### **Ribbon cutting** If you see Westland Mayor

William R. Wild at Warren Road and Newburgh on Wednesday morning, it's because he's there to cut a ribbon, opening the new intersection to traffic.

The completion of construction comes just in time for shoppers who'll be flocking to the city's commercial district Friday for the start of the holiday shopping season.

The new intersection meets the latest handicap accessibility standards and includes energy-efficient LED traffic control devices. American Recovery and Reinvestment Act monies funded the \$690,000 road improvement cost.

The public is invited to the 10 a.m. ribbon cutting. Parking will be available at the Max & Erma's restaurant on the southwest corner, and refreshments will be provided.

# Salvation Army giving tree goes electronic

**BY LEANNE ROGERS OBSERVER STAFF WRITER** 

An annual giving tree to adopt children and seniors served by the Salvation Army has gone electronic. In a nationwide program, the Salvation Army and JC Penney are joining forces for the online Angel Giving Tree, which allows customers to adopt and shop online at www.jcp. com/angel through Dec. 14.

"The Wayne-Westland Salvation Army will receive toys donation at JC Penney," said Capt. Derek Rose, local corps officer, "This is the first time for this program with JC Penney. We're looking at a 30-percent increase in requests over last year." The new online Angel Giving Tree

program builds on the legacy of the Salvation Army's Angel Tree program that has been in operation for more than 40 years.

"In a year when so many need help, the new online Angel Giving Tree program will extend our reach and make it easier for our customers and associates to give back this holiday season," said Mike Boylson, executive

vice president and chief marketing officer for JC Penney.

"Each year, right here in the Wayne-Westland community, we help more than 700 families with Christmas assistance," Rose added. "The partnership with JC Penney will help us reach more people who want

Santa Claus has started to make his list, although sources tell the Observer that, while he's far from check it twice, he is waiting by his mailbox for youngsters' gift lists and letters.

The Observer wants to make sure Santa Claus knows what children would like this Christmas and is asking youngsters to send us letters to him. We will publish the letters in the newspaper during December before sending them on to the North Pole.

The letters should be sent by e-mail and include a snapshot of the child writing the letter. They can be a list of toys, a holiday greeting for the Jolly Ol'Elf or whatever information youngsters want Santa to have.

## Defendant faces mental exam in beating case

#### BY LEANNE ROGERS **OBSERVER STAFF WRITER**

### A preliminary examination for a Westland man charged with beating his elderly father into unconsciousness has been adjourned until Feb. 4 to allow time for a mental competency examination.

Michael Ray Neighbors, 50, is charged with assaulting with intent to murder his father Rayburnell Neighbors, 80. A preliminary examination had been set for Thursday before Westland 18th District Court Judge

### Mark McConnell.

Held in lieu of a \$500,000 cash bond. Neighbors was arrested early Oct. 2 at the home on Knolson that he shared with his father.

Police had been called to the Garden City Hospital emergency room about a suspicious situation. Westland firefighters told the officer that they had been dispatched to the home, where they found the elder Neighbors on the bathroom floor unconscious with a bloody swollen face.

At the hospital, police said doctors found the victim had sustained multiple injuries, including a broken jaw, missing teeth, a lacerated lip, broken ribs, lacerations to his arms and legs and numerous bruises.

Firefighters told police that when they arrived they were met at the door by Michael Neighbors, who was in a robe and talking on the telephone. The younger Neighbors, whom firefighters described as "being out of it," indicated that he had found his father in the television room in a pool of blood and dragged him into the bathroom to try reviving him with cold water.

A not guilty plea was entered when Neighbors was arraigned. The elder Neighbors, a widower, remains hospitalized and unconscious, Westland police Sgt. Michael Harhold said.

Michael Neighbors had previously worked in information technology, but was currently unemployed, according to Harhold.

The elder Neighbors was reported to have been suffering from a degree of dementia which was making his care difficult, Harhold said.

## Residents adjust to bagging their leaves

#### BY LEANNE ROGERS **OBSERVER STAFF WRITER**

At least one person finds the end of curbside leaf collection in Westland an improvement.

"I was very upset when the city first announced it was ending the leaf pick up," said resident Sam Durante. "I was looking at the neighborhood this week and it never looked so good. We never had the leaves up this early."

For a number of years, Westland residents raked or blew their leaves to the curb to be vacuumed up. Last year, Westland ended the program to help pay for the citywide recycling program which began in June.

The change meant Westland residents had to collect their leaves in compost paper bags or

specially marked trash cans. "All the neighborhoods look better - there are no leaves blowing around or around the streets," said Durante. "It was a wise decision."

Most homeowners made the transition of bagging their leaves without a problem, said Department of Public Services Director Kevin Buford.

"People heard about it through word of mouth - there was an article in the Observer, it was on cable television, the city Web site and the water bills," said Buford.

For the few residents who hadn't bagged their leaves, **DPS Supervisor Brian Harnos** and Building Director Roger Shifflett put together a warning letter citing the appropriate city ordinance.

"The letter was hand-deliv-

ered and, if the person was home, they talked to them. We haven't issued any citations this year," said Buford. The number of compost

bags collected was increased from 10 bags per week to 20 bags. To accommodate some homes with larger lots with a number of trees, Buford said DPS arranged for 50 bags to be collected. For more information, call DPS (734) 728-1770.

The bagged leaves and bundled branches cut in four-foot lengths will be collected curb side on the regular trash pickup day through Friday, Dec. 11. After that date, compost collection ends until April 1 with the exception of Christmas trees following the holiday.

JC Penney Facebook fans will be able to access the Angel Giving Tree Web site directly as well as post and share their Angel adoption with their

friends.

Volunteers who want more old school involvement in fund-raising for the Wayne-Westland Salvation Army Corps can sign up as a bell ringer for the Christmas Red Kettle Campaign.

"Our goal from the kettles is \$135,000 - it was \$125,000 last year. We helped 700 families last year and expect that to be 800-900 families this year," Rose said.

Anyone interested in being a volunteer bell ringer can call (734) 722-3660, ext. 101.

The Salvation Army corps in this area all offer a self-shopping program in which parents from income-eligible families are allowed to select a toy as a gift for each child up to 14 years old. Parents can also get food, hats and gloves from the Salvation Army.

"Senior citizens get a food box for the holidays," Rose said.

National Storage Center, 39205 Ford in Westland, is helping the Salvation Army by collecting non-perishable food items and new unwrapped toys. Donations can be dropped off from 9:30 a.m. until 5:30 p.m. weekdays and from 9 a.m. until 5 p.m. Saturdays.

