## AROUND TOWN

### City purchases nine patrol cars

Westland is reducing costs and staying green as nine new 2010 Ford Crown Victoria police patrol cars are outfitted to be put into service within the next three weeks.

"In an effort to reduce costs and stay green, the city of Westland will be recycling old equipment from the department's retired vehicles," Mayor William Wild said. "This is a perfect example of how our city is working to be economically efficient while providing the highest quality services to our citizens."

By reutilizing equipment, such as in-car computers, video systems and police radios from retired vehicles, the city will be saving more than \$22,000.

This also will be the last change out on Ford Crown Victorias. Ford Motor Co. is discontinuing production of the vehicle. Westland will be researching and looking for new options for patrol cars.

### Pizza fund-raiser benefits fire safety

October is National Fire Prevention Month, a good time for Westland residents to check their smoke detectors and replace the batteries, if that hasn't been done this year.

For those who have a hard time remembering, fire officials recommend writing the month and year on a small piece of paper and taping it to the battery. That simple act helps ensure that next year when they open up those detectors or when the fire department conducts a home inspection, everyone will know if the batteries need to be replaced.

According to the National Fire Protection Association, approximately 33 percent of the homes in America are not adequately protected with smoke detectors, and the death rates in homes are 45 percent lower when one working smoke detector is present.

In an effort to ensure every home in Westland has working smoke detectors, the city has partnered with Toarmina's Pizza for the first ever "Pizza and Prevention Month," a win-win fund-raiser for everyone to help the fire department purchase life-saving smoke detectors for those who don't have them.

Toarmina's is discounting its giant 24-inch pepperoni pizza from \$20.99 to \$15.99 with a coupon that can be purchased from the fire department now through Oct. 23. Buy as many coupons as you like. They're valid through October 2011.

One hundred percent of the profits goes directly to the fire department to help get a smoke detector in every home in Westland. The city's goal is 3,000 pizzas, so contact Fire Capt. John Adams at jadams@cityofwestland.com to help reach the goal for life safety.

Steven and Deborah Thomas decided to answer call to ministry and give up careers in the private sector to form Forever Blessed, a nondenominational Christian ministry.

## Forever Blessed Couple trades jobs to do God's work

BY LEANNE ROGERS  
OBSERVER STAFF WRITER

Until they heard the call to ministry, Steven Thomas had a career in accounting and his wife, Deborah, was going to teach school after retiring as a research analyst.

The Westland couple, both trained as ministers at the Word of Faith Bible Center in Southfield, have formed Forever Blessed, a nondenominational Christian ministry.

"We do ministry outside of a church — in the public square. We go to the Farmers Market in Canton, to nursing homes," said Steven Thomas.

"We have a children's ministry with puppets."

As part of his ministry, Steven Thomas plays the saxophone at events such as the Nov. 12 Westland State of City address.

"He plays gospel and patriotic music, not jazz or pop music. That's what we were doing at the Farmers Market," said Deborah Thomas. "People came up to us. We had very phenomenal results."

Married since 2002, the couple met at church but had separately felt the pull toward the ministry.

## Suspect sought in string of Check 'n Go holdups

BY LEANNE ROGERS  
OBSERVER STAFF WRITER

A suspect wanted in connection with several cash advance store robberies in area communities is also wanted for robbing a Westland Check 'n Go store on Oct. 6.

"Based on the description, it's the same guy," said

Westland police Lt. Michael Match. "He'll continue doing this until he is caught."

The Westland robbery occurred about 1:30 p.m. on Oct. 6 at the Check 'n Go store located on Michigan Avenue near Merriman. The suspect entered the business and handed a note to the teller demanding money.

"No weapon was shown or

implied," said Match, adding the suspect fled with more than \$1,000 cash obtained from the teller.

The suspect was described at a white male in his 20s, 5 foot 6 and weighing 150 pounds.

The same suspect is being sought for two robberies within six days at the Garden

## Meeting sends out S-O-S on school funding

BY SUE MASON  
OBSERVER STAFF WRITER

The message Tom White and Mary DeYoung-Smith delivered to a group of school officials and parents Thursday evening is a familiar one for Livonia Public Schools Superintendent Randy Liepa. He only has to look at the district's bottom line to see that school funding is, indeed, going down a slippery slope.

"Public education is facing a multibillion dollar deficit down the road," he said. "It's alarming for us because we've never seen a time like

this when funding looked so bleak."

The steep step down a slippery slope was the theme of a presentation by White, the chair of Save Our Students, Schools and State, and DeYoung-Smith, president of the Michigan PTSA. The program was hosted by the Wayne-Westland Community Schools in cooperation with the Livonia Public Schools and the Wayne County Regional Educational Services Agency. The 1½-hour program focused on the problems facing K-12 edu-

## Capital firm helps city in refinancing of Taylor Towers

BY LEANNE ROGERS  
OBSERVER STAFF WRITER

Early steps to allow Westland to seek some equity from Thomas Taylor Towers are moving ahead.

The council has approved professional services with St. James Capital, which has assisted Taylor Towers with financing in the past.

The mortgage on the building was paid off in 2008. City officials want to use equity in the 266-unit senior citizen housing to provide some cash for upgrades that might be needed at the building and for other city projects, most likely some capital improvements.

Taylor Towers is owned and operated by the not-for-profit Elderly Housing Commission and managed by the Elderly Housing Services Corp., both of which have the same board of directors, chaired by City Clerk Eileen DeHart Schoof.

Responding to a question, Schoof said that a refinancing would have no impact on current or future residents of the building. Many of

the Taylor Towers residents receive rent subsidies and the building was originally financed with a federal Department of Housing and Urban Development mortgage.

Several options for generating more than a conservatively estimated \$5 million will be investigated, including HUD refinancing and low-income housing tax credits.

The annual income from rents paid at Taylor Towers is about \$308,000 and would be used to repay the loan. The EHSC management fee had built up to the \$1 million which was transferred last year to the general fund, leaving another \$1 million in reserve for the towers.

The initial costs of \$30,000 — a \$5,000 good faith deposit, \$3,000 for a physical capital needs assessment, \$15,000 for an environmental report and \$7,000 for an appraisal report — will be paid from the Taylor Towers escrow account.

## Mayor goes back to school for State of City

Westland Mayor William Wild's 2010 State of the City speech will be old school, at least when it comes to location.

Wild will be returning to his alma mater, Westland John Glenn High School, to present the annual update on the city at 7 p.m. Friday, Nov. 12. Everyone is invited to attend the program, which is being held in the auditorium, located in the northeast corner of the school at 36105 Marquette.

Wild will discuss the city's finances and steps the city has taken to find new ways to deliver services, jump-start economic development and reorganize the city's operations to fit how residents live today. He also will give an update on the Central City Park project, including a video that will give residents their first peak at what the finished project could look like, kick off the new Shop & Dine Westland 2010 marketing campaign, discuss the progress of the rehabilitation and demolition of blighted properties in the Norwayne subdivision and the recent energy upgrades of some of the city's oldest buildings.

Other topics to be discussed

will include a snapshot of the city's award-winning curbside recycling program and the mayor's vision to create a healthy livable city to encourage long-term residency and attract new residents, innovative businesses and creative entrepreneurs.

"As a 1986 John Glenn graduate, I am honored to have the opportunity to give the status of our All American City at a place where I gained much of the knowledge that I use every day," Wild said. "The 2008 State of the City was also held at John Glenn High School and it is a pleasure to return to this great venue to inform the residents of the great things happening in Westland."

The doors open at 6 p.m. and there will be limited seating in the auditorium. Following the address, guests are invited to attend a reception in the school's media center.

For those unable to attend the event, it can be seen beginning Monday, Nov. 15, on the city's website at [www.cityof-westland.com](http://www.cityof-westland.com) or on the city's government access channel, WLND, Channel 12 on Comcast or Channel 10 on WOW.

# A Grand event

## Diagnosis puts her on mission to fund lung cancer research

BY SUE MASON  
OBSERVER STAFF WRITER

Two years ago, Mary Jo Grand was hit hard with the diagnosis of stage four lung cancer. She suddenly went from working on fund-raising for the University of Michigan Cancer Center to being a patient there.

Knowing that it is stage four that kills — "It never goes into remission" — Grand decided to focus her efforts on surviving and on helping fund research in treatment of the cancer, which is woefully underfunded.

"A year ago, it would have been hard to talk about lung cancer being the number one cancer killer," the Garden City resident said. "More women die of lung cancer than breast cancer, more men die of lung cancer than prostate cancer. It's the deadliest form of cancer and the least funded for research."

Grand is hoping to change that with her annual MJ Grand Breathe Easy 5K Walk and Dine for Lung Cancer Research that takes place Sunday, Oct. 24, in Dearborn. Last year, with just five weeks of planning, she was able to raise \$17,000 for the University of Michigan Lung Cancer Research Program. This year, she has set her sights on breaking \$20,000.

