffee Co., Texas

Roadhouse, The Enchilada Hut, Ashley's (former Uno Chicago Grill) and the William D. Ford culinary arts program. O&W Inc. served beer.

Dario's was judged as the winner for the culinary arts award; the Ford center won the creativity award. A local business, Miss Helen's Dance, provided entertainment.

Chamber officials often find that first-time Taste Fest participants are surprised by how much the event has to offer.

"It was my first time to attend," Becker said, "and I really enjoyed it."

Teenager charged with attempted robbery

BY DARRELL CLEM

A 19-year-old Westland man was charged Tuesday with an attempted robbery on the city's northeast side, and he was under investigation for other robberies and larcenies in Westland and Livonia, a police sergeant said.

Ian Kilgian was arraigned in Westland 18th District Court on a charge of assault

Kilgian

Middlebelt, police Sgt. Steve Borisch said.

Kilgian is accused of demanding money from a 17-

year-old female worker after brandishing a drywall saw that resembled a knife, Borisch said.

"She acted like she couldn't open the cash register, and he ended up leaving," the detective said.

Kilgian is accused of fleeing to London Townhouses, a complex where he lives northeast of Ann Arbor Trail and Middlebelt. Meanwhile, the Dunkin' Donuts worker, with help from a friend, identified the perpetrator as someone they had known from school.

Officers went to Kilgian's residence, but Borisch said the defendant was hiding elsewhere in the townhouses complex before he fled across Middlebelt into a residential neighborhood and hid under a swimming pool deck on Fremont.

Officer Grant Allen brought

in police dog Drago, who led authorities to the suspect, Borisch said.

In court Tuesday, 18th District Judge C. Charles Bokos ordered Kilgian jailed in lieu of a \$250,000 cash bond as he awaits a Dec. 20 preliminary hearing that will determine whether he should stand trial.

A not-guilty plea was entered for the defendant, who, if convicted, could face penalties ranging up to life in prison, Borisch said.

Police searched Kilgian's residence and found a coat that he was accused of wearing during the attempted robbery, Borisch said. Police also arrested the defendant's girlfriend and a friend of hers on allegations that they had drugs in the home.

Two Westland teens win Junior Miss honors

BY SUE MASON
STAFF WRITER

Raven Rickard is used to seeing teens at her mother's dance studio participate in the Wayne-Westland Junior Miss Program. There's been three winners, including two that went on to be Michigan Junior Miss.

But now there are four with her selection as the 2008 Wayne-Westland Junior Miss.

"I was shocked; I wasn't expecting it," the Westland resident said. "I was a little overwhelmed, but I was happy."

The daughter of Kelly and Jennifer Rickard, she now advances to the state Junior Miss Program, which will be held March 29 in Ann Arbor. Joining her will be first runner-up and 2008 Westland Junior Miss Rachel Mlynar, the daughter of Ken and Tamara Mlynar.

According to Rickard, the Junior Miss program has been a part of her life since she was a toddler. She and her mother Jennifer have watched dancers from the Encore Dance Academy compete and win. She even went to Mobile, Ala., to watch Ashley Baracy compete in the America's Junior Miss Program.

"My mom was very happy I won. I think she was excited inside because her daughter finally won," she said.

Twenty-four high school senior girls competed in the

Rachel Mlynar (left) and Raven Rickard are head to the Michigan Junior Miss Program as the top two contestants in the local program.

scholarship program. Judging was based on academics, physical fitness, a judge's interview, self-expression and talent. Rickard did a tap dance to a remix of *Let's Get Loud* for the talent competition.

Rickard is a senior at Mercy High School in Farmington Hills, where she has a 3.6 grade-point average out of a possible 4.0 and is president of the Green Club, an environmental organization. She also dances four days a week at the studio.

She won almost \$2,000 in the scholarship program that will come in handy. While she's undecided as to where she'll go to college, Rickard is certain what she wants to be.

"I want to be an obstetrician. I'll have to go to medical school, and that's going to need a lot of money," she said.

Mlynar also was shocked when she was announced as the first runner-up.

"I've never been one to win, so this attention is kind of new to me," Mlynar said. "I expected to be in the top five, but I didn't anticipate being runner-up. I was on the platform, hoping I'd win one scholarship. I knew I tried my best, but I didn't think I'd win."

Like Rickard, Mlynar has been watching Junior Miss programs since she was a child. She also had several friends enter the program and they "had only good things to say about it." She decided to give it a try, in large part because of the chance to get scholarship money.

"The scholarship money was my main target, but I didn't think I'd win so much," said Mlynar, a senior at John Glenn High School.

As first runner-up, she received more than \$1,300 in scholarship money, which will help pay for college. She plans to study dental hygiene

and has applied at Brigham Young University in Utah, BYU in Idaho and Michigan State University. She has a 3.97 grade-point average, no easy task when her day starts with a 5:55 a.m. church class and ends in the late evening because of her job.

Mlynar found the preparation tedious and strenuous, but admitted the Sunday evening practices were "hilarious."

"It was so much fun, so entertaining," she said. "I knew a lot of the girls in the program — a lot go to Glenn — but a lot I didn't know so well. I made a lot of new friends."

She also enjoyed taking voice lessons for three months to get ready for the talent portion of the competition. She sang *Melody Within* from the movie *Rigoletto*, to a piano accompaniment made by Song Garden Studios in Ypsilanti.

Both girls plan to relax over the Christmas holidays and then begin preparations for the state program. Mlynar also plans to use the down time to get caught up on current events.

As for the results of the local program, Mlynar said it was obvious who would win.

"We all knew Raven would," she said. "She has a natural grace and is so confident. She deserved it, she worked so hard."

Off-duty deputy stops roadside fight

BY DARRELL CLEM
STAFF WRITER

A Westland traffic altercation led to a Canton man facing allegations of wielding a baseball bat against another motorist after the two men pulled off the road Saturday evening near Warren and Wayne roads, a police sergeant said.

The situation was defused when an alert, off-duty Wayne County sheriff deputy, Brian Keating, saw what was unfolding and stopped to help, Westland police Sgt. Chris Benson said.

"He saw that there was going to be a problem, so he intervened by getting out of his car and drawing his firearm," Benson said. "He identified himself, and the defendant got on the ground. Then he took the baseball bat."

The incident started just before 6:30 p.m. Saturday during rush-hour, holiday-season traffic near Westland Shopping Center. The Canton man, identified as 48-year-old Beotry McGlocklin, told police that a driver in a Jeep Cherokee was tailing him too closely in his small car, a Toyota Echo.

The Jeep driver, however,

told police that the Toyota driver kept speeding up and slowing down while driving in front of him. Ultimately, the Jeep hit the rear of McGlocklin's Toyota when McGlocklin braked to pull off the road at a Warren Road strip mall, Benson said.

The two men got out of their vehicles, and McGlocklin is accused of getting a baseball bat from the trunk of his car. He is accused of "taking a batter's stance" as Keating pulled off the road, drew his gun, identified himself as a sheriff deputy and warned the defendant, who got on the ground, Benson said.

McGlocklin was arraigned Monday in front of Westland 18th District Judge C. Charles Bokos on a charge of attempted felonious assault. If convicted, he could face penalties ranging up to two years in prison.

The defendant, who doesn't have a history of criminal activity, was released on a personal bond as he awaits a Dec. 20 preliminary hearing that will determine whether he should stand trial. A not-guilty plea was entered for him in court.

ning over his foot and speeding away — east on Ann Arbor Trail and then north on Middlebelt, Benson said.

"He almost hit a car at Ann Arbor Trail and Middlebelt," the detective said.

Merrill, later treated and released for minor injuries, radioed other officers for help.

With officers from Westland, Garden City,

Livonia and Michigan State Police involved, Moore is charged with fleeing north on Middlebelt and then east on I-96 before exiting at Davison and then Livernois, Benson said. The defendant is accused of circling his mother's neighborhood in Detroit before ramming into a state police car. He jumped out and fled on foot before he was captured, and officers had to Taser him, Benson said.

In court Tuesday, Moore was arraigned by Judge C. Charles Bokos on charges of

third-degree fleeing and eluding, driving a stolen vehicle, assaulting an officer, causing malicious destruction of the state police car, resisting and obstructing his own arrest, being involved in a domestic violence incident and being a fourth-degree habitual offender.

Bokos placed a not-guilty plea on record for Moore, ordered him jailed in lieu of a \$500,000 cash bond and scheduled him for a Dec. 20 preliminary hearing that will determine whether he should

stand trial in Wayne County Circuit Court.

If convicted, Moore could face penalties ranging up to life in prison, Benson said, adding that the defendant has an extensive criminal history.

According to a state corrections Web site, Moore previously served time in prison for selling cocaine, fleeing from police, receiving stolen property and carrying a short-barrel shotgun.

AYP

FROM PAGE A1

that didn't," said Baracy. "This was much more rigorous. The MME included the ACT which many of our students wouldn't have taken or intended to take."

The two Wayne-Westland high schools are not alone in not making AYP. According to state reports, 489 high schools around the state missed the mark. Locally, Plymouth-Canton's Canton and Salem High Schools, Livonia's Churchill and Stevenson high schools and Garden City High School did not make AYP.

"This isn't unexpected," said Mike Flanagan, state superintendent of public instruction. "We knew that as we begin to

ratchet up expectations of our schools so all of our students can be successful, we would see a few years of lower results. We are seeing a momentary lag as we prepare for greater success down the road. The reforms we've put into place need time to work."

The state-mandated changes include new high school graduation requirements and the Michigan Merit Exam, which requires all Michigan high school students to take the ACT college entrance exam for the first time. This year's ninth-graders are the first to be required to take the more rigorous coursework in order to graduate.