#### BY SUE MASON **OBSERVER STAFF WRITER**

Three western Wayne County lawmakers were on the receiving end of a presentation when the Wayne-Westland school board honored them for their efforts in preserving the Wayne-Westland language in the State School Aid Act.

Two of them, however, brought along some gloomy news: State funding of education isn't going to get better anytime soon. In fact, it will be worse next year.

"The battle isn't over yet, you got a reprieve this year," said state Sen. Glenn Anderson, D-Westland. "Our hope is to find money to restore most of the (\$127) proration and portion of 20J dollars that were lost. As the superintendent said, the immediate future isn't looking any brighter, it's looking worse.

"Michigan is struggling, but the struggle will be greater if we don't make commit to education," said state Rep. Marc Corriveau, D-Northville. "At this time, the situation is still very critical.

School officials credit

Anderson, Corriveau and state Rep. Richard LeBlanc, D-

W-W says thanks for saving 'language'

Westland, in keeping the \$6.5 million the district received in lieu of a millage not allowed for in calculating school funding under Proposal A in the new School Aid Act.

"I don't know if the audience understands the amount of time you put in to helping our district," said school board President Skip Monit. "We want you to understand we appreciate your doing it."

According to School Superintendent Greg Baracy, the district began working with the three lawmakers whose districts include Wayne-Westland, back in February, when Gov. Jennifer Granholm axed the money from her proposed school aid bill. They were able to get the language back into the bill and keep it.

We've been cut \$4 million. if we had lost the Wayne-Westland language, it would have been \$10.5 million," said Baracy. "Without their help, it would not have been reinstated. They were instrumental in getting it reinstated. If we had lost it, we could not have provided a fraction of programs

we now provide students." Anderson pointed out that

school boards must make difficult decisions even when times are not so tough.

"You always have deal with the fluctuation of the student population," he said. "Those who've been around recall it wasn't a matter of a huge budget deficit the last time you closed schools. The population continues to dip and you need to make adjustments.

"It's one of the difficult decision school boards have to make. No one wants to lose local neighborhood schools,' he added, referencing the district's 21st Century Schools Committee which approved a recommendation to close seven elementary schools that will be presented to the school board on Nov. 30. "I don't envy you for what you have to do."

Anderson, like Corriveau, said school finances for next vear are "even bleaker" and that Wayne-Westland is going in the right direction.

"Some of the decisions are going to be difficult in the short term, but if you don't make the tough decisions now, it will make it even more difficult in the future," Anderson said.

Anderson urged school officials to be "cautious" in looking to the future.

"I think what the committee is doing is something all districts should be doing, looking at all possible areas of savings to preserve the programs for their kids," he said.

In response to a question from Trustee William Gabriel about using stimulus money this year that has been set aside for next year, Anderson

said a number of districts have urged using the money now and worrying about what comes next year.

"You would be looking at a \$300 plus cut next year, without using additional stimulus, money," he said. "I hope we find some way other than using the stimulus money. We need something to cushion the blow next year. The decisions you make will have an impact, you're on track to adjust and rightsize the district as the state has to do. It will have a larger impact on what you have to do next year."

The dire news didn't dampen the accolades for what the three men did for the district.

"On behalf of all the board, I want to thank you for allowing us to communicate with you, badger you, move you," said Gabriel. "I know it's a tough seat to be in."

"We appreciate everything you're doing," said Trustee John Goci. "You try to keep the state as fiscally responsible as vou can, but it's not look very good. Maybe you should send a memo to other districts to look at their operations to rightsize their districts."

"I think what is so important is that you look out for the school district, it means so much to us, especially in these economic times," added school board Secretary Martha Pitsenbarger. "I think if people take the time to watch what you're doing, they'll realize your devotion to the kids is what drives you."

"There's one million lights in the display and over 35 displays," Ficano told the crowd gathered for the opening ceremony, carried live on Fox-2 TV. Weatherman Rich Luterman helped with the countdown.

"Everybody ready for snow?" he asked as he waited to do a live weather report. "Everyone

ready for Christmas? Everyone ready for Thanksgiving?" His first question was answered with a resounding "No!" while the other two earned shouts of "yes!" His presence may have explained the weather - mild

and no rain or snow. "This is one of the nice years for the opening, it's usually cold," said Garden City Councilmember Jaylee Lynch who was at the event with her husband Tom. "Usually, it's cold, raining or snowing. This is one of the most beautiful nights ever for this.'

The Lightfest is open 7-10 p.m. nightly, except Christmas Day, through Jan. 1. It starts at Merriman Hollow on Hines Drive at Merriman in Westland and ends at the Warrendale area east of Telegraph in Dearborn Heights. A walkthrough display area, Santa's Workshop, refreshments and gift shopping has been set up at the end of the drive. Santa will

be there from Thanksgiving until Dec. 23.

In between, guests will see the sledding hill transformed into a ski run complete with a chalet and skiers, a Nativity scene and Hannukah display. There's also a tunnel of lighted red, white and green arches and snowflakes and an eye-popping white one sponsored by DTE Energy.

DTE is one of several sponsors of the display. Also supporting it are Garden City

Wednesday, Dec. 2, 9 and 16, will be Toy Nights. Wayne County will be lending a hand to make sure all children have a bright holiday by inviting the community to bring a new,

# Glenn's homecoming win gets plenty of attention

### BY SUE MASON **OBSERVER STAFF WRITER**

For Tony Wilton, John Glenn's 2009 football season is one he'll "remember forever." And with good reason.

Wilton has become a celebrity of sorts, with appearances on TV and on the Internet for scoring his first-ever touchdown at Glenn's homecoming game last month. It wasn't the fact that he scored, but how he scored that has caught the attention of the sports world.

With eight seconds left in the game, Wilton picked up the football, after it had been blocked in a field goal attempt and ran into the end zone, giving John Glenn its first-ever win over the Plymouth High School Wildcats.

"It was my first career touchdown, I never thought it would

happen like this," said Wilton. "I've gotten a lot attention, newspaper interviews, a lot of friends have congratulated me. It feels good being the big man on campus. It's a good experience. It'll always be a good memory.'

The senior backup wide receiver and Glenn coach Tim Hardin were honored by the Wayne-Westland school board earlier this month for winning the game.

The Rockets were losing the homecoming game 28-27 when Ryan Lopez attempted the field goal. It was smothered and blocked by two Plymouth Wildcat defenders, but Wilton, the placeholder, picked up the ball behind the line of scrimmage.

just lost the game, I didn't realize it had been blocked behind

the line," he told the board. "I bent down and picked up the ball. the coach has taught to always be aware. I didn't think the play was dead, it didn't feel like the game was over.'

