Westland library board hires attorney

City officials unhappy about recent layoffs

An independent attorney no one working for the city's legal counsel — has been hired

by the Westland William P.

board decision to lay off five librarians as a cost-saving measure

"There were a couple of things we needed to accomplish. We hired an independent counsel," Library Board Presi-dent Mark Neal said. "These responses from the council

and mayor were getting out of hand. They are looking to take over the library. It didn't make sense to use an attorney from the city attorney's office."

Neal said the library was established under state law with its own board and funding. The board is appointed by the mayor and confirmed by

the city council.
"The first job for the attorney is to open a discussion with the city attorney to agree on our independence under library law," said Neal, who added there is also no legal requirement that the council

approve the library's annual budget

"I think the mayor would like for this to all be behind him, naturally, in an election " Neal said. "Council members are using the library as stepping stones to make

themselves look better." Since the layoffs, some of the laid-off librarians and their supporters have protested at library board meetings, as well as to the city council. Following the layoffs, library employees voted to be represented by the Service **Employees International**

Union. The workers also recently filed an Unfair Labor Practice charging the firings were retaliation for organiz-ing, something the library

board denies.

Neal paid the initial fee to attorney R.J. Cronkhite of Maddin, Hauser, Roth and Heller in Southfield to attend the special meeting since the board had not yet taken action

to hire the firm.

The board also approved a contract with library administrative assistant Sherri West,

Congratulations Hometown Life Top 6 students

They have organized barbecues for the homeless, are founders of numerous school service groups, they volunteer in local hospitals, do research at local universities and have started their own businesses. They sit on mayoral councils, play guitar in hospice centers and volunteer at animal shel-ters. That is what they do in their spare time. What they all have in common is that they are the shining stars of our local public and private high schools.

They are the 2017 Hometown Life Top 6 students.

Twenty-six schools responded to our call to honor their top six, representing a total of 146 students in the Hometown Life coverage area - and the list is impressive.

"Each of these students reflect a wonderful combination of character, academic skill and hard work. We are excited to see how they impact the world," Wayne Memorial High School Principal Kevin Weber said Weber said.

Not surprising, these students have plenty of support both at home and in the class-

"Every person I have met has influenced me in some way, especially my family, but I would have to say Mrs. (Amanda) Laidlaw and Mrs. (Catherine) German have influenced me the most," Kera Sells of John Glenn High School wrote in an email. Annuities can makes sense but not for all

If a salesman is

was watching TV over the weekend when a commercial came on about annuities. The commercial made it out that annuities were the best things since sliced bread, claiming that you could not lose money with them and they were an investment everyone should have, particularly in retirement. Like most commercials, there was some truth in it, but it did not tell the whole story. In many situations, annuities are aggressively marketed and that alone should give people cause for concern. After all, when it comes to investing, you don't want to be sold something that

doesn't fit vour situation. I thought I would take this opportunity to talk a little bit about

annuities, pros and

Rick Bloom

MONEY MATTERS

Basically, there are three types of annuities: fixed annuities, variable annuities and immediate annuities. Fixed annuities and variable annuities have the benefit of income growing tax-deferred. You only pay taxes when money is withdrawn and, at that point in time, it is taxed at your ordinary income bracket. Although tax deferral can be a benefit, it also can be a problem. When money comes out of an annuity, it's taxed at your ordinary income bracket, which is your highest tax rate. Annuities don't qualify for the favorable capital gain treatment, so it is possible

The returns on annuities depend upon the type you purchase. In a traditional fixed annuity, you get a guaran-

taxes, you are actually raising them, defeating

the purpose of an annu-

overly aggressive, simply walk away. Because annuities are generally long-term investments, you need to take time and shop around.

teed rate of return. Currently, traditional fixed annuities are paying about 2 percent. An index annuity is also considered a fixed annuity, but your return is based upon an index that you select - typically, stock-based indexes. The nice thing about these types of annuities is if the market goes down, you don't lose money. It is important to keep in mind dividends are not figured into the equation and most indexbased annuities do not give you a 100-percent participation rate. If your participation rate is 60 percent and the market went up 10 per cent, your return would

be 6 percent.
One of the problems with index-based annuities is that they are very complex and sometimes very difficult to understand. If

you end up buying an index-based annuity, it is important to learn about them and then to shop around. There are tremendous differences with regard to fees on these annuities.

Variable annuities

are ones that allow you to invest in, typically, mutual funds. Your return is based upon the funds you select. The problem with variable annuities is if you held these investments outside the annuity. they would be subject to capital gain treatment vs. ordinary income. In addition, just like with the fixed annuities, you typically have to lock your money up for a period of time. It's not unusual to see variable annuities with a 10-year penalty period, which means if vou cancel the annuity before 10 years, you lose some of your money. In addition, variable annuities tend to have very high administrative and investment fees.

