**Westland seeks design
work for Central City Park**

By **LeAnne Rogers**
Observer Staff Writer

Remediation of Westland's Central City Park is nearly complete, so plans to make the park into a community attraction are moving forward.

A \$15,480 contract for design services with city engineers Orchard, Hiltz and McCliment was recently approved

by the council. OHM had already done some engineering work for the site which was cleared, regraded and seeded as part of the environmental remediation project.

The contract calls for OHM to develop conceptual site plans for the Farmers Market Plaza, concession stand, athletic fields and the Veterans Memorial Garden in Central City Park along with

adjoining Tattan Park, where Play Planet and H2O Zone are located.

The planned project includes construction of six state-of-the-art soccer fields, a restroom facility, three picnic shelters and a plaza area for special events, including the Farmers Market. The concrete plaza area would consist of an amphitheater and a custom design shelter cov-

ering the majority of the plaza area.

"There is a lot of work, we need design work that includes the pavilions, the styles of the benches and picnic tables," said Westland Parks and Recreation Director Robert Kosowski. "This time the work is nuts and bolts."

The plans call for picnic structures to be added to Tattan Park, bleachers, benches and goals

for the soccer field, pavers, benches, picnic tables and other amenities for the concession stand. Along with structures and what are called site furnishings, OHM would also prepare preliminary landscape plans for the park.

OHM is to work with the Westland Veterans Association, which

**Parade route
approved**

The route for the annual Wayne-Westland Memorial Day parade has received Westland City Council approval.

This year's parade will be held at 1 p.m. Sunday, May 27.

It will begin at Town N' Country Bowling, 1100 S. Wayne Road, south of Ford, and head south on Wayne Road to the Wayne Peace Memorial at the Wayne Public Library, located between eastbound and westbound Michigan Avenue.

The council also has agreed to a \$300 contribution to help cover costs of trophies, flags and a luncheon for parade participants.

The parade is sponsored and run by the Wayne-Westland Veterans Parade Council.

Stop in to Buffalo Wild Wings and see manager Doug Blair or server Kendra Turner to help benefit the Veterans Memorial Garden of Westland.

**Restaurant makes it easier
to donate to memorial**

By **LeAnne Rogers**
Observer Staff Writer

It's gotten easier to help raise money for the Veterans Memorial Garden of Westland.

Beginning last fall, guests at the Westland Buffalo Wild Wings could get 20 percent of their total bill — dine in or take out — donated to the memorial garden just by bringing in a business size-card. Now, guests just can tell their server they want to support the veterans

fund-raiser to receive the donation.

"If they say they are there for the memorial, the server will write it on the receipt," said Ken Mehl, Westland Veterans Association president.

There hasn't been a tremendous response to the fundraiser so far but Mehl is hoping to see an increase in participation. About \$90,000 has been raised toward the \$150,000 estimated cost for the Veterans Memorial Garden which is set to be ded-

icated in Central City Park on Veterans Day Nov. 11.

"A few hundred dollars (raised) doesn't sound like a lot but if we can push this, it can dramatically increase," said Mehl. "Between what we are doing now and other things coming up, we'll accomplish it."

For the past four years, Buffalo Wild Wings has also been a sponsor of the Westland Veterans Association golf outing

**TIFA board,
council look
at city hall
woes, plan**

By **LeAnne Rogers**
Observer Staff Writer

Problems with Westland City Hall and the process used to develop a proposal for a new municipal building were reviewed as the Tax Increment Financing Authority Board and its citizens council met for the first time last week.

Citizens council members, along with residents, got a chance to ask questions and provide input on what should be included in the amended TIFA plan. That plan, which lists projects located within the district to be paid for by recaptured tax dollars, is proposed to include city hall, Central City Park road work, a retail business incubator and Westland shopping district improvements.

What has drawn the most attention is a proposed location of a new city hall behind the William P. Faust Public Library. During two years of study, the TIFA board looked at using existing vacant big box stores, which were rejected for a variety of reasons, including excessive size.

"We don't make the final decision on where city hall would be built — that is up to the city council," TIFA Board Chairperson Marsha Bianconi said. "There would be no land costs. I don't know where else in the TIFA district you could find five acres. You wouldn't have to levy additional millage (to pay for a new building)."

The current city hall is located within the Downtown Develop Authority district, which also captures property taxes for public improvement projects. City officials report the DDA currently captures an insufficient amount of money annually to be able to finance a city hall project on the current site.

Bill Campbell, whose Newberry Estates Subdivision home backs up to the city property behind the library, called on the city to move the TIFA

Gracin to headline Blues, Brews and Barbecue

Westland native Josh Gracin will headline the second annual Blues, Brews and Barbecue on Saturday and Sunday, Sept. 15-16.

The event will feature two days of the area's tastiest barbecue, a car show full of hot rods from across southeast Michigan, hand-crafted beers and music including two hours of Gracin. This will be his first performance in Westland since his *American Idol* days.

A Westland native and John Glenn High School graduate, Gracin first gained public attention on season two of *American Idol* when he came in fourth place, all while serving in the Marine Corps.

Gracin's first album released in 2004 received gold status and had a number one hit and two other top five singles. In 2008, his sec-

ond album was released with more chart topping hits. His newest album *Redemption* was released at the end of 2011.

"Josh Gracin is a real country music star and he will add a nice twist to the great line-up of blues bands we have scheduled," said Mayor William Wild. "Gracin's Westland fans have been eagerly awaiting his return."

Blues, Brews and Barbecue will include several of the area's most popular blues bands - Sweet Willie Tea, Monsieur Guillaume and his Zydeco Hepcats, Jones'n - and returning bands, including The Alligators, Front Street Blues Band and The Boa Constrictors.

For more information, including sponsorship opportunities, call (734) 467-3200 or visit www.cityofwestland.com.

Josh Gracin will return to his hometown to headline entertainment Westland's second annual Blues, Brews and Barbecue in September.

which also raises money for the Veterans Memorial Garden.

"We're trying to give back as best we can to our armed forces with the golf outing and donations," said Doug Blair, director of training and marketing for the restaurant. "We want to help out with the memorial garden."

This year, the golf outing, co-sponsored by North Brothers Ford, will be held Saturday, July 28, at Inkster Valley Golf Course. There is a shotgun start at 8:45 a.m.

The cost is \$90 per person, including golf, lunch, two drink tickets and dinner.

The awards and buffet following the outing will be held at Buffalo Wild Wings on North Wayne Road just north of Hunter.

Hole sponsorships are available and donations are needed for raffles.

"All the prizes are done by raffle, so everyone has a chance to win," said Mehl.

Ongoing fundraisers for the Veterans Memorial Garden include selling engraved pavers in three sizes ranging from \$100-\$500, shirts, hats and CDs.

PARK

Continued from page A1

already has a design for the Veterans Memorial Garden, and the city to reach a consensus for that part of the development.

This design work is being funded from proceeds from the Westland Wild Wings charity hockey game which earmarked money raised for improvements at Central

City Park.

The council has also approved the city's grant application to seek funding from the Department of Natural Resources for improvements to the park for a \$500,000 project — \$200,000 provided as a local match.

Construction at Central City Park had included clearing the 12-acre eastern part of the site along the east side of Carlson. The park was regraded, then covered with a geotextile membrane and

10-15 inches of top soil. Along with passive measures dealing with methane gas, the work is part of efforts to remediate long-standing lead and other contamination in the eastern portion of park.

Wayne County is funding the \$2.5 million project for the 12 acres on the east side of the park, but remediation for the other approximately 21 acres was cost-prohibitive. As a result, that area will be restrict-

ed for the foreseeable future.

A new sidewalk has been installed along the east side of the park on Carlson along with a 200-space parking lot, new curbs and two entrances and exits which don't cross the park walking path.

Exactly when the park, closed since 2006, will reopen hasn't been determined.

TIFA

district boundary to include the current city hall site.

Under state law, the city can't expand the TIFA district, City Attorney James Fausone said. In addition, he noted property couldn't be in both the TIFA and DDA districts.

Other residents argued the TIFA was established to stop blight and economically revitalize property — a situation that didn't exist in their neigh-

borhood.