Flanagan said the high school graduation requirements were changed "because we knew we needed higher standards to prepare our kids

for the demands of college and the work world."

"These results just remind us how critical that change was," he said.

Baracy said the district is looking at what can be done to accommodate the high school curriculum and boost test scores, including moving to a trimester system, extending the school day and offering ancillary services.

"The new curriculum is tough and we have students struggling, especially with math," he said. "The problem is one size doesn't fit all students. We're looking at alternatives to meet the rigorous requirements, different ways to demonstrate improvement in all core areas."

Baracy added the results should serve as a "wake-up call" for students, staff and

parents.

"This is a high stakes test and everyone, including the students, has to take it seriously," he said.

Foreclosure help doesn't lessen the responsibility of borrowers

The residential real estate market is going through a difficult period in south-east Michigan and throughout the country. The number of

foreclosures has skyrocketed.

There are a variety of reasons for the high foreclosure rate. The news media has extensively covered stories

about adjustable-rate mortgages resetting interest rates and thus causing the problem. Although this is part of the problem, it is not the entire

problem. Part of the problem also is people who were fiscally irresponsible when they purchased homes they could not afford. There also are individuals who are losing their houses through no fault of their own, but rather a change in their economic situation such as losing their job. There is a new program that has just been announced that will help a limited number of people.

President Bush and the mortgage industry have reached an agreement to provide some relief. It is limited and applies only to some homeowners with adjustable-rate mortgages. For those who qualify, the interest rate on their home mortgage will freeze for the next five years. It is important to understand this is not a government bailout. The government is funding this program. This is merely the government and the mortgage industry reaching an understanding with regards to interest rates on the mortgage.

Many believe they will qualify for this relief, however, the devil is in the details. In order to qualify, you have to meet the following requirements:

1. You must be up to date on mortgage payments.
2. The mortgage must be

Money Matters
Rick Bloom

an adjustable-rate, sub-prime loan and originated between January 2005 and July 31, 2007.

3. The first adjustment on the adjustable-rate mortgage cannot come until Jan. 1, 2008.

4. You must be unable to afford your new monthly payments.

5. You cannot have more than 3 percent equity in your home and your FICO score must be below 660.

The issue that still needs to be addressed is even with temporary relief, can you still afford the home? Many people, even without their mortgage interest rate adjusted upward, still cannot afford their home. A good number of the foreclosures to date are people who couldn't even afford the first mortgage payment. So do we deal with the problem now or delay it into the future?

I believe for people who are struggling to make their house payments and who are constantly robbing Peter to pay Paul, the most prudent and fiscally responsible plan is to bite the bullet now. Don't wait, resolve the issue now.

For those in desperate financial situation — whether you qualify for this program or not — contact your lender and discuss your options. Mortgage companies know that in many cases they took advantage of individuals and they are more willing to work out a solution than in the past. One solution is a deed in lieu of foreclosure, where you're basically turning the house back to the mortgage company. Another solution can be a short sale, where the proceeds of the sale of the house extinguish the mortgage. Both these solutions will result in you losing your home and potentially hurting your credit, however, there is a great benefit to gain by getting your financial house in order.

The bottom line is if you are having financial difficulty with your home, you must take the initiative. Burying your head in the sand and hoping the problem goes away will not solve the problem. It will make a solution more difficult.

Dining winner, Florine Mark 'party' at Buddy's Pizza

Anna Reseigh of Rochester Hills and Florine Mark of Weight Watchers ate healthy, talked, danced and got the recent lunch crowd at Buddy's in Farmington Hills in a party mood.

Reseigh was the November winner of The *Observer & Eccentric* and *Mirror Newspapers* "Dining With the Stars." Reseigh was treated to a limo ride, courtesy of All Class Transportation, make-over by Utopia Salon & Spa on Main Street in Northville (hair by Sebastian and make-up by ILSE), a \$100 gift certificate to the Reaver Diamond Co. in Southfield and a dance exhibition courtesy of Fred Astaire Dance Studio in Bloomfield Hills.

"Florine Mark is a remark-

able woman and I would be deeply honored to dine with her," wrote Reseigh in her e-mail entry. "She has shared her life with us, with its ups and downs, so that we may meet the challenges we face and be the best that we can be. Her strength and positive attitude is an inspiration to me and many women. I would be thrilled to meet her."

Reseigh got her wish. "Lunch was great. The winner, Anna Reseigh of Rochester Hills is a beautiful very thin woman. She had a wonderful time with Florine," said Marcy Brontman of Buddy's who organized the "Dining With the Stars" program.

"Both Florine and Anna danced. Florine danced with

Leonid Sidoranko (the male dancer who took part in the exhibition) and Anna danced with Evan Mountain, owner of Fred Astaire Dance Studio in Bloomfield Hills. Florine can dance," said Brontman. "The other customers at Buddy's got into the fun as well."

Reseigh said she had a great time and "loved her make-over."

Robert Jacobs, owner of Buddy's presented Mark with a \$500 check for the ALS Association, the charity of her choice. Amyotrophic Lateral Sclerosis (ALS) is a motor neuron disease, Lou Gehrig first brought national and international attention to the disease in 1939 when he abruptly retired from baseball after being diagnosed with

ALS.

Reseigh was among six finalists in the November competition. Mark is known throughout metro Detroit as a successful businesswoman and philanthropist.

Mark has a "healthy" pizza named after her on the Buddy's menu. It's "The Florine Mark Pizza" with brick/fat-free cheese blend, spinach, mushrooms, diced tomatoes, garlic and black

olives.

Buddy's Pizza reviews all entries for "Dining With the Stars" and selects the top four to five "fan" letters. The stars featured for the month make the final selection.

Granholtz tours Comcast facility, lauds job growth

BY TONY BRUSCATO
STAFF WRITER

In the current Michigan economy where more jobs are leaving the state than are being created, Gov. Jennifer Granholm recently toured Comcast's broadband services and call center facility in Plymouth Township, where new technology and jobs are on the rise.

Dave Buhl, Comcast's regional senior vice president for Michigan, announced the company is hiring about 250 technicians and call-center employees for its facilities in Plymouth Township, Ann Arbor and Sterling Heights, each which already have about 800 workers.

"We're building jobs in Michigan and hiring in Michigan, and we wanted her to see some companies are growing in this economy," said Buhl. "We brought jobs from Canada to close down an outsourcing arrangement, and long-term we think there is a very strong message: Michigan people understand they need to support Michigan companies that hire

Michigan people. You want to know that who you are calling is from here, and the guy who comes to your door lives down the street."

After touring the 103,000-square-foot Plymouth Township center built in 2004 — visiting for about an hour with call center employees, technicians and administrative staff — Granholm praised Comcast's efforts to bring more jobs to Michigan.

"We know there has been a massive global shift in manufacturing jobs, and that means we have had to focus, as a state, on the new economy, on diversifying our economic portfolio," Granholm told employees. "At a time when people are investing in call centers in India and elsewhere, it's a statement about the company and workforce here that the decision has been made to invest and grow in Michigan. Other than your products that are on-demand, you haven't demanded anything (tax breaks) but access to our workforce. We want to use this as an example for other businesses as to how we can grow and succeed in Michigan."

Gov. Jennifer Granholm takes a look at Comcast's Plymouth Township facility with Jeffrey Wack, Comcast's senior director of technical operations.

Independent Carpet accepts Toys for Tots

Independent Carpet One Floor and Home in Westland is again teaming up with the Marine Toys For Tots Foundation this holiday season by donating children's books to local children and acting as a Toys For Tots drop-off location.

The company has long been an advocate for children's literacy, donating more than 350,000 books to children through community relations programs like the Magic Carpet Time Tour and Toys For Tots.

"Partnering with Toys For Tots allows us to do something that will have a direct positive impact on our community," said Cathy Buchanan of Independent Carpet One Floor & Home. "The children in our community should have the chance to learn and enjoy reading."

"We are dedicated to making a difference for children in our community this holiday

season."

It has become a tradition for Independent Carpet One Floor and Home to partner with the local Toys For Tots Foundation every holiday season by donating books and toys and becoming a drop-off site. Its Toys for Tots program provides books to children who otherwise may never have the opportunity to own a book or discover how much fun reading can be.

Founded in 1947, the mission of the U.S. Marine Corps Reserve Toys for Tots Program is to collect new, unwrapped toys during November and December each year, and distribute those toys as holiday gifts to needy children in the community in which the campaign is conducted.

"The objective of the Toys for Tots program is to help needy children throughout the United States," said retired Marine Corps Major Bill Grein,

vice-president of the Marine Toys for Tots Foundation. "Partnerships with companies like Carpet One Floor and Home help us improve the lives and future of children and their communities."

According to a study conducted by the U.S. Department of Education, communities ranking high in achievement tests have an abundance of books in public libraries, easy access to books in the community at large, and a large number of text books per pupil.

Still, the U.S. Department of Education found that two-thirds of U.S. classrooms have fewer than 50 children's books.

Independent Carpet One Floor and Home will be accepting donations of unwrapped toys during regular business hours at its store at 1400 N. Wayne Road, just south of Ford. For more information, call (734) 729-6200.

Starfish collects food to help needy families

Starfish Family Services is holding an agency-wide food drive this month in order to assemble food boxes for needy families in the community over the holiday season.

Items can be dropped off at several locations, including the Macy's at Westland Shopping Center. A collection bin at its customer pick-up entrance for people to donate items. Donations also can be dropped off at Starfish Family Services in Inkster, Conrad Insurance Agency in Canton, Hermann's Olde Town Grille in Plymouth, Averill Tax

and Accounting in Novi, Lifespan Clinical Services in Livonia, Hollywood Video in Garden City and the Redford Community Center in Redford.