An immediate annuity is a different animal all together. An immediate annuity is similar to buying a pension for yourself. In an immediate annuity, it guarantees a certain amount of money for the rest of your life. No matter how long you live, you'll

For many people, this is a very comforting investment. The downside is once you're in an immediate annuity, you cannot cancel it — it's an irrevocable investment. Just like with fixed and variable annuities, it does pay to shop around. Not all companies are the same.

In certain situations, annuities make sense. They are not for everyone and certainly no one should be pressured into purchasing one. If a salesman is overly aggressive, simply walk away. Because annuities are generally long-term investments, you need to take your time and shop around.

One last note: If you are looking at a variable annuity, you want to make sure you look at companies like Fidelity, Vanguard and Schwab They all offer low-cost annuities without penal ties. You have greater flexibility in the fact that you can withdraw your money at any time

without penalty. Good luck!

Federal judge takes plea deal in sexual assault case

David Veselenak

A federal administrative law judge has taken a plea deal in a sexual assault case stemming from an incident last year in Livo-

Judge Henry Perez, 74 of Novi, pleaded guilty to a misdemeanor charge of assault and battery during a final conference last Friday in the Frank Murphy Hall of Justice in downtown Detroit. In exchange for that plea, three counts of fourthdegree criminal sexual conduct were dismissed, according to the Wayne County Circuit Court's online calendar.

Perez is scheduled to be sentenced June 16 before Circuit Judge Bruce Morrow. Perez, who worked as

a judge in the Social Security office at 19575 Victor Parkway in Livonia, was accused of attacking a co-worker and sexually assaulting her in December. The woman testified during Perez's preliminary

office and then assaulted her, pulling out her breasts and sucking on them without her permission. She said he also grabbed her

over her clothing. After the assault, the victim ran out of his office and initially did not discuss what had happened with anyone. She later called a friend, who told her to call police. LIVONIA POLICE BRIEFS

Catalytic converter taken

Livonia police were called May 18 to a residence in the 30 700 block of Hathaway on the report of a stolen catalytic converter. The resident parked in front of her residence the night before. When she came out to the car that morning, she found the catalytic converter had been stolen. Police observed scratches in the pavement from the carjack

used and found the converter missing.

Car scratched

A shopper at Menards, 12701 Middlebelt, came to the police station May 17 to report damage to his vehicle. He said he parked in the lot far away from other vehicles because it was new. When he came out of the store, he discovered scratches around the left wheel. It appeared the damage may have come from a shopping cart.

Vehicle broken into

Police were alerted by a witness near Six Mile and Merriman the afternoon of May 17 regarding a break-in of a vehicle in a condo parking lot in the 28800 block of Five Mile.

When police arrived, they saw the vehicle, which had its doors locked and a window smashed. The in-dash radio was missing.

Angels for Isabelle and Elliott fundraiser

A fundraising event to raise money to cover costs of medical care for two young Plymouth residents — Elliott, age 3, who has autism, and Isabelle, age 2, who has stage 4 cancer and Sotos syndrome — is being held 10 a.m. to 4 p.m. Sunday, June 4, at Summit in the Park in Canton. Tickets are on sale until May 29.

Isabelle is 2 years old, and has already spent over 45 days in the hos pital this year alone fighting cancer. She was diagnosed with a Wilms tumor on her kidney in January 2017. She had the tumor removed as well as her left kidney; however they also found stage 4 cancer in her lungs. She has been undergoing chemotherapy and radiation treatment since then, and will continue treatments until the end of August.

Elliott is about to turn 4, and was diagnosed on the autism spectrum at age 2. He currently attends therapy five days a week, which is very costly even with insur-

This nationwide health and fitness event is held to promote the importance of regular physical activity, and to showcase what local organizations are doing to improve the health and fitness of older adults in their com-

munities. Seniors age 55 and older can enjoy a variety of senior health- and fitness-related activities, including: Health Fair and health screenings from 8:30-10 a.m.; work shops, and fitness class-

Registration fees are \$7 for Summit members, \$8 for Canton residents and \$10 for non-residents. Fee includes boxed lunch, workshops and participant bag.

Morning workshops starting at 10:30 a.m. include: Intro to Beginner Yoga, Fall Prevention 101, and Safe While Out and About.

Afternoon workshops starting at 12:45 p.m. include: Intro to Lyrical Dancing; Cooking with Chef Kristi; and Custom Coasters Make & Take workshop.