"From what I've heard tonight, it's a pretty done deal," said Stephanie Kleffman, another Newberry Estates resident.

"You're not considering options or our property values. No one will want to back up to city hall."

Her husband Robert Kleffman called on the city to utilize the approximately \$8 million in proceeds from a scheduled refinancing of Taylor Towers, along with DDA money, to fund construction of a new city hall on the current site.

Depending on the

size and design, the new municipal building would cost \$8 million to \$13 million and likely be financed by 20-year bonds. The conceptual plan for a two-story building located behind the library locates it on the north side of the city property.

"We'd add one bank of parking beyond what already exists," said Greg Van Kirk of Plante Moran CRESA. "This project would disturb less than 10 percent of the existing site. All the woods to the south would be untouched."

Andrea Clawson, a Wayne-Westland school

board member, commented that with the Bailey Recreation Center closing, the city would have plenty of room to expand the city hall footprint.

Robert Kleffman suggested that the city look again at a big box store and utilize the excess space for a recreation center and pool.

The citizens council is scheduled to meet again at 6:30 p.m. Thursday, May 3, at the Bailey Center. The only agenda item will be a discussion on supporting the plan amendments.

SCHOOL BRIEFS

Bee good

Alexis Bowman came very close to earning a trip to Washington, D.C.

The Stevenson Middle School student finished second in the Detroit News Scripps Regional Spelling Bee in a spelldown that went 16 rounds to determine the winner.

"Our students did an excellent job," said Aaron Baughman, director of professional development for the Wayne-Westland Community Schools. "There were 65 contestants and 35 were eliminated in the first round."

The spelling bee, held at the Charles H. Wright African American Museum in Detroit, lasted three hours and on three different occasions faced elimination but hung on.

"These kids were hit with some of toughest championship words I've seen as student and an English language arts instructor," Baughman told the Wayne-Westland school board into the contest. "I would have been eliminated in the first round."

Bowman and Ian Maas, a student at Marshall Upper Elementary School, were recognized by the school board earlier this month as the winners of the district's 32nd annual Earle Chorbagan Spelling Bees. Bowen also received a second certificate for her appearance in the regional bee.

Johnson Elementary celebrates Earth Day

Approximately 625 fifth- and sixth-grade students celebrated Earth Day Wednesday at Johnson Upper Elementary in Westland, a Wayne County Green School.

Teachers selected four activities and/or speakers for their classes to attend to learn about the environment and ways they can contribute to a cleaner planet. Options included learning about electric vehicles, weather, state parks and native species, how to pack a waste-free lunch, creating a backyard wildlife habitat, composting and rain barrels, butterfly gardening, container gardening, and where garbage goes. There were also activities to choose from, including a scavenger hunt, cleaning up the school grounds, recycling relay race, recycled art journals and planting shrubs and flowers on the school grounds.

Andrea Pensari, parent of fifth-grade student Eric Pensari, contacted the PTA in February with an offer from Yazaki coworker Joshua Dawson to do a presentation on electric cars. Students viewed a power point presentation and then headed outside to see a Nissan Leaf electric vehicle. Students were surprised at how quiet the car was while running.

Wednesday's nice weather was another popular topic, as students gathered to hear from meteorologist Jim Madaus. Lightning and tornadoes were a popular subject from his presentation.

Ranger Dayna LaFlamme from Seven

Dhwani Soni made an art journal out of recycled boxes.

Lakes State Park in Holly talked about invasive insects students should watch out for, and the activities students can enjoy at the many state parks.

Students also learned about butterfly gardening and creating backyard wildlife habitats. At the butterfly garden, led by Johnson parent volunteer Paula Clymer, students created butterfly art projects and artist trading cards, in addition to learning about how to attract butterflies.

Additional hands-on activities included planting seeds and container gardening - students used

like toilet paper tubes and pop and water bottles to create recycled material planters with instruction from parent volunteer Debbie Pline. They were able to choose from cucumber, pepper, green bean or sunflower seeds to plant. Demonstrations were also presented on how to make your own upside down tomato and herb planter. Students were also able to use recycled materials to create art journals and bird feeders.

Students also learned about rain barrels and how to compost. Joshua Rubin of MI Rain Barrels shared his knowledge about the importance of using available resources, rather than throwing them away. Students examined and learned

Taila Anderson weeds a flower bed.

how to use the composters and rain barrel he brought.

Waste-free lunch was another popular topic. Parent volunteer Lisa Ramsay talked with students about the impact they can have on the environment by reducing the amount of packaging that goes into their lunches.

Building Supervisor Dave Gluth and parent Debbie Pline have been working with students and staff, with the encouragement of Principal Richard Steele, to encourage recycling, and as a result, the amount of garbage generated each day during lunch has been significantly reduced. This was a major factor in the building's Green Schools achievement.

Fun and games were also available to students - they had the opportunity to go on an outdoor scavenger hunt, looking for several natural items on the playground, including heart-shaped rocks, feathers and leaves. Other games included a Recycling Relay Race, where students had to run to a recycling bin, grab an item and decide if it was something that should be composted, recycled or thrown out. Rounding out the activities were stations to clean up the school grounds, with a giant bubble station once students finished, and planting flowers and shrubs in front of the building, with sidewalk chalk art once they were finished.

Zack Chantres digs a hole to plant flowers in front of the school.

Canoes available to rent at Newburgh Lake

By Ken Abramczyk
Observer Staff Writer

Wayne County residents can again enjoy canoeing at Newburgh Lake.

Wayne County parks is partnering with an Oakland County canoe rental company to rent canoes at Newburgh. The rentals are now available Saturday and Sunday, and, after Memorial Day, available Friday afternoons.

Alan Heavner, owner of Heavner Canoe Rental, in Milford, said the rentals will help draw parents and their children from the Wayne County area outdoors.

"You don't have to go up north, especially with the gas prices," Heavner said. Heavner then pointed to Newburgh Lake. "This could be Blue Lake, this could be anyplace."

Heavner will use Wayne County's canoes, once used for a canoe rental in the 1990s at Newburgh Lake and at Nankin Mills. Heavner will oversee the canoe rentals at Newburgh Pointe.

He will start with 27 canoes, seven paddleboats and three rowboats in its available inventory, according to Jeff Vallender, project coordinator with Heavner.

Paddling Newburgh

The partnership began after Heavner received a phone call from Wayne County Parks. Vallender credited Beverly Watts, director of Wayne County parks, with putting together the partnership. Heavner is also working with parks officials to use an area across Hines Drive for overflow parking.

Rental hours currently are 10 a.m. to 7 p.m. Saturday and Sunday. After

Jeff Vallender wants to get those canoes in the water.

BILL BRESLER | STAFF PHOTOGRAPHER

Memorial Day, rentals will be available noon to 6 p.m. through Labor Day. Rentals are \$5 for each half hour, with a \$20 deposit.

An adult must be present to sign the rental contract, no alcohol is permitted, and life jackets must be worn, which are provided by Heavner.

Vallender said renters can enjoy "wilderness paddling," enjoy canoeing in combination with a picnic outing with the family or friends, or go fishing.

"It's wilderness paddling closer to home," Vallender said. "This is

wilderness in Livonia. This is pretty."

There is no swimming on Newburgh Lake. Anglers should also check the state of Michigan website for fish consumption advisories on the lake. While the lake, an impoundment of the middle branch of the Rouge River, was cleaned up of PCB contamination in the late 1990s, it still experiences stormwater runoff of contaminants and pollutants after a heavy rainstorm, Vallender said.

Vallender hopes canoe rentals will draw families who want to bring

their children outdoors and friends out for an afternoon, or that teachers bring groups of students and scout leaders bring their troops. They can call Heavner ahead to reserve for group rentals, and that includes rentals during the week.

A learning experience

Heavner said they will also work with special needs kids, from the visually impaired students to those with autism. Paul Augsburger, education coordinator at Heavner's, said getting students out-

doors helps their motor skills.

"We've got sights, smells and touch," Augsburger said. "The trails at Newburgh Lake have really high potential."

Getting children outdoors helps raise self-esteem, confidence and improves grades, Augsburger said.

