Trial date set for man in son's killing

Wayne resident charged with murder and child abuse

David Veselenak

The man accused of killing his young son last year is scheduled to go before a jury trial later this year. Marc Minter, 30, of Wayne has a jury trial scheduled for Dec. 5 jury trial before Judge

Mark Slavens in Wayne County Circuit Court in downtown Detroit. He's charged with felony murder and two counts of child abuse after an investigation by police led them to believe he killed his 2-year-old son Christian and broke the legs of his infant daughter. A final conference in the

case is scheduled to take place Oct. 25, according to online court records.

Minter was charged earlier this summer after a lengthy investigation by Wayne police into the child's death. Police were originally called to the 4500 block of

Minter

Williams last October on the report of a child that was not breathing. After a lengthy investigation, it was determined the child's death was a homicide and arrested Minter as the suspect.

A medical examiner testified during Minter's preliminary examination last month that the boy sustained an injury to his back two weeks before he died, as well as an-

other due to blunt force trauma to his back just hours before his death. That was determined to be the cause of death. Minter remains locked up in the Wayne County Jail, remanded without bond. If convicted, he faces up to life in prison.

Local film 'Kid Brother' premieres at State Wayne

LeAnne Rogers

A locally-produced movie with a focus on family relations, premiering with a fundraiser to benefit a program helping high school students achieve — seems like a perfect match.

The film "Kid Brother" was written and produced by a pair of area brothers, Bryce and Devin Cameron, the latter also taking on the directing duties. The recent premiere at the State Wayne Theater, red carpet and all, was a benefit for the Champions of Wayne program.

"We started writing it about a year and a half ago. It was

five months from writing to production. It was breakneck speed, so we do it before we realized we couldn't do, so we wouldn't get scared," said Devin Cameron, who moved from Dearborn to Commerce Township, where he attended Walled Lake Central High School.

The movie follows a younger brother, played by Peter Herold of Ann Arbor, who disrupts the life of his sullen janitor brother who is played by WJBK-TV (Channel 2) weatherman Alan Longstreet, as he looks for help in reconnecting with their father. Lake Orion resident Tonya Hawkins

Local student works at elephant preserve in Thailand

Kaitlyn Bunde, 21, of Westland spent two weeks this summer in Thailand, helping animals and learning hands-on what it's like to be a veterinarian. Traveling with study-abroad organization Loop Abroad, Bunde was selected as part of a small team that volunteered giving care at a dog shelter and spent a week working directly with rescued elephants at an elephant sanctuary.

Bunde is a senior at Michigan State University, majoring in pre-veterinary animal science.

The Veterinary Service program brings students to Thailand for two weeks to volunteer alongside veterinarians from the U.S. and Thailand. For one week, Bunde and her team volunteered at the Elephant Nature Park in northern Thailand to work with the giant animals and learn about animal rescue and conservation on a larger scale. The Elephant Nature Park is home to more than 60 elephants which have been rescued from trekking, logging or forced breeding programs. Many of them had been abused and suffer from chronic injuries or blindness.

At the Elephant Nature Park, they are cared for by volunteers from all over the world. Bunde helped to feed, bathe and care for them, as well as learn about their diagnoses alongside an elephant vet. The Elephant Nature Park is also home to more than 1,000 animals, including cats, dogs, water buffalo, horses and cows, and is sustained in huge part by the work of weekly volunteers like Bunde.

For the other week, Bunde volunteered at the Animal

land's elephants was as challenging as it was enlightening, because medical customs are so different in Thailand. It was difficult being, like, "Oh, I would do this or that" because it was just

not how they do things around there. It was interesting to observe these differences and learn to adapt."

While she studied under the veterinarians leading her group, Bunde and her team made a difference in the lives of these dogs. By providing checkups and cleanings, diagnosing and treating ear and eye problems, taking and testing blood, administering vaccines, cleaning and treating wounds and helping with sterilization surgeries, the students were able to help support the health and well-being of these dogs.

Loop Abroad has animal science and veterinary programs for students and young adults ages 14-30 and offers financial aid and fundraising help. Interested participants can inquire or apply at www.LoopAbroad.com. Admission to veterinary programs is selective and Bunde was selected based on her transcript, admissions essay and professional references.

plays a woman who further complicates the big brother's life. The film was made with a \$20,000 budget.