Supplies needed include non-perishable food items, such as soup, canned fruits and vegetables, boxed dinners, peanut butter and pancake mix.

"This is the time of year that many families struggle to put food on the table," said Ann Kalass, Starfish Family Services CEO. "We want to help alleviate some of the

stress for parents and caregivers so that families can enjoy a brighter holiday season."

Starfish Family Services is the largest private, non-profit human service agency in Western Wayne County. The organization offers 12 specialized programs to help educate and empower at-risk families and children in southeastern Michigan and has served more than 8,300 children and their families at its 18 services sites over the last year.

MADD message: Make the yuletide safe

BY JULIE BROWN
STAFF WRITER

Brenda Pendleton remembers vividly the day she was in a drunken driving crash. Pendleton's sister died in the crash, and she spent eight months in the hospital.

"I had to learn to think, talk, use the bathroom, everything we take for granted," she told those at Wayne County MADD's "Tie One on for Safety" program Friday, Dec. 7. Her sister, 24, left behind a 3-year-old son for the family to raise.

Pendleton needed 26 operations, and spent three years in a wheelchair. "I'm here today and able to walk and talk, basically do everything," said the mother of two daughters who became active with Mothers Against Drunk Driving after the crash.

"Think about other people's lives before you get behind the wheel and drive," Pendleton urged. "Drinking and driving is 100 percent preventable. Just think about your loved ones and kiss them every day." She was among speak-

1 canister of sugar-sweetened grape Kool-aid
1 can of 100% pineapple juice
1 bottle of club soda
1 small bottle of lemon juice
Substitute pineapple juice for water. Follow the directions on the Kool-aid canister substituting pineapple juice for water. Once mixed, add about 1/4

the total amount made of the club soda. You want to add enough club soda to get just a hint of the carbonated feel of a "pop," and add enough to even out the sweetness of the mixture. Be careful not to dilute mixture with the club soda. Add a few splashes of lemon juice. Give one last stir and serve cold.

ers at the MADD program at Westland Shopping Center, held to boost awareness of safe driving during the holidays. The day's "a pledge to everyone to drive safe and sober during the holiday season," said Ne'chole McClendon, executive director for MADD of Wayne County. "I think it's getting better,"

she said of public awareness. "We still have a long way to go." MADD is involved in state legislation to put ignition locks on the cars of first-time drunken driving offenders. "We're pushing legislation to make that happen," she said.

The Dec. 7 session at the mall included a lively musical performance by Detroit School of the Arts vocalists, the Achievers Ladies Ensemble under the direction of Sheila Sipes. "Youth is the prevention of underage drink-

ing," said McClendon, who involves young people every year. "We want to start with the young people because they're our most precious resource."

The day also included voting on favorite "mocktail" recipes, to show that tasty drinks can be served that don't include alcohol. The top three winners were recognized. Red ribbons and ribbon decals were given out for display on vehicles.

Representing Wayne County Executive Robert Ficano, Tad Sturdivant talked about his days with the Michigan State Police and losing a trooper colleague who was hit and killed by a hit and run driver. That driver was convicted of drunken driving, said Sturdivant, deputy director of children and family services for the county.

"What punishment is appro-

priate and necessary to eradicate this plague?" he asked. Australia publishes convicted drunken drivers' names in the newspaper, Sturdivant said, while El Salvador has the ultimate punishment — execution by firing squad for a first offense.

Undersheriff Dan Pfannes said, "MADD has done a great job over the years in getting the message out not to drink and drive." He described extra patrols planned for the holidays and progress made: "However, we can't let up."

Two deaths were of drunken pedestrians who stepped in the path of a sober motorist, Pfannes noted.

"We must also be equally mindful of taking responsibility," added Westland Mayor William Wild, noting a ride home for a drunken friend can be a life saver.

OUR VIEWS

Jaycees, Rotary deserve praise

What can you say about the early Christmas present that was delivered to city officials last week?

Wow! Gadzooks! Holy cow!

They all sound pretty good, but the best one is thank you.

Thank you, Westland Jaycees and Westland Rotarians, for all you do for the city and thank you for that five-figure donation that will benefit residents in so many different ways.

Both organizations are well-known for their philanthropic efforts. In fact, philanthropy may be another name for the two clubs.

In addition to the current donation which goes toward a walking path at Rotary Park, the Westland Rotary has been a corporate sponsor for the Westland Relay for Life, provided winter coats, backpacks and school supplies for needy Westland school children, helped in the purchase of a defibrillator at the William P. Faust Library, and helped the Salvation Army with its after-school and summer camp programs. It's also a major sponsor of the annual Turn Off the Violence Night, a family event it originated 13 years ago.

The same is true of the Jaycees. Community service is a part and parcel of what the group is about. The group has been fund-raising to help buy a thermal imager for use by the fire department. It also helps sponsors activities like the Parks and Recreation Department's annual Nursery School Olympics as well as candidate forums and an annual Easter egg hunts. It recently hosted a celebrity impersonators' show to raise money for the Goodfellows' No Child Without a Christmas program.

The Goodfellows were only one of several beneficiaries of the Jaycees' efforts. The Westland Historic Village Park, the fire department's child safety program, the police department's motorcycle unit also are on the receiving end of the Jaycees' generosity.

What these clubs have done for the city cannot be overlooked. They are made up of people who live or work in Westland, people who give freely of their time and energy to make the Westland a better place. The city is lucky to have these two clubs.

We join city officials in offering a thank you to the Westland Jaycees and Westland Rotary. Your commitment to Westland is extraordinary and because of that, Westland is an all-American city.

Legislators can do better at reaching compromise

Senate Majority Leader Mike Bishop, R-Rochester, and Rep. Paul Condino, D-Southfield, were the guest speakers Dec. 7 at the *Observer & Eccentric Newspapers* annual Journalist of the Year program.

They discussed the long, contentious battle over completing the 2007-08 budget. The wrangling has been blamed by some on the inexperience of legislators because of term limits. Others are demanding that Michigan move to a part-time Legislature. Still others suggest that the stalled action is part of a national partisan polarization that makes it difficult if not impossible for legislators to move beyond narrow partisan positions.

Bishop and Condino both acknowledged the process was ugly and neither is particularly happy with the final outcome. Condino, however,

The truth is, both sides can read the same statistics and come to equally valid and opposite points of view. But good legislators understand the fine art of compromising through give and take and respect for the core values of their opponents.

was upbeat about the cooperation between the legislators of both parties who crafted the Michigan Business Tax that replaced the Single Business Tax.

"We did a good job of coming together in creating the new business tax," he said.

But for Bishop, compromise on the Republican no tax mantra was clearly a failure.

"It felt like I was at the Alamo, but I wasn't willing to give in to the pressure of going

with the easy solution," he said.

Bishop acknowledged that those on the other side were also fighting for what they believed to be right.

The truth is, both sides can read the same statistics and come to equally valid and opposite points of view. But good legislators understand the fine art of compromising through give and take and respect for the core values of their opponents.

We don't think "no taxes ever" or "tax and spend" are core values. We believe both parties can find a way toward more efficient, cost-effective government that serves the needs of all residents, whether business leaders or those who are economically and socially vulnerable.

We hope for better in the future.

Our day in infamy

Dec. 7, 1941, was a day that will live in infamy. Pearl Harbor — we salute all of our heroes. We will never forget. God bless them all.

Now I would like to talk about OUR day of infamy at John Glenn football. On Dec 7, 2007, Todd DeLuca, the head football coach, was fired. This man has lived Rocket football for 28 years as a coach.

He was a former player. I was lucky enough to have played football with Todd at both Stevenson Junior High School and at John Glenn. I was very fortunate to have coached with Todd. I have known Todd since 1971. I don't think I have ever seen a coach like him anywhere, the way he works with kids, the way he runs the program. He is Rocket football.

This firing is ridiculous. How could the school and school board do this? What is the motive?

I can guarantee the former players and current players are upset, his friends are upset. Todd and his family are devastated.

I can also promise you that you have not heard the last of it. I know for a fact that Chuck Gordon is very upset. I am certain when Lloyd Carr finds out he will be also. Both Todd and I played football for Lloyd and Chuck, they were great coaches, and quite frankly, so is Todd DeLuca.

You may have taken his job, but one thing you can never take away is his title of coach. He will remain Coach DeLuca until the day he dies. There is no greater feeling, having a former player come up to you years later and say, "Hi, coach," and introduce his family to you. I know to this very day this happens for me, and I feel so honored.

Todd's father Dino was a coach for Wayne-Westland for more than 20 years. I still call him coach every time I see him, which was usually at John Glenn football games. I am certainly going to miss that. He also is a great man. He helped me through some tough times when I was a kid, and I know Todd has done the same for many former players. He will truly be missed. I hope that something can be done to bring him back.

I am letting the Wayne-Westland school board know, I will be at the next meeting. I am going to fight this with all I have. I am certain that I will not be the only one there over this. I can promise this. I have not talked to Todd at the time of this writing. I hope he does not mind that I am going to do this. After all the DeLuca family has done for this school district, what has happened is unforgivable.

Thank you Todd for 28 years of service to your football program. John Glenn football thanks you. No way you deserve this.

Stop consolidation

This country was founded on the principle of a free press. Consolidating media, as proposed by FCC Commissioner Kevin J. Martin abrogates this principle. I urge passage of SB 2332 to stop further corpo-

Fact or fiction?