This day of events culminates with an Intro to Fitness Gold at 2 p.m. featuring fitness moves for strength, balance and

WAYNE COUNTY EVENTS cardiovascular endurance. Participants interested in attending Canton's National Senior Health and Fitness Day must register by Monday, May 29, by calling the Canton Club 55+ front desk at 734-394-5485. For more information, visit www.cantonfun.org.

Inspectors answer home improvement questions

Inspectors from Can ton's Building and Inspection Services Division will be at Home Depot, at 39825 Ford Road, from 9 a.m. to 3 p.m. Saturday, June 3, to help answer resident questions about home

improvement projects. As a homeowner, you will need to obtain a permit if you are build-ing an addition such as a room or sunroom, making an alteration to your home such as windows, siding or basement remolding, if you're build-ing a shed, detached garage or deck or if you're putting in a pool or installing a sprinkler system. You will also need to obtain a permit if you are adding or altering electrical, plumbing, heating or air condition-

On June 3, there will be Rental, Building, Electrical, Plumbing and HVAC inspectors there to help answer resident questions one-on-one and

they will come equipped with code books and permit applications. This session is free of charge and all residents interested in making their home safe and code compliant are encouraged to

Families Against Narcotics meeting

Northwest Wayne County Families Against Narcotics will hold its monthly meeting at 6:30 p.m. Monday, June 5, at LifeChurch Annex N. Haggerty Road, Can-

ton.
The group will explore how addiction impacts the family.

Family therapist Pat Schafer from Brighton Center for Recovery will discuss "dos and don'ts" of dealing with addiction in the family, and answer all your questions. Codependency and enabling behaviors will be discussed, as well as how to draw the line between helpful behavior supporting recovery and harmful behaviors that can damage the family and perpetuate addic-tion. The group will also hear from Angela Bogota, a young person in long-term recovery from addiction; and Andy Hopson, who struggled with two addicted children and is in recovery

Westland resident lands scholarship

Alliance Catholic Credit Union has recently named Divine Child High School Senior and Westland resident Kelsey O'Brien as a recipient of the 2017 "Melinda Bryant" Scholarship program

O'Brien is known as a tireless volunteer whose smile never fades while working at organizations such as PBJ Outreach and local soup kitchens. She plans to pursue a medical degree and use it to help those in under-developed countries as a member of the Peace

Corps.
"Medial professionals change the world every they develop new technologies, cures to disease and procedures," O'Brien said. "Knowing that I could have the possibility to improve the lives of children, women and men from under-developed coun-

tries fills me with hope." O'Brien attributes her parochial education for her conviction to serve others by extending

charity.
"I have been taught that charity is much more than service or self-sacrifice - charity

is love," she said. "Charity and every lesson I have been taught in high school will help me to positively impact the world, whether the impact be large or small "

O'Brien was awarded \$1,000 that will be applied toward her tuition at Wayne University, where she will be attending next fall.

Alliance Catholic initiated the scholarship program to award educational scholarships to students and families who are committed to making a difference in the lives of others through their service and volunteer work. Applicants were evaluated on merit and a personal essay.

ACADEMIC ACHIEVERS

Hombirg among Citadel graduates

Darren Hombirg of Wayne graduated from The Citadel, The Military College of South Carolina, on May 6. Hombirg earned a bachelor's de gree in Business Administration.

Members of The Citadel Class of 2017 were recognized for excellence in leadership, service and academics at commencement. The South Carolina Corps of Cadets celebrated the graduation of 551 cadets, seven active duty students and 23 veteran students. Of those cadets, 129 were commissioned as officers.

The Citadel with its iconic campus in Charleston, South Carolina, offers a classic military college education for young men and women profoundly focused on leadership excellence and academic distinction. The 2,300 members of the South Carolina Corps of Cadets are not required to serve in the military but about onethird of each class commission as officers in every branch of U.S. military service.

Livonia native receives Doctor of **Pharmacy degree**

Chelsae Heinze from Livonia earned the Doctor of Pharmacy degree from Cedarville University School of Pharmacy on May 6. The 45 doctoral candi-

dates are the second class to graduate from the school of pharmacy, and part of the 796 students receiving degrees at the university's 121st commencement on Saturday, May 6. Last year 48 students earned Doctor of Pharmacy degrees.

Currently there are 290 students enrolled in Cedarville University's doctoral and undergradu-

ate pharmacy programs.
The majority of this year's graduates have already accepted positions as full-time pharmacists, according to a press release.

Located in southwest Ohio. Cedarville University is an accredited, Christ-centered, Baptist institution with an enroll ment of 3,760 undergraduate, graduate and online students in more than 100 areas of study.