She's confident of doing that, especially with \$9,000 in donations already turned in and the support of sponsors like Merchant's Fine Wine, Kroger Heartland Market, Starbucks, TPC-Deaorbn, Dearborn Inn, Thrifty Flowers, Banners Nationwide, Tom Grand Painting Co. and The Inn at St. John's Golf and Conference Center, to name a few.

Of course, it also helps having a popular Detroit sports figure like Chris Chelios lend a hand. Grand's daughter April has worked at his Dearborn Cheli's Chili Bar "since the walls went up" and when the former Detroit Red Wings star heard of her diagnosis and her plan to fund-raise, he offered to help.

"Chris has not only lent his name, he's offered his business and his staff," Grand said. "He's opening his business and having his staff here at 6 a.m. to help set up for registration. He's hired a DJ and a face painter and has given us items like a signed jersey and gift baskets for a silent auction."

Mary Jo Grand sits in the dining room of Cheli's Chili Bar in Dearborn which will be at the hub of her Sunday, Oct. 23, Breathe Easy Walk and Dine to Fund Lung Cancer Research.

Registration will be at 10 a.m. at the restaurant at Michigan Avenue and Oakwood Boulevard. There will be a brief program at 11 a.m., with the walk along the Rouge River Gateway Trail starting at 11:15 a.m. The silent auction will be set up in the Players Room from 10 a.m. to 2 p.m. Chelios also is donating 10 percent of food sales between noon and 4 p.m.

"It's a good event," manager Poppy Coffee said. "Last year, we didn't bring in extra staff; we are this year. Last year it was busy, even after 4 p.m. It was a lot of fun."

The silent auction will include a four-some on the University of Michigan Gold Course, a Rich Rodriguez signed football,

two tickets and sideline passes to the Michigan-Wisconsin football game, a Lloyd Carr-autographed football and an overnight stay for two and breakfast at the Dearborn Inn.

People can sign up for the walk or donate money online at [www.breatheeasy.kintera.org](http://www.breatheeasy.kintera.org), which is linked to the directly to the U-M Cancer Research Fund. There's a \$20 registration fee, and children 12 and under are free and do not need to register for the walk. People also can register the day of the event. The top three walkers and top fund-raising team will get prizes.

"If people are unable to join us for the walk, they come and dine and enjoy the fun," Grand said. "Last year we had 200 walkers and 600 showed up to eat."

Grand, who has undergone 12 rounds of experimental chemotherapy and receives an infusion of the cancer drug Avastin every other week, decided to make lemonade out of the lemons she was handed with her diagnosis. Yes, she admits she was once smoked, but her family is predisposed to the disease. It is that smoking stigma that has pushed advances in lung cancer treatment back decades, she said.

"Most people I meet at the cancer center aren't smokers. There are a lot of lung cancer patients out there who are non-smokers and a lot are non-smokers in their 20s," she said. "After I realized how underfunded it was, I decided to put my energy into fund-raising. I put on a positive face. I'm a really intelligent woman living life when cancer jumped in and here I am doing fine two years later."

Grand understands the odds aren't in her favor. Her doctor, Dr. Gregory Kalemkarian, told her the statistics aren't good. Forty-five percent of stage four lung cancer patients survive six months, 25 percent one year.

"I asked him if he knew anyone who had survived this and he said one. I told him meet number two," Grand said. "I scanned the Internet nationally to find stage four survivors and found five after 10 years. That's now my core group."

For more information about the Breathe Easy Walk and Dine, call Mary Jo Grand at (734) 620-5694 or send her an e-mail at [mjgrand@wowway.com](mailto:mjgrand@wowway.com).

A security camera capture this photograph of a man wanted in connection with a series of robberies at Check and Go stores in Westland, Garden City, Inkster and Dearborn.

## ROBBERY

FROM PAGE A1

Check 'n Go store on Middlebelt just south of Ford. At least six Check 'n Go locations have been robbed or had an attempted robbery in recent weeks in Westland, Garden City, Inkster and Dearborn.

In the Garden City holdups, the suspect entered the business, produced a note stating the he had a gun and to give him the cash "quickly and calmly and I won't hurt anyone."

The Oct. 5 incident occurred at about 10 a.m. The employee told police she recognized the man from a photo as the suspect in a robbery at the Dearborn Check 'n Go store. She said she pushed the holdup alarm as the man approached the counter. The employee gave the man an undisclosed amount of money and he ran out the back door of the business.

The Monday, Oct. 11, holdup happened at about 2:30 p.m. The employee said that when

the man handed her the note, she asked if he was serious. That's when he placed his hand behind his back as if reaching for a gun, she said.

There also was an attempted holdup, also on Oct. 5, at the Check 'n Go store at Cherry Hill and Inkster Road in Inkster. That employee also recognized the suspect from a previous robbery and screamed. The suspect ran out of the store and fled.

The suspect in the Oct. 11 holdup is described as a white male, in his mid to late 20s, approximately 5 foot 7 with a thin build, sandy brown hair, acne or acne scars on forehead and right cheek.

No description of a vehicle was provided following the robberies.

Information can be given to Westland police at (734) 722-9600 or by calling Crime Stoppers of Michigan at (800) SPEAK UP.

# Westland man injured in pedestrian accident

BY LEANNE ROGERS  
OBSERVER STAFF WRITER

A Westland man is hospitalized in critical condition after being struck by a car on Warren Road early Friday morning.

The 17-year-old was walking north across Warren near Yale when he was struck by a 2001 Chevrolet Impala driven westbound by a Westland woman, 45.

"Alcohol and drugs don't appear to be factor in the accident. Witnesses said he was walking casually and didn't appear to notice the traffic," said Westland police Sgt. Patrick Corby. "We don't know where he was going."

Suffering from head injuries, a broken lower right leg and abrasions, Corby said the victim was airlifted to the University of Michigan Hospital where he was in

critical condition midday Friday.

The investigation into the accident is continuing. The man was wearing dark clothing and it was dark outside as he walked in the roadway, giving the driver no chance to stop, Corby said.

The driver wasn't injured in the accident.

## BLESSED

FROM PAGE A1

"I was called to the ministry in February 1999. I felt led to leave my job and go to school in Oklahoma but it wasn't the time," said Deborah Thomas, who worked 23 years as research analyst for the U.S. Marshals Service.

Originally from Inkster, Steven Thomas attended

Morehouse College in Atlanta and returned to work in his father's accounting business.

"Before we got married, I found myself drawn to the ministry. My oldest brother took over the business," he said. "In 2002, I sensed the calling, so we went to Bible school and graduated four months later."

While he still works some in accounting, Steven Thomas gets booked for musical performances largely through

word of mouth.

"It's exciting doing the work of the Lord. It's about winning souls to Christ," said Deborah Thomas. "They may never hear him play but they saw his background. I never saw myself going for this but it's what God desired."

The couple, who spent much of 2009 in Texas working at a church, hope to be pastors at a church at some point but at this time are excited about their prospects.

"I don't know what tomorrow holds but I know who holds tomorrow. You won't know the next step until you take the first step," Steven Thomas said. "It's exciting. You never know who will be on the phone when it rings."

"We left our jobs and never looked back. We've gone through some challenges but we've been blessed ever since," said Deborah Thomas.

cation and the state, the steps that need to be taken to correct them and what concerned individuals can do to get the message to lawmakers to do something about it now.

### NEED TO ACT NOW

"We need to act now to protect the future and leave our children with a better future," said White, SOS task force chairman. "Our children only get one chance at a quality education. We can't furlough seventh grade, we can't tell them they can't have seventh grade because we don't have the money."

"Things don't happen quickly," said DeYoung-Smith. "Your kids, your community need you to keep up the fight. Economic recovery is dependent on education. We can't have one without the other."

According to White, the issue is the state's poor economy, and while the legislature didn't cause it, it has done nothing to fix it. It has failed to address the core issues while using \$6 billion in one-time fixes to fill the funding gaps.

"Since the 1990s, lawmakers have cut taxes 75 times, taking some \$450 million away from the schools," said White. "We've had job losses, taxes are down in Lansing and they can't agree on a solution. They just push the problem down to the local level. Since 2000, they have failed to come to grips with the structural flaws."

Michigan currently ranks 22nd in the country in its per pupil funding and is below the national average. In 2008-09, the state took \$932 million from the school aid fund and replaced with federal money, and last year, cut the per pupil amount by \$165. For some schools receiving 20J money, loss was more like \$500-\$600, White said.

Districts received an \$11 increase in the per pupil payments this year, and it looked like the Education Jobs Bill hammered out by lawmakers would have restored the remaining \$154. However, Gov. Jennifer Granholm vetoed the bill, saying that it doesn't comply with the federal guidelines.