I have been hearing a lot of chatter regarding a ID card/passport that will be issued to Americans so they can travel abroad and in the U.S. Also, I've been hearing a great deal about this North American Trade Alliance between Canada, the U.S. and Mexico, that we will become one nation and that the cats that are making these plans have every intention of building a road from Manitoba in Canada to Mexico in the name of good trade. How about security issues, loss of jobs and low wages that will be created because of this deal and hurt a lot of "Americans."

I hear that in these new ID cards will be a "chip" that can locate anyone — anytime, anywhere. Then after these cards are distributed to all Americans, the "Big Brother" theory will become active. Anyone that will not accept this card or chip, can not do business in the world. If by chance you are a radical and don't like the idea of "Big Brother" watching your every move, all "they" have to do is turn off your chip and you can't by food, clothing or conduct any kind of business in the world. You're screwed!

Also, I would like to know if there is any merit to the rumor that all past presidents and other heads of state meet once a year in California to dress up in costumes and discuss plans of power and control of the world!

I know this is national news, but could someone please enlighten me if any of this is true or not. I trust the people that I have sent this to and would appreciate the truth in return. There is a lot of this stuff floating around YouTube. I was taught that usually where there is smoke, here is fire.

Could our journalists please contact the news media at the White House and get some answers for the little guy. I know many guys that fought for this country and the freedom we enjoy and I don't think they would appreciate anyone infringing on their rights. Remember the militia that was used during the revolution to give birth to a nation where all men are created equal? I would hate to see history repeat itself.

Could you please advise if any of this stuff is fact or fiction?

Poor people?

There was a comment in an article on the Opinion page of the *Observer & Eccentric* newspaper which opened with the following statement, "It is a disgrace that the U.S. is the only capitalist democracy in the world that does not guarantee health care to its citizens. The uninsured are unable to pay hospital costs."

I found this comment alarming in its assertions, for several reasons: It suggests that just because you are a citizen of America you are owed anything other

than what is stated in the U.S. Declaration of Independence. A guarantee of health care is not stated! The Declaration of Independence does guarantee "life, liberty and the pursuit of happiness." If, as I do, you believe your family should have health care to sustain "life" and to financially protect your "pursuit of happiness" in the case of illness, then we pay the monthly health insurance premium. The presumption of entitlement suggests that parenting and the K-12 schooling process fails to instill in people that when they are adults, they are responsible for themselves and their children's life-situation.

In America, if you are uninsured and go for emergency treatment, by law, you cannot be refused treatment. This is a form of health care! It may not be the best preventative health care process, but it is a choice. When you received emergency treatment in this form, you are reaching into the pockets of insured people and taking the money to pay for it! For those of you who still believe that poor people in the U.S. should be guaranteed health care, read "Executive Summary: How Poor Are America's Poor? Examining the 'Plague' of Poverty in America" (Aug. 27, 2007) at <http://www.heritage.org/Research/Welfare/bg2064es.cfm>, the highlights for poor households are:

- 43 percent own their homes.
- 80 percent have AC.
- Typical poor Americans have more living space than the average home in Paris, London, Vienna, Athens and other cities throughout Europe.
- 74-plus percent own a car.
- 97 percent have color television(s), 78 percent have a VCR/DVD player; 62 have cable/satellite.
- 89 percent own microwave ovens, 50-plus percent have a stereo, 33 percent have an automatic dishwasher.

Conclusion, poor people can afford health insurance, but choose not to.

When we ask the government to guarantee benefits we need to remember the "Tax Freedom Day" was July 11. We worked 192 days (two more than last year) or gave the government 53 percent of our wages for existing guarantees.

Our fundamental purposes are to enhance the lives of our readers, nurture the hometowns we serve and contribute to the business success of our customers.

Building bridges – from the Great Lakes to the Great Wall

If the current and two former Michigan governors, and top governmental, business, political, labor and educational leaders told you to pay attention, that what you are about to hear and see is going to impact our state, our communities, families and your children and grandchildren – would you? Well, you'd better.

At 11 p.m. Sunday, Dec. 16, WWJ-TV will premiere a three-part series that examines Michigan's economy and future and their potential connections with China in *Building Bridges: From the Great Lakes to the Great Wall*. (Part two airs 6-6:30 p.m. Tuesday, Dec. 18. The series wraps up 6-6:30 p.m. Wednesday, Dec. 19.) This show, in which I assisted as a consultant for WWJ-TV, is a wake-up call to everyone in Michigan. It tells us that the world we once

had is now gone. There are 1.3 billion new consumers/capitalists that are going to challenge and engage us at every turn – in business, education, innovation and creativity.

This TV special, *Building Bridges*, is shot in stunning high-definition and hosted by Carol Cain, community affairs and editorial director of WWJ-TV. It leads us on a journey to see how the Chinese have built one of the most explosive economies on the planet and how the economic growth in China could help position Michigan for future growth.

Rick Wagoner, CEO of General Motors, said it this way: "Twenty years from now, the only markets that will really matter will be the U.S. and China." If it were not for the profits being made in China, GM would be in much tougher financial shape than it is today. While the U.S. auto market is stagnant, the growth of sales in China is growing by leaps and bounds. This should not surprise anyone who understands that the ability to own a private car is a phenomenon that is less than 20 years old in this country that is home to one-fifth of the world's humanity!

Cain interviewed a number of experts to offer the most comprehensive, eye-opening report on those who are building bridges and attempting to develop opportunities for Michigan residents. She and WWJ-TV award-winning videographer Paul Pytlowany captured the sights and sounds of China from the majestic city of Shanghai teeming with its 20 million residents, to the sunrise over the Great Wall of China and the scenic beauty of the habitat of perhaps one of the most beloved animals in the world, the Giant Panda.

Building Bridges features exclusive interviews with virtually every local business leader and decision-maker who will play a part in Michigan's economic expansion. From government officials to business CEOs, automotive executives to union leaders, Cain leads a very balanced discussion on this important topic.

A number of experts were tapped to offer the most comprehensive, eye-opening report to date on this issue. Cain traveled extensively throughout China and Michigan to see firsthand

how bold pioneers in business and education are laying the groundwork for future prosperity in Michigan. A partial list of her guests includes: Jennifer Granholm, governor of Michigan; John Engler and Jim Blanchard, former governors of Michigan; Phil Spender, Ford China COO; Audie Wong, Amway China; Zhou Wenzhong, Chinese ambassador to the United States; Mary Sue Coleman, University of Michigan president; Kenneth Lieberthal, University of Michigan China expert; C. Peter Theut, partner, Butzel Long, Global Business Advisory Council; Karolo Chen, CEO of Motown Travel; Mark Brewer, Michigan Democratic Party chairman; Mark Gaffney, Michigan AFL-CIO president; Lou Dobbs, CNN anchor; and two students from a local high school who are traveling in China.

Jim Epolito, president and CEO of the Michigan Economic Development Corporation, gives this advice: "There is a need to change the mindset of all Michigan companies, regardless of size. In today's economy, where goods and services move across time zones and international borders seamlessly, ALL business is global, regardless if you want it to be or not."

Building solid relationships, or "guanxi," is critical to long-term success in China. Two local political leaders, L. Brooks Patterson, Oakland County executive, and Robert Ficano, Wayne County executive, are working overtime to build the relationships that will pay dividends back here in the Southeast Michigan region. Both of them and their staffs have made numerous, grueling transcontinental flights in an effort to develop the guanxi and "bring home the bacon" or in this case the jobs, for their constituents.

Patterson has both long and short term strategies to help prepare his county for the transformational global wave that has been heading our way for some time. He understands that our children will not be competing against the children in the school district or state next door – they will be competing against the children of the world. He has called for, and the Oakland schools have embraced, the teaching of Mandarin Chinese (the most spoken language on the planet) in all schools in Oakland County. His call has been heard in China by educators and business leaders alike as a visionary educational effort and one that will make Oakland County and all of Southeast Michigan an economic magnet for Chinese investment.

Clearly, the 21st century will be driven by leadership, innovation, talent, creativity, knowledge, change and China. Watch this special, *Building Bridges: From the Great Lakes to the Great Wall*, with your entire family – it will help you understand that change and China are coming our way.

Michigan Colleges Foundation leader's retirement offers a time to reflect

At the end of this month, Madonna University will bid farewell to a great friend and advocate. After 16 years as president of the Michigan Colleges Foundation (MCF), Bill Liebold has decided to retire. He leaves a lasting legacy of successful service to independent higher education in Michigan.

MCF is a not-for-profit organization that serves as a vital link between Madonna University and Michigan's corporate and foundation communities. Its mission is to provide students the opportunity for a values-based, high quality education at its 14 member four-year, liberal arts colleges by securing financial resources from the private sector. Madonna University has been a member of MCF since 1952, and due to Bill's hard work and innovative thinking, we are a beneficiary of its success, receiving almost \$4 million in financial support over 50 years.

What has Bill taught us about the importance of Michigan's independent colleges like Madonna University?

First, the state's independent colleges and universities strengthen Michigan by preserving student choice and supplying a talented, diverse and well-educated workforce. Michigan businesses, corporations and foundations appreciate the quality, independence and tradition of private higher education and the graduates it produces. The fact that more than 96 percent of the alumni from MCF's member institutions currently are employed demonstrates how highly Michigan employers value the preparation provided by a liberal arts education.

Second, students benefit from the individualized attention they receive at MCF schools. The educational experience focuses on critical thinking, problem solving, communication, community service and personal values, such as integrity and a strong work ethic; qualities also highly valued by Michigan employers.

Finally, our state benefits from the significant economic impact of Michigan's independent colleges and universities, valued at \$6.1 billion annually. MCF institutions are responsible for approximately one-third of this impressive figure.