Segway rentals are also available at Nankin Mills in Westland, which Heavner will be working with to accommodate families. The company also hopes to promote local restaurants, too.

Vallender said he expects rentals will be a

big hit, judging from the honked horns and waves from vehicles driving by on Hines Drive as a Heavner van and trailer hauled canoes the day of this interview.

Heavner said he has already received phone calls from residents who are looking forward to canoeing on Newburgh Lake.

"It's something that will get children outdoors," Heavner said.

For information, call Heavner at (248) 685-2379 or visit heavnercanoe.com. For group rental information, call Vallender at (248) 798-7434.

Elle goes to Harvard in WM's 'Legally Blonde'

By Sue Mason
Observer Staff Writer

The story of Elle Woods, a sorority girl who enrolls at Harvard Law School to win back her ex-boyfriend, will come to life on the stage of Wayne Memorial High School's Stockmeyer Auditorium when students present Legally Blonde, the musical, next weekend.

"I picked the show because it's modern and upbeat and it's the show I've hoped to do for a couple of years," said director Katie Sullivan. We're fortunate to get the rights to the show. It came right around the time I was making a choice."

When the curtain goes up Thursday evening, the cast will have spent more than 150 hours rehearsing the musical that features two live dogs playing Bruiser and Brutus and instrumental music teacher Matthew Diroff directing a live pit orchestra with several Wayne High alumni.

Senior Delani Derr will star as Elle Woods. It's the role she wanted.

"I connect with her so much, I told Mrs. Sullivan I wanted to be her," she said. "It would be difficult to watch someone else do it because I have such a connection."

"It actually was one of my favorite movies when I was little," she said.

"Delani had fantastic audition for the character, she has both natural and acquired skills to play the role," said Sullivan. "It was a perfect role for her."

Elle is a big part of the show and as a result Derr will rarely leave the stage. She will have 15 costume changes, some done just off the wings, others behind set pieces. Her biggest challenge has

Show times: 7 p.m. Thursday-Friday, May 3-4, and noon and 7 p.m. Saturday, May 5

Location: Stockmeyer Auditorium on the campus of Wayne Memorial High School, Glennwood east of Fourth Street, Wayne.

Details: Elle Woods, a sorority girl who enrolls at Harvard Law School to win back her ex-boyfriend. Along the way, she discovers how her knowledge of the law can help others, and successfully defends an exercise queen in a murder trial.

Tickets: \$10 each for reserved seating, available at the door.

been the songs.

"The hardest thing has been mastering the vocals and getting my confidence, but the last couple of weeks I've been feeling confident."

Jimmy Walkup plays Warner Huntington III, Elle's ex-boyfriend. He's in his first and unfortunately last production at Wayne Memorial. He's a senior.

"He's a strong singer and actor," Sullivan said. "He's very talented, I wish he had come out sooner. I have kids who come out their junior and senior years and they're just incredible. Sometimes it's nerves on their part, and when they do do it, they discover they enjoy it and wish they had joined sooner."

Junior Josiah Ault is playing Emmett Forrest, a law school teaching assistant who helps Elle. Like Derr, it's the role he wanted.

"I really like the char-

acter, he has some really great songs," said Ault. "I had a picture in my mind of what I wanted him to be like and his relationship with Elle is like the relationship I have with her (Derr) in school. It's kind of the same."

Ault is pulling double

duty as assistant director in charge of costumes and props. He's responsible for acquisitions.

"Pink abounds in this show," said Sullivan. "The dressing room is a rainbow of colors, but it's strong on pink."

Three other cast mem-

bers are serving as assistant directors. Junior Loren Hubbs, who plays Margo, one of Elle's sorority sisters, is in charge of patrons - fundraising and publicity. Senior Zach Hay, who plays Professor Callahan, keeps tracks of the grades of the cast and crew members.

"I'm strict with them about grades," said Sullivan. "I expect them to maintain a C or better in all classes. They've made a commitment of time to this, but they also have to maintain academically. Zach hands out progress reports to them and reports back to me. He's been working really hard the last two weeks to maintain attendance and grades."

And senior Brianna Wilson, who plays Pilar, another sorority sister, does the conflict calendar. Her job is to keep track of attendance at rehearsals and maintain the conflict calendar "so we know who needs to be where."

"It's a balancing act to know who's leaving and where they're supposed to be," said Sullivan.

"Those are the two biggest responsibilities."

Another big task for this year's production is set changes, so Sullivan is requiring that cast put in crew hours and the crew put in cast hours.

"We have an unusually small crew, and the set pieces are larger and there's a lot of scene changes, so the cast is putting in time with the sets," said Sullivan. "The challenge with this show is at times we may have an eight-minute song that has four scene changes. The sets have to quickly transition while people are singing, talking and dancing."

"The crew is coming in and getting to know our side which will help when we get into the technical rehearsals," she added.

Sharing: Wayne High's Ault 'saves the day' for Glenn play

By Sue Mason
Observer Staff Writer

The drama programs at Wayne Memorial and John Glenn high schools have had helped each other out over the years. But a call from Glenn's Sheri Grove a week before the production of the spring musical, *West Side Story*, was a first for Wayne Memorial's Katie Sullivan: Grove needed an actor to play Riff for two shows.

According to Grove, Glenn's Riff — Tommie Travis IV — had a family tragedy. Grove found out the weekend before the show and contacted Sullivan to see if she had someone who might be able to "save the day." She did, asking three-year thespian Josiah Ault if he could fill in.

"Josiah was the first person I thought of. He's been with me three years and by far is my strongest male vocalist," Sullivan said. "I knew he was the right person for the job, especially with the amount of vocals."

Ault, who plays the lead of Emmett Forrest in this weekend's production of *Legally Blonde* at Wayne Memorial's Stockmeyer Auditorium, accepted the challenge.

"I read the script 24/7. I had five different people read with me," Ault said. "I'm thankful Riff died at the end of Act 1."

Ault divided his time

between the two schools, taking in Glenn's rehearsals 2:30-5 p.m., then dashing back to Wayne Memorial to rehearse until 10 p.m. The challenge was that Riff and Emmett are two totally different characters. He had to have two totally different mind sets. Riff is a "totally angry character," something Ault isn't in real life. He also had to learn several musical numbers, including two solos, and several dances, and all the lines in five days.

"It was a really great experience, with different

directors, a different cast and different people in charge," Ault said. "They

were like, "You'll have to come back next year."

"He performed wonderfully

at both shows at Glenn on Saturday. He worked very hard and truly

ly 'saved the day' for us," Grover said.

Sullivan and a lot of the *Legally Blonde* cast members took in the Saturday evening performance and were "just amazed to see how much he was able to do with the character in such a short time."

"He's very committed," she said.

Grove and Sullivan are happy with the outcome. It's reflective of the sharing that goes on between the two programs, they said. Both are willing and able to assist each other when the need arises and "the students always give 150 percent," Sullivan said.

"It was a true reflection that our programs and students have learned to support one another and work together versus fostering a rivalry," Grove added.

Nation celebrates National Pet Week

Most of us can identify with being a pet owner some time during our life. In fact, according to statistics compiled by the American Pet Product Association's (APPA) 2011-2012 National Pet Owners Survey, 62 percent of U.S. households own a pet. This is compared to 56 percent in 1988, the first year the survey was conducted and 62 percent in 2008.

Whether our pets swim, fly, run, hop, or gallop the companionship we form with them will always remain with us. So why not take some time to celebrate National Pet Week May 6-12.

As might be suspected, the majority of pets

owned in the U.S. are freshwater fish with nearly 151 million and counting. The next largest number of pets is cats - 86.4 million - and dogs are in third place with 78.2 million owned. However, birds, reptiles and small animals account for nearly 45.5 million pets in our country.

So deciding which kind of pet best suits you and

your lifestyle can be one of the most important decisions you make. Consideration must be given as to the type of pet you want, size, temperament, demands, costs and living condition. Betsy Sikora Siino's *The Complete Idiots Guide to Choosing a Pet and You Want What as a Pet(?)*: A guide to 12 Alternative Pets can get you started down the right path.