Hillsdale graduate

Colleen Coleman graduated from Hillsdale

College at the top of her class, majoring in English with a minor in Latin. At Hillsdale, she belonged to the Catholic Society and the Phi Kappa Phi Interdisciplinary Honorary, played violin, and worked in the president's office as a Winston Churchill Fellow.

Her family lives in Plymouth; Colleen is the

oldest of three children. Coleman is a recipient of the Allison Churchill Fellows Scholarship, the Eleanor Carlson Babcock Scholarship, the George & Ruth Ferguson Scholarship, and the H. K. & Carolyn A. Williams Scholarship.

Next year, Colleen will be teaching at the Trinity School at River Ridge in Eagan, Minnesota.

Garden City grad joins Scholars

Kayla Nicole Cane of Garden City has accepted membership in the National Society of Collegiate Scholars, accord-

ing to a press release. "NSCS is more than just a symbol of academic achievement," NSCS founder and chief exec utive officer Stephen E. Loflin said in a press release. "Membership gives students access to amazing benefits, including career and networking resources, scholarships, travel and service projects both on campus and in the com-

Cane graduated from Garden City High School and will be a junior at Central Michigan University this fall.

NSCS is the nation's only interdisciplinary honors organization for first-year and secondyear college students, the press release says. Membership is by invitation only, based on grade-point average and class standing. NSCS has more than 1 million lifetime members and 300 chapters in all 50 states, Washington, D.C., and Puerto Rico, the organization says.

"Many of my teachers in high school have self-lessly dedicated their time to help me succeed in all of my endeavors,

whether school-related or not. I cannot thank them enough for their unwavering support and encouragement over the years," Kelly Ni of Ply-mouth High School said concerning the support she has received during her high school years

Adjusting to high school by getting involved in clubs, athletics or volunteering is a popular sentiment among the

Top 6 honorees.
"The hardest challenge I found during my high school academic career was balancing my time in order to make sure that I was able to succeed both in school and outside of school, Churchill High School senior Timothy Ohtake

said. "While sports, spending time with friends or earning money at my job was sometimes was more appealing, I always made sure my school work was finished. My family and classmates have been a huge motivation for me. Having support at home and learning companions

in the classroom was critical to my educational development.

Getting involved with service groups and National Honor Society was a key for Plymouth High School senior James Laurer. "NHS introduced me to some of my greatest mentors and to service, something I am now

very passionate about. I feel like getting involved with these activities when I did really helped me to figure out who I wanted to be and started me on the path to get there," he said.

Ladywood valedictori-an Marykate Barnauskas advises younger students to "keep eyes on the prize," something she learned from her mom. "By knowing your goals, you will be able to put the important things first and succeed in achieving your goals. Stay focused and never lose sight of your dreams," she said.

Plymouth senior Rith-vic Jupudi credits Pioneer Middle School science teacher Barb Johnson for jump-starting his interest in learning. "Through her encouraging of me to join the Science Olympiad team, I first gained a true appreciation for knowledge," he said. "Then in high school, one of the most influential teachers who reinforced this in me and helped me grow has been Mr. (Scott) Milam, a chemistry teacher at Plymouth who recently gained the title of Michigan Science Teacher Of The Year.

James Gibbons, in-terim principal at Churchill High School, sums it up nicely when speaking about his students. "All of Churchill's Top 6 academic performers are students in the highly competitive magnet accelerated academic program – MSC (math, science, computer). These MSC students, along with the other MSC students considered for this recognition, are dedicated, hardworking, talented young people of high character. I believe I speak for the entire staff when I say it has been a pleasure working with these fine young men and women. We are very proud."

The academic achievements of all the Top 6 students are impressive. Their accom plishments are astounding. The desire to succeed, get involved and make a difference is truly amazing. We at Hometown Life congratulate all these students, as well as the parents, family, friends and teach ers that have poured into their lives with support, guidance and encourage-

BOYS TRACK AND FIELD

Salem outlasts Chargers to win regional

Second-place Churchill boasts record showings by Allen, Dooley

Tim Smith

From start to finish Friday, Salem's varsity boys track and field team had major momentum and a swagger — the kind that comes with knowing the

territory

The Rocks earned back-to-back Division 1 regional cham-pionships with an impressive 124-point tally on a chilly day and evening at Plymouth-Canton Educational Park. Their closest competitor, Livonia Churchill, registered 87.66 points while Canton came in third with 77 points.