According to Tom White, chair of Save Our Students, Schools and State, without restructuring, public education will have to be re-calibrated to match revenue. "What does re-calibrating mean? Cuts in programs, he said in a meeting at Wayne Memorial High School's Stockmeyer Auditorium Thursday evening.

### NOT A HIGH TAX STATE

White told the audience of about 200 people that Michigan isn't a high tax state. In fact, it ranks 27th in the nation for the portion of income spent by taxpayers for state and local taxes, according to the Tax Foundation. It also ranks 17th in the country for its business tax climate.

Expanding the sales tax base will result in revenue that more closely tracks the state's economic growth. It would mirror the shift to a service economy. Currently, no tax is paid on such things as rounds of golf and theater, concert and sports tickets, which, if taxed, would cost and average of \$30-\$40 per person per year.

"This is where the growth in the economy is. Without restructuring, public education will have to be recalibrated to match revenue," White said. "What does recalibrating mean? Cuts in programs."

He also said that stopping a planned reduction in the state income tax from 4.35 per cent to 3.9 per cent by 2015 would save the state \$150

million per year. A progressive income tax where those who make \$100,000 or more would pay more tax also would generate another \$500 million a year.

"K-12 and the state general funds are facing a \$2 billion hole for 2010-2011," said White. "The dam is about to break for us. We don't have a lot of options."

"The message is so simple that a third-grader can get it, but Lansing doesn't get it," White said, referring to the "School Funding from a Third-Grader" videos now being shown on the SOS website, [www.sosmichigan.org](http://www.sosmichigan.org).

Both White and DeYoung-Smith stressed that there are sacrifices that need to be made: Either cut the K-12 program or restructure funding. With Proposal A now 15 years old, the belief is that now is the time to revamp it.

"People are getting tired of Lansing being unresponsive, but that's how they play the game," White said. "We need to create a new funding formula that links taxes to the new economy."

DeYoung-Smith urge people to get to know their candidates for state offices and ask the hard questions: Is public education adequately funded? What they plan to do to improve funding? Do they believe school districts should get back to the 2008-09 funding level?

"Be clear about what you want for education and how you want it done," she said. "Make it personal. If they're going to cut education, make them come and see what their cutting. There's only so much schools can take. Let your legislators know what your students have lost."

Lawmakers have looked at different ways of generating taxes but in many instances caved in to criticism. One of those areas was increasing the beer and wine tax and when a question about it was raised during the meeting, former state representative John Stewart of Plymouth provided the answer.

"I was graduating from high school when they touched the beer and wine tax in 1967 and it was to reduce it," he

### SOS AND THE SOLUTION

According to Save Our Students, Schools and State, over past five years (2005-10), the state's general fund has declined from \$8.8 billion to \$7.8 billion. Over the last eight years (2002-10), state spending for Corrections has risen 17.6 percent, Community Health has risen 16.3 percent, K-12 has declined by 6.8 percent, Higher Education has declined by 16.4 percent, Revenue Sharing has declined by 20.7 percent and Human Services has declined 24.7 percent.

According to SOS Michigan, the options for action include reducing costs, shifting costs, changing state spending and changing and/or increasing revenues. It's urging lawmakers to be open-minded about the solutions a mix of which those listed are a "logical and fair approach":

- Restructure state spending.
  - Review government contracts.
  - Close ineffective tax loopholes.
  - Increase employee cost sharing.
  - Change to sales tax on services.
  - Approve graduated income tax.
  - Create incentives for collaboration.
- Those that SOS supports are:
- New revenue streams for K-12.
  - Expanding local options for revenues.
  - School employee benefit changes to be part of reducing expenses.
  - Increased collaboration.
  - Eliminating/changing tax loopholes.
  - Examining state contracting practices.
- For more information, visit the SOS Michigan website at [www.SOSmichigan.org](http://www.SOSmichigan.org) or send an e-mail to SOS chair Tom White at [tomwhite@masb.org](mailto:tomwhite@masb.org).

said. In the end, the audience was encouraged to be respectful but to continue to prod their lawmakers to make the difficult decisions and be a part of the solution.

"You all know we're preaching to the choir," DeYoung-Smith said. "You came out tonight because you're concerned about funding K-12. We're asking you to go out and sing about it, you need to share this information with parents and non-parents."

# Oakwood run attracts 1,161 runners of all ages

The Oakwood Red October Run recently reached two milestones. The event returned for its 20th year at Oakwood Annapolis Hospital (OAH) in the City of Wayne. It drew its largest crowd ever - more than 1,100 people.

"We had a fantastic turnout," said Cynthia Cook, Community Benefit Coordinator for Oakwood Healthcare Inc. Cook brought the event to the community 20 years ago and has been the main organizer of it ever since.

"We had great participation from Wayne residents and I'm really glad to see this event becoming a real community tradition," she added.

For the second consecutive year, chilly winds and an intermittent drizzle greeted the participants, but didn't dampen the spirits at the event. The final number of registered participants was 1,161, according to Cook.

"It is always a good time," said Kevin Sherwood of Royal Oak. He should know - he's run in the race every year since it started.

"It's well put-together, very organized," he said. "The weather wouldn't keep me away."

The event featured a 10K run, a 5K run or walk and a 1K children's fun run. Oakwood also provided some free health screenings and opened nearby facilities for race participants.

Cook said it attracts experienced runners and beginners alike.

The race was part of a goal come true for Rick Rod of Woodhaven. Rod, 43 and a teacher in Detroit, said he realized he needed to get in better shape earlier this year when he noticed he tipped the scales at 305 pounds. He's since lost about 60 pounds. The Red October Run was his first official race. He ran with his son, Alex, a cross-country runner in high school.

"It was a great experience,"

Youngsters take off running in the 14 and under portion of the Red October Run.

Rick said. "I'm sure we'll do it again."

The top five winners of the men's 5K run were Gavin Smith of Northville (17:05), Victor Brown of Canton Township (17:27), Steven Harris of Hazel Park (17:56), Jacob Finger of Wayne (17:58) and Ruben Maya of Westland (18:12). Jacob Finger, 14, won the top place in the 14 and younger division.

The top five women were Megan Wilson of Livonia (22:51), Alexa Keiser of Holly (22:58), Naomi Toben of Milan (23:01), Paulette Hoose of Fenton (23:10) and Kelly Collins of Newport (23:31).

In the 10K race, the top five men finishers were Vince Bechard of Dearborn (33:52), Matt Sikora of Harper Woods (37:32), Craig Dolecki of Redford (37:54), John Tarkowski of Northville (38:59) and Lee Fowler of Vassar.

The top five women were Dani Steinbacher of Ann Arbor (42:37), Kathryn Tuomi of Livonia (44:27), Ashley Unger of Trenton (45:44), Donna Olson of Canton (45:55) and Nina Hundley of Dearborn (46:24).

Lisa Rutledge, director of Community Outreach for OHI, said that 20 years after the event started, it still embodies the basic concept of family and

community.

"The Red October Run is a great way to engage everybody - from kids in the neighborhood who want to talk to elite runners," she said. "The success of the event depends greatly on the cooperation of the city, the police department, the volunteers and the staff at Oakwood Annapolis Hospital."

Cook agreed.

"The event has also become a great tradition and sort of 'labor of love' for the many Oakwood Annapolis and Oakwood Healthcare System employees and physicians who out a great deal of work into the event and give up their Saturday off to provide the best event they can for runners, walkers and families," she said. "As far as the city itself goes, I have to say that it has truly been a pleasure working with the Wayne Police Department and the Department of Public Works over the course of these past 20 years. As a longtime runner, I can assure you that their professionalism and skill in providing a well marked and controlled race course has been second to none."

"They've simply done an outstanding job."

## FOUR SEASONS REHABILITATION AND NURSING

### GREAT STAFF. GREAT CARE.

**When is a nursing facility the right choice?**

THAT DEPENDS ON THE SITUATION, ACCORDING TO DR. THOMAS SELZNICK

As medical director of Four Seasons Rehabilitation and Nursing, Livonia physician Dr. Thomas Selznick assists patients and families in making decisions. Most times the choice is obvious for short term rehabilitation or long term care.

Four Seasons Rehabilitation and Nursing Medical Director Dr. Thomas Selznick

For knee and hip replacements, cardiac surgery, pulmonary diseases, Selznick recommends rehabilitation outside of the hospital.

Four Seasons utilizes a team approach. Physicians make rounds 7 days a week. Physical and occupational therapists work with patients 5-days a week to ensure a quick return home.

"Rehab centers are geared for rehab," said Selznick. "Four Seasons provides outstanding intense therapy if patients don't have the means of caring for themselves at home or their spouse is working."

The need for long-term care depends on family dynamics. Is someone able to nurse a mother, father or spouse at home? Family support is a necessity. Nursing aides can help if finances permit.