Since 2001, expenditures for pets have nearly doubled from \$28.5 billion to an estimated \$52.87 in 2012, with food topping the list at \$20.5 billion and an additional \$12.5 for supplies. With this amount of dollars being spent, it is especially important that pet owners be aware of the basic needs of their

pet verses unnecessary luxuries.

Medical care often becomes more important as we age and our pets are no different. Pet owners are posed to spend about \$13.59 billion in veterinary care in 2012. Health insurance for your pet is an option with available rates ranging from \$250 per year for basic coverage to nearly \$1,000 per year for premium coverage. At those prices it worth picking up Louise Murray's *Vet Confidential: An Insider's Guide to Protecting Your Pet's Health*, Brian Beale's *The Arthritis Cure for Pets*, Chris C. Pinney's *Home Veterinary Guide or Natural Pet Care* (DVD).

If all this talk about expenses has you interested in learning how you might be able to afford having your own pet, perhaps starting a pet business is for you. Check out Cheryl Kimball's *Start Your Own Pet-Sitting Business and More: Doggy Day-Care, Grooming, Walking, Lori Mangold's The Professional Pet Deter: Your Guide to Starting and Operating a Successful Service* or Cathy Vaughan's *How to Start a Home-Based Pet-Sitting and Dog-Walking Business* to find out how you can be part of this growing industry.

Immediate annuity is an option to replace pension

By Rick Bloom
Guest Columnist

Q: Dear Rick: I am a widow in my early 70s, living on Social Security and a pension from my husband's former employer. I've been notified the employer is ending the pension plan and I'm going to receive a cash settlement. They told me the money can be put into an IRA if I want. In addition to the pension and my Social Security, I have a number of mutual funds that I let the income reinvest. The pension and Social Security more than cover all my living expenses. I like the idea of receiving a pension and the company my husband worked for referred me to an insurance agent who said I could get an immediate annuity. My husband's employer was very good to us and the insurance agent is very reputable. I went to the agent and he gave me a quote for an immediate annuity and the payment is just a few dollars a month less than my husband's pension. Do you like immediate annuities and can you tell me if there are any pitfalls?

A: An immediate annuity is a type of annuity that pays a fixed amount of money, on a regu-

Money Matters

Rick Bloom

lar basis, for the rest of your life — no matter how long you live. Upon your death, the payments cease and the annuity is terminated. In that regard, it is very similar to your husband's pension. However, with immediate annuities there are options to consider. For example, one option guarantees the annuity will pay you for at least 10 years. Therefore, if you pass away during that 10-year period, the additional payments go to your beneficiary. In addition, you can have an inflation option where based upon the inflation rate, your payments increase on a yearly basis. These are just a couple of the more popular options you can add on to an immediate annuity. Of course, these options don't come free. They come at a cost. Your monthly benefit will be lower, based upon the more options you add. I believe an immediate annuity is a viable investment product for many people. The key, however, is to make sure that you're dealing with a solid insurance company. Typically, when I recommend immediate annuities, I want to make sure that the company is AAA rated. In addition, I do not want an immediate annuity with all of someone's assets. In your situation,

however, this doesn't apply. The No. 1 downside of an immediate annuity is that it's irrevocable. Once you sign up and begin receiving payments, the contract is irrevocable. Therefore, you have to make sure that it is indeed the way to proceed. One additional note, like everything else in our society, it does pay to receive some competitive bids. Since you're dealing with an insurance agent who you have confidence in, you can ask him to get some bids from additional companies or you can approach someone else to get a competitive bid. You would be surprised by how different companies can be when it comes to an immediate annuity, especially if you add on some of the options available. My philosophy is if you can increase your monthly income without additional risk, why not? After all, the money you get looks better in your pocket than it does in the insurance company's pocket. Good luck!

Benefit run helps more families

By Brad Kadrich
Observer Staff Writer

Three schools. One Park. One purpose. Organizers have united to expand the second annual "Run for Super Jess" 5K walk/run to benefit more than just Jesse Lindlbauer, a 16-year-old student from Canton High School who suffered a brain trauma in December 2010. This year, they've extended the run, which now raises money to help support three more families facing mounting financial, physical and emotional obstacles as they battle medical dilemmas. Those families could get pretty extensive support, if last year's run is any indication. More than 1,600 runners raised some \$35,000 in the inaugural run in 2011.

Saturday's Super Jess 5K run/walk will also benefit Rick Cigile, a former youth hockey coach who was paralyzed in a swimming accident last year.

A 5K run/walk Saturday benefits the Savage family, who lost dad to esophageal cancer in November and whose mom, Joanne, suffers from pseudomyxoma peritonei. The family also has sons Colin, Jack and Nolan.

"It was something very special seeing this group of supporters all together," said Tommy Halewicz, last year's organizer and a former member of the PCEP National Honor Society, which hosts the run. "I never would've thought this run could grow as much as it did. It was incredible." This year's event, which starts at 8 a.m. Saturday, May 6, will also benefit three other Plymouth-Canton families that suffered debilitating medical setbacks:

- The Valchine family of Canton High School — John and Angie Valchine have two children, Canton freshman Katelyn and Jonathan, a fifth-grader at Erikson Elementary School. John, who helps with Boy Scout Pack 898, assists at church and coaches flag football, has been diagnosed with Phase Four kidney failure due to polycystic kidney disease.
- The Cigile family of Plymouth High School — Rick and Patty Cigile have three sons, Plymouth High School grads Ricky and Ryan, and current senior Jeremy. A swimming accident during a family vacation to Florida last summer left Rick a quadriplegic.
- The Savage family from Salem High School — Joanne and the late Pat Savage and their three sons, Colin, a freshman

at Salem; Jack, a Discovery Middle School sixth-grader; and Nolan, a second-grader at Gallimore Elementary. Joanne was diagnosed with pseudomyxoma peritonei in 2007, and it recurred last year. While she fought that, husband Pat was diagnosed with stage 4 esophageal cancer. He lost his battle with cancer Nov. 30. The race starts at 8 a.m. at the Canton varsity football field, with a 7:45 a.m. pre-race cere-

mony honoring the 2012 SJSK honorees. Entry fee is \$20 for runners 18 and younger, \$25 for adults. Organizers say there is a strong need for course volunteers, whose responsibilities will include cheering on participants and make them aware of any potential hazards. Race updates/videos can be found on the SJSK Facebook event page or the SJSK2012 Twitter page. Entry fees are \$20 for runners 18 and younger, \$25 for adults. Legion honors gold, blue star mothers at luncheon

By Sue Buck
Observer Staff Writer

The third annual Blue Star/Gold Star Luncheon honored area mothers with children who are active servicemen and servicewomen protecting the United States.

The luncheon was Sunday, April 22, at American Legion Hall 396 in Garden City.

"We invited the Michigan Military Moms," said historian Gail Truesdell. "Each year this event has grown and grown. This time, we had our first Gold Star Mom attend."

Truesdell said Women's Auxiliary Unit 396 was honored to have 17 ladies attend the luncheon plus

the one Gold Star Mom. "Our Juniors from Unit 396 were lovely young ladies who devoted their time and presented various moms with a banner," she said. "All of our guests received an eagle pin from our auxiliary. The Juniors made everyone a cute table decoration which held various candies and all were wrapped in red, blue or gold tissue."

The luncheon was catered by Cheryl Stanley of Choice Catering and the cake was made by Mary Denning's Cake Shoppe.

Each woman introduced herself and said who she was related to in the armed services, as well

as number of children and where they were stationed.

Service banners have been a tradition since World War I and are for display by families who have sons and daughters in uniform in an armed conflict which led to the formation of Gold Star Mothers. The banners are red and white with blue or gold stars or sometimes both colors. The flags may have one or more stars.

The blue star service flag came first in 1917 after America entered World War I.

United States Army Captain Robert L. Queisser of Ohio created the banner to honor his two

sons who were serving in the Army in France. It became so popular that the Governor of Ohio adopted the flag as a symbol of service.

A group of Indiana women with sons in the service organized the American War Mothers on Sept. 27, 1917. Members displayed the blue star banners in the windows of their homes. As soldiers were killed in action they decided to sew a gold star over the blue star.