Wilton's quick action and urging by special teams coach Aaron Lada and Hardin set him off on a scramble down the field to make the winning touchdown, giving Glenn at 33-28 victory over the Wildcats.

"I never imagined in a million years that it would explode like this," said Hardin. "I'm extremely proud of the team, I'm proud of our guys. I've told them that win or lose, it's about how you play and they played with honor. They were firstclass professionals."

A posting of the field goal "My first thought was we had attempt and Wilton's dash to the end zone found its way to YouTube and spawned numerous hits which in turn led to its posting on other Web sites and eventually an appearance by Hardin and Wilton on ESPN.

"I was extremely nervous and when I looked at him, he was as calm as can be," said Hardin of the ESPN interview. "He's done numerous interviews, he has really represented the school, the community and the school district with great pas-

sion." According to Glenn athletic director Brian Swinehart, the YouTube posting got 10,000-15,000 hits when he got a call from his mother that it had made the front page of yahoo. com.

"It kept going to 500,000," Swinehart told the board. "It's been on Jimmy Kimmel, CNN, a radio station in Wisconsin. It took on a life of its own. It's been tremendous publicity for

John Glenn as a school."

He added that Wilton, even with all of the hype has "stayed humble in representing our school."

"He's a great kid," Swinehart said.

Glenn Principal David Ingham said he is just as proud of what the team does on field and what it does off the field.

"You can see it in the building, you can see it in the classroom," he said. "They take care of each other. They are a team, they are a family. I'm proud of the values the coach has placed on the team on and off the field. For us, this was a special

event." School board Trustee Carol Middel told Hardin and Wilton that her daughter, who teaches science in South Carolina, showed the video to her students and the football players

there explained what happened.

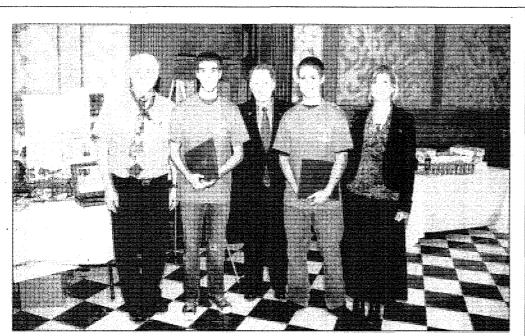

"I want to thank you for the skills you bring to the district as coach and to you, Tony, as player," Middel said. "I'm proud of you.'

In a response to a question from board President Skip Monit, Hardin explained that the referees could have called a penalty because of people on the field, but it would not have affected the outcome of the game.

"It would have come after the play ended," he said.

And Trustee William Gabriel drew a chuckle from the audience when he asked Hardin: Coach, is there any truth to the rumor that you're going use this play for every homecoming game?"

Inspire Theatre is planning an encore weekend of its original production of *KORK-TV*.

Inspire Theatre ran its traditional two-weekend/fourshow schedule of the original comedy, written by director Len Fisher. However, after playing to standing room only crowds its closing weekend, the theatre has decided to offer performances at 7:30 p.m. Saturday, Dec. 5, and 3 p.m. Sunday Dec. 6, inside the Warren Road Light and Life Church at 33445 Warren Road, east of Wayne Road, Westland.

Filled with humor, intrigue and satire, the play creates a riotous situation for two convicted former televangelists whose community service project is to turn around a failing local television station in the mountain community of Cork, Idaho. The catch? They must keep their identity a secret while retaining all the current employees.

Members of Inspire Theater will do and encore performance of the comedy "KORK-TV" 7:30 p.m. Saturday, Dec. 5, and 3 p.m. Sunday Dec. 6, inside the Warren Road Light and Life Church at 33445 Warren Road, east of Wayne Road, Westland.

Inspire Theatre has been producing quality entertainment in the western suburbs since its inception in February 2005. The dream child of Fisher who wrote KORK-TV, they have produced such favorites as Godspell, It's a Wonderful Life and most recently, Father

#### of the Bride.

Tickets are \$12 each and are now on sale. Group rates will be available. Call (734) 751-7057 or go online to www.inspiretheatre.com. A portion of every ticket to a local charity and a collection also will be taken for the charity.

# Getting competitive bids for insurance can pay dividends

Q: Dear Rick: I have seen lots of commercials and ads about buying auto

contacted an online company **Money Matters** and received a bid, I was

**Rick Bloom** 

much money I can save. I am leery about using an online insurance company. Are they safe?

surprised at how

A: I love that you received a competitive bid on your auto insurance. I think more people should receive competitive bids. I'm not aware of any problems — at this time - with buying any kind of insurance online. As long as you're dealing with a reputable insurance company, I see no problem with buying online.

For all its faults, the Internet has become a great tool for consumers. Whether or not you buy insurance online, the Internet is a great tool to use to receive competitive bids. You can take the bid to your current insurance company and ask them to match it. Even if they cannot, it definitely makes a statement to your agent that you are cost-conscious.

I think people would be surprised how much money they can save on a year-by-year

basis by competitively shopping their insurance around.

One criticism of buying insurance online is, if you do have a claim, you don't have a personal relationship with an agent who will go to bat for you. My thought is you shouldn't need anyone to go to bat for you because, if you are dealing with a reputable insurance company, they should not make it difficult

to receive a claim. However, reality is somewhat different. I recognize that insurance companies are subject to fraudulent claims and, therefore, cannot just pay any claim. That being said, the unfortunate truth is that some insurance agents don't assist you with claims. They want to sell the policy and let you deal with the company when it comes to claims. A

good agent, however, will make sure the policy fits your individual situation and assist you when claims arise. Therefore, in making a decision whether to use an online company, take into consideration your relationship with your agent.

Lastly, when you buy auto or homeowners insurance, one question to ask your agent (if you deal with one) or to consider when you deal with an online company is, what type of discounts are available? You'd be surprised to know the different discounts that are offered. For example, if one of your children is on your automobile insurance, many companies offer discounts if they have good grades. There are also a variety of discounts if you belong to certain organizations. Insurance discount pro-

grams change at a rapid pace. Therefore, every time you get a renewal, make sure you ask what discounts are available. Good luck!

## Chargers fall in four games in Class A state semifinals

#### BY BRAD EMONS **OBSERVER STAFF WRITER**

Portage Central had its own version of Special K - Taylor Galloway - and that's why Livonia Churchill's run in the state Class A girls volleyball tournament is over.