"There's no place like home," said Selznick, "but when that can't be met Four Seasons would be their home and treated as it was their home."

Rehabilitation and nursing centers have changed dramatically since Selznick went into practice 25 years ago after a residency at Wayne State University. Back then, physicians visited patients once a month as required by law. Selznick and Dr. Jerry Wilburn, his partner at Livonia Family Physicians, changed that practice. About eight years ago they formed Continuum Geriatric Services and recently merged with InPatient Consultants (IPC), a national hospitalist.

"It was strictly nursing. Too many patients were being sent out to the hospital to be evaluated because they didn't have that physician in-house," said Selznick. "At Four Seasons we can treat them site specific. We're coming to them instead of them coming to us."

At Four Seasons the goal is to prevent readmission into the hospital. "We've taken the medical aspect of geriatric care to a different level, taken the trauma of transferring that patient to a hospital. We make house calls where they live."

## Make A Difference Day turns 20

Saturday, Oct. 23, marks the 20th anniversary of the nation's largest day of volunteering. Created by USA WEEKEND Magazine, Make A Difference Day is an annual event that falls on the fourth Saturday in October. The purpose is to celebrate people helping others. Millions around the country participate, helping millions more. Corporations, government leaders, charitable organizations and everyday Americans join in this effort to create lasting impact.

There are serious social problems that affect our country on a daily basis. Through volunteering, people can overcome differences and work together to help combat many of our social problems. By giving our time and energy to those in need, we invest in the future of our community and in our country. The biggest benefit to volunteering is the feeling of satisfaction knowing that one has made a difference in the lives of others. Other benefits of serving others include connecting to others and transforming our own lives.

In addition to social benefits, volunteering also has many health benefits. Research has shown that people who volunteer have lower mortality rates, less depression, and lower rates of illness compared to people who do not volunteer.

To find out more about how to participate in Make A Difference Day this year, go to [www.makeadifferenceday.com](http://www.makeadifferenceday.com) or [www.handsnetwork.org](http://www.handsnetwork.org), or more information on volunteering, check out "Volunteering: 101 Ways You Can Improve the World and Your Life" by Douglas Lawson or "Giving: How Each of Us Can Change the World" by Bill Clinton from the Library. # UDM's Project SALUTE brings help to veterans

**BY LEANNE ROGERS**  
OBSERVER STAFF WRITER

Veterans needing legal advice regarding their benefits can get free assistance at Westland's Faust Library Monday as the Project SALUTE legal clinic makes a local visit.

The University of Detroit Mercy Law School provides free individual legal consultations for veterans regarding disability and pension matters through the Project SALUTE veterans legal clinic. The visit by the mobile Project SALUTE unit is being hosted by the library and Westland Rotary.

"This is the first time we've had the mobile unit here. A year ago, we had a professor who talked to the community about the project," said Marilyn Kwik, library adult services director. "It took us a year to get the mobile unit here — it goes to different locations."

Project SALUTE will be at the library 11:30 a.m. to 1:30 p.m. in rooms A and B. Veterans needing assistance will talk with an intake person first, then meet with an attorney. The program is open to veterans seeking benefits or having problems with their current benefits.

"The attorney might not be able to resolve the issue and would need to follow up. We've had a really good response from people signing up," said Kwik. It is required that the veterans

bring their DD Form 214, recent ratings decisions and any other documents which will help in understanding and evaluating their federal veteran benefit situation.

Along with aiding veterans, Kwik said the program has another benefit — giving UDM law students a chance to get experience by volunteering their time.

Project SALUTE doesn't require advance registration for service but the library is asking veterans to sign up. The program is open to all veterans. For more information, call (734) 326-6123.

# County Commission honors Carr, Perles

Michigan-Michigan State football was front and center in the seat of Wayne County government as football coaching legends Lloyd Carr and George Perles were honored with Wayne County Lifetime Achievement Awards at the County Commission's full board meeting Oct. 7.

As family, friends, and former players of both coaches watched, Wayne County Commissioner Joe Palamara, D-Grosse Ile, presented each man with an award recognizing their Wayne County roots, their outstanding football coaching careers and their philanthropy and civic involvement.

Carr was introduced by former U-M football player and current radio analyst Jim Brandstatter, while Perles was introduced by the radio voice of Spartans football, George Blaha.

Football coaching legends George Perles, Michigan State University (from left) and Lloyd Carr, University of Michigan, hold Lifetime Achievement Awards presented to them on behalf of the Wayne County Commission by Commissioner Joe Palamara.

Each coach was also read a letter written to him by University of Alabama head coach Nick Saban, who cited both Carr's and Perles's influ-

ence on Saban as being significant to his success in college football.

Carr was the head football coach at Michigan from

1995-2007, and his 122 wins there rank him third all-time in school history, behind only Bo Schembechler (194) and Fielding Yost (165). His teams won five Big Ten titles, appeared in 13 bowl games, and his 1997 squad captured the National Championship.

Carr moved to Riverview, as a child and played high school football there. He coached football at Belleville High and Westland John Glenn High School prior to his time at U-M, which began in 1980 as an assistant to Schembechler.

Perles was born in Detroit and was an All-State football player at Western High School. He played three seasons at MSU under legendary coach Duffy Daugherty. His coaching career began at MSU in 1959, where he was an assistant through 1970.

# When dealing with IRS, get professional help

**Q: Dear Rick:** The Internal Revenue Service notified us that our 2007 and 2008 tax returns are going to be audited. We have never been audited before and as far as I know we've completed our returns correctly. I'm concerned as to why the IRS chose our return. We have always done our returns ourselves and we currently use Turbo Tax. My husband wants to deal with the IRS on his own. I think we should hire someone. What are your thoughts?

**A:** Sometimes there is no rhyme or reason why the IRS chooses to audit a return. The IRS uses many different formulas and programs to determine who to audit. Just because your return was selected, doesn't mean there is anything wrong with the return or that you will owe money.

The IRS does random audits to make sure people comply with tax laws. That being said, if you've completed your returns accurately there probably is nothing to worry about. The audit may be relatively routine in that you present your backup documentation to the IRS, and everything else falls into place. However, that doesn't mean you shouldn't be concerned.

Whenever the IRS wants to discuss your tax return, it is something to be concerned with. After all, you don't know

Money Matters

Rick Bloom

why the IRS is auditing your return. It could be just a relatively routine matter or it could be something more complex.

I recommend that a professional handle the audit for you. I recognize that hiring a professional is not inexpensive, however, I believe he/she is worth the money.

When called to the IRS, anyone is a little nervous — that is natural. Being nervous and not knowing the procedures and policies of an audit gives the IRS the upper hand. A professional allows you to level the playing field.

After all, professionals who have handled audits in the past typically won't be intimidated by the IRS. Also, knowing what the IRS's procedures and policies are allows the professional to properly represent you. My general advice is that anyone being audited should retain a professional.

There are three types of individuals you can consider — a tax attorney, a certified public accountant or an enrolled

agent. All generally have experience dealing with audits. However, don't make the assumption that just because someone is a tax attorney or CPA that they handle audits. In today's world, it is not unusual for a CPA to have no experience in audits. Therefore, before you hire a professional, make sure that they have experience in dealing with the Internal Revenue Service. In addition, it is important to have an understanding of their fees. Do they charge a flat rate or an hourly fee? Know this up front. Fees may be an uncomfortable conversation, however, it is important.

One last note regarding the IRS. Whenever you get a notice, don't ignore it, respond. Even if the notice to you is incorrect, it is not something to ignore.

I have found the IRS to be easier and friendlier to deal with than in the past, however, it doesn't like to be ignored. Make sure that you respond in a timely fashion.

Good luck!

Zack Parks of Garden City tries on the firefighters gear during his third visit to the open house

## Families turn out for annual open house

It's become a tradition that attracts hundreds of Garden City families. And this year's annual open house at the Garden City Fire Station was no exception.

Firefighters and fire officials, along with Sparky to Fire Dog were on hand to meet their guests and let them try their hand at using a fire hose, sit in the big rig and watch firefighters demonstrate a vehicle extraction using the department's new Jaws of Life as well as its new thermal imaging camera.

The open house is presented by the fire department and the Garden City Lions Club. Also helping was Gordon Chevrolet which gave a PlayStation3 gaming system, and nurses from Garden City Hospital who helped participants make bo-bo bunnies.

Youngsters also received Fire Prevention Week activities books, paid for by the Garden City Kiwanis Club, magnets emblazoned with the week's theme — Smoke Detectors: A Sound You Can Live With — provided by the National Fire Protection Association, and fire hats, thanks to the support of Lisa Lindbloom of State Farm Insurance, Kurth Insurance Agency and Orin Jewelers.

Two-year-old Cole Blair of Garden City tries out the fire hose with help from Firefighter Daniel P. Neault.