"We used a very tal-

ented casting director to cast the film. We cast the younger brother with a talented actor who could no longer do the film," Bryce Cameron said. "We called a friend who is in film and he had Peter's contact information in one hour. We got very lucky."

The Cameron brothers had known Cory Jacobson, owner of the Phoenix Theaters including the State Wayne, since 1998 — they used to work for him when they were all employed by United Artist Theaters. For Jacobson, it seemed a natural fit to premiere the movie locally and continue with future showings.

"They screened a rough cut. It's their first movie. I was really impressed and got very enthusiastic. It's important to support local efforts," Jacobson said. "It's an incredibly creative thing to do — come up with the concept, writing the story and finding the actors."

An upstairs area at the State Wayne was used as a set in "Kid Brother" and the mural on the theater wall makes an appearance. A non-public area at Livonia's Laurel Park mall — where Jacobson has a theater — was used for a police station set.

"I was involved (in the film) on the periphery. I had experienced my dreams of owning movie theaters; (the Cameron brothers') dream was

making a movie," Jacobson said. "Just looking at the work they have done, it was fantastic. All the local talent, the solid acting. I was truly impressed by that on the screen."

Champions of Wayne, a program for students that involves adult mentoring, customized academic goals and financial incentives at Wayne Memorial High School, was the charity benefactor of the premiere.

"It's wonderful, such a great program," said Richard Helleppie, an entrepreneur, philanthropist and 1974 Wayne Memorial High School grad who has funded the Champions program since 2009.

The movie premiere drew about 100 people, but noting it was organized with 10 days notice, Helleppie was pleased with the turnout.

Additional showings of "Kid Brother" are scheduled at the Phoenix Theatres Laurel Park in Livonia and, at the end of the month, at Phoenix Theatres Mall of Monroe.

Race to replace Trott begins taking shape

Todd Spangler
Detroit Free Press

The race to replace U.S. Rep. Dave Trott, R-Birmingham, in Congress in 2019 got a lot clearer Monday as two Republicans entered the field.

Businesswoman Lena Epstein of Bloomfield Hills — who co-chaired President Donald Trump's campaign in Michigan last year — said she will run for the seat, abandoning a four-month-old bid for the U.S. Senate next year.

"I cannot ignore the requests from supporters, grassroots Republicans and business leaders from throughout southeast Michigan who want to be sure that Republicans nominate the strongest possible candidate to hold this congressional seat," Epstein said in a campaign statement.

Her announcement came just hours after former state Rep. Andrew (Rocky) Raczkowski of Troy tossed his hat in the ring to replace Trott, chiding those who were not more upfront about their aspirations regarding it.

"The younger version of me would have sent some post/email full of

Lena Epstein greets Donald Trump during a campaign stop in 2016.

political platitudes and statements which would leave everyone guessing about my intentions," Raczkowski said. "I'm running and we're going to win. Period."

The entry of Epstein and Raczkowski suggests the field to replace Trott in the Republican-leaning 11th District — which includes parts of Oakland and western Wayne counties — could be large. State Sen. Marty Knollenberg, R-Troy, and state Rep. Laura Cox, R-Livonia, are also considering getting into the race.

Trott, a wealthy lawyer and businessman, rocked Michigan's political establishment a week ago when he confirmed rumors that he was considering stepping down after just a pair two-year terms in Congress, saying he wanted to spend more time with his family and return to private life.

His announcement, however, came at a time when several other more-moderate Republicans seemed to be announcing their impending departures from Congress, suggesting that Trump's

poor approval numbers across the U.S. may endanger some seats that have been considered relatively safe in the past.

The Cook Political Report, which handicaps races, called the Michigan 11th a toss-up following the announcement that Trott — who will serve out the remainder of his term — will not run again.

Meanwhile, Epstein's departure from the race against U.S. Sen. Debbie Stabenow, D-Mich., deprives Republicans of a candidate who could have self-funded her own campaign to a large de-

gree. Of the \$460,000 in receipts she reported at the end of June, \$250,000 were in loans she made to her own campaign.

Epstein's departure means former state Supreme Court Justice Bob Young remains the highest-profile Republican in the race to challenge Stabenow, who is running for a fourth six-year term.

John James, a Detroit businessman and Iraq War veteran, is considering getting into the race as is Robert Ritchie — the musician the world knows as Kid Rock — who as recently as last week said he has not yet

made up his mind about whether to run, even though he has authorized the sale of T-shirts saying "Kid Rock for U.S. Senate."