"Our boys just ran and per-

formed really well today," Salem second-year head coach Dale Maskill said. "It started early and they just kept carrying that momentum over and they were just firing each other up. They kept carrying it through every event.
"We had a good start with

the field events and the sprints and right on through to a nice finish with the 4-by-4 (relay). But a big surprise was Sharriff Dyer won the 300 hurdles today; that was the fourth time he ran against (Canton's) Jemal (Vaunado) and he finally beat

Dyer, a junior, won the event with a time of 38.94 sec-

onds, edging Vaunado (39.56). Both will go after each other again at the June 3 state meet in East Kentwood; the top two finishers in each event Friday automatically qualified.

Maskill said Dyer showed a winning brand of determination that helped rack up points

for the Rocks.
"He (Dyer) had a really good leg of the 200 of the 4by-2 and he was warming up for the 300 (hurdles) and he talked to me and told me he felt really good, and he was going to try to win it," Maskill said. "Down the back stretch

The weather changed drastically from Thursday to Friday, going from warm and breezy to chilly and damp.
Yet Livonia Churchill's var-

y girls track and field team had a job to do Friday afternoon and evening at the Division 1 regional hosted at Plymouth-Canton Educational Park.

With senior veterans such as Gabby Swider, Christina Murphy, Takia Bradley and the George sisters leading the way and not letting uncomfortable weather conditions bother them — the Chargers repeated as regional champions, totaling 123.5 points to nip second-place

"I actually do better in the cold so I was happy about that," said Murphy, who was part of the regional champion 4-by-800 relay team along with Kathleen George, senior Megan Gendjar and Swider, which finished in 9 minutes, 36.83 seconds. "The heat in long distance is just not good at

Defending state champion Oak Park won six events and placed second in five others to dominate the 15team Division 1 boys regional held Saturday at North Farmington.

The Knights finished with 145 points, easily sprinting past runner-up Birmingham Seaholm which finished with 71 points despite winning just one event. Farmington Harrison was third with 62 points, followed by Bloomfield Hills Brother Rice (59), West Bloomfield (57) and Livonia Stevenson (55)

championship in the mile run.

Full-circle for new gymnastics coach

Tim Smith

It's like coming home again for Mandy Brown, who is the new Livonia Red girls gymnastics coach.

The 33-year-old Brown grew up in Livonia, went to Churchill High School (where Livonia Red is based) and was a catalyst in the gymnastics program getting launched there during her high school years. Then, she was Mandy Hein.

And now, she is back — this time as the coach instead of as

an athlete. "The reason this position is so exciting is because when I attended Churchill, myself, my twin sister Melanie and our

good friend Michelle all tried to start a high school gymnas-tics team our freshman year," recalled Mandy, in an email to the Observer. "Although we weren't successful, we asked every year after that and finally (before) our senior year (athletic director) Marc Hage had told us if we were to get 100 signatures (of interested gymnasts from Churchill. Stevenson and Franklin) we could develop a team within the three high schools.'

There were many young gymnasts from Livonia who wanted a chance some 15 years ago and now, Brown will guide the current group.

"We were able to get those 100 signatures and our senior year we were part of the first ever Livonia high school gymnastics team," Brown said. "I had always wanted to go back to coach at the school where I had once attended and help start the team."

Brown — who coached the previous seven years at Saline High School — is all pumped up for the new era to begin as she greeted student-athletes and parents during a get-to-knowyou event on Tuesday.

She described the meeting as a chance to informally talk about rules, fundraising, practices and other topics.

"I have a fun yet detailed coaching style," Brown ex-plained. "Most of the girls are coming from a club setting and now looking forward to a more

relaxed type of gymnastics.
"So I want them to have fun but I also am very particular about their form when doing skills, their work ethic, being a team and not divided into

groups or cliques." Brown, who is succeeding Kelly Grodzicki at the helm, said her own high school days were very rewarding.

"At Churchill I was the captain of the cross country, gymnastics and track team my senior year," Brown noted. "I also graduated with the cur-rent Livonia Blue coach Lisa Broomfield so I have been able to stay in touch with her over

the years.
"And now she can help me

all. But for sprinters you want it to be hot, so I feel kind of bad for them.

Murphy also was an automatic qualifier in the two-mile run with her second-place time of 11:24.05. The first- and sec ond-place finishers in each event automatically earned spots at the state meet, set for June 3 in East Kentwood. A number of athletes also made the cut by meeting additional qualifying standards as deter mined by the MHSAA.

Going the distance

Another distance runner who was outstanding was Swid er. She earned regional championships in the 800 and 1,600meter runs with times of 2:20.78 and 5:13.29, respectively. In the latter race, she outdistanced Livonia Franklin sophomore (and automatic state qualifier) Erin Seibert (5:18.03).

Another double winner for the Chargers was Bradley. She finished second both in both hurdles events. In the 100 hurdles, she finished in 15.04, trailing event champion Haven Essien of Salem (15.00).