# Franklin sews up playoff berth vs. Lions, 34-28

Senior Dan Muller bulled his way for 213 yards and three touchdowns Friday night as Livonia Franklin clinched an automatic berth to the Division 1 football state playoffs with a 34-28 win at South Lyon.

The Patriots, who improved to 6-2 overall, earned their fourth straight postseason berth and fifth in six years

under coach Chris Kelbert. The last three years Franklin qualified as an at-large at 5-4.

"This is the first time since '05 that we've made our own way," said Kelbert, whose team nearly blew a 34-0 first half lead.

Franklin built a 34-point advantage on touchdown runs of 18, 80 and 4 yards by

the 6-foot, 195-pound Muller. Senior quarterback Brent Marzion, who threw four TD passes the previous week against Livonia Churchill, also connected with Blake Lukas on a 25-yard scoring pass and with Mike Sharp on a 45-yard toss during the

first half. South Lyon (3-5), however, refused to fold, getting a 9-yard scoring run by quarterback Andrew Garcia followed by a two-point conversion to cut the deficit to 34-8 at halftime.

The Lions kept coming with 21 unanswered points as Garcia hit Joel Shekell on a 46-yard TD pass in the third

quarter followed by a 49-yard strike to Trevor Hilden. Garcia then scored on a 6-yard run with seven minutes to play to cut the deficit to six, 34-28.

Franklin went on a 13-play drive late in the fourth, but came up short on a fourth-down pass with two minutes

## Clarenceville backfield duo drubs Hamtramck, 49-0

BY BRAD EMONS  
OBSERVER STAFF WRITER

Livonia Clarenceville football coach Ken Fry tweaked his backfield slightly for Friday's game with Hamtramck.

And the move paid off big dividends as the Trojans romped to a 49-0 homecoming triumph over Hamtramck.

Clarenceville, which evened its overall record at 4-4, racked up 339 total yards — all on the ground.

Junior speedster Romel Wright provided the lightning with 160 yards on 10 carries, while 6-foot-1, 230-pound DeOndre Hogan provided the thunder with 126 yards on just seven carries (all coming in the opening half).

Fry sprinkled in a little bit of offense that he learned when he played and coached at Livonia Franklin under George Lovich and Armand Vigna.

"Today they came to life — they did," Fry said. "We switched over Romel Wright at tailback. We did things tonight a little bit differently than we haven't done all season long. George and Armand

would love this. We went back a little bit to the veer. We had a nice, quick kid that could run it. It went really well for us."

Clarenceville led 20-0 at halftime on touchdown runs by Wright (19, 44 yards) and Hogan (39 yards).

The Trojans wasted little time in scoring on its first possession of the third quarter when Henry Seruga made his only carry of the night count when he broke three tackles and scored on a 32-yard run.

Quarterback Daniel Mrjak added a 15-yard TD run and DeJuan Smith, who had 50 yards on five carries, contributed a 10-yard touchdown — also in the third.

Clarenceville's defense held the Cosmos (1-7) to 64 total yards, including just a net of 12 on the ground. The Trojans registered five sacks and also came up with a third-quarter safety (to make it 36-0 and a running clock with 4:15 to go).

Clarenceville also picked off two passes — one each by Moses Hobson and David Jones — and recovered a fumble (by Jackie Peake).

# Crusaders pick up key WHAC road win

## VOLLEYBALL

The Madonna University women's volleyball team proved Thursday night that it still has the "killer instinct" after posting a huge win on the road against Wolverine-Hoosier Athletic Conference leader Indiana Tech.

The Crusaders dropped the first set before rallying for a 19-25, 25-19, 25-19, 25-21 triumph over the No. 12-ranked Warriors at Kline Court at the Schafer Center in Fort Wayne, Ind.

Junior outside hitter Megan Fricke recorded a match-high 18 kills and added 17 digs as MU upped its overall record to 17-6 and 9-1 in the WHAC.

Senior outside hitter Liz Dempsey (Livonia Franklin) chipped in with 15 kills as the win snaps MU's four-match

losing streak against Tech, dating back to last season. It also avenges a five-set loss to the Warriors on Sept. 14 at the MU Activities Center.

Other contributions for the Crusaders, who have won 10 straight and 14 of their last 15 matches, included red-shirt junior Amanda Koszela, who finished with a match-best 26 digs, and red-shirt freshman setter Evia Prieditis (42 assist-to-kills).

Samantha Larson led Tech (23-5, 10-1) with 12 kills. Erika Stouder added 10, while setter Melanie Forman had 44 assists.

## Rosiek tandem stars as MU trumps Cards

Playing in sloppy and wet field conditions Wednesday at Rummel Field, the Madonna University men's soccer team beat host Concordia University for the second time in two weeks, 4-3.

MU, now 7-3 overall and 2-1 in the Wolverine-Hoosier Athletic Conference, led 3-2 at halftime on goals by Derek Rosiek (unassisted); Jacob Rosiek (from Ogbemudia Iyoha and Mustapha Olorunnimbe); and Ali Rida (unassisted).

Jonathan Zeleke and Justin Schultz, meanwhile, countered with goals for the Cardinals.

David Ukic then notched his second goal of the season for the Crusaders at the 80:45 mark from Olorunnimbe.

out the scoring, but it wasn't enough for the Cardinals (3-8-1, 0-3).

MU goalkeeper Parker Laabs (Canton) made nine saves in the match compared to 18 for Concordia's Mikey Erickson.

The Crusaders earned 11 corner kicks to the Cards three.

"Our possession was good today in attack and it lead to a lot of quality chances," MU first-year coach Eric Scott said. "Masato (Morioka) did a good job of spreading the ball around and John (Swiastyn) and Derek (Rosiek) were consistent in making forward passes. Our front line did a great job of getting behind them and running off the ball."

MU continues its three-

match road trip on 2:30 p.m. Saturday at Cornerstone University.

**SCHOOLCRAFT 6, OWENS (OHIO) 0:** Five first-half goals proved to be more than enough Wednesday as host Schoolcraft College (12-3-1, 10-1-1) rolled to an NJCAA Region XII victory over Owens Technical Community College (9-7, 8-4).

First-half tallies for the Ocelots came from Nate Hicklin (off a Marco Lobo corner kick in the 14th minute); Jordan Ford (penalty kick in the 22nd minute); Andrew Koet (header from Brent McIntosh in the 27th minute); Lobo (long bomb off the under-side of the crossbar from Damjan Stamenkovic in the 41st minute).

Lobo notched his second goal of the match with 30 minutes to go in the second half on a breakaway. Dane Laird drew the assist.

Goalkeepers Adrian Motta (Livonia Churchill), who played the first half, and Ian McDonald-Wilkins, who finished up, combined for five saves and the shut-out.

## Chargers earn last-minute win

It took 79 minutes, but Livonia Churchill pulled out a 1-0 KLAA crossover boys soccer win Wednesday at home over Hartland.

The Chargers, who finished the regular season 10-8-2 overall, got a goal with only a minute remaining when Allen Woodruff flicked in a shot off a breakaway attempt following a feed from Austin Henson.

Goalkeeper Christian Van Dam made seven saves en route to the shutout as Churchill finished the regular season at 10-8-2 overall.

Hartland falls to 5-10-2 with the setback.

"We had a lot of attempts, but did not finish well and we didn't stick to the game plan," Churchill coach Reid Friedrichs said. "But it was nice to get a win on Senior Night."

**STEVENSON 0, W.L. WESTERN 0:** In a KLAA crossover Wednesday, host Livonia Stevenson (11-4-3) and Walled Lake Western (8-5-4) battled to a scoreless draw.

John Boudreau went all the way in goal for Stevenson to earn the shutout.

"Unfortunately it was a half-hearted performance at best heading into the playoffs," Stevenson coach Lars Richters said. "In a way it was

our third game in three days, but that's no excuse. We had hoped to close out the regular season with a strong performance and it did not turn out that way."

**JOHN GLENN 2, MOTT 1:** On Wednesday, goals by Steve Thompson and Alex Isaevski propelled host Westland John Glenn (8-9-1) to a KLAA crossover win over Waterford Mott (7-9-4).

Glenn goalkeeper Jason Rockwell made 14 saves in the victory.

"The metaphor of a sports competition being a battle is over used, but this was a battle," Glenn interim coach Brian Tomlinson said. "Mott has a tough style and due to the weather the ball was unpredictable. It just came down to who wanted it more. It is nice for our guys to go into the postseason on a well earned win"

**PINCKNEY 3, FRANKLIN 2:** On Wednesday, host Livonia Franklin (9-9) spotted the Pirates (6-12-1) a three-goal lead in a KLAA crossover defeat.

Pinckney got a pair of goals from Victor Torres and one from Spencer Stublerner to build a 3-0 second-half advantage before the Patriots answered on goals by Craig Beebe and John Girvan (with only 1:14 to go).