In May 1918, President Woodrow Wilson officially endorsed the gold star to reflect a child that died in wartime service. The Council of National Defense suggested that a

woman who had lost a son wear a black armband with a gold star.

President Wilson agreed and referred to these women as "Gold Star Mothers."

Many families hung the American flag, then the blue or gold star flag in their window as patriotism was high.

Gold Star Mother's Day

In 1925, American War Mothers obtained a national charter from Congress. In 1936, Congress recognized Gold Star Mothers and proclaimed that the last Sunday of every September was "Gold Star Mothers

Day." During World War II, the display of these blue star and gold star banners reached an all-time high.

Theodore Roosevelt's family had a banner with a gold star in honor of their son who was shot down over France in 1918.

Truesdell also thanked and recognized the cooperation and commitment of the planning committee:

"This was truly a rewarding experience for everyone as they all became friends with one another," Truesdell said.

Stevenson races to 7-peat

Stevenson's Stephen Fenech (front) and Jacob Colley finished one-two in the 1,600-meter run during Thursday's Livonia City boys track meet.

Chargers 2nd, Trojans impress

By Brad Emons
Observer Staff Writer

The gap narrowed considerably in Thursday's Livonia City boys track and field meet, but once again Stevenson emerged the victor for the seventh straight year by scoring a team-high 80 points.

Only 28 points separated the four schools with Churchill placing second with 67 followed by upstart Clarenceville with 57 and Franklin tallying 52.

Clarenceville actually had six first-place finishes while Stevenson and Churchill had four apiece, while took Franklin three

events in one of the most competitive Livonia City meets ever.

Stevenson tallied 26 of its points in the middle distance races (400, 800 and 1,600).

"The middle distance is what pretty much kept us ahead," Stevenson coach Scott Shaw said. "Our long jumpers did pretty well, too."

"We were missing our fastest kid, Kenning (Brichford), and a couple of hurdlers. That hurt a little bit, but I don't know how much difference it would have made at the end."

Taylor makes All-GLIAC

Grand Valley State University sophomore shortstop Brianna Taylor (Livonia Franklin) earned second-team All-Great Lakes Intercollegiate Athletic Conference honors in softball.

Taylor earns her second consecutive all-conference award, being named a first-team All-GLIAC choice last year.

She is tied for first in the GLIAC in triples (five), while ranking second in home runs (11) and RBI (49), third in slugging percentage (.676) and total bases (115), fifth in runs (46), seventh in batting average (.394) and 10th in on-base percentage (.445).

Taylor's stats this season rank her fifth in GVSU single season history in home runs, seventh in total bases, and tied for seventh in RBI.

The 17 career homers are tied for the sixth most in GVSU history.

Taylor recorded 22 multi-hit games for the 24-8 GLIAC champions, who completed the regular season at 41-11 overall and played Friday at the University of Findlay (Ohio) in the opening round of the GLIAC tournament.

Wayne's Tyler Harnos slides safely into home in front of John Glenn catcher Adam Singleton during Wednesday's KLAASouth Division clash.

Upper hand Wayne clips rival Glenn in DH opener

By Brad Emons
Observer Staff Writer

There was nearly a conclusion to Wednesday's KLAASouth Division baseball twinbill between rivals Wayne Memorial and Westland John Glenn.

Host Wayne captured the first game, 4-1, thanks to a 2-run homer by Zach Lankton and the five-hit pitching of Jordan Lowry.

But the second game was called after seven innings because of darkness with the two teams tied at 6-6. The game will resume at a later date.

That left Wayne with a 7-5 overall record and 1-2 mark in the KLAASouth, while Glenn slips to 2-10 overall and 0-5 in the division.

Wayne led 5-3 through five innings in the nightcap before Glenn rallied to go ahead 6-5 with three in the sixth thanks to a 2-run triple by Zach Quinn.

The Zebras, however, answered with a run of their own in the bottom half of the same inning to knot the count at 6-all.

One more inning was completed before the umpires called it.

Jacob Lefler pitched all seven innings fore Wayne, allowing all six runs on four hits and seven walks. He struck out six and added a 2-run single in the fourth inning.

Josh Lowry contributed an RBI triple and Jacob Massey also had an RBI single for Wayne.

Brandon Smeltzer, the Glenn starter, worked the first 3.2 innings before giving way to reliever Jeff Kennedy. The two gave up a combined six hits.

Jordan Lowry pitched all seven innings of the opener to earn the victory. He struck out four and walked only one.

Glenn starter Brandon Martin worked the first five innings, allowing all four runs (coming in the first) on five hits. Kyle Hunter finished up in relief.

Lankton finished with two hits for Wayne, while Daniel Ammons had an RBI groundout in the sixth to spoil Low-

8 in a row: Churchill girls dominate field

By Brad Emons
Observer Staff Writer

Livonia Churchill has now captured eight straight Public Schools of Livonia Invitational girls track and field meets.

But Thursday's win by the 2012 Lady Chargers was by far the most dominant of the eight as they piled up an eye-popping 134.5 points to run away from Stevenson (66), host Franklin (39.5) and Clarenceville (12).

Had it not been for Stevenson's Alex Kitz, who took the pole vault (10 feet, 6 inches) and long jump (15-11), it would have been a clean sweep of first places for the Chargers, who won 15 of 17 events.

"This is the most bal-

anced we've been ... may be the team two years ago, but top-to-bottom, especially on a day like today, we improved in a lot of areas," Churchill coach Pat Daugherty said.

"This is the most balanced we've been in a couple of years. We're just not distance dominant or field event dominant, we scored everywhere. Team-wise, it's the best full team we've had from each event that we've had in a long time."

Churchill captured all four relay events boasted one double individual winner in Molly Jarvis, who swept the 100- and 300 meter hurdle events in 16.4 and 49.2 seconds, respectively.

Other Churchill winners on the track included Ely-

ssa Hofmann, 100 dash (13.2); Leah Heinzelman, 200 (27.4); Sydney Anderson, 400 (1:02.0); Michelle Azar, 800 (2:31.0); Kerigan Riley, 1,600 (5:25.6); and Bethany Pilat, 3,200 (12:02.3).

Churchill's field event victors included Megan Ling shot put (33-1.5); Emily Norscia, discus (119-0); and Senclair McDonnell, high jump (5-2).

"It wasn't any one event, we just were able to rise to the occasion," Daugherty said. "The dual meets so far haven't been very difficult, but today we stepped up. The competition is going to be tougher and every single girl did better than what she did

Error-prone No. 1 Liggett rips Warriors

A sloppy defensive effort led to Lutheran High Westland's undoing Thursday against the top-ranked Division 4 baseball team in the state.

Grosse Pointe Woods University-Liggett, the defending MHSAA champions, improved to 10-0 overall and 6-0 in the Blue Division of the Michigan Independent Athletic Conference with a 14-5 victory over the host Warriors.

"It is tough to beat any team committing seven errors, but it is especially difficult against the number one team in the state," Lutheran Westland coach Kevin Wade said, "I was happy with our ability to score some runs, but it was very frustrating to watch solid, consistent players make errors that they usually don't make. We are going to focus on cleaning things up and making the every day routine play as we move forward."

Liggett jumped out to a 11-0 lead before the Warriors scored a pair of runs in the fourth in fifth innings. They added another in the sixth.

Taurrek Fikes, Nick Flanery and Matt Sylvester each collected two

hits and knocked in a run for Lutheran Westland (5-3, 2-2). P.J. Gusè also added two RBI.

Losing pitcher Aaron Rosin gave up nine runs, but only two were earned in three innings. He gave up eight hits, walked five and struck out three before Gusè finished up and worked the final four innings allowing three earned runs on six hits and a walk.

CVILLE 15, ECORSE 0: Eric Trotter pitched a four-inning no-hitter to go along with nine strikeouts Friday as host Livonia Clarenceville (5-5) mercied the Red Raiders.

The Trojans scored twice in the first inning, added 12 in the second and one in the fourth to end the game.

Trotter, who walked three, also contributed a 3-run triple, while Ben Gehan went 2-for-2 with a double and RBI.