Under Bill's leadership and as a result of his vision, we have strategically and aggressively marketed minority scholarships to companies prevented by Proposal 2 from using this tool. This means that our state's employers still can meet their corporate diversity initiatives and goals by providing minority scholarships to students attending MCF member institutions and by recruiting successful graduates for employment. Under Bill's tenure as president,

Under Bill's leadership and as a result of his vision, we have strategically and aggressively marketed minority scholarships to companies prevented by Proposal 2 from using this tool. This means that our state's employers still can meet their corporate diversity initiatives and goals by providing minority scholarships to students attending MCF member institutions and by recruiting successful graduates for employment.

MCF has awarded more than 4,500 named scholarships to students.

Most recently, Bill launched the Detroit Bridge Program, an innovative pre-college program to boost urban high school graduation rates and help MCF's member institutions enhance diversity in enrollment. The program engages first-generation, low-income, Detroit area students in mapping a pathway to college through year-round academic enrichment as well as college preparation and leadership development programs hosted on MCF campuses. A similar initiative, to be launched in 2008, is being planned by business leaders in West Michigan.

Originally conceived solely as a joint fundraising organization, under Bill's leadership MCF has developed collaborative projects among its member institutions, and Bill has inspired Madonna University to be a proud participant. Since its inception in 2003, the Collaborative Ventures Initiative has saved MCF's member institutions in excess of \$5 million. The spirit of cooperation developed under Bill's leadership is directly responsible for these projects that reduce costs, improve quality and increase resources for students.

We will honor Bill's legacy by continuing to pool the resources of our member colleges to address the academic and economic issues of concern to corporations and other funders. We will further honor his legacy by continuing to offer students an independent higher education option, and by empowering them with a quality academic foundation, an appropriate set of values, leadership skills and lifelong desire for learning. Finally, we honor Bill by establishing the William H. Liebold, II Scholarship, to which I am a proud contributor.

We salute Bill Liebold and all that he has done for our students, for our independent colleges and universities and for our state. We wish him all the best in the future.

DeLuca sacked as John Glenn football coach

BY BRAD EMONS
STAFF WRITER

When Westland John Glenn football coach Todd DeLuca set up an appointment last Friday to meet with the school's athletic director Brian Swinehart about ordering new squat racks for the weight room, little did he know his four-year varsity stint would come to an abrupt end.

"He closed the door behind and before I could talk and he said: 'Joan (Sedik, the Glenn principal) and I are not renewing your contract,'" DeLuca recalled. "And then I asked: 'Why?' He (Swinehart) gave me what I thought were some ridiculous reasons."

The former Glenn quarterback (1973-75) who played under Lloyd Carr and coached a total of 28 seasons with the Rockets, including the last four as varsity coach, was out after posting a 17-20 overall record including one state playoff appearance (2004). This fall,

DeLuca

Glenn finished 5-4 overall after defeating rival Wayne Memorial in the final regular season game, 49-38.

"He's not going to be retained as football coach," Swinehart said. "I'm thankful for the time he was able to give to John Glenn High School. Todd played here and coached here for 28 years. It's hard to say goodbye because it's been such a big part of his life. Todd's a good person and a good man. I want to respect what he's done over the last 30 years. He impacted a lot of lives, but right now we want to move in another direction."

Following Friday's meeting with Swinehart, DeLuca said he was "devastated," but added on Monday, "I'm more angry right now."

DeLuca, who met Tuesday

again with Swinehart for another meeting, said he plans to contact Wayne-Westland Schools teachers union president Nancy Strachan.

"I'm going to fight this," DeLuca said. "I do not know what I can do, but I'm not going quietly. Whatever the allegations are, I'm going to fight for my name and reputation."

Swinehart said the vacant varsity position will be posted within the week. He declined to discuss or elaborate on the reasons for letting DeLuca go.

DeLuca said he had a "brief conversation" late in the school day Friday with Sedik, but he was told by the Glenn principal: "I stand by Brian's decision."

Following a 3-6 season in 2006, DeLuca said Swinehart gave him an evaluation and "stated things that I need to do a better job of, and then we'd go over those things after the season. But that meeting never took place."

"He (Swinehart) said I did

not turn in some paperwork on time and I didn't let him know that we called 9-1-1 about a player's concussion," DeLuca said of the Friday meeting. "And that I did not let him in on a situation with a parent who called — not quickly enough."

During the Tuesday meeting, according to DeLuca, Swinehart gave him additional reasons for his dismissal.

"He said the program had gone downhill since I've been here, the discipline was not good enough and I didn't have a good handle on grades," said DeLuca, who is a faculty member at Glenn. "And from what I understand what he told other employees at school were completely different reasons from what I heard from him."

DeLuca began his coaching career at Glenn in 1979 and served as a longtime assistant under Chuck Gordon, the school's winningest coach who posted a 211-64 record (includ-

ing 15 state playoff appearances) from 1997 to 2003 before retiring to his hometown in Central Lake (where he has served the past two seasons as an assistant coach).

DeLuca's son Vinnie, now playing at Gannon University (Pa.), was an All-Observer quarterback who helped the Rockets to a 6-4 record and playoff berth in 2003. DeLuca's other son, Andrew, is a member of the Glenn varsity baseball team and his wife, Cheryl, is the school's sideline cheerleading coach.

"Why would you fire a guy after 28 years and not give me the opportunity first to resign?" DeLuca asked.

DeLuca, however, said he wouldn't rule out coaching again.

"I still think I have something to offer kids," he said. "To say I would never be coaching again wouldn't be a true statement."

Blazer icers split

Livonia Ladywood unloaded for 40 shots Saturday en route to a 3-0 Michigan Metro Girls High School Hockey League victory over visiting Harper Woods Regina at Plymouth's Arctic Pond.

The Blazers, now 3-4-1 overall and 3-2 in league play, tallied a goal in each period against the Saddlelites, who fell to 1-4 in the league.

Elsie Sawarski's unassisted goal in the first period proved to be the game-winner. Abby Kienbaum scored from Ashley Ballarin in the second period and Heather Sartorius notched an unassisted goal in the final period.

Ladywood goaltender Michelle Wyniemo had to make just seven saves in posting the shutout, while Regina's Meghan Smerecki stopped 37-of-40 shots.

On Dec. 6, Rachel Lentz tallied a hat trick as host Grosse Pointe South (3-0-1) blanked the Blazers, 3-0, in a league matchup.

Wyniemo made 30 saves in the loss, while South's C.J. Jarboe faced just 10 shots in posting the shutout.

MU signs Austin

Madonna University women's soccer coach Paul Thomas added to his recruiting class for the 2008 season with the signing of Schoolcraft College's Jessica Austin to a letter of intent on Monday.

Austin will study Special Education and be a junior next fall at MU.

Austin, who prepped at Livonia Franklin under former Crusader Jen Barker, comes into the MU program after scoring 14 goals and adding 13 assists in 15 games this season for the NJCAA National Tournament qualifiers.

Austin, whose older brother Chris is a goalie on the Michigan State men's team, is the second signee for Thomas this winter, joining Woodhaven standout Nicole Rodriguez.

Whittum, Rosenick lift Chargers by Pats

BY BRAD EMONS
STAFF WRITER

If Ryan Whittum wasn't enough, it was Ryan Rosenick following suit Monday night in Livonia Churchill's 76-68 boys basketball victory over rival Livonia Franklin.

Whittum, a 6-foot-2 senior guard, poured in 26 points, including 14 in the first half. He also made four straight free throws during the final 34 seconds to secure the victory.

Rosenick, a 6-3 senior forward, played despite a sore left shooting wrist and finished with 13 second-half points, including seven straight in the decisive fourth quarter, to go along with 11 rebounds as the Chargers improved to 3-1 overall.

"I didn't know if I could even play Ryan (Rosenick) tonight. I held him out of practice yesterday because I wasn't sure," Churchill coach Jim Solak said. "He got hurt Friday (against Redford Union). I can't say enough about the effort he gave tonight."

"And Whittum is getting better. He's been able to solve some of his problems shooting the ball, and he was able to provide a big start for us."

Franklin 6-2 junior guard Jeffery

Poole finished with a team-high 21 points, including 14 in the second half. His basket with 7:41 left in the final quarter gave the Patriots a 51-50 advantage.

Franklin guard Cole Kelly (12 points) scored with 4:22 left to make it 59-59, but the Patriots couldn't get over the hump as Rosenick capped a seven-point run of his own by catching a full-court pass and laying it in for a 63-60 Churchill lead with 3:28 to go.

Senior guard Daran Carey then scored five straight points during a stretch from 2:30 to 51.9 seconds remaining to fend off the Patriots.

Churchill shot 28-of-53 from the floor (52 percent) and was 18-of-27 from the line (66 percent). The Chargers committed 16 turnovers.

"It was a tough game to watch for a while, especially at the beginning," Solak said. "But it was a good city basketball game. Both teams played hard."

Israel Woolfork, a 6-4 senior forward who got into second-half foul trouble, added 16 points and eight rebounds in the loss.

The Patriots hit 26-of-62 shots from the floor (41 percent) and were 12-of-19

Walled Lake Northern deals Franklin first loss

GIRLS BASKETBALL

Walled Lake Northern remained unbeaten in girls basketball and gave visiting Livonia Franklin its first defeat Tuesday, 51-43.

The 3-0 Knights trailed at halftime, 24-19, but they outscored the Patriots in the third quarter, 16-9, and the second half, 32-19.

Britany Gibson scored 12 points, Carissa McKenna 10 and Charli Coram eight for Northern, which made 17-of-32 free throws.

"They (Northern) hit some threes, they beat us outside,"

said Franklin first-year coach Dave McCall, whose team made just 3-of-11 free throws.