Franklin goalkeeper Ryan Tikey

made 10 saves.

"We had five guys out and guys were playing different spot, but actually they did very well," Franklin coach Vic Rodopoulos said. "We played a good first half, but had a hard time finishing. The last 10 minutes we stepped up our level of play. I'm not totally upset because all-in-all it was a good (regular season)."

Franklin was missing five injured players including top scorer Jordan McGuire, along with Jordan Monroe, Brad Tatrow, Fred Shatara and Collin Elliott.

Zach Miller was also went down during the game with an injury.

"We're hoping all but one will be back by Monday even though we're not at 100 percent," said Rodopoulos, whose team faces Dearborn Fordson beginning at 7 p.m. Monday at home in a first-round Division 1 district matchup.

**HOWELL 3, WAYNE 2:** The Highlanders (5-9-1) tallied game-winning goal with just under a minute remaining to beat host Wayne Memorial (0-18) in a KLAA crossover.

The Zebras rallied from a 2-0 halftime deficit to tie the game during the second half on goals by Lucas Moore and Darren Glassmeyer.

"They (Howell) scored with 55 seconds left on a horrible mis-call by the ref and he admitted to me he messed up, but said the game needed to continue," Wayne coach David Daigneau said.

to play.

Ryan Parkin then came up with two key defensive stops when he intercepted a pass and sealed the win with a fumble recovery with just under a minute left after the Patriots fumbled on the South Lyon 5.

"When it was 34-0 I think we took a break and they (South Lyon) kept playing

hard," said Kelbert, whose team outgained the Lions 449-264 in total offense. "We came out aggressive and ran the ball well, but then we lost focus. They caught us with some big plays and we were like a deer in headlights."

Marz was 9-of-13 for 154 yards. His favorite receiver was Sharp, who had five catches for 103 yards. Jimmy Mazaris added 52 yards on the ground on nine carries.

# Rockets get by Spartans, 28-20

## Grohoski, Brown key Churchill triumph

Westland John Glenn evened its football record at 4-4 with a 28-20 KLAA Kensington Conference crossover win Friday night at Livonia Stevenson.

The Rockets broke away from a 14-all halftime deadlock with a 14-point third quarter.

Kicker Alex Isaevski, who was four-for-four on extra points, recovered his own

inside kick and Glenn took the lead for good, 21-14, with 10:12 left in the third quarter on Rico Cole's 23-yard touchdown run.

The Rockets then marched 84 yards in six plays capped by Donnell Brewer's 2-yard scoring run for a 28-14 advantage with 4:02 left in the third.

Stevenson cut the deficit to 28-20 when Joe Mims hit Anthony Wilson on a 14-yard

scoring pass with only 49 seconds left.

But the Spartans failed to convert the point-after and Glenn's Chris Jones recovered the inside kick to put the game away.

Glenn quarterback Jeff Kuhary, who was 9-of-14 for 145 yards, opened the scoring with 10:41 left in the first quarter when he hit Mark Layne with a 73-yard scoring pass.

Stevenson answered with 10:42 to go in the second period when Mims connected with Adam Duncan on a 52-yard TD pass.

Cole, who led all rushers with 125 yards on 16 carries, returned the ensuing kickoff 92 yards for a Glenn TD.

But Stevenson (3-5) answered before the half when Mims ran a fake punt 12 yards for a first down followed by a 46-yard scoring toss to Duncan to make it 14-all. (Tyler Jarosz converted the PAT.)

Glenn outgained Stevenson in total yards, 307-260.

Mims was 10-of-18 for 164 yards, while Duncan had five catches for 131 yards.

Duron Govantes and Jimi Perez each had an interception for Glenn.

Alex Ryan also recovered a Stevenson fumble.

**CHURCHILL 35, S.L. EAST 13:** The one-two punch of Jordan Grohoski and Romello Brown propelled Livonia Churchill (3-5) to a KLAA Kensington Conference crossover win Friday at South Lyon East (2-6).

Grohoski scored on runs of 5 and 20 yards in the first half as Churchill built a 21-13 advantage.

Mike Kutek opened the scoring for Churchill on a 1-yard run with 9:16 left in the first quarter.

East countered with a pair of second quarter scores - quarterback Pat Powers to Matt Lindman on a 36-yard pass and Lindman on a 6-yard run.

With 10:25 left the third quarter, the 5-foot-11, 215-pound Brown scored on a 1-yard run.

Chad Lipinski's 1-yard TD run with only 3:32 remaining in the final quarter was able to put the game away for the Chargers.

Churchill outgained East in total offense, 453-396.

Brown finished with 155 yards rushing on 21 carries, while Grohoski added 100 on 13 attempts. The Churchill signal caller was 6-of-17 passing for 119 yards. Dear Bokuniewicz, meanwhile, was 5-for-5 on extra points.

Churchill's defense was led by linebacker Mike Harp, who was in on 15 tackles. Keith Chartrand added a sack and fumble recovery. Sean Servialish came up with a fourth-quarter interception and Ryan Hall also had a fumble recovery.

**SALEM 27, WAYNE 20:** Quarterback Drew Thompson and Marcus Houston each scored two touchdowns Friday as the host Rocks (1-7) downed Wayne Memorial (0-8) in a battle of winless Kensington Conference teams.

Salem jumped out to a 14-7 half-time lead on Thompson's 17-yard first-period scoring pass to Brian Augier followed by Houston's 4-yard scoring run in the second.

Wayne countered with Dean Caldwell's 33-yard TD pass to Thomas Briggs.

In the third quarter, Salem built a 27-7 lead on a 17-yard run by Houston followed by a Thompson-to-Ryan Jankowski 21-yard scoring pass.

Wayne, however, refused to quit. Caldwell threw his second and third TD tosses of the night - both coming in the fourth quarter. He hooked up with Marcel Trinity on a 17-yard pass followed by a 48-yard hook-up with Chris Tolentino with only 16 seconds left.

The Zebras then tried an inside kick and Salem recovered. Wayne outgained the Rocks in total yardage, 293-271.

Houston had a game-high 128 yards rushing on 20 carries, while Thompson was 7-of-13 for 112 yards.

Caldwell completed 12-of-28 passes for 164 yards, but was intercepted twice. Keith Agee was the leading ground gainer with 55 yards on 14 attempts.

Dimitrius Renfro and Nate Cavanaugh registered 11 and nine tackles, respectively, for the Zebras.

Things, however, got a little sloppy for the Trojans in the second half as they took seven penalties after having only one in the first half.

"Any idea how many?" Fry asked. "It seems to be our Achilles' heel. Sometimes we shoot ourselves in the foot."

Meanwhile, Fry is enjoying his first experience as a head coach despite the ups-and-downs.

"It's a lot easier being an assistant than it is being a head coach," he said. "I have more respect for Ryan (Hockman) and everybody else I coached for or with. It's a demanding job, but it's a lot of fun."

The Trojans can will close out their season on a winning note beginning 7 p.m. Friday, Oct. 22 at home against Dearborn Heights Annapolis.

"If we finish up against Annapolis 5-4 it would be good for the kids and good for the program," Fry said.

## ReMARKable woman gets fit, leads way for other women

BY BETH JACHMAN  
OBSERVER STAFF WRITER

Remarkable. That's a word that is following Chris Benson around these days.

From losing weight, to working at Madonna University, to working on her doctorate at Michigan State, to running marathons, Benson has a pretty full plate, but it's filled with healthy choices, because that's the key to her success.

Associate dean for Academic Advising and the First-Year Experience at Madonna University in Livonia, Benson lost more than 70 pounds on the Weight Watchers™ program. And that's just the beginning.

While attending a celebration luncheon in May, she caught the attention of Florine Mark, president and chair of the board of the WW Group, Weight Watchers' largest franchise holder. The result of that meeting is that Mark named Benson 2010 ReMARKable Woman of the Year for the 11th annual luncheon held in September at The Henry, the former Ritz Carlton, in Dearborn. In addition, Benson has appeared on Mark's WXYZ Channel 7 show *Ask Florine*, as well as being interviewed on her radio show.

"I'm totally shocked," she says of the attention. She gives the credit for her successes to Weight Watchers.

"Weight Watchers was the start of me being able to do a lot of things in my life," she said. "I feel like losing the weight was what gave me the confidence," she said.

A resident of Taylor, she has worked at Madonna for seven years. She is pursuing a doctorate in higher education administration.

She joined Weight Watchers in March 2000.

"I went because my doctor told me I was obese and no one ever said that to me before," she said. She was well over 200 pounds at the time. The doctor said, "I want you to go to Weight Watchers tonight. I don't even want

Chris Benson, who lost more than 70 pounds on the Weight Watchers program, speaks at the ReMARKable Women luncheon in September.

you to go home. I want you to go right to a meeting," Benson said.