The 6-foot junior outside hitter finished with a match-high 29 kills as the Mustangs eliminated Churchill in four games, 25-18, 20-25, 25-19, 25-23, in Thursday's state semifinal at Battle Creek's Kellogg Arena.

The win puts Portage Central, 59-7-1 overall, in Saturday's state championship final in the Cereal City against top-ranked Bloomfield Hills Marian, 76-2 overall.

Churchill, making its second straight state semifinal appearance and third in six years under coach Mark Grenier, bows out at 53-6 overall.

"She's a great player and they have a couple of other kids that hit well," Churchill coach Mark Grenier said of Galloway and her supporting cast. "She had some great swings in a couple of big spots."

Mari Schoolmaster and Mallory Patterson each added 11 kills for the victorious Mustangs.

They helped offset the sterling hitting efforts of Churchill's two outgoing seniors - Cierra Yetts, who recorded 22 kills, and Sarah Suppelsa, who finished with 18.

"I thought our kids played hard," Grenier said. "I'm proud and pleased every step of the way. We had our opportunities. A couple of breaks here and there and it could have been different. It was a good match.'

Churchill trailed throughout the first set, getting as close as 19-17 before the Mustangs put it away behind Galloway's nine kills.

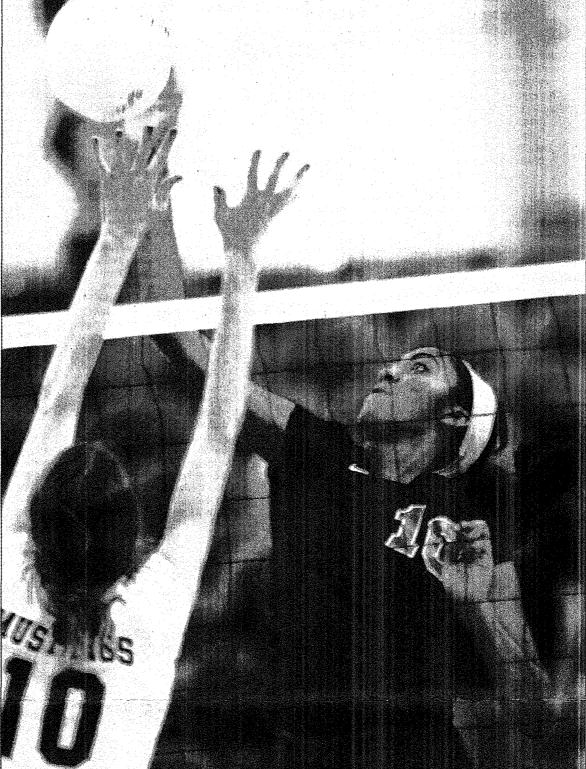

The Chargers regrouped to win the second game as the 5-9 Yetts came alive with six kills and one block.

"We switched our scheme blocking the second game," Grenier said. "Other than that, we just let the kids play.'

Galloway, however, continued her assault in the third set with nine kills as the Mustangs closed it out with a 6-0 run after leading 20-19.

In the fourth set, Churchill fell behind 9-3 at the outset, but rallied for a 20-16, only to have the Mustangs answer with four straight points as Grenier called timeout.

"I told them it was just like practice where we go 20 minutes in our unforced error drill," he said. "We were just back there in the gym competing and give ourselves an opportunity.

### Harriers qualify

Three area runners have earned All-State honors and qualified for the USA Track and Field regional cross country meet held Nov. 21 at Masterson Park in Lexington, Ky.

Keenan Jones, a student at Emerson Middle School, took runner-up honors in the Midget Boys race, while Megan McFarlane of Frost M.S. placed fifth in the Youth Girls division.

Livonia Franklin High iunior Austin Jones added a 14th in the Boys Intermediate division.

### Fletemier honored

Former Garden Cith High standout Lindsay Fletemier, a junior on the University of Dayton women's volleyball team, has been named Co-Player of the Year in the Atlantic 10 Conference.

The Flyers middle-blocker shares the honor with last season's Player of the Year Sammi McCloud of Saint Louis.

Fletemier, who was named to the A-10 First Team her sophomore season, leads the conference with a .402 attack efficiency, 11th best among Division I volleyball programs. She also tops the A-10 averaging 1.31 blocks per set, which ranks her 26th nationally.

During the season Fletemier became the 19th Flyer to surpass 1,000 career kills. She ranks 11th in program history in kills (1,153) and fifth in solo blocks (80) and block assists (315).

Fletemier was also named Academic All-Conference.

Leading 23-22, Portage got a critical point on a close call on the back line. Churchill answered to get within one, but the Mustangs sealed the match on Schoolmaster's kill.

## Panthers halt Blazers' title run

#### BY BRAD EMONS **OBSERVER STAFF WRITER**

Getting to the girls state volleyball finals is nothing new for Jack Magelssen, who won 10 state Class A championships when he was at Portage Northern.

But it's a brand new experience for his Delton-Kellogg squad, which had won only two district matches and had only one winning season in school history.

In Friday's Class B semifinal, Livonia Ladywood's state tournament run came to an end as the Panthers rolled to a 25-10, 25-17, 25-18 triumph before a large and boisterous crowd at Battle Creek's Kellogg Arena.

Ladywood, which bowed out at 40-23 overall, ironically was the last team to beat the 60-6-2 Panthers - that coming in last month's Sturgis Invitational.

We're not a big team, just a bunch of local kids who grew up together and play together," said Magelssen, whose squad faced North Branch in Saturday's championship final. "I felt they could get to the state finals, but I don't know if they knew.

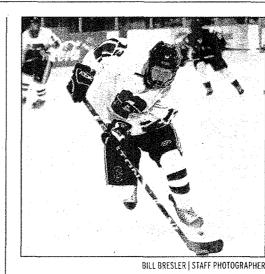

"You never know when you get here. Tonight we knew we had to come out hard and set the tone of the match. We like to play ahead."

The Panthers did just that against the Blazers.

In the first set, the Panthers bolted out to a 7-2 lead and it was the Terin Norris show as the senior setter, bound for Western Michigan University, had three kills, two blocks and two ace serves

Jacob Otto of Livonia Churchill races down the ice Friday night in season-opening play against North Farmington-Harrison. The Chargers scored an exciting 3-2 victory in overtime on a goal by junior forward Mike Kutek.

Chargers win hockey opener in overtime

Livonia Churchill had an exciting and successful hockey season-opener Friday, defeating North Farmington-Harrison in overtime, 3-2.