Bradley's 46.36 in the 300 hurdles only trailed the 45.18 turned in by Wyandotte Roose velt's Kyana Evans.

"She (Swider) actually scored a lot for us in the 800 and 1,600 meters, winning both of those for us," Churchill firstyear head coach Bruce Rivera said. "Our other senior point collector was Takia Bradley. All season long just very, very tough in the hurdles and the 200 (dash) and she anchors that 4-by-4 for us as well.

"But our distance crew, collectively, Gabby Swider's kind of at the head of that with the (800) and the (mile). Christina Murphy and Kathleen George, the George girls, Caro-line (George) as well. They're going to be tough to replace next year, big time.

Rivera said his team will have a "nice representation" going to East Kentwood.

'We won the pole vault today, I can't forget about my pole vaulters," Rivera said. "In fact, two girls qualified for the pole vault, both PRing here today with these conditions. that was Cathleen Visscher and Natalie Yurgil."

He added that his team gutted it out under tough conditions to get past formidable opponents such as Plymouth and Salem (third, 96 points).

"A very nice surprise, I couldn't be more proud of the girls, how they all ran and com-peted," Rivera said. "And we came away with one, for sure Plymouth was on our heels and Salem was there until the last couple events. Hats off to them as well."

Still a good day

Veteran Plymouth head coach Ricky Styes, who also will accompany a nice group up to the state meet, pointed to Churchill's strength in distance events as a key reason his team came up just short in the team standings

"That's where they (Churchill) got us today, they scored a lot of points in the distance and we tried to make it up in the sprints," Styes said. They've got a good hurdler, Takia Bradley, good kids in the

"(Senior) Annie Bonds, our best distance runner, ran 14 seconds faster than she has all year (third in the 3,200 run, 11:30.80). She ran phenome nally, but it's they got a lot of depth.

The Wildcats qualified in the 400- and 800-meter relays, however. In the 4-by-100, Erin Bradley, Paige Sanders, Delia Brennan and Reghan Draper finished second (50.29) while the combo of Sanders, Faith Washington, Reghan Draper and Ryen Draper won the 800 relay (1:42.37).

In the latter race, Salem's Avanda Brydie, Madeline Ker-

nahan, Lauren Ogarek and Haven Essien also qualified with a second-place finish of 1:46.72.

Ryen Draper, a senior, earned the No. 1 spot in the 400 dash with a time of 56.23; she placed second in the 200 dash behind event champion Anavia Battle of Wayne Memorial. Battle won with a 24.30 time while Draper finished in 24.88.

Double winner

Battle was a double regional champ, also winning in the 100 dash — with her 11.91 time outpacing Canton sophomore Jada Sabir's 12.32.

Field events also vielded several state qualifiers for Plymouth.

Leading the way was freshman high jumper Kennedy Chastang, who jumped 5-feet

"She (Chastang) did a great job, she's been improving all year," Styes said, "Long jumper Paige Sanders jumped 16-11, hit the qualifying mark. It was her first big jump in a big meet and

she stepped up.
"Our two pole vaulters, Nat-alie Janke and Emily Caragay, have been really solid vaulters for us. Both hit the qualifying mark of 10-3 in jumps and both had really good days.

Also qualifying for states was Canton's 1,600-meter relay team of Ryan Sparks, Sabir, Carmen Bruchnak and Donae Adams. That quartet came in second with a time of 4;07.67

Other regional champions included Salem junior Essien in the 100 hurdles (15.00) and Churchill sophomore Visscher in the pole vault (11-0).

Earning spots as secondplace finishers were Canton's Sabir (100 dash, 12.32) and Bruchnak (800 run, 2:23.79), Franklin's Seibert (1,600 run, 5:18.03), Churchill's Murphy (3,200 run, 11:24.05) and Bradley (100 hurdles, 15.04; 300 hurdles, 46.36), Canton's Sparks (high jump, 5-0), Plymouth's

Caragay (pole vault, 11-0), Franklin senior Mikaela Hille long jump, 17-2), Salem's Lyniah Wilson (shot put, 36-2.5) and John Glenn's Vanessa Romero (discus, 105-1).

"In the 100 dash it (cold, brisk weather) helped us a ton, we broke the school record, we had a nice tailwind." McLellan said. "But in some of the other events, we saw it affect our 4-by-2. We thought we were going to get through on time today and definitely we were a little off.

.. But there are a lot of kids from different schools maybe not turning the times they were expecting. But it's track, everybody gets the condition and you just got to fight for those spots."