Joining Weight Watchers was definitely a big lifestyle change, she said. The strategies of Weight Watchers include making healthy eating choices and writing down what you eat, but "they also talk to you about psychological aspects too," she said.

"I did lose it (the weight) in under a year," she said. "It's not so hard losing it, it's keeping it off," she said, adding she struggled with her weight going up and down even after she reached her goal weight.

And even though once Weight Watchers members reach their goal they no longer have to weigh in every week, she still does. "I have to go every week. I know that I deal with stress sometimes by eating."

## FACING CHALLENGES

One rough patch was when she had a comprehensive exam at Michigan State and failed one of the questions. "I was so depressed," she said. But she was determined not to turn to emotional eating and that's when

she turned to running even though she says at the time she could barely run one block. "I can't go back to (over)eating," she said she told herself, adding she had always wanted to try running. She read a book called *50/50* by ultramarathoner Dean Karnazes about running 50 marathons in all 50 states, and in early 2009 she started running. "When I incorporated the running in, that helps me so much with the stress," she said.

"I guess I felt like I was at a place that I had to try it. It's totally changed my outlook on life," she said. She now averages 30 to 40 miles a week. "It's really given me so much energy I can't see my life without it," she said.

Her first marathon was the Detroit Free Press Marathon in 2009. She is also running it again today. Her next goal is a 50-mile endurance run in 2011. Her running schedule is sometimes hard to fit in with all the demands for her time, but she says she does it no matter what. "That's something I do for myself," she said.

Her husband, who also was not a runner prior to this, is supportive and

has become more active and has been posting his training on Facebook.

"A lot of people have told me 'you've really inspired me to get out there,'" she said.

To stay motivated she sets up a calendar of her training plans "I have written down every day what I need to do," she said. "Posting it where I can see it keeps me going," she said.

Benson says she has never looked or felt better in her life, but she has traveled a ways to get there.

Although fairly thin as a child, when she got into her early 20s, things got complicated.

"I couldn't seem to find what it is I wanted to do," she said and that caused stress. "I felt that all that was weighing on me, literally."

## SEEING SUCCESS

Things just started happening after her success with Weight Watchers. She attended a celebration in May for anybody who lost more than 50 pounds with Weight Watchers, which is where she met Florine Mark. Mark asked if Benson would like to be inter-

viewed on WXYZ Channel 7's *Ask Florine*.

"Then I'm at work and someone said 'did you see the post card?' It was then she found that she was part of the 'I Did it' campaign on [www.888-3-florine.com](http://www.888-3-florine.com), which features her success story. After that she got an e-mail that invited her to be recognized as a ReMARKable Woman of the Year.

The annual luncheon was attended by 600 people. "It was so wonderful ... the greatest experience," Benson said.

At the ReMARKable women luncheon she talked to the audience about her struggles with weight and told them, "When I look at myself I still see myself 73 pounds heavier," she said.

She talked about how women tend to lose their positive self-image as young girls. She says she talked about the fact that a first-grader points to themselves when asked who is the smartest, but by third grade they point to others.

"I work with freshmen at the university," she said. "We've got a whole new generation of leaders coming up."

So one of her next goals is working with young women to make healthy choices now, she said.

Since the ReMARKable woman honor she has been asked to go to Magic 105 studios in Ferndale to be interviewed for Mark's radio show, which is broadcast on several radio stations in Michigan. It's a half-hour show and it's basically to inspire other women to do things that they want to do, Benson said. That show was scheduled to be aired today.

And Mark has also asked her to be a Weight Watchers leader, but for now she just wants to continue working and running and completing her doctoral program.

But she is excited by all the attention. "It's an amazing opportunity. I never thought it would lead to all these things," she said.

Now she has people say to her, "I can't believe you ever had a weight problem."

## Bowl for animal welfare, visit the zoo

If you love animals and bowling, Tail Wagger's 1990 is offering a deal you can't resist.

The nonprofit animal welfare organization will hold its 21st Tail Wagger's Bowl on Saturday, Nov. 13 at Woodland Lanes in Livonia. Participants will meet many of the organization's four-legged benefactors, hear compelling rescue stories and talk to pet owners who have received assistance from Tail Wagger's 1990. They'll also bowl three games, eat lunch or dinner, get a commemorative gift and prizes.

Bowling times are 9:30 a.m., 1 p.m., 4:30 p.m. and 8 p.m. Costs is \$25 per person.

Children can become official Pet Cadets by participating in the 9:30 a.m. squad. For \$10 per person, kids will get the same benefits as the adults but also receive a personalized Pet Cadet Membership Card which gives them a phone number to call to ask animal-related questions or to report animal cruelty. Pet Cadets are featured on the Tail Wagger's Web site and can be proud of the fact they are stepping up to the plate on behalf of animals.

Founder, Laura Zain says that for the first time in many years there are openings for new participants to join in

the fun. She hopes to raise enough money so that families can continue to rely on Tail Wagger's for pet food assistance, low-cost vaccinations, spaying/neutering and emergency assistance.

Tail Wagger's 1990 strives to support dedicated pet owners who are in need of assistance and it pays for animal emergencies.

To register for the 21st Tail Wagger's Bowl, call Zain at (734) 560-4660 or e-mail to tailwaggers.1990@yahoo.com.

### PLAYING WITH FOOD

Detroit Zoo animals will taste, eat, tear, smash and roll around in pumpkins Thursday, Oct. 21.

Each year around Halloween, the Zoo's animal welfare staff gives animals environmental enrichment in the form of pumpkins, gourds and corn stalks as special holiday treats.

The enrichment items are hidden throughout the animals' habitats or prepared and placed in a unique manner to stimulate natural behaviors. The primates' pumpkins, for example, will be carved out and filled with red-colored pasta.

"The gorillas enjoy digging

in and eating the ghoulish spaghetti," stated Elizabeth Arbaugh, animal welfare manager.

Zoo visitors can watch the animals devour and play with their treats. Here's the enrichment schedule for Oct. 21:

- 10:30 a.m. - Gorillas with spaghetti-filled pumpkins
- 11 a.m. - Snow monkeys with Halloween treats
- 11:30 a.m. - Rhinos with pumpkins and corn stalks
- Noon - Zebras with corn stalks
- 12:30 p.m. - Bison with pumpkins and corn stalks
- 1 p.m. - Wolverines with pumpkins and spaghetti
- 1:30 p.m. - Polar bears with pumpkins

The Detroit Zoo is open 10 a.m. to 5 p.m. through October and will close at 4 p.m. each day beginning in November. It's located at Woodward and 10 Mile in Royal Oak. Admission is \$11 for adults, 15 to 61, \$9 for senior citizens, 62 and older, and \$7 for children, ages 2 to 14; children under 2 are free.

Canoeing at Scout camp is a fun activity for these girls.

## Campaign aim: Get Scouts to camp

Girl Scouts Heart of Michigan believes that financial hardship should never be a barrier to attending summer camp. "When it comes to Girl Scout camp," said Jan Barker, CEO of Girl Scouts Heart of Michigan, "the question shouldn't be if a girl goes, it should be when."

That's why the organization launched the first targeted campaign to make Girl Scout camp possible for every girl who wanted to attend camp in 2010 in the council's 34-county service area that includes parts of western Wayne County. The three-month campaign brought in nearly \$86,000. Of that amount, \$62,787 funded camp scholarships, allowing 502 girls to experience outdoor adventure at one of the council's eight premier camps. Additional

funds were used to maintain the camps and to improve outdoor and environmental programming.

The need for scholarship funds and supplies at all of the council's camps increased dramatically in 2010 as Michigan's economy continued to falter. By August, all funds set aside to provide financial aid to campers had been spent. That's when the fund development team at Girl Scouts Heart of Michigan decided to try a last-minute phone-a-thon in all five of the council's regions: Kalamazoo, Jackson, Saginaw, Lansing and Ann Arbor. The two-day telephone campaign brought in \$3,700, money that was used to send girls to camp during the last few weeks of the camping season.

Other elements of the

Catching fish makes Girl Scout camp even more memorable.

successful campaign included a direct mailing to 5,000 past donors, e-mail blasts to potential donors, online giving, personal solicitations and memorial gifts.

Through the Girl Scout Leadership Experience girls discover their strengths, connect with others, and take action to make the world a better place. For more information, visit [www.gshom.org](http://www.gshom.org) or call (800) 49-SCOUT.

# Young adult cancer survivor event set

Gilda's Club Metro Detroit will host a young adult cancer survivors symposium on Thursday, Oct. 21, from 5:30-8 p.m.

The event will feature two guest speakers, Deborah Olszewski Ward, R.N., M.S.N., from Karmanos Cancer Institute and Glenn Rockowitz, a four-time cancer survivor,

comedian and former writer for *Saturday Night Live*.