The Patriots (4-1), who played without starting center Ashley Price (tailbone injury) had three players score in double figures: Brianna Taylor (15), Samantha Floyd (12) and Britany Taylor (10).

CANTON 42, STEVENSON 35: On Tuesday, the host Chiefs (1-3) picked up their first victory by rallying from a third-quarter deficit to beat Livonia Stevenson (3-2) in a WLLA crossover.

Senior Baylee Hollowell recorded her fourth double-double of the season with 10 points and 12 rebounds. Sophomore guard Kaylie Martin added nine points.

Freshman guard Sarah Smith had 10 points, while Tasia Newton added eight for the Spartans.

"It was an outstanding effort defensively," Stevenson coach Pat Cannon said. "I thought Kaylee McGrath stepped up defensively and held Hollowell to three field goals was stellar. I also thought Rebecca Bartek and Rachel Stevens really helped out our defensive effort."

W.L. WESTERN 50, JOHN GLENN 39: Melanie Wilkerson's 13 points lifted Walled Lake Western (4-1) to a WLLA crossover victory Tuesday at home over

Westland John Glenn (2-3).

Brittany Holbrook's 14 points and 14 rebounds paced the Rockets, who couldn't overcome a 23-11 first-quarter deficit as the Warriors made three triples.

Glenn, 15-of-25 from the foul line, lost starter Brittany Brown to a jammed thumb four minutes into the game and another starter, Chanel Payne, to calf cramp in the third period. They were replaced by Linda Barrett and Joye Clenney.

PLYMOUTH 53, CHURCHILL 39: Kelsi Robinson hit four 3-pointers in the first quarter and finished with a game-high 18 points Tuesday as the Wildcats (2-3) downed host Livonia Churchill (1-3) in a WLLA crossover. Shaakira Haywood, a junior cen-

ter, added 17 for Plymouth, which led 30-20 at intermission. She was 5-of-5 for the foul line and the Wildcats were 15-of-22 overall.

Junior forward Shannon Getchen paced Churchill with 13 points.

W.L. CENTRAL 59, WAYNE 40: Brooke Gustafson and Kelly Costello each scored 16 points to spark Walled Lake Central (3-2) to a Western Lakes crossover victory Tuesday over visiting Wayne Memorial (2-3).

Wayne, which couldn't overcome 25 turnovers, got 22 points from senior guard Trenia Barbee. Wende Foster added seven rebounds and scored four points for the Zebras, who got outscored 34-16 in the second half after trailing by only three at halftime, 25-24.

The Lutheran High Westland girls basketball team proved to be resilient Tuesday night, holding off Macomb Lutheran North in overtime, 63-62, in a Metro Conference game.

GIRLS BASKETBALL
Junior guard Allyson Yankee paced the Warriors with 22 points, 10 rebounds and six assists.

Senior guard Amanda Moody chipped in with 12, while sophomore guard Ashley Devon added 10 for the Trojans, who bolted to a 22-8 first-quarter advantage.

"We only trailed twice, but our girls never gave up and it was a good win for us," said Warriors coach Kevin Wade, whose team improved to 4-1 overall and 2-0 in the Metro.

Allisen Kuppe scored 15 for North (2-5, 0-1) before fouling out. Michelle Irvin contributed 14, while Deanna Adams had 13 before fouling out as well.

Jessica Halasy's 14 points paced the Comets, who rallied with an 18-11 third-period run.

Patriot grapplers runners-up at Berkley

Team runner-up Livonia Franklin earned three individual titles in Saturday's 17-school Berkley Invitational wrestling tournament.

the wrestler he knew he could be when he was a freshman," Franklin coach Dave Chiola said. "We still have a few guys that we need to get moving in the right direction, and who knows what we'll be capable of."

"Each time we compete we improve on something," Chiola said. "We still have a long way to go, but it's nice to see improvement. In the past we peaked early and then hung on. There is so little varsity experience on this team that we're just not where we want to be. We also have some major holes that we have to compensate for that we never had to worry about before. They do work hard, though, and they're hungry."

Anchor Bay captured the team title, while Lincoln Park placed third. Individual winners for the Patriots included Jared Pieknik (112), Matt Hintz (135 pounds) and Brandon Smith (140).

Franklin Second-places went to Don Stratz (152) and Dan Woodall (189), while Cody Hay (215) and Mike Modes (285) added fourths. Brandon Billiau (145) and Garrett Hay (160) contributed fifths.

from the free-throw line (63 percent). They had nine second-half turnovers after committing just five in the opening half while trailing by only two, 32-30. "We did some better things tonight," said Franklin coach Jeremy Rheault, whose team was coming off a 62-58 season-opening defeat Friday against Livonia Stevenson. "We moved the ball better, but we got outrebounded. Every game early in the season gives us something to work on as we build. "We're learning to understand time and score. And giving up 60 is not what we want to be about. From this game, we'll learn about defense and rebounding."

Ryan Woods scored eight and Nick Seger added seven for the Chargers, but in the end, it was too much Whittum and Rosenick. "He (Rosenick) has great awareness of where the ball is going to be, he's a terrific player," Rheault said. "And when they kicked it out to (Whittum), he knocked down shots. We tried to take that away from him the second half. "We hung in there, but we're still learning how to defend as a team while watching our kids grow."

Livonia bowler captures Alro Steel title

There is competition at several levels for the youth bowlers as the Michigan High School Athletic Association's boys and girls bowling season got underway on Dec. 1.

Bowling is now the fastest growing high school sport in the USA.

If you get the chance to go over to the lanes during the competition, you would be amazed at the enthusiasm and true school spirit on display.

The late Dan Ottman organized the Michigan Junior Masters Association (MJMA) over 20 years ago to provide top-level youth scratch bowling competition on a monthly basis at different sites around the state.

It's a training ground for the best youth bowlers to gain knowledge through expert training and have the opportunity to earn substantial scholarship money as well.

Alro Steel Corp. of Jackson has been the main sponsor for several years of this event, which attracts many outstanding boys and girls from all over Michigan, Ohio and Pennsylvania, as well as Canada.

The newest champion is Livonia's Michael Kiel, who captured the 18th annual Alro Steel Classic last month at Airport Lanes in Jackson.

Kiel had the high game of the tournament with a 279 as he defeated Brian McMahon of Saginaw, 214-196 in the championship match, earning \$400 in scholarship money.

Kiel became one of the two Gold qualifiers, meaning he will represent The MJMA this July in Detroit during the National U.S. Bowling Congress Youth tournament.

On the girls side, Megan Warner of Grandville defeated Sarah Lokker of New Baltimore, 199-187, to win the title and \$250 in scholarship money.

All bowling fans are invited to come out and watch the MJMA bowlers because it's quite a show.

For more information on Alro/MJMA, e-mail Jerry Tarabek at jt2830@yahoo.com; or call (616) 780-2095.

Al Harrison

There were over 600 paid entries, an amazing feat for a one-day event.

Thanks to the organizational skills of John Chmelko Sr., along with John Jr., the event was a huge success.

The following age-group winners earned a commemorative wristwatch including:

Under-50: Tom Roberts, 44, of Melvindale (729 series); 50-59: Doug Roberts, 59, of Melvindale (740); 60-64: Douglas Balint, 60, of Flat Rock (740); 65-69: Anthony McCauley, 67, of Detroit (710); 70-74: Tony Loiacano, 73, of Warren (707); 75-79: defending champion, Scotty Laughland, 77, of Windsor, Ontario (694); 80-and-over: Milton Patten, 80, of River Rouge (725).

The overall champion for 2007 was 54-year-old Gary Hanba of Hartland, who finished with a series of 741 on games of 257-205-279.

Meanwhile, Westland's Garrett Nagle took third in the under-50 group with a 714.

Ted Kress of Redford videotaped the highlights and it might be run on some local access TV stations soon. American Bowling Congress Hall-of-Famers on hand to bowl included Tony Lindemann and Jimmy Schroeder. Three bowlers came from San Diego, Calif., with one each from Idaho, Buffalo, N.Y. and Minneapolis, Minn., along with five from Canada.

Over 200 competitors stayed afterwards for a nice buffet dinner.

IS NEWSPAPER NEW MEDIA OR OLD MEDIA?

>>> YES.

Today's newspaper is a category-defying creation. Print and online editions are a complementary blend, with print stories referring readers to online audio and video. And online articles using up-to-the-minute, in-depth print reporting. Small wonder newspapers are so influential. During an average week, newspapers reach 70% of all adults (Source: Mediamarket Research Inc.). Some of them read the paper-and-ink edition, some read the online edition, and some read both. Whatever edition(s) they read, tens of millions of Americans begin their days with the paper. Which is great news if you have something to sell. And another reason to say "yes" to newspaper advertising.

Rachael Ray's cookbook comes

'Just in Time' for holidays

Rachael Ray will sign copies of her new book next Thursday at Borders Birmingham.

Rachael Ray's Harvest Creamy Corn "Choup" is featured in her latest cookbook.

MEET RACHAEL RAY

What: Meet Emmy-award winning TV personality and author Rachael Ray, host of her own talk show and the Food Network series "30 Minute Meals" and "Rachael Ray's Tasty Travels." She'll autograph her latest book, "Just in Time."

When: 7 p.m. Thursday, Dec. 20.
Where: Borders Books & Music, 34300 Woodward Ave., Birmingham
More information: To secure a place in line be sure to get a wristband from a Borders staff member. They will begin handing wristbands out at 8 a.m. on Dec. 20. Call (248) 203-0005.

Try Rachael's Greek Mixed Grill Kebobs, featured in "Just in Time."

Rachael Ray earned her stripes in the kitchen and became a household name showing off her culinary skills on such Food Network favorites as *30 Minute Meals* and *\$40 a Day*.