Damien Sanchez (two RBI), Zac Rosen and Elijah Bean all doubled in the victory as well.

HURON VALLEY 3, PCA 2: Winning pitcher Ryan Schaffer aided his own cause going 2-for-3 with a double and two RBI to lead host Westland Huron Valley Lutheran (4-2, 4-2) to a victory over Plymouth Christian Academy (4-1 MIAC Red).

Schaffer threw a complete game scattering six hits and three walks while fanning seven.

Losing pitcher Daniel Slater struck out 13, walked one and allowed just five hits in six innings.

LUTH. WESTLAND 15, GREENHILLS 0: Taurrek Fikes threw a one-hitter and Nick Andrzejewski went 3-for-3 with a double and five RBI to pace Lutheran High Westland (5-2, 2-1) to a six-inning mercy rule win Tuesday over host Ann Arbor Greenhills (2-6, 0-4) in a MIAC Blue Division game at West Park.

Fikes struck out 10 and walked six to pick up the victory.

P.J. Gusè, Aaron Rosin and Mark Mika also collected two hits apiece for the Warriors.

"We played well today despite the tough (very windy) conditions," Lutheran Westland coach Kevin Wade said. "We were able to finally get the bats going and were able to come away with the victory."

HURON VALLEY 7, CALVARY 0: Winning pitcher Alex Harris threw a one-hit shutout and went 2-for-3 with two RBI Tuesday as host Westland Huron Valley Lutheran (3-2, 3-2) downed Ypsilanti Calvary Christian in a MIAC Red Division game.

Harris struck out 10 and walked only one in going all seven innings.

ROEPEER 8, HURON VALLEY 7: Justin Howell went 3-for-5, but it wasn't enough Monday as Westland Huron Valley Lutheran (3-1, 3-1) fell to visiting Bloomfield Hills Roeper in eight innings in a MIAC Red Division clash.

Tom Allen went 2-for-4 for the victorious Roughriders, while Steven Saham got the win in relief.

HVL starter Ryan Schaffer went all eight innings, allowing eight runs on 11 hits. He struck out nine and walked two.

Haeger wins 500th in Madonna sweep

By Brad Emons
Observer Staff Writer

Back in the friendly confines of Ilitch Ballpark after 20 days, the Madonna University baseball team gave coach Greg Haeger his 500th career victory Friday by sweeping double-header Friday from the University of Northwestern Ohio.

The 42-year-old Livonia native and former minor leaguer who played at the University of Michigan is now 500-337-5 in 16 seasons.

The Crusaders captured their Wolverine-Hoosier Athletic Conference opener, 11-1, in eight innings, as Livonian Jeremy Gooding (6-5) went seven strong innings to pick up the victory.

The Dearborn Divine Child grad struck out seven, walked four and allowed just three hits before giving way to Justin Hicks in the eighth.

Josh Deeg belted a grand slam for his third homer of the season and finished

Haeger

with five RBI on the day. Dan Harder went 3-for-5, while Matthew Cook and Steve Pelletier contributed two hits apiece for the Crusaders.

In the nightcap, MU improved 33-18 overall and 17-9 in the WHAC with a 6-5 win in 10 innings over the Racers (30-20, 14-12).

Tyler Cotter (Livonia Churchill) reached base on a dropped third strike, which allowed Deeg to score from third with the game-winning run in the bottom of the 10th.

Harder went 3-for-5 with two RBI, while Spencer Sarel added three hits and Deeg added two in the victory.

The third-place Crusaders used four pitchers with Andy Omilian holding the Racers scoreless in the top of the 10th to pick his first win of the season.

Starter Matt Cook allowed three earned runs on seven hits and a walk before giving way to relievers Randall Stempel (two earned runs) and Peter Renaud.

MU closed out the regular season Saturday with a Senior Day ceremony with the first pitch being thrown at 1 p.m.

7-PEAT

Continued from page B1

Sophomore distance runner Stephen Fenech garnered two of Stevenson's four first-place finishes by winning the 1,600- and 3,200-meter runs in 4:33.23 and 10:18.29, respectively.

The Spartans also got a first from long jumper Nick Podulka (20 feet, 11.5 inches) and another victory its 4 x 400 relay team of Zaid Shareef, Adam Wheeler, Craig Wilkinson and Matt Garon (3:37.26).

"Even the small places make a big difference along the line," Shaw said. "Adam Wheeler and Tony Wilson taking fourth and fifth in the 200 - with Kenning out - is three points and important in a tight meet like that. And they ran from the second heat. And Nathan Falzon ... with all of our hurdlers hurt right now, he runs from the second heat in the 300s (hurdles) and takes a fourth. That helped out quite a bit.

"Those kids stepped up, performed pretty well and ran hard. With five places scoring - everybody is going to take their first places - but it's the seconds, thirds, fourths and fifths that make the difference."

Clarenceville was the smallest school in the field, but had the meet's best sprinter in senior Kassius Kelly, who swept

the 100- and 200 dashes in 10.89 and 22.8, respectively. Last year's Observerland champion also anchored the first-place 4 x 100 relay team which also included Jalen Bryant, Mike Demmons and Sam Brown, who were clocked in 45.15.

Other Clarenceville individual firsts came from Shawn Cummings, discus (146-2), Austin

Douglass, high jump (5-7); and Ma Sambou Jatta, 300 hurdles (42.09).

"Clarenceville is impressive, they won six events," Shaw said. "If they had 45 or 50 kids like the other three schools ... they could win this thing probably. They just didn't have enough depth to take some of those places there."

Churchill, rebounding from a close dual meet

defeat Tuesday against Franklin, got individual firsts from Alex Ryktarszyk and Jacob Hage, who tied for first in the pole vault (12-5 each), along with Bryan Bartig in the shot put (47-11.75) and Ryan Wise in the 800 (2:00.46).

The Chargers' also took the 4 x 800 relay (8:22.28) led by Joe Hage, Ben Yates, Robert Howard and Wise.

Franklin's 4 x 200 relay team of Andrew Crechiolo, Andrew McGaughey, Alex Perelli and Jordan Bickham crossed the line first in 1:33.69.

Other Franklin firsts were garnered by Tom Brokaw in the 110 hurdles (15.53) and Brett Gutowski in the 400 (53.1).

last time." Under blustery conditions, Daugherty also had to like that this team took six second places and four thirds.

"The most improvement we've seen is being competitive and winning, no matter who you go against," the Churchill coach said. "And that's everybody. I'd love to point out some individuals, but I'd leave five or 10 people out. It was a total team thing."

Churchill was coming off a 107-30

dual-meet win just two days earlier against Franklin so the wide margin of victory didn't come unexpectedly.

"It went about the way I figured it would," Franklin coach Dave Bjorklund said. "I figured Churchill would run away with it. I knew Stevenson would outscore us in the distance events. I knew we'd do well in our sprint relays and some of our field events like the pole vault. We had some good efforts out there today, but we seemed a little tired. We'll get back at them on Tuesday."

Blazers' ace hurls perfect game

By Brad Emons
Observer Staff Writer

State-ranked Livonia Ladywood prepped for this weekend's 16-team girls softball tourney in Anchor Bay by sweeping Warren Regina in a Catholic League double-header Tuesday at home, 2-0 and 9-0.

The Game One victory was highlight by right-hander Briana Combs' perfect game as the senior set down 21 batters in order, including 11 via strikeouts.

Lauren Hayes provided just enough offense with two hits, including a triple. She scored both Ladywood runs on Regina wild pitches.

Combs was equally as impressive in the nightcap as the Cleveland State-bound hurler threw a two-hitter, including 12 strikeouts and no walks.

Combs, Celeste Fidge, Allyssa Kashat and Michelle Nelson each collected two hits.

Fidge finished with four RBI, while Kashat added three as the Blazers improved to 11-1 overall and 5-0 in the Central Division of the Catholic League.

Ladywood was coming off a 3-1 showing in Saturday's South Lyon Tournament with the only blemish coming against eventual tournament champ South Lyon East (13-2) as Hayes, making a rare start on the mound, had control issues as she walked 10, hit two batters and threw two wild pitches.