Ward will discuss the long-term side effects from chemotherapy. She is a hematology/oncology nurse practitioner at the Barbara Ann Karmanos Cancer Institute. For the last three years, she has practiced at Karmanos in hematology and has cared for many young adults

who have been diagnosed with cancer and are either in chemotherapy treatment or are in need of care after treatment.

In 1998, Rockowitz, at 28 years old, was given three months to live. He will tell his story of how he used laughter and comedy to defy the odds and survive.

The event is open to all young

adults diagnosed with cancer who are in their 20s or 30s. Admission is free, RSVP is required, (248) 577-0800.

Supper will be provided. Networking and social time will be available before and after the guest speaker presentations, allowing participants the opportunity to meet other young adult survivors.

# Canton residents respond to Pakistan disaster

Several Canton residents and members of the Muslim Community of Western Suburbs will collect clothing for flood victims in Pakistan, 10 a.m. to 4 p.m. Saturday, Oct. 23, at Summit on the Park, 1150 Canton Center Road, Canton.

"Our goal is to get as many items as possible to the flood victims," said Wafa Yusus, a member of the mosque and a Canton resident. "The scale of the disaster has been so bad. There is so much widespread famine and disease."

The flooding began in the summer after heavy monsoon rains and has affected more than 20 million people, according to the United Nation's Office for the Coordination of Humanitarian Affairs.

Yusus said residents held a food drive in August, and sent donations to Helping Hand, a global relief and development organization. The clothing donations will be handled by Al-Huda, which also is involved in relief efforts in Pakistan.

"We're all originally from Pakistan and that makes it dear to us," Yusus explained, adding that the group wasn't sure at first how it would respond to the crisis. "We really brainstormed."

The group is collecting gently-used or new, washed and labeled blankets, comforters, and bed sheets. It also will accept warm items for adults and children, including jackets, coats, sweaters, shoes, new socks, mufflers, gloves, hats, shawls and thermal items. Items should be labeled and sorted into these categories: Men, women, boys age 0-10, boys age 10-18, girls age 0-10, and girls age 10-18.

Volunteers also will accept dry milk in individual sachets, one-liter water bottles and cookies.

For more information call Yusus at (734) 658-9224 or Nadia at (734) 238-0595 or e-mail to [Call4pakistan@gmail.com](mailto:Call4pakistan@gmail.com).

**PSEUDOGOUT**

Pseudogout will play an important role in the coming years of senior care. The term "pseudogout" refers to an arthritic condition that looks like gout, acts like gout, but is not gout. Gout crystals consist of uric acid; pseudo gout crystals are calcium pyrophosphate dihydrate.

Gout most often strikes men between age 45-70, pseudogout appears in men and women in a nearly equal distribution, and is the dominant form of crystalline arthropathy in both men and women over age 80. Physicians are gaining awareness of the presence of pseudogout as the advanced aging population increases.

Doctors realize the importance of recognizing that pseudogout, not gout is behind an attack of sudden foot, ankle or knee pain in the elderly. Pseudogout requires different treatment from gout; the usual medications for gout such as Allopurinol and Uloric, have no effect in preventing or treating pseudogout attacks. Colchicine, a drug that has a 4,000 year history in treating gout also is of little benefit in pseudogout.

On the other hand, cortisone, either by mouth or by injection, is effective in stopping an attack of gout or pseudogout. Injecting steroid into the inflamed joint is the best therapy as the medication immediately reaches the site where it is needed. At the same time the needle delivers the medication, the physician can obtain fluid and identify under a microscope that the joint inflammation does indeed come from pseudogout.

Often attacks of pseudogout will occur one after another for weeks to months. Then without reason attacks may stop for years.

# Home restored to practical, artful beauty by pro

BY JULIE BROWN  
OBSERVER STAFF WRITER

Sondra and Jack Felsot are glad to call downtown Farmington home.

"Farmington to me is the best place to live," Sondra Felsot said. "Everything's accessible. Everything you need is here. The people who live in this neighborhood are wonderful people."

The Felsots, who've lived in their late 1800s home for about 16 years, recently had it renovated with the help of Guy Jones Sr. of Signature Siding and Trim. The couple praises the artistry of his work, along with the fact that they won't need to paint again.

The couple, parents to two grown children, doesn't know the exact year their home was built. Sondra looked through local author Brian Golden's *Farmington*:

*A Pictorial Historical Photograph Collection.* The book has photos of the home, next to the Salem Church. The home was moved on logs in 1905, as was its carriage house, which remains.

The home was placed on a full basement, she said, and the former porch enclosed for a front room.

"So they actually remodeled in their own little way."

Only a handful of owners, including a watchmaker, have lived there. The family the Felsots bought from did renovation, but much of the home remains Victorian in style, with a modern stove in the kitchen but no dishwasher.

## THE RIGHT PRO

Sondra needed the house painted and had trouble finding the right pro.

"I was antiquing with

my husband and I saw his work," she said of Jones. He did all the siding by hand, putting pieces of various signs in intricate designs, including around windows.

Sondra Felsot is an artist who does folk art, acrylic on canvas. She commissions her work and has some in their home. Her husband's a food broker.

She's thrilled with the look of their home.

"He's very talented. He's an artist," Jones created different looks from varied colors.

"He totally guided me," she said. "I knew what I wanted." She wanted to preserve the Victorian look.

Gutters were installed to match. The exterior had been stucco, which was removed down to the wood.

Jones put in the windows and their trim, achieving a wood look with materials

that won't need repainting. "I absolutely recommend him," she said. "He gets the job done. You don't have to be there, worrying."

"You have an artist doing your house. He's one of a kind and he does everything with love," added Felsot, who was glad to invest in local property values for her community.

He did a girlfriend's house in West Bloomfield after she saw their home, said Felsot, who'd like to rent some of their furniture and bric a brac for local movie productions.

## LABOR OF LOVE

Jones, who lives in Holly but travels for work, has been doing this work some 35 years, since he was 17. He had a brain aneurysm in 1991 and wanted to focus on quality work.

"I'm still enjoying every

Sondra Felsot outside her home in Farmington.

minute I get to work," Jones said.

He did a former law office in Farmington in 1998, now a music store, and received

a mayor's award. The Felsot project presented new challenges.

"That all had to be scraped off with a chisel," Jones said of the stucco. The Felsot project took about five weeks, with the couple remaining in their home.

He took out trees and shrubs for them.

"It is a really pretty house. The garage came out nice, too," Jones said.

They'll need no maintenance other than an annual hosing down of dust with a garden hose. Jones said he's been busy the last 20 years at his craft, with things slowing down this year.

"I was very excited about how it turned out," he said of the couple's home. "It makes it more fun."

Jones can be reached at [www.signaturesidingandtrim.com](http://www.signaturesidingandtrim.com) or by phone at (586) 406-0024.

## Angela Hospice to 'Light Up a Life' on Nov. 13

It was in 1985 that Angela Hospice first began serving patients facing a terminal diagnosis. Working out of a small office at Madonna University, Sister Mary Giovanni and a small handful of volunteers began providing home hospice care.

But the journey to that important first day for Angela Hospice and its founder started years before. In the 1970s, trained and practicing as a registered nurse with degrees from Madonna University, Sister Giovanni began looking into a new type of medical care appearing in the U.S. Going by the name of "hospice," this care blended age-old principles with modern medical advancements to enhance the lives of terminally ill patients. Years of research and dedication brought her dreams to fruition when Angela Hospice was founded under the direction of the

Felician Sisters.

Next month Angela Hospice will mark 25 years of caring for the community of Southeast Michigan with a gala event.

"There are so many stories I could tell," said Sister Giovanni, president and CEO of Angela Hospice, "of the many amazing people we've met these past 25 years, and the wonderful families that have welcomed us into their homes and into their lives to help care for their loved one at such a sacred time."

Angela Hospice has made a name for itself in the community, having cared for thousands of patients over 25 years — from patients who have celebrated their 100th birthdays, to those just minutes old.

"It has been such a blessing to be able to serve so many people," said Sister Giovanni. "It has always been with the

support of our donors and community friends who have helped us to carry out our work as a nonprofit, and who have most recently partnered with us to create this beautiful building we now occupy."

The Angela Hospice Care Center, which originally opened in 1994 as the first freestanding hospice facility in Michigan, opened a new state-of-the-art patient wing in April, expanding the

hospice's inpatient capacity from 16 to 32 private patient rooms. Although most hospice patients choose to receive care in their homes, the Angela Hospice Care Center provides an alternative for patients without a caregiver at home, or for those with an illness that demands around the clock medical care.

Angela Hospice will celebrate its work at Light Up a Life Benefit 25th Anniversary

Gala. The event will run 6-11 p.m., Saturday, Nov. 13, at Laurel Manor in Livonia. Fine dining, an open bar, auctions, raffles, dancing, and the 16-piece Monroe Big Band will be featured. Reservations are \$100 per person and are due by Oct. 29.