In the Novi Metro Invitational, junior forward Mike Kutek won it for the Chargers on a power play just 49 seconds into overtime at Novi Ice Arena. He was assisted by junior Steven Klisz and senior Scott Hamill.

Churchill was outshot, 20-9, in the first two periods, but held North-Harrison scoreless in the third and won the shots on goal battle in that period, 10-8.

The Chargers tied the score, 2-2, when Yanni Kefallinos scored the only goal of the third period from Christo Pappaionnou at 15:52.

Mariah Carver and Rachel Szczembara, key performers all season for Garden City High School's girls cross country team, were inadvertently left off the list of honorable mention recipients of the 2009 All-Observer Girls Cross Country Team. Carver, a freshman, and Szczembara, a senior, helped their teammates capture the WWAC Red Division championship.

### SC men win

The Allen Park High connection of Aaron Felsner and Trevor Zacny combined for 40 points as the Schoolcraft College men's basketball team posted a 70-63 MCCAA Eastern Conference victory Wednesday night at Kirtland Community College.

The 6-foot-6 Felsner had 22 points, while the 6-4 Zacny contributed 18 as the Ocelots (2-6, 1-0) snapped a six-game losing streak.

Dmitry Martynenko, a 6-9 freshman from Moscow, Russia, led the Warblers (1-4, 0-1) and all scorers with 24 points.

### Lady Ocelots romp

It was no contest Wednesday as the secondranked Schoolcraft College women's basketball team rolled to a 90-44 MCCAA Eastern Conference triumph over host Kirtland CC.

The Lady Ocelots, now 5-0 overall, got 17 points and seven rebounds from April Goins.

Antania Shepherd and Angela Burrell each contributed 13 points and combined for 12 assists for Schoolcraft, which has won 60 of its last 62 conference games.

Amber Avery and Emelda Chew contributed nine and eight points, respectively, as the Ocelots shot 58.4 percent from the field (38-of-65).

Kirtland (0-3, 0-1), which committed 32 turnovers, got 17 points from Teri Taylor.

JOE PORCARI, JR., PLYMOUTH: In just his third season, Porcari is already on the path to school greatness — he is the fourth best runner in Plymouth history.

His personal record for the season was 16-minutes, 15-seconds. The 4.0 student also placed third at the Division 1 regional and 26th at the state meet, earning him all-state honors.

"Joe was the number one runner on the team this year from the first race to the last race," said Plymouth head coach Jon Mikosz. "He will be one of the top returnees next year and has the potential to be the best runner in school history MILES FELTON, SOPH., CANTON: The

Chiefs' 2008 Rookie of the Year had quite an encore season, earning him Co-MVP honors as well as All-Region, All-League (second Team) and All-Observerland honors for the second year in a row.

Felton's best time of the season was an impressive 16:23.

"Miles holds the records for fastest sophomore and fastest freshman in school history," said Canton head coach Bill Boyd. "After only two years, he is already one of the best runners the school has ever seen."

MATT NEUMANN, SR., PLYMOUTH: The senior co-captain is the eighth-best runner in school history, and he added to his legacy in 2009 with a fourth-place finish at the KLAA Kensington Conference meet (with a PR of 16:36).

During his four years with the Wildcats varsity, Neumann helped

meet.

In just two years, he has become the 10th-best runner in plymouth history (PR of 16:44) and has been

tent runner," Boyd said. WARREN BUZZARD, SR., PLYMOUTH: Cocaptain Buzzard is tied for sixth place all-time at the school and has a career PR of 16:34.

A top student (4.0 GPA), he also is a big reason the Wildcats have won three KLAA South divisions, two conference titles and finished 12th, 12th and 11th at the DI state meet during his four years with the varsity

NIMÁNTHA HERATH, SOPH., FARMINGTON:

The sophomore led the Falcons to the OAA White Division championship with a fourth-place finish and 17:09 time in the division meet at Royal Oak High School. Herath saved his best race for last, running 16:50 and earning 28th place in the Division 1 regional at Brighton. He is a two-time individual co-champion in the Farmington city meet, too. "Nimantha is a competitive,

consistent runner with good race instincts," coach Charlie Stamboulian said. "He steadily improved as the season progressed and had his best races at the conference and regional meets. The future

is bright for him." ZACK SPREITZER, SR. CANTON; Canton's Co-MVP ran his PR 16:33 at the Monroe Jefferson Invitational, which coach Boyd said was "one of the best runs in school history." The fourth-year varsity runner and 500 Mile Club member added

to his long list of honors this fall. Besides being selected to the All-Observerland, and All-KLAA teams for the third time, he was named a 2009 KLAA Scholar Athlete. Spreitzer started his Canton

According to Boyd, the senior simply has been "one of the best runners in school history."

KEITH ZECH, SR., CANTON: The senior only ran cross country as a senior, switching over from football.

But his only year as a harrier was such a success that Boyd praised him as "one of the toughest runners Canton has seen.

Zech, whose personal best was 16:43, made the All-KLAA third team and was 18th at the D1 regionals despite being sick for the final two weeks of the season.

MITCH CLINTON, SOPH., CANTON: With two outstanding seasons under his belt, Clinton already is the 24thfastest runner in school history and the fifth-fastest Canton sophomore ever.

The KLAA Scholar Athlete ran 16:48 for his personal best, and earned Unsung Hero honors from his teammates

Besides again making the All-Observerland team, Clinton was a third-team selection to the All-KLAA squad.

"He runs through injuries and works hard every day," Boyd said.

### **COACH OF THE YEAR**

JON MIKOSZ, PLYMOUTH: Under the watchful eye of sixth-year coach Mikosz, the Wildcats enjoyed a stellar 2009 season - including a second-place finish at the D1 regional for the highest finish the team has ever had.

Plymouth took first overall in

October at the Wayne County Meet at Willow Metropark (where the regional took place), and went 5-0 in regular season dual meets to win the KLAA South for a second straight year - going 10-0 over that two-year span.

For Mikosz, a 2001 Canton High

School graduate, leading the Wildcats has continued the success he enjoyed as a runner (at Canton he was a two-time captain and state qualifier). And a big

Jon Mikosz reason for the Plymouth coach continuing success is Mikosz,

who expects a lot out of his runners while being very supportive as well.

"I think our program is so successful because the guys truly love running," said Mikosz, who lives in Canton. "They are not just running to stay in shape or to make friends but they are truly competitive and want to win.

"I expect a lot out of my athletes and they know that. With all that being said we still probably have more fun then any other team around."