The Blazers cruised in the other three games including shutout victories over Ann Arbor Gabriel Richard (15-0), Pinnckney (10-0) and South Lyon (8-0).

Ladywood opened Catholic League play April 19 by sweeping a double-header at Farmington Hills Mercy, 5-2

and 3-1, thanks to homers from Andria Gietl and Carli SanMillan.

A day later, the host Blazers blanked Birmingham Marian in the first game of a double-header, 10-0, but the second game was called because of rain and will be made up at a later date.

HVL 19-2, BERKLEY 7-12: On Friday, Westland Huron Valley Lutheran and the host Bears (3-5) divided a non-conference double-header. The visiting Hawks took the opener, 19-7, as freshman Bethany Schaffer went 4-for-5 with three RBI and three runs.

Sophomore Ashley Hower and freshman Jessie Strauch each added three hits and four RBI. Freshman Julie St. John survived an 11-hit Berkley attack to pick up the win.

Berkley won the nightcap, 12-2, in five innings as HVL starter Brooke Kuehn took the loss. Strauch went 2-for-3 with an RBI. Berkley pitcher Abby Brandon scattered seven hits, walked one and struck out five.

C'VILLE 15, ECORSE 0: On Friday, host Livonia Clarenceville (8-5) rolled to a three-inning mercy rule win over the Red Raiders as winning pitcher Angela McAlpine struck out nine and allowed just one hit and one walk.

McAlpine also went 2-for-3 with a pair of walks, two RBI and two runs scored.

The Trojans collected six hits and took advantage of nine Ecorse walks en route to the 15-run victory.

HVL 14, GREENHILLS 0: Junior Lauren Jones went 3-for-3 with three RBI and scored three runs Thursday as Westland Huron Valley Lutheran (7-3, 3-0) took five innings to mercy visiting Ann Arbor Greenhills (7-3, 4-1) in a MIAC Red Division encounter.

The Hawks collected 13 hits off Greenhills starter Lauren Abbott with winning pitcher Julie St. John going 2-for-2 with a triple and three RBI to help her own cause.

Dayna Schroeder also chipped in with two hits, including a double, and scored three runs. "We started a little slow, but got our bats going," HVL coach Eric Ruth said. St. John, a freshman, struck out five, walked only one and allowed three hits in posting the shutout. "Defensively, we had a strong performance," Ruth said. "Greenhills hit the ball, but we made the plays we needed to behind St. John today."

Blazers drill Foley; Wiemer notches 5 goals for Warriors

Two state girls soccer finalists from a year ago squared off Wednesday night with Livonia Ladywood putting on a dominating display of soccer en route to a 6-0 win over visiting Madison Heights Bishop Foley.

The Blazers, last year's state runner-up in Division 2 and ranked No. 3, improved to 12-0-1 overall and 6-0 in the Catholic League with the victory. "Our roster was extremely solid from top to bottom tonight," said Ladywood coach Ken Shingledecker, whose team outshot the Ventures, 33-2.

The Blazers scored five times in the first half including three goals during the opening 12 minutes. Kelly Capoccia scored twice in the seventh and 12th minutes from Emily Huddleston and Liz Danger. DeYana Walker also added a goal in the 11th minute from Huddleston.

Domenique Sarnecky made it 4-0 in the 32nd minute from Paige Brennan and Erin Cronyn notched her 10th of the season from Brennan just a minute later.

Capoccia completed her hat trick five minutes into the second half off an assist from Marissa Ozog. Foley, the defending Division 4 state champion and ranked No. 10, falls to 2-6 overall and 2-5 in the league.

Ladywood goalkeepers Sara Even and Whitney Bauriedl did not have to make a save in posting the shutout.

Rachel Fischer and Taiesha McCoy combined for 14 saves for the Ventures.

The Ladywood win set up a showdown with defending Catholic League champion Birmingham Marian Saturday night at Ultimate Soccer Arenas in Pontiac.

LUTH. WESTLAND 8, SUMMIT 0: Taylor Wiemer

scored five goals Friday to lead Lutheran High Westland (5-1-2) to a non-conference win over Romulus Summit Academy.

Wiemer scored three unassisted goals during the first half and added two more in the second with both assists going to Sabrina Morrison, who also scored twice.

Sadie Schultz also added a goal, while Michelle Greening contributed an assist.

Goalkeeper Angela Morrison made three saves to post the shutout.

LUTH. WESTLAND 8, S'FIELD CHRISTIAN 0: Senior Taylor Wiemer and freshman Sabrina Morris each notched hat tricks Thursday to lift Lutheran High Westland (4-1-2, 3-0-1) to a MIAC Blue Division mercy rule win over Southfield Christian (1-4, 0-1).

Wiemer also finished with three assists, while freshmen Sadie Schultz and Michelle Greening added the other Warriors goals.

Freshman Allie Lange also had an assist, while goalkeeper Angela Morrison, a junior, made two saves for the shutout.

"The entire team played well," Lutheran Westland coach Sara Schafer said. "Our passing game is improving every game."

Chargers' defense shines in tie

Livonia Churchill was able to hold its own Thursday night with KLAA South Division girls soccer leader Plymouth.

The Chargers earned a 0-0 result thanks to a stellar defensive effort.

"We were absolutely resolute on defense against a good team with good players," said Churchill coach Dave Hebestreit, whose team is 2-3-3 overall and 2-1-1 in the KLAA South. "Plymouth came at us, but we were organized and did a lot of nice stuff. While there were some standout players, namely Kelsey Parrinello and Rachel Tomassi, it was a total team effort to tame a very good Plymouth squad that had many weapons."

Kylie Robb posted the shutout in goal for the Wildcats (4-1-3, 3-0-1), while Alexis Tzafaroglou also earned a clean sheet for Churchill.

"Our team came to play," Hebestreit said. "We were in the underdog role and we played it well. This was a big

step for us. We've improved every single game."

NOVI 2, STEVENSON 0: A pair of second-half goals by Natalie Krygier proved to be the difference Wednesday as the Wildcats (5-1-3, 3-1), two-time defending Division 1 state champion, downed host Livonia Stevenson (5-2, 2-1) in a KLAA Central Division matchup. Stevenson goalkeeper Rylee Jayson made four saves in the setback.

Local CROP walks raise awareness, money for hunger relief programs

By Sharon Dargay
 O&E Staff Writer

Lea Luger, executive director of Yad Ezra, the kosher food pantry based in Berkley, advocates for hungry children and adults every day.

On Sunday, May 6, she'll pound the pavement for them, too.

Luger will log several miles with other "like-minded" advocates during the 27th Annual Farmington/Farmington Hills/West Bloomfield CROP walk. Yad Ezra, which serves 1,500 families with supplemental food each month, is among the fundraiser's beneficiaries and a sponsor of the event, which begins and ends at First United Methodist Church of Farmington.

"The reason Yad Ezra participates is that as a kosher food pantry, we are not only concerned about Jewish families lacking sustenance, but we're concerned about the hunger issue globally. It's one way to partner with anti-hunger agencies in the greater community, to raise awareness and funds for the issue," she said. "We don't believe anyone should be hungry. Hunger is solvable. There is enough food in this country. The issue is making it the priority it should be."

Church World Service, a Christian organization with a mission to eradicate hunger and poverty, sponsors CROP walks in local communities nationwide in the spring and fall. Participating churches and synagogues choose beneficiaries for 25 percent of the funds raised through the walk in their community. The rest of the money goes toward Church World Service's programs nationally and around the globe.

Gwen (left) and Elizabeth Fair take the lead as they walk in last year's CROP walk through Westland. That's Bradley and Jodi Ross walking hand-in-hand behind them, with Cheryl Evancho taking up the rear.

Yad Ezra will share 25 percent of the Farmington CROP walk proceeds with Neighborhood House, The Salvation Army, Baldwin Center in Pontiac and St. Alexander's Food Cupboard. Last year approximately 200 walkers, representing 18 churches and synagogues, raised \$26,747.