Epstein's campaign is linked with John Yob, a well-known west Michigan political strategist who last year helped elected U.S. Rep. Jack Bergman, R-Watermeet, and had a role in both Trott's election and, before him, the election of U.S. Rep. Kerry Benivolio, R-Milford, who won after former U.S. Rep. Thad McCotter stepped down.

Running as Democrats for the seat are Haley Stevens, the former chief of staff to former President Barack Obama's auto task force, and Fayrouz Saad, who worked for the Department of Homeland Security and as director of Detroit Mayor Mike Duggan's Office of Immigrant Affairs. Several others are considering getting into the race as well.

Epstein's campaign, in its statement Monday, said funds raised for her Senate bid will be transferred to her congressional campaign according to Federal Election Commission rules.

Jazz on the Avenue fundraiser will return to downtown Wayne

The Harvey Reed Jazz Quartet will perform at the Wayne Main Street's annual Jazz on the Avenue fundraiser scheduled for 7-11 p.m. Thursday, Sept. 28.

Jazz on the Avenue will be held at the historic Standard Federal building, 35150 W. Michigan Avenue, in downtown Wayne. The evening will

feature live jazz music, complimentary bar, a curated silent auction and appetizer stations sponsored by Wayne-area restaurants. This event is Wayne Main Street's signature fundraiser and enables the organization to continue its mission of building a revitalized and vibrant downtown Wayne.

The Harvey Reed Jazz Quartet is one of Detroit's premier jazz bands. The group focuses on celebrating the jazz-pop area by performing standards popularized by Frank Sinatra, Lena Horn, Ella Fitzgerald, Dean Martin and Mel Torme. The quartet has performed at various renowned Detroit jazz

venues, including Baker's Keyboard Lounge, the Detroit Institute of Arts and the Kerrytown Concert House. The band has also been featured on the WJBK-TV (Channel 2) morning program.

"We are so excited about this year's entertainment. The Harvey Reed Quartet will bring a whole new dynamic to

this event," Wayne Main Street board member Breeda O'Leary Holder said.

This year's sponsors include building owner P.D. Dandnaik, the Wayne Downtown Development Authority, Jack Demmer Ford, Titos Vodka and the United Auto Workers-Local 900. "Our corporate part-

ners are key to the success of this important event and we want to thank all of our sponsors for their continued support," Wayne Main Street executive director Maxwell Cameron said.

Tickets to Jazz on the Avenue 2017 are \$35 in advance and are available online at downtownwayne.org/jazz.

Veterans benefit from foundation summit

Brad Kadrich
hometownlife.com

Veterans in this country, including those in western Wayne County, face a variety of issues.

Officials with the Canton Community Foundation understand that and have for years offered help.

This year was no different, as veterans and representatives from a variety of assisting agencies converged on Madonna University for the 2017 CCF Veterans Summit, hosted each September for the benefit of local veterans.

Experts brought in by the foundation help veterans understand benefits for which they may be eligible through Veterans Affairs.

This year's Summit, held Sept. 13, included representatives from:

- » The VA Medical Centers of both Detroit and Ann Arbor.
- » Freedom Center, whose mission is to provide a "welcome and friendly respite" to traveling military members, veterans and their families.
- » Fisher House, best known for a network of comfort homes where military and veterans' families can stay at no cost while a loved one is

receiving treatment.

» Stiggy's Dogs, an organization that rescues and trains shelter dogs to be psychiatric service dogs for military veterans living with post-traumatic stress disorder or traumatic brain injury.

Protecting your identity is your own responsibility

It seems over the last few weeks, we've been hit with one disaster after another. First, it was Hurricane Harvey in Houston, then Hurricane Irma in Florida and now, the latest disaster, the massive data breach at Equifax. When Mother Nature strikes, there is very little that we can do to protect ourselves. That's not necessarily the case when the disaster is man-made. I don't mean to suggest that you can 100-percent protect yourself from identity theft, because you can't. There are steps you can take that will make it more difficult for someone to steal your identity and to lessen the effect.

Unfortunately, data breaches are no longer rare, but rather, the norm. The year 2016 was a record one for identity thefts and 2017 will be another record-breaking year. According to a report, for the first half of 2017, identity thefts were up 29 percent from the same period last year. Through August this year, there have been 975 reported data breaches,

which have affected tens of millions of people — and that is before the Equifax data breach that affected more than 140 million people. When you look at the numbers, it is startling: there have been over three data breaches per day this year. The bottom line — we have a major problem and it's not going away anytime soon.