They also see how much Mikosz still loves the sport and want to emulate someone who not only excelled at the prep level but ran cross country and track at Eastern Michigan University.

"The key is to make sure that everyone is having a good time," he said. "If you an make that happen the improvements and winning will come."

In the third set, the Blazers jumped out to a 4-1 early advantage, but Delton once again exerted its dominance to take leads of 10-6 and 17-10.

Ladywood fought back, but it was too little, too late as Norris and Culbert combined for 11 kills to close out the match.

From Ladywood coach Erin Craggs' perspective, it was a hopeless feeling.

"I kind of told the girls just to hit hard," she said. "We were giving them free balls and it put them in a comfort zone. At the end we persevered and showed a lot of integrity.

'They (Delton) played great. They threw our offense off. They served aggressively and passed 'nails.' We weren't able to keep up."

Norris led the Panthers with a team-high 12 kills to go along with 21 assist-to-kills, three aces and five blocks.

Culbert and Carly Boehm each added nine kills, while Katie Marshall and Hannah Williams combined for 22 digs.

Senior outside hitter Claire Dezelski had a team-high 12 kills for the Blazers, while junior Katy Rooney added 11.

Sophomore setter Alexandra Hines contributed 27 assists, while senior Ashley Hines recorded a team-high 10 digs.

But the Blazers only hit at an .093 clip (30-for-107) with 20 attacking errors.

Delton, meanwhile, was 39for-105 (.286) with only nine errors.

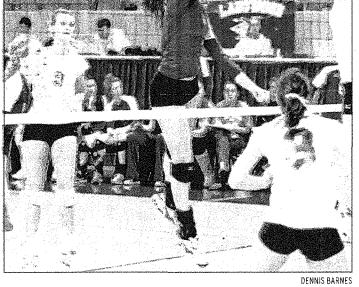

It's Magelssen's first trip to the state finals since 2001 and his 13th overall.

"It's nerve-wracking," said Magelssen, now in his fifth season at Delton. "The girls are handling it better than I am. I love the kids, but I'm not sure I can take many more like this."

Meanwhile, the Blazers hope to build on this year's state tournament run.

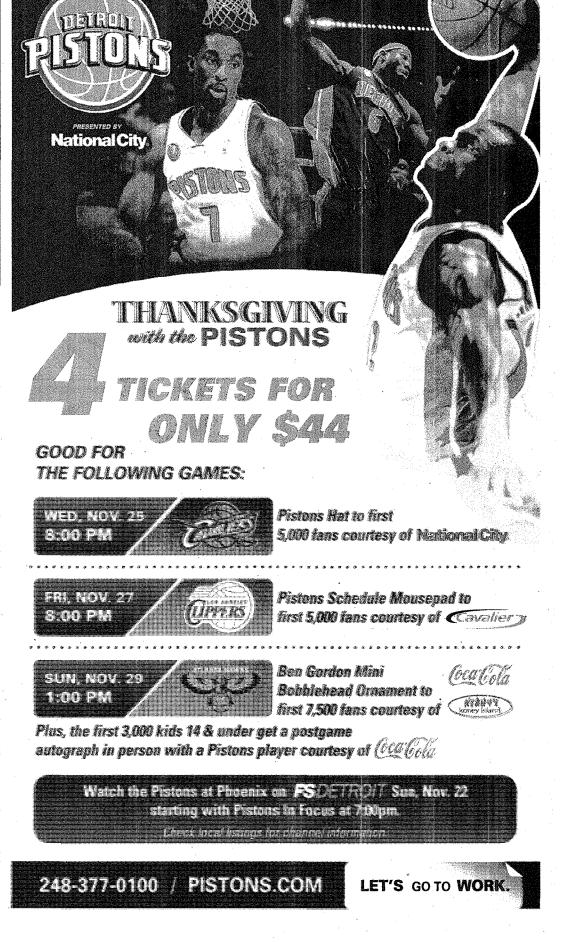

'We graduate only three seniors," Craggs said. "And they've set an awesome bar to make it back next year."

# Alumni to gather for tribute to choir director

**BY LINDA ANN CHOMIN** CORRESPONDENT

In less than an hour Jerry Smith was expecting the wonderful aura of excitement to return to the music room at First Presbyterian Church in Plymouth.

On Oct. 4, the Livonia resident had been amazed by the number of former students eager to attend the first rehearsal for the Homecoming Celebration of the 50th anniversary of the Concert Choir at Bentley High School in Livonia. Smith never imagined that nearly 600 of his students would respond to an invitation to sing at the event when sonin-law Ron Moon put out the call on classmates.com nearly two years ago.

Close to 150 showed up for the second rehearsal Nov. 1, sending Smith's spirits soaring. His face beamed with pride that so many would pay tribute to him at the Nov. 28 event which not only celebrates the 50th anniversary but his 75th birthday, as well. The festivities will include a strolling dinner, performances and recording of an alumni CD and DVD at Burton Manor in Livonia.

Smith founded and directed the choirs from 1959 until the school closed in 1985. He incorporated several of the traditions from his days singing with the University of Michigan Men's Glee Club into the Bentley vocal music program including a series of concerts in Europe. At U-M he learned the best ensembles were highly disciplined and held to practices that built camaraderie. Smith incorporated the rehearsal parties,

initiations, formal ceremonies, banquets and awards into the high school's choir experience along with a grading system that required voice and music reading tests for every marking period. He also envisioned an elite ensemble that students could aspire to: the Concert Choir.

### **COMMON INTEREST**

Smith's wife Sharon observed the growth of the vocal music department nearly from the beginning. Shortly after moving to Livonia a fellow student encouraged her to try out on piano for the variety show. She did and the rest is history, says Jerry. He asked

next  $2 \frac{1}{2}$  years she joined the choir on stage with the man who would become her hus-

band. "I played *Deep Purple*. I didn't know what an encore was so I played the same song again," said Sharon (Hubbs) Smith laughing.

It's obvious that after 45 years of marriage the couple is still in love. The choir for many years was their common denominator. Even though she went away to Belmont College in Nashville, a fire continued to burn brightly between them. Sharon wrote to Jerry and to his surprise he wrote back. He'd received letters from former students before but never had time with his busy school schedule to answer them.

"We're both Christians and loved music, both of our families were from the south," said Sharon. "When I came home for Christmas we went on a hayride with the choir. During spring break he proposed."