The Emmy-award winner now hosts her own syndicated talk show, *Rachael Ray*, and has successfully launched the magazine *Every Day with Rachael Ray*. She continues to host two Food Network series, the aforementioned *30 Minute Meals* and *Rachael Ray's Tasty Travels*.

Over the years Ray has written a series of cookbooks based on her well-honed 30 Minute concept for people on the go. Her latest book marks a slight departure from that idea.

Just in Time offers super-simple recipes for those who have even a little time to cook, as well as some double duty dishes for days when it's possible to spend more time in the kitchen. Fans will notice plenty of Rachael-isms in *Just in Time*. From healthy doses of her must-have ingredient EVOO (extra virgin olive oil), to soups so thick and hearty she calls them "choup."

We've included a few of the more mouth-watering moments from the book in anticipation of Ray's Birmingham book signing, and just in time for the holidays.

GNOCCHI WITH SPINACH AND GORGONZOLA

- 2 (10-ounce) boxes frozen chopped spinach
- Salt
- 2 (14- to 16-ounce) packages fresh gnocchi
- ½ cup chopped walnuts
- ¼ cup EVOO (extra-virgin olive oil), 4 times around the pan
- 3 to 4 garlic cloves, grated or finely chopped
- Black pepper
- 1 cup chicken stock
- 8 ounces Gorgonzola cheese, crumbled

To defrost the spinach, place it on a plate and microwave on high for 5 minutes. Wring it dry in a clean kitchen towel and set aside.

Bring a large pot of water to a boil for the gnocchi and season it liberally with salt. Cut open the gnocchi packages and set aside. Place the walnuts in a small skillet and toss over medium-low heat for 3 to 4 minutes until toasted and fragrant.

In a deep skillet, heat the EVOO over medium heat. Add the garlic to the warm oil, then add the spinach, separating the clumps as you add it to the garlic oil. Season the spinach with salt and pepper, add the stock, and bring to a bubble over medium heat. Add the Gorgonzola to the spinach and stir until it melts.

While the spinach heats, cook the gnocchi in the boiling water for 2 to 3 minutes, or until they float to the surface. Drain, then add to the spinach and toss for 1 minute to coat, then adjust the seasonings. Serve the gnocchi topped with the toasted walnuts.

AN EGGNOG TO REMEMBER

Need ideas for your cocktail lineup this holiday season? Check out Ti Adelaide Martin and Lally Brennan's "In the Land of Cocktails," an amusing collection of recipes and stories from the family that gave us New Orleans' famous Commander's Palace restaurant.

This eggnog recipe packs serious punch; you might start with ¼ cup of Southern Comfort, then add more according to your taste.

EGGNOG COUPE DE MILIEU

Start to finish: 2 hours (10 minutes active) Serves 6-8.

- 2 medium eggs
- 1 cup heavy cream
- ½ cup sugar
- Pinch ground cinnamon
- ½ cup Southern Comfort
- ½ teaspoon vanilla extract
- Grated nutmeg, for garnish

Bring about an inch of water to a simmer in the bottom half of a double boiler.

While the water heats, in the top half of the boiler combine the eggs, heavy cream, sugar and cinnamon. Place the top half over the simmering water and whisk until thick and frothy, about 6 to 8 minutes.

Pour the mixture through a mesh strained into a bowl. Refrigerate until chilled like custard, about 2 hours. When cold, whisk in the Southern Comfort and vanilla. Divide among chilled shot glasses and garnish with freshly grated nutmeg.

Compiled by AP Food Writer J.M. Hirsch; Recipe from Ti Adelaide Martin and Lally Brennan's "In the Land of Cocktails," William Morrow, 2007, \$19.95.

THE \$99 VIDEO PHONE

Okay, not really a video phone, but rather a webcam, which can accomplish more or less the same thing.

Specifically, webcams allow you make Jetsonian video phone calls to faraway friends and relatives. The camera mounts atop your desk or monitor; software connects you to the other party (who will also need a webcam, of course, along with a broadband Internet connection).

I recently tested webcams from five different manufacturers, including Creative and Microsoft. They all worked reasonably well, but there was definitely a stand-out: the Logitech QuickCam Pro 9000.

Though priced on the high side at \$99, it produced far and away the highest-quality video of the five webcams. I also found it admirably easy to use, with smartly designed software and some fun video effects.

It comes with a built-in microphone, of course, so you really can have two-way video chats with your loved ones. I highly recommend using SightSpeed (sightspeed.com), a free program that makes video calling grandma-friendly.

THE \$150 MP3 PLAYER

Okay, so you've got \$150 to spend on a new MP3 player. Three choices: the Apple iPod Nano (\$149), Creative Zen (\$129.99), or Microsoft Zune (\$149.99).

They're all great players, all equipped with 4GB of storage space (enough to hold about 1,000 songs) and bright color screens. You really can't go wrong with any of them.

That said, I have a favorite. It's not the Nano: Much as I love its elegant, wafer-thin design, it falls short in the feature department.

Microsoft's new Zune is longer and a bit thicker than the Nano, but still thin and pretty, and stocked with extras like FM radio and Wi-Fi for syncing and song sharing.

Unfortunately, Microsoft still doesn't offer TV shows or movies, so the beautiful screen goes largely to

The Logitech QuickCam Pro 9000 delivers top-quality video, making it the perfect webcam for video chats with far-flung friends and relatives.

RECIPES

FROM PAGE D1

- swordfish cut into 12 2-inch chunks
2 pounds boneless, skinless chicken breast cut into 12 2-inch chunks
Black pepper
1 small red onion, finely chopped
1/2 cup fresh flat-leafed parsley, finely chopped
1 cup feta cheese crumbles
1/2 cup kalamata olives, chopped
2 tomatoes, diced
1/2 seedless cucumber, diced
1/2 cup pine nuts, lightly toasted in dry skillet 3 to 4 minutes

Preheat grill pan or outdoor grill to medium high. Bring a large pot of water to a boil. Salt the water. Add orzo and cook al dente.

While pasta works, combine the garlic, oregano, rosemary, tapenade, red pepper flakes, 1 tablespoon lemon zest and the juice of one lemon with 1/2 cup EVOO in a small bowl. Place the fish and chicken in separate shallow dishes or bowls and season with salt and pepper. Divide the dressing between the bowls and turn the fish and chicken to coat evenly. Skewer the fish and chicken on metal skewers. Grill the fish for 6 to 8 minutes and the chicken for 10 to 12 minutes or until firm and juices run clear, turning the kebabs frequently. Drain the orzo and combine in a mixing bowl with the onions, parsley, feta, olives, tomatoes, cucumbers, pine nuts, the juice of 1 lemon, 1/2 cup EVOO, and the salt and pepper. Serve the orzo salad with three pieces each of chicken and fish alongside. Garnish each plate with a couple of hot peppers.

HARVEST CREAMY CORN "CHOU"

- 2 tablespoons EVOO
4 bacon slices, chopped
1 onion, chopped
4 to 5 large ears of corn, cut off the cob or 10-ounce box frozen corn
1 medium or 2 small zucchini, chopped
1 pound small potatoes, chopped
1/2 red bell pepper, seeded and chopped
1 bay leaf
5 to 6 fresh thyme sprigs
1 teaspoon paprika
Salt and black pepper
3 tablespoons all purpose flour
1 quart chicken stock
1 cup milk
1 cup heavy cream
1/2 cup fresh flat-leaf parsley, a couple of generous handfuls chopped
a few dashes of hot sauce, to taste
Oyster crackers or white cheddar popcorn to pass at the table

Heat the EVOO in a medium soup pot over medium high heat. Add the bacon to the hot oil and

cook until crisp at the edges, 2 to 3 minutes. Add the onions, corn, zucchini, potatoes, and bell pepper as you get them chopped. Add the bay leaf, thyme sprigs, paprika, and salt and pepper to taste. Cook for 7 to 8 minutes until the vegetables begin to soften. Sprinkle flour around the pot and stir and cook for 1 minute. Then stir in the stock and bring it up to a bubble. When it thickens up a bit, stir in the cream, milk and parsley and simmer for 5 minutes. Turn off the heat and discard the bay leaf. Season the choup with salt, pepper, and hot sauce to taste and serve with crackers or popcorn to float on top.

Sixty minutes

OVEN-ROASTED CIOPPINO

- 4 celery ribs, sliced on a long angle
1 large fennel bulb, cored and thinly sliced, 1/4 cup fennel fronds reserved
2 medium onions, thinly sliced
4 large garlic cloves, chopped
1 teaspoon red pepper flakes
1 cup fresh flat-leaf parsley leaves
Salt and black pepper
1/2 cup EVOO (extra-virgin olive oil)
1 cup dry white wine
1 cup seafood stock or chicken stock
1 (28-ounce) can crushed tomatoes
2 pounds fresh cod, cut into 2-inch chunks
12 jumbo sea scallops
12 jumbo shrimp, peeled or not, as you prefer
1 loaf crusty bread
Zest of 1 orange

Preheat the oven to 425°F.

In a large roaster or casserole combine the celery, fennel, onions, garlic, red pepper flakes, and a couple of handfuls of the parsley. Dress the vegetables with salt and pepper and about 1/4 cup of the EVOO. Add the wine, stock, and crushed tomatoes. Season the seafood with salt and pepper; nestle the fish, scallops, and shrimp among the vegetables; and pour the remaining 1/4 cup of EVOO over the top. Roast uncovered until the cod is cooked through, 40 to 45 minutes. At the midway point, ladle some of the liquids over the seafood to keep the top moist.