I don't know why the government or corporate America cannot solve the problem. It is obvious that either they can't or won't. Either way, you and I must accept the reality that we are the last line of defense and that there are steps that we must take to protect ourselves. Here are some of my recommendations of things that you should do. They are not 100-percent effective, but they will help prevent you from being victimized.

It is about time for you to be smart about your passwords. You can't use the same password on all your accounts and you can't make your passwords so obvious that they are easy to figure out. In 2016, the most popular password was 123456. Passwords like this are easy for the crooks to crack. You must have passwords that contain numbers and characters and that are difficult to breach. In addition, you must regularly and routinely change your passwords.

It is important to protect your sensitive information. Just because someone asks you for your Social Security number doesn't mean you must give it. When someone asks for my Social Security number, my immediate answer is no. I will only give it if they give me a good reason they need it. This doesn't make me very popular at places like doctor's offices, but I don't care and neither should you. Protecting your identity is serious

It is important to protect your sensitive information. ... your identity is serious and you need to recognize that.

and you need to recognize that.

Many places now offer a two-step verification process where, in order to log in to your account, you must enter a code that was sent to you either by cellphone or email. I recommend that you sign up for these services. Yes, it does make logging in a little more of a hassle. But what it also does is make it much more difficult for the crooks. It's worth a little bit of a hassle to keep the crooks away.

It's important you monitor all your financial accounts for fraud. If your bank or credit card issuer offers text or email alerts, take advantage of them. The sooner you can identify a fraudulent use of your credit card, the better. Lastly — and it does

deserve repeating — do not transact business over unsecured Wi-Fi. When you use an unsecured Wi-Fi, you're giving the thieves and lowlifes an invitation into your computer.

I recognize that the steps I have mentioned are not going to make your life easier and, in

fact, they'll make things a little more difficult. I can assure you that it is not as difficult as what you have to go through if your identity is stolen. The reality of the situation is we have to protect ourselves. If you turn a blind eye to identity theft and data breaches, you do so at your own peril. Good luck!

Former pastor accused of stealing from Resurrection Parish

The Rev. Eugene Katcher, former pastor of Resurrection Parish in Canton, has been charged by the Wayne County Prosecutor's Office with three counts of larceny in a building.

Katcher, 71, was arraigned Aug. 31 before Judge Ronald Lowe in 35th District Court in Plymouth. A probable cause conference is set for 8:30 a.m. Friday, Sept. 8, before Judge James

Plakas, while the preliminary exam is set for 8:30 a.m. Friday, Sept. 15, before Judge Michael Gerou, also in 35th District Court.

Katcher received a personal bond.

The charges, felonies carrying a maximum

Katcher

penalty of up to four years in prison, stem from a preliminary investigation begun by the Archdiocese of Detroit in the spring, after an allegation was made against Katcher.

After uncovering evidence of possible improper activity, archdiocese officials contacted civil authorities for further investigation. According to a release from the archdiocese,

Katcher allegedly stole money and numerous items of property from the parish.

Having reached what the archdiocese calls senior priest status, Katcher retired, as had been previously scheduled, in July. Following his arrest, he was restricted from public ministry, meaning he may not celebrate Mass or the sacraments in a church setting, may not

wear a Roman collar or present himself as a priest and he is not allowed on parish property at Resurrection.

In its release, church officials said the archdiocese "takes seriously every allegation involving inappropriate conduct of clergy, church personnel or volunteers." It is the policy of the archdiocese to conduct a financial audit of parishes every three years.

Additionally, each parish is required to have a finance council, led by parishioners, that assists and advises the pastor in oversight and control of parish financial affairs.

Parish employees, parishioners, volunteers, vendors and other parties can report confidentially any concerns related to financial matters to EthicsPoint, an independent, third-party company, at 855-234-9774.

Rocks' attack hits wall in second half as Chiefs turn close game into 45-14 rout

The Salem Rocks stormed out onto the football field Friday, stoked to have a chance to get after campus rival Canton after a five-year hiatus.

But 48 minutes and 45 Canton points later, it was the Chiefs doing the celebrating at Plymouth-Canton Educational Park, hoisting their helmets after their 45-14 victory over the Rocks.