### HARMONIOUS MARRIAGE

The couple was married June 27, 1964 in Friendship Baptist Church in Lincoln Park, the only church large enough to hold the 800 guests. A choir of his former students sang along with friends espousing the couple's love in the songs they wrote to each other. In 1973, they moved to Livonia where he founded the **Creative and Performing Arts** Program at Churchill High School and annually directs the music for the Livonia Prayer Breakfast.

"It was easy to fall in love with her because I respected her, " said Jerry. "It has been wonderful. We're an unusual couple. I'm nine years older than Sharon and was driven. We had enough differences so we were never bored."

Before they married however Sharon wanted to know who would be number one - her or Bentley's vocal music department. Sharon had witnessed firsthand his overwhelming dedication to students resulting in countless

hours spent away from home. "He changed," said Sharon. "There were no surprises. He's a planner, organized. He's a good dad. Our son and him go to U of M games together. He does stuff with his daughters. He made time for family. The kids were part of everything we did."

### **ACTIVE IN CHURCH**

The three Smith children sang in choirs, at church and school, under the direction of their father. Jerry was choir director at Ward Presbyterian Church, first in Livonia then Northville for nearly three decades. Sharon was the accompanist.

"We were a team, toured with Ward Youth Choir," said Sharon. "He always tried to get

## Lincoln MKT Dazzles 400 at Metropolitan Lincoln Mercury in Garden City

BY MATT EDWARDS

Cruising Ford Road on a recent Thursday night, drivers saw bright searchlights chasing the clouds. The beams originated from Metropolitan Lincoln Mercury in Garden City.

Guests stepped from their cars onto a plush pink carpet runway that led them inside to see the star of this star-studded evening - the new 2010 Lincoln MKT! The Lincoln was covered by glittering silk surrounded by glowing lights and music. Nearly four hundred guests, community leaders, politicians and Ford Motor Company executives all gathered for a special unveiling.

All this for a car? That's right! But it's no ordinary vehicle. This luxurious Lincoln combines in one versatile vehicle all of the refinement, technology and quality that the outstanding Lincoln line now delivers. The 2010 Lincoln MKT seats up to seven passengers in a quiet cabin paired with a powerful and economical available EcoBoost engine.

Michigan's First Gentleman, Dan Mulhern, and General Marketing Manager for Ford Lincoln Mercury, John Felice, together did the honors – deftly uncovering the 2010 Lincoln MKT amid enthusiastic applause. "We're really excited to introduce the latest addition to the Lincoln family," said Felice. "With its styling, interior, features and technology that no one else offers, this Lincoln will redefine the standard in cross-over full size luxury."

"We need celebrations like this," said Mulhern. "Michigan is going to turn around and this country is going to turn around, with the kind of people we have and the kind of company that Ford Motor Company is." The audience cheered as the First Gentleman poured through a robust list of wonderful things about Michigan, including the new Lincoln MKT.

"We are extremely proud of the quality vehicles we offer our customers," said John Obeid, co-owner of Metropolitan Lincoln Mercury. "The 2010 Lincoln MKT builds on the great success of the 2009 Lincoln MKS."

The dealership's commitment to the community was evident in numerous ways, including the event's support of the Susan G. Komen Breast Cancer Foundation. "Our customers are extremely important to us and we support them through the quality of our service, our outstanding products and our community outreach efforts," said Clarity Patton, one of the dealership's managers. "Michigan is going to turn around and this country is going to turn around, with the kind of people we have and the kind of company that Ford Motor Company is."

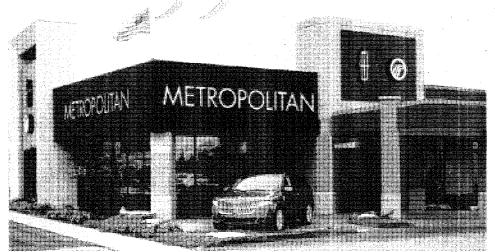

- Dan Mulhern First Gentleman of Michigan Anytime you test drive a new vehicle at Metropolitan in Garden City in 2009, \$20 will be donated to Susan G. Komen for the Cure. Simply mention this opportunity when you visit the Garden City dealership.

"I didn't realize what a bright future Lincoln has until I came to this event," said one of the guests who hadn't previously owned a Lincoln. "It totally opened my eyes and I look forward to driving the Lincoln MKT."

Metropolitan's care for customers and pride in Michigan was evident throughout the evening, from the attentive staff to the refreshments. Along with exquisite locally handcrafted desserts, the dealership proudly served a variety of Michigan wines, including Simply Pink that St. Julian Winery specially created to support the National Breast Cancer Foundation.

You can see and drive the new Lincoln MKT yourself by visiting Metropolitan Lincoln Mercury at 32000 Ford Road, West of Merriman Road, in Garden City.

Homecoming sure to be grandest Bentley party

#### **BY LINDA ANN CHOMIN** CORRESPONDENT

All around the room, all that could be heard was Dr. Smith this and Dr. Smith that. The chatter seemed naturally to focus on the man who shaped their lives.

For 26 years, except for one when he went on sabbatical to earn a doctorate, Jerry Smith instilled discipline in Bentley High School choir students. On Nov. 28, they'll reunite and pay tribute to Smith at the Homecoming Celebration at Burton Manor in Livonia.

In the meantime they were about to rehearse Christmas songs they'd come to know so well during their time with him in Concert Choir, the elite ensemble for vocal students at Bentley High School in Livonia from 1960 to 1985.

Dian Segal carried the lessons with her into the business world as human resources director for UPS for 20 years. The Livonia woman retired only when her kidneys started failing. She's worked on the committee for the Nov. 28 event for nearly two years as

### SEASONAL FAVORITES

Along with enjoying a strolling dinner and silent auction of memorabilia, nearly 600 former Concert Choir members will rehearse then record favorites such as the It's the Most Wonderful Time of the Year, Silver Bells, Do You Hear What I Hear?, Johnny Mathis's "Chestnuts Roasting on an Open Fire" (The Christmas Song), Mary Had a Baby, Handel's Hallelujah Chorus, O Holy Night, and The Prayer, an original by Smith.

The 16-member committee has rented a 9-foot grand piano for special alumni guests, such as concert pianist and composer Clifford Smith. Several professional musicians will be performing including Heidi Hepler who's sung everything from opera to jazz and now lives in New York.

"It's a chance to reunite with old friends and do something we all believe in (the Bentley vocal music department)," said Segal. "Dr. Smith taught me structure and organization. I don't want to say he was strict but he had rules and we followed those rules. If you were late, you were docked

paid off and made us successful. Imagine 100 people trying to sing together without rules."