The wind helped Churchill long jumper Martell Dooley set a new mark in that event with a 21-10.5 and "we had another long jumper get through into states (Evan Cummins), he jumped the qualifi-McLellan added.

Salem's Mason Phillips (right) closes out the hotly contested 200-meter dash during Friday's D1 regional. Phillips won the race in 22.09 seconds, edging Livonia Franklin's Brandon Smiley (center) and Garden City's Eian Castonguay (left), who finished in 22.22 and 22.27 seconds, respectively.

"but we scored in virtually

every place we felt we could. "The last race, the 4-by-4 relay, it came down second week in a row where we came up against Churchill and beat them," Shough said. "So we're regional champs in that one. Jemal Vaunado was outstanding again, he placed in the state in three events. Both hurdles and the 4-by-4 relay. We were

very close in a lot of races. Vaunado anchored the champion relay team, which also included Dirk Thornhill. Caleb Moraw and freshman Srikar Komanduri

Senior Andrew Koenigsknecht and junior Chuck Carey went 1-2 in the pole vault with respective marks of 13-0

"I was proud of the whole

team," Shough said. "When you score 77 points that's good against this type of competition. We battled all season. This was a great accomplishment for them."

Other regional champions were Plymouth's Connor Bush (high jump, 6-3) and Churchill's Dobar (800 run, 2:00.03).

Also going to the state meet, thanks to finishing second in their respective events, were Livonia Franklin senior sprinter Brandon Smiley (22.22 seconds), Westland John Glenn sophomore Jared Tarrance (50̂.38 in the 400 dash), Churchill's LaFave in the 800 run (2:01.12) and Franklin senior Bobby Madley (51-10 in the shot put).

Plymouth junior Ethan Byrnes was a double qualifier, going both in the mile and two-mile runs with respective times of 4:25.74 and 9:31.86.

Oak Park proves too tough to catch

Stevenson finishes ninth at North Farmington-hosted regional

Marty Budner

Entering Saturday's Division 1 track & field girls re gional meet at North Farmington, it was pretty much a given three-time defending state champion Oak Park would run away from the competition. The real race would be for second place.

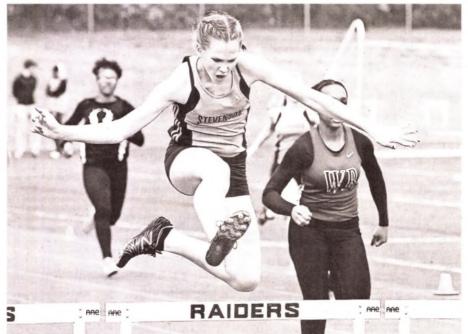

Birmingham Seaholm won that battle.

The Knights did rule the regional, winning nine of the 17 events en route to 122 points. The Maples were 36 points behind in second place with 86. Detroit Renaissance was third with 55 points, followed by Farmington (47) and North Farmington (42).

In ninth place with 28 points was Livonia Stevenson. The Spartans' bright spots for the day included freshman pole vaulter Kyria Gowman (first with a mark of 8-3) and the 4-by-800 meter relay team of Lexi Jenkins, Gracie Droz, Kylie Callison and Emily Lau-zon (automatically qualifying with a second-place time of 9:38.37).

Seaholm showed strength with its veteran distance runners and its fleet of young

field-event standouts. In the 3,200-meter run, for instance, the Maples took three

of the top four spots.

Senior veteran Audrey Ladd led the long-distance race with a winning time of 10:44.78, topping Farmington's Abby Inch who was runner-up in 11:04.27. Maple juniors Rachel McCardell (11:06.75) and Emily Rooney (11:16.47) were the next two runners across the finish

It is Ladd's second state qualifying berth as she went as a sophomore but did not go last year because of an injury.

"I felt really good about today," Ladd said. "I knew there wasn't going to be a big clump of girls at the front, but I still wanted to get a good

time. So, having a good time by myself was a big confidence booster. I felt really strong."

Farmington's Inch measures up

Farmington's Inch, a sophomore, was satisfied to finish among the pack of Seaholm runners and earn a second

straight state-qualifying berth.

(Seaholm's) Audrey (Ladd) went out there pretty fast and she got out hard," said Inch, whose personal record is 10:51. 'It was a tough race. I was by myself for a long time which, ideally, is not the way you want to run the two-mile. It was a good race. It was a good opportunity to learn how to learn how to push myself by myself."

Farmington also did well in

the field events. Senior Morgan Murphy won the high jump in 5-feet-6, defeating Mercy's Arianna Allman who was runner-up in 5-3. In the shot put, junior Micayla Martin was second with a toss of 34-11.75. Harrison sophomore Ti VanHorn was third in

Farmington's 4x100-meter relay foursome of freshman Kylie McKinney, junior Jaila Brooks, Janay Pope and senior Akili Echols was third in 50.04.