Canton (3-1) outscored Salem 22-0 in the second half, as the Rocks could not move the chains even once. Conversely, the Chiefs displayed a business-like offense with consistent running from senior backs Steven Walker (15 rushes, 132 yards, three TDs) and Colin

Troup (22 rushes 151 yards, two TDs).

"I feed off (Troup's) energy, he feeds off mine," Walker

said. "Every time I get yards, he gets yards. We keep going, 4

Victories have been hard to come by so far this season for the South Lyon varsity football team, but even a 0-4 start couldn't dampen the mood Saturday morning as everybody came away the winner during the fourth annual Victory Day.

Lions varsity players, along with their coaches, hosted 30 special-needs students from the school district.

And the weather couldn't

have been any more cooperative after three straight soggy years.

"First of all, it was the first year it didn't rain," South Lyon head football coach Jeff Henson said. "The sun was shining and it was 80 degrees."

South Lyon players and coaching staff ran participants through a series of drills to get a taste of the whole high school football experience.

Churchill's defense, fast start stymie Franklin

Brad Emons
hometownlife.com

The game started 13 minutes late because of some pregame festivities, but when the kickoff finally commenced, host Livonia Churchill was more than ready.

The Chargers played a near flawless first quarter, going up 17-0, and never looked back en route to a

24-10 KLAAs Gold Division win over rival Livonia Franklin.

Drew Alsobrooks threw a 12-yard touchdown pass to Tyrese Williams with 7:22 in the opening quarter. Alsobrooks also booted a 42-yard field goal to make it 10-0.

And on the first play of the second quarter, Darrell Mason Jr. ran in 4 yards for another Chur-

chill TD to give the Chargers a 17-point cushion.

Mason, who was injured in Week 2 during a 34-14 win over Northville, missed last week's game with an ankle issue in a 21-9 loss against Livonia Stevenson.

"Darrell is explosive and he was even sick early in the week, so he hasn't practiced much," Churchill coach Bill DeFillippo said. "He's only been doing half practices when he can. So he came in and gave us a little different explosion, for sure, to help us."

Mason was questionable to go, but did his part with limited carries (14), which also included a 9-yard TD run with 11:09 left in the game to clinch the win.

"It felt pretty good," said Mason, who finished with 70 yards rushing. "Off the injury, I was a little bit iffy on how I was going to play, but actually came out pretty nice. My line did a great job

tonight. They did a great job. There was no doubt about it, I was going to come back this week. I had to."

Here are four other takeaways from the game:

CASE FOR THE DEFENSE

Churchill (3-1, 2-0) limited the Patriots to 192 yards offense. Franklin was 4-of-15 passing for 43 yards and one interception (by Churchill's Avery Grenier, with under a minute left).

"We just practiced hard all week. We knew it was going to be a tough game, but we came out on top," Churchill senior strong safety Jaren Carble said. "We worked hard all week and it showed on the field today."

Franklin's only TD came on the second play of the second period, when Julius Simmons ran 69 yards for a TD. Simmons finished with a game-high 99 yards on

eight carries.

"Our defense was immaculate tonight, except for that one play," Mason said. "You know, we all whiff. Overall, our defense was pretty nice tonight."

FIRING ON ALL CYLINDERS

Alsobrooks was an efficient 14-of-19 passing for 114 yards, including 5-of-7 for 68 yards in the opening quarter. The Chargers got a great diving 28-yard catch from Martell Dooley to set up their first TD.

"I thought we started fast," DeFillippo said. "We were getting stops on defense, changed field position, so we had a couple of short fields. Our offense was mixing it up running (and) pass pretty well. And then when they hit the run, I thought the last seven or eight minutes of the half, we kind of lost momentum a little. They forced us to punt a couple of

times. And then we knew we'd have a challenge. (Franklin) are a tough team and our kids came out and played a great second half as well. Played great on defense tonight."

SHAKY START

The Patriots (2-2, 2-1) had just 13 total yards net in the first 12:04 while falling behind, 17-0.

Coupled with bad field position, the Patriots went three-and-out three straight times and did not pick up a first down until Simmons's 69-yard TD run just 10 seconds into the second quarter.

"Didn't come out and execute right," Franklin coach Chris Kelbert said. "That's on me. I didn't have them ready. Whatever it was, we just weren't ready to play in that first quarter."