### **RECORDING THE MUSIC**

Committee member Lawrence Zanes says he's on the phone almost daily with former students who want to come and pay tribute to Smith for the impact he made on their lives. On Nov. 28, they'll assemble to rehearse before recording a CD. They've hired a DVD editor and are using four cameras to capture the performance.

"We'll have memorable music with Christmas trees and collage posters of every choir on display, separate tables for years, videos of past years," said Smith.

Kurt Meyer, a 1982 graduate sang in the Concert Choir of 1981-82. His sister Kim Alderman sang with Smith as well.

"It's an opportunity to revisit with some old classmates, to sing with excellent voices," said Meyer, a Livonia resident. "My sister and I sing with the Livonia Civic Chorus that my dad started in 1969 and I sang with Dr. Smith in church choir also."

She loves playing with toys. She never owned a toy before and has discovered how much fun it is to toss them in the air and play. Take a look at the organization's Web site (www. greyheart.org) for another adorable picture of Dream. Jill recently left the race-

track for the good life and is looking for a family to call her own. She's stunningly beautiful, with a black shiny coat and the most soulful eves that will just draw you in. She's 3 years old and is very curious about her new life in a real home. She's very energetic and learning the in's and out's of living with a family. She's also very affectionate and loves to give kisses. "Greyhounds are an allur-

active in the First Baptist Church of Birmingham, Michigan, where they served on the Board of Deacons and The Board of Trustees. Earl also taught the Christian Forum adult Bible study class for twenty-five years before pass-ing away in 1976. They spent their winters in Kailua-Kona, Hawaii for thirty years and were active in their local church

Frances and Earl both loved to play bridge and golf. Earl was an extremely accomplished golfer, with seven holesin-one to his credit, and a handicap of seven when he passed. They were proud members of the Augusta National Golf Club. Frances played golf into her 80's and continued to play bridge several times each week right up until her passing.

The bases of Frances' life were her love and relationship with Earl, and her deep and abiding Christian faith in god and her personal Lord and savior, Jesus Christ. She lived according to the ten commandments plus Jesus' two commandments that one love God with all thier heart, mind and strength, and that one love one's neighbor as oneself.

After Earl's passing in 1976, Frances was very lonely and missed him tremendously, but kept her faith and was a shining example of it. She insisted on being addressed as "Mrs. Earl" and we soon discovered that the reason was; Mrs. Earl misses Earl. Frances kept in close, regular touch with her children, grandchildren, and greatgrandchildren as well as her many friends and relatives across the county. Frances was greatly loved for her generous spirt and friendly manner, always ready to help her family, friends and neighbors in any way she could. She was always colorfully and stylishly dressed and brought a ray of sunshine into each room she entered. She was preceded in death by her parents, her husband, Earl, her brothers E.W. Garrison and Robert T. Garrison, and her sister Willie Mae Bramblett, who was married to Earl's brother, Elder.

She is survived by her children Bonnie Swift (James Langbehn, dec.) of Fairfax, CA, Billy Bramblett (Alicia Keshishian) of Petaluma, CA; grandchildren Josh Swift (Lori) of Erie, CO, Melissa Ohara (Mike) of Petaluma, CA, Sarah Swift-Langbehn of San Anselmo, CA, and Simone Swift-Langbelm of San Francisco, CA; and Cade great-grandchildren and Donovan Swift, and Ryan, Kyle and Brady Ohara. Also surviving are her sisters-in law, Lorene Garrison, and Jenny Senning, along with dozens of cousins, nieces and nephews A service celebrating Frances' life will

be held at the First Baptist Church of Birmingham, MI at 200 Bates (At Willets) on Tuesday, November 24, at 11 AM. A reception will follow in the church parlor. Frances will be buried next to Earl in the Garrison family plot at the Marietta City Cemetery in Marietta, GA.

## Avoid high-calorie holidays with sensible eating

For many people, food is an important part of the holiday season. Family gatherings feature meals consisting of high-fat, high-calorie temptations that can sabotage even the most dedicated of otherwise healthy eaters. TOPS Club, Inc. (Take Off Pounds Sensibly), the nonprofit weight-loss support organization, recommends strategies that will allow you to navigate common food-centered traps while still enjoying festive celebrations without regret. Consider the following "smart swapping" tips to ensure that the turkey is the only one stuffed this season:

 Choose two slices of skinless turkey breast over a drumstick to save calories and reduce fat and cholesterol.

• Avoid using boxed stuffing mix and, instead, make your own with whole grain bread and turkey or chicken sausage. Increase the nutritional value by incorporating fruits, such as apples, pears, and cranberries, or almonds and

walnuts.

 Canned cranberry sauce often contains excess amounts of highfructose corn syrup. Make your own cranberry sauce by pureeing dried cranberries in orange juice and water, or substitute the sauce with fruit-flavored gelatin.

• Replace candied sweet potatoes with mashed or baked sweet potatoes. Replace heavy cream in the mashed potatoes with low-fat

buttermilk and add a vegetable that can be easily mashed, such as turnips or green onion. Olive oil and dried or fresh herbs liven up roasted red potatoes with minimal calories.

• Commonly known as "cocktail franks" or "pigs in a blanket," bite-sized hot dogs are always a popular appetizer but laden with sodium and fat. Instead, snack on mini quiches for a tasty dose of protein that keeps you full.

• Steer clear of crab cakes, which are typically breaded and deep-fried. Enjoy pieces of steamed or boiled shrimp dipped in cocktail sauce for a calorie-light alternative.

• Swap potato chips and dip for the equally satisfying crunch of veggies. Dip into hummus or salsa for a low-calorie, flavorful topping.

• For a sweet snack, enjoy an apple baked with cinnamon and nutmeg instead of an overly-indulgent caramel apple.

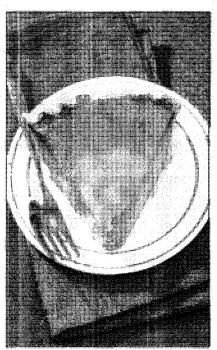

Pecan pie contains high

amounts of sugar and fat - up to 800 calories per slice. Choose pumpkin pie for a rich, creamy dessert, and make it even healthier by using evaporated skim milk and egg substitute.

• Consisting of heavy cream, eggs, milk, and sugar, egg nog is a classic holiday beverage. But even without the addition of alcohol, this drink can still spell disaster for those who are watching their weight. Try homemade hot chocolate and leave off the whipped cream to partake sensibly.

With these simple trade-offs and a bit of discipline, you will be able to celebrate the season without feeling deprived - but just as satisfied.