The Rev. Mary Biedron of North Congregational Church, coordinator of the Farmington walk for the past 11 years, expects 300 or more walkers this year for the 10K (6.2 miles) route or the two-mile mini-walk. All participants will receive a teal-colored event shirt that they can wear as they walk through neighborhoods in Farmington and Farmington Hills.

"We have people who run the walk. The mini-walk is favored by people with strollers and their dogs," Biedron said. "We've walked through these neighborhoods for years now. We have lots of people who come out and wave and say hi."

In Westland

Marlea Pfeil, co-coordinator with Linda Bierbaum for the 18th annual Wayne-Westland CROP walk, says a neighborhood route is important.

"We like to walk throughout the neighborhoods for awareness," she said. "We like to let the neighborhood know what we're doing. We have pledge sheets. People can donate or just walk with us. The community is invited."

Wayne-Westland CROP walk participants will register at 2:30 p.m. Sunday, May 6, at Prince of Peace Lutheran Church and begin their two-mile walk at 3 p.m. Optional 3- and 4-mile walks are available on the Stevenson Junior High track.

Last year approximately 120 walkers from 10 churches raised \$14,000.

"Our goal is really \$12,000," Pfeil said. "We welcome other churches to join. We've had some Canton churches participate and a Garden City church."

Good Hope Lutheran Church in Garden City is among the walk's beneficiaries this year. The church runs a food pantry and will share 25 percent

of the Wayne-Westland CROP walk proceeds with FISH of Wayne-Westland, The Salvation Army in Westland, and the John Bolde Memorial Community Food & Commodity Bank run by St. Mary Catholic Parish in Wayne.

Pfeil said Church World Service's sterling reputation as a hunger and poverty relief agency, is part of the reason that local residents participate in CROP walk year after year.

"It's a good organization. They work through established agencies in other countries and do disaster relief. But a lot of the work is also sustainable projects like water projects for growing food. Or empowering women.

"If you know where the funds are going, then you are more willing to participate," she noted.

Food and refreshments will be served after both the Farmington-area walk and the Wayne-Westland walk.

For more information about the Farmington walk, call Biedron at North Congregational Church, (248) 848-1750. For more about the Wayne-Westland walk, e-mail Pfeil at marlsew@aol.com or call Bierbaum at (734) 728-7054.

REFERRALS

Almost everyone who sees a doctor has experienced an episode when the doctor said: "You need a referral." Usually what the doctor means is that the medical problem you have, or the treatment you need, is beyond what he can do for you. In arthritic conditions the most frequent referral is to an orthopedist. The arthritic hip or knee has reached a point that a joint replacement is the next step. Another frequent reason for a referral is that the problem that the patient thought was an arthritic one is not. Often a leg with pain and numbness represents a neurologic impairment or an obstruction in circulation. If the doctor thinks such is the case, he may refer you to a neurologist or a vascular surgeon for their evaluation.

In most instances, the doctor knows several orthopedic surgeons, neurologists and vascular specialists. Which one he chooses depends on his assessment of the temperament of the surgeon and the state of mind of the patient. At other times the doctor wants to match up the needs of the patient with the expertise of the specialist. For example: a patient with instability of the ankle may be better off seeing an orthopedic ankle and foot specialist rather than being evaluated by a general orthopedist.

In most cases, the doctor making the referral will send a letter to the physician being referred, with the patient's diagnosis, the reason why the patient needs the referral, and what the patient expects to learn from the referral appointment.

Obviously one specialist cannot fit all patients. So if disappointed with the one seen, the patient should ask the original doctor for another referral.

SOCIAL SECURITY

Many people are wrongly rejected when they apply for Social Security Disability benefits. Money was taken out of their paychecks for Social Security taxes to ensure that they would receive disability benefits if they could no longer work full-time. Sadly, the government denies approximately 60% of those who apply for disability benefits.

Attorneys J.B. Bleske and Jennifer Alfonsi have 42 years combined experience representing only Social Security disability clients. And they personally meet with all clients and appear personally at all court hearings. Many large firms assign inexperienced attorneys to your case. And some of these firms are located thousands of miles away and only fly the attorney in the day of the court hearing. Attorneys Bleske and Alfonsi have vast experience before local Michigan judges.

Attorneys Bleske and Alfonsi can often make a winning difference at the application stage. And, if an appeal is necessary they have won several hundred cases before a court date is even set.

Those denied can appeal on their own but statistics for many years reveal that those represented by attorneys win a much higher percentage of appeals. And attorneys who specialize in Social Security Disability cases win a much higher percentage yet.

In addition to practicing only Social Security disability law attorney Bleske has written a book for attorneys about the

subject and has been interviewed on various television programs. Both attorney Bleske and Alfonsi have also been interviewed on radio programs and have given speeches to many groups.

Attorneys Bleske and Alfonsi offer free phone or office consultation. If they represent you, there will be no fee charged until after the case is won. The fee is a percentage of retroactive benefits.

Bleske and Alfonsi represent clients from all over the state of Michigan. Their Livonia office is on Six Mile Road just west of I-275. Their Novi office is located on Haggerty Road just north of 12 Mile Road. Call them at 1-800-331-3530 for a free consultation if you have been denied, or if you are thinking of possibly applying for Social Security benefits.

Leukemia survivors 'pay it forward' with bone marrow donor drive

By Sharon Dargay
O&E Staff Writer

The Bad Blood Club wants you to "swab a cheek" Sunday, May 6, at the US 12 Bar and Grill in Wayne.

Club founder, Gloria Dunford of Westland, says you might just save a life if you do.

"We're blood cancer survivors and we're hosting a bone marrow donor drive," Dunford said. "The National Marrow Donor Program will be there. Our goal is to grow the National Marrow Donor registry."

Representatives from the national program will be on hand to explain what it takes to become a bone marrow donor. They'll also begin the process of adding volunteers to the Be The Match Registry that helps doctors find matches for patients in need of a bone marrow transplant.

"There will be swabbing for DNA," said Dunford, explaining the first step toward becoming a match. "No pokes or needles. The first thing is to swab a cheek. You go into a preliminary registry."

If that first test indicates a possible match, the potential donor may be asked to provide a blood sample or another cheek cell sample. A registry representative will ask about the donor's health — some individuals can't donate because of medical conditions — and ask if there's still an interest in participating.

The chance of being selected for the process

is 1 in 12.

If selected, the potential donor attends an information session and takes a physical exam.

The patient's doctor will decide which kind of donation — bone marrow or peripheral blood stem cells — is best. A marrow donation involves an outpatient surgical procedure. The stem cell donation is a nonsurgical procedure.

"Ninety percent of the time it doesn't come from marrow," Dunford said. "It comes from peripheral stem cells."

Ethnic communities

Dunford, 47, diagnosed with chronic myeloid leukemia in 2004, says she was lucky to be matched with a donor and receive a bone marrow transplant just two months after signing up for the registry.

"There's a young woman who is 26, she's Asian American, in California, who in two months could

lose her fight," said Dunford, referring to leukemia patient, Janet Liang.

"Janet is desperately searching for a donor match and her time is literally running out at this point and this is due to the fact that there is such a dire need for marrow donors, specifically within the ethnic communities of Asians, Hispanics and African Americans.

"We're hoping to get more people in ethnic communities to come

out," she said. Dunford urges Asian-Americans to attend the drive next weekend to help Liang find a match.

New organization

After learning about the California woman and the need for more donors from ethnic communities, Dunford decided to turn the The Bad Blood Club into a nonprofit organization with a mission to sup-

port the National Marrow Donor Program. Initially, The Bad Blood Club merely was a team name, chosen a few months ago, for a group of former bone marrow transplant patients who will run the Relay for Life in Canton next month. The group includes Dunford; Kerry Brooks, 47, of Canton, who received a transplant two years ago for acute lymphoblastic leukemia; Lisa Lambert, 49 of Holly, who had a transplant in 2003 for chronic myeloid leukemia; and Laura Western, 57, of Howell, who was a transplant patient in 2004, battling acute myelogenous leukemia.

"I set a goal for my team to raise \$10,000 which was a pretty big aspiration considering we are newbies to Relay For Life," Dunford said. "As of Thursday April 26, with the help of our wonderful family and friends