North Farmington received big points from senior Raven Tatum (third in the 200), senior A'Jani Wililams (third in the 400) and the 4X200 meter relay team (Williams, Cleaver, Crockett and Tatum) which

finished second in 1:44.54. Oak Park seniors Tamea McKelvy (100, 200) and Carlita Taylor (100 and 300 hurldes) were each double winners. The Knights also won three relays.

The top two placers in each event earned the automatic state-qualifying berths to the Division 1 state meet set for June 3 at East Kentwood.

Farmington Mercy finished with five flight champions to easily win Friday's Division 1 girls tennis regional tourna-ment hosted by Livonia Steven-

The Marlins posted 29 points to outdistance the host Spartans, who had just one flight champion, but still registered 23 points to finish second. Livo nia Churchill (16) and Livonia Franklin (13) were the next two

highest scoring squads.

Mercy and Stevenson are now qualified for the state championship tournament scheduled for June 2-3 at the Greater Midland Tennis Center

Mercy was the top seed in all four doubles flights and defeated Stevenson — seeded second —in each head-to-head matchup in straight sets

The No. 1 Marlin duo of senior Carly Demkowicz and junior Abby Bush defeated Stevenson's team of junior Natalia Roznowski and senior Allison Malkowski, 6-1, 6-3. The closest match was at No. 3 flight where the Mercy team of freshman Alivia Callaghan and Ashley D'Souza derailed the Spartans due of sophomore Shannon Ward and freshman Jillian Cormier, 6-5, 6-3.

Mercy's other doubles winners were the teams of senior Emmie McCann and freshman Amanda Herdoiza (No. 2) and weele and Maggie Ewald (No. 4) who lost just three games

The lone singles champion for Mercy senior senior Nicole Meek who defeated Stevenson senior Natalie Hay, 6-4, 6-1, at No. 4 flight.

Stevenson's flight winner was senior Molly Cormier who captured the No. 3 flight singles crown with a victory over Mercy junior Krissy Jackson. Cormier, the second seed, won when Jackson was forced to

At No. 1 flight, junior Kaitlyn Rogosch lived up to her topseeded billing with a hardearned victory over Mercy sophomore Natalie Zielenski. At No. 2 singles, Churchill freshman Allison McConnell was seeded second but upset Mercy's top-seeded sophomore Jacquelline Hijaouy in the final match without losing a game,

Dearborn scored seven points to place fifth and Woodhaven tallied five points to take sixth. Dearborn Fordson, John Glenn and Wayne went score less in the nine-team regional.

"We did a lot better than I thought we were going to do at the beginning of the meet," Harrison coach Steve Gallero said. "We ended up with a few state qualifiers. We did all right and I'm satisfied with the way things went today."

Livonia Stevenson did have a major bright spot in senior Ian Knoph. He won the regional championship in the high jump with a mark of 6-9 to set a new school record in the proc-

Also qualifying from the Spartans were junior Collin Bowersox and senior Logan Delonis, who finished 1-2 in the pole vault with respective marks of 12-6

Seaholm's lone champi-on was junior Ben Barton who won the 300-meter hurdles in a time of 40.10, edging Oak Park senior Dewan Hawthorne who was a runner-up in a time of 40.46. Stevenson freshman Jake Kaupp was third in that event in 41.79.

In other O&E results, Birmingham Groves was 10th (26 points), Redford Thurston 12th (13) and North Farmington (13th).

The top two finishers in each event are automatically qualified for the Division 1 state meet set for June 3 at East Kentwood.

The Mustangs then played a pair of non-conference games defeating White Lake Lake Lakeland in the opener, 7-0, before falling to West Bloomfield, 5-2, in the round-robin format which also featured Novi.

The event also included a 5K run-walk along with ceremonies honoring the country's armed forces.

"It's truly an honor to be able to use baseball as a way to pay tribute to all of the men and women, both past and present, who have given so much to our great nation," Northville coach John Kostrzewa said. Coach (Bill) Flohr and our Armed Forces Day committee did an outstanding job organizing and facilitating all of the days events."

Ryan Pumper pitched six strong innings allowing just two hits and two walks while striking out six. Connor Ziparo pitched a scoreless seventh to preserve the save in the Northville triumph over Lakeland.

Nick Prystash paced Northville's offense going 3-for-3 with a double, two RBI and two runs scored. Billy Flohr also went 2-for-3 with two RBI, while Jack Sargent was 2-for-3 with an RBI.

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can

figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the