Cut or tear the bread into large chunks. Place them on a baking sheet and toast in the oven until lightly charred, 8 minutes or so.

While the bread is toasting, chop the remaining parsley together with the orange zest and reserved fennel fronds to create a gremolata garnish.

Serve the cioppino in large bowls topped with the gremolata, with the charred bread chunks for dunking.

waste.

The clear winner here is the Zen, which includes the largest screen of the three (2.5 inches), an SD slot for adding more storage, an FM tuner, support for TV and movie downloads, and compatibility with several music-subscription services. All this for \$20 less than the competition. No contest.

THE \$1,199 HOME THEATER

What's better than a 50-inch plasma? How about a screen that spans 10 feet? The Epson MovieMate 72 turns just about any room of the house into a giant-screen home theater.

It's an HD projector with a built-in DVD player and speakers. Plug it in, point it at an empty wall, and pop some popcorn. Sorry if I sound like a marketing brochure; it's only because this thing is such a delight to have in the house.

The MovieMate can churn out 720p video when connected to a high-definition source (like your cable box). Alas, its DVD player doesn't support Blu-ray or HD-DVD discs, but it does "upconvert" standard DVDs. In other words, it makes your old movies look much better than they would if you watched them on an ordinary DVD player.

The projector features an HDMI interface for connecting a cable box, TiVo HD, Xbox 360, or just about any other high-end video source. It also has analog inputs for other sources, like older TiVos and Xboxes.

Videogames, movies, TV shows—everything looks phenomenal. I can't wait to use the projector this summer for backyard "drive-in" movies.

Epson's MovieMate 72 home-theater projector features four built-in speakers and a slot-loading DVD player. It also displays high-definition video.

Bruno Paillard - the man and his Champagne

Champagne Bruno Paillard is the youngest producer in the Champagne region.

In 1981, at the age of 27, Paillard began to raise the capital to begin his new company. This is amazing since there had not been a new

Ray & Eleanor Heald

Champagne producer in 100 years! The Champagne growing area has a defined size that, by law, cannot be enlarged, although some attempts to do this are being considered. So how does a new producer source grapes when it would seem that all available fruit is already under contract? We posed this question to Alice Paillard, Bruno's 25-year-old daughter.

As it turns out, Bruno is not exactly new to the Champagne region. His family has been growing grapes and brokering Champagne since 1704 -- over 300 years. Obviously, the Paillard family knows everyone in the region. In

1975, Bruno also became a broker and six years later decided to start his own Champagne House.

SMALL BUT PRESTIGIOUS

By 1988, Bruno Paillard Champagnes had met with great success and Hugh Johnson, the noted English wine journalist, complimented the wines of the "small but prestigious young Champagne house." By 1990, Paillard needed a larger production facility and built a modern glass and stainless steel building with a cellar temperature controlled at 51 degrees F and low light intensity, perfect for aging champagne during the second fermentation in the bottle.

Paillard acquired his first seven-acre vineyard in 1994, which has gradually expanded to 62 acres, of which half are located in Grand Crus villages. These vineyards satisfy about one third of his needs, the remainder of the fruit is purchased from independent growers in more than 30 different villages. Today, Paillard produces 45,000 cases of wine, 70 percent of which is exported to other European countries, Asia and North America.

With so many different champagnes available, why would you seek out the wines of Bruno Paillard?

Paillard champagnes are produced exclusively from first pressed juice. The harder the press, the lower the quality and delicacy of the juice. This might also be termed "free run" juice that requires minimal pressure to extract. Grapes from each cru (village) are fermented separately to permit better selection when blended.

Blends contain from 20 to 50 percent reserve wines in order to maintain consistent quality and capture the elegance in each bottling.

The second fermentation in the bottle is two to three times longer than required. The wines are always made in a Brut (dry) style. After disgorging, the wines are further aged for three to four months before release.

High on our list of reasons is the fact that Paillard puts the month and year of disgorging (this is not a sell-by date) on every bottle.

Current released wines were disgorged June 2005.

Alice explains that "disgorging

is like a second birth for the wine. It begins a new aging process that gradually changes aromas from fruit and flowers to spice. It deepens the color to golden and the taste becomes more complex."

WHAT TO BUY

Bruno Paillard Brut Premiere Cuvee Champagne \$50 comes across fresh and crisp with notes of toast, apples and cherries. The wine is made from all three allowed grape varieties: 22 percent pinot meunier, 33 percent chardonnay, and 45 percent pinot noir. Two thirds black grapes provide a creamy complexity and body while the chardonnay gives structure. Twenty five percent reserve wines add depth.

Bruno Paillard Blanc de Blancs Reserve Privee Champagne \$65. As the name implies, this wine is 100 percent chardonnay, grown on the famous Cotes des Blancs and Cote de Sezanne. Four years on the yeast lees results in a pleasant bread dough aroma with citrus notes and a very creamy palate impression.

Bruno Paillard Brut Rose Premiere Cuvee Champagne \$75 with a delicate peach skin color is

How to take care of your sweaters

COURTESY OF MARSHALL'S

BY JENNIFER FARRAR
ASSOCIATED PRESS WRITER

Put away those filmy blouses of summer and bring on the sweaters.

You can pretty much pick your pleasure this fall: Stores are filled with chunky cardigans (the freshest have a slight trapeze shape), loose-knit drapery cownecks, proper cashmere crewnecks and boldly striped pull-overs.

And after you get it home, take good care of it so it can still keep you warm next year. Here's how:

DON'T THROW IT ON THE FLOOR

Most sweaters are best stored flat or gently folded. Never stuff them into crowded drawers.

To fold a sweater to reduce wrinkles and minimize bulk, Real Simple Magazine recommends that you lay the sweater face down and fold each arm straight across the back of the garment. Fold over one side to the middle, then the other, so the sleeve edges meet in the center.

Then fold the bottom up to the top once or twice, depending on the length and bulk of the sweater.

If you've worn the sweater to a stinky place, or have packed sweaters in a suitcase, you'll also need to air them out before putting away.

Shake out the sweater, then lay flat on a bed, or use padded hangers after buttoning or zipping all closures to maintain the shape. Hang dry sweaters in a steamy bathroom to remove wrinkles, but remove delicate sweaters from hangers as soon as the wrinkles are out.

Remove spots and stains promptly. For getting food or alcohol out of wool, the American Sheep Industry

Association recommends placing a towel under the stain and gently rubbing it with carbonated water toward the center of the spot. For red wine, immerse it in cold water. For lipstick, rub the stain with white bread.

READ THE LABEL

It seems obvious, but many a sweater has been ruined by being tossed in the laundry bin and accidentally run through the spin cycle with socks and underwear.

Read the label and plan accordingly — keeping in mind that "Dry Clean Only" doesn't always mean what it says.

You can put a wool, cashmere or fine cotton garment in the washer with some precautions, according to Real Simple. Be sure to use a protective pillowcase or mesh bag, pick the delicate cycle, and wash with cold water only. You can even add a couple of capfuls of distilled white vinegar in the rinse cycle to make your sweater softer and fluffier.

Never put a sweater in the dryer, unless the manufacturer's label specifically indicates it is safe to do so. In that case, use a low dryer heat to avoid shrinkage. Otherwise, lay your sweater flat on a towel to dry.

HAND-WASHING HINTS

For best hand-washing results, you may want to use a dedicated plastic basin instead of your sink, which might have cleanser or toothpaste residue that could ruin your sweater.

Use a small amount of fine-washables detergent. Soak your sweater in cold water; use lukewarm only if the label specifies it, and never use hot water.

Do not wring or twist a sweater when washing it. Just gently squeeze the suds through the garment, or swirl it around in the water for a couple of minutes. Rinse thoroughly in cool water by refilling your basin a few times, as running water could stretch delicate fabrics.

Roll your sweater in a towel to absorb extra water, then dry flat, preferably on a towel laid over a drying rack for good air circulation. Avoid drying too near to a heat source. And you shouldn't over-wash your sweaters, according to clothing retailer Lands' End, because the fiber loosens a bit with each washing.

For more information on caring for sweaters visit Real Simple, www.realsimple.com; and the American Wool Council, www.sheepusa.org.

Key to the season's luscious lips

BY AMANDA ABUKHADER
CONTRIBUTING WRITER

Fall's hottest makeup trends include sultry red lips and elegant liquid eyeliner. It's safe to say that it is the classiest modern day look around ... but not so easy to pull off. Finding the right shade of red? Forget it! Applying the perfect stroke in liquid liner? Not unless you're a professional. Thankfully, the editors of Marie Claire are here to help with their new ultimate guide to makeup. The Marie Claire Makeup book is filled with fabulous close-ups, high-gloss pages, and most importantly helpful tips to keep the modern day fashionista sane. Can the techniques stand up to close-ups of the polished models that grace each page? We say yes.

Just listen to what Marie Claire Makeup has to say about applying a perfect even coat of lipstick:

1. Like your skin, your mouth also needs to rid itself of dead cells from time to time. For silky lips choose a very soft facial exfoliate and gently clean away with a soft, supple toothbrush (reserved exclusively for this purpose).

2. Generously apply an ultra-rich, creamy lip balm (or even Vaseline) for several minutes to nourish your lips. Wipe away with a cotton swab when you're done.

3. Think of your lip liner as your lips' guardrails.

It should be the same color as your lipstick, but one shade lighter. Nude tones will suit paler complexions and will yield a

flattering effect of increased volume.

4. Coat both sides of the brush with lipstick and start applying from the inside of your lips, moving upward in small strokes until you reach the outer edges.

5. Lip gloss will help bring it all together: a single dollop in the middle of your

lips will create a three-dimensional effect. Of course you can also spread it across your whole lip for a full on shine.