The Patriots out-rushed Churchill, 149-110, but came up 14 points short. Franklin did close the gap to 17-10 on Brad

Gibson's 30-yard field goal with 4:23 left in the third quarter, but couldn't generate enough offense on the night.

"We've got a gritty team that won't ever stop playing hard," Kelbert said. "We just went in there at halftime and made it kind of more of attitude adjustment more than anything else, but still didn't play good enough. Offensively we need to be better."

BAND POWER

It was senior night at Churchill and the kickoff was delayed 13 minutes because the senior marching band members were being introduced before the playing of the national anthem.

There was no delay of game penalty assessed to the host Chargers.

Ironically, Churchill's halftime show included the theme song from "Mission Impossible."

Michalak keys Northville's 17-14 win over Glenn

Tom Morelli
Correspondent

Northville quarterback Jonathan Michalak exudes confidence when he's out on the football field.

Playing the most high-profile position in perhaps all of sports doesn't faze the 5-foot-10, 170-pound senior, as he drops back into the pocket and hurls the ball with a vicious spiral that's rivaled only by his pinpoint accuracy.

Such swagger was apparent in the stat line for Michalak, who completed 14-of-24 passes for 189 yards and two touchdowns in the Mustangs' 17-14 victory Friday at Westland John Glenn.

Even after tossing an interception to senior linebacker Hunter Cichockin the fourth quarter, Michalak kept his poise.

This calm demeanor by Michalak worked to Northville's advantage two drives later, as he threw a dump pass in the flats to senior running back Abe Khoury for a 33-yard score with 5:22 remaining to propel the Mustangs (2-2 overall, 1-2 KLAAs Gold) to their first division win.

Such a clutch moment would usually yield much bravado, but Michalak kept his words short and sweet when describing his team's win afterward. "Momentum and con-

Glenn ball carrier Khalil McDaniel (left) tries to break free from a Northville tackler.

trol the game ... that's all we needed," Michalak said.

Pulling off the win took a massive amount of resilience for the Mustangs, who look to ride that momentum into their homecoming game this Friday against Plymouth.

"I felt like we were meaner and nastier," Michalak said. "We played our hearts out this game, which is something we hadn't done yet."

Here are four other takeaways from Friday's game:

MOODY'S MUSINGS

The challenge by senior Jake Moody to break the state record for long-

est field goal will have to be put on hold for another week. Moody made one of two attempts, including a 33-yarder in the second quarter to give Northville the initial lead, 3-0.

Moody showed off his range just before halftime, narrowly missing a 56-yarder in the final minute.

Mustangs coach Matt Ladach is in awe of Moody's ability to connect from anywhere on the field, as his extra points in the second and fourth quarter had enough distance to sail past the soccer nets and

Harrison's big second quarter puts clamps on Seaholm, 49-7

Marty Budner
hometownlife.com

Farmington Harrison charged into Maple Field a bit shorthanded for its OAA White Division battle Friday with Birmingham Seaholm.

The Hawks, playing without six suspended players due to a skirmish the week before against Stoney Creek, still rolled past the host Maples, 49-7.

"It was kind of a surprise, you know?" said veteran Harrison head coach John Herrington, now just two victories away from tying former Brother Rice head coach Al Fracassa as the state's winningest coach.

"I'm very proud of the way they stepped up this week in practice with those guys out. I guess it's the old cliché that we've all heard: the next man in steps in and does the job. All the people who filled in just did great."

"We had a couple guys play a position that they had never played before," he added. "They all did the job."

Harrison scored seven touchdowns for the second straight week and again played with a running clock to lift its overall record to 3-1, including a White Division-leading 3-0 mark.

Seaholm fell to 1-3 overall and 1-2 in the White Division.

Following are five takeaways from the game:

NOT BAD FOR OPENERS

Notre Dame commit Ovie Oghoufo began the game with a bang for Harrison by returning the opening kickoff 90 yards for a touchdown.

Oghoufo also scored on a 5-yard third-quarter touchdown pass. He had a second-quarter TD pass called back because of a penalty.

"Ovie is a play maker and a difference-maker," Herrington said. "He got us started and made a lot of good plays for us. And I thought our quarterback, Noah Hendricks, had his best game."

PIVOTAL SECOND QUARTER

It was a strange second quarter.

Seaholm actually enjoyed more possession time and ran 21 plays to Harrison's 11,

Harrison running back Roderick Heard (right) is chased by Seaholm defender Ben Barton during OAA White Division action. DAN DEAN

but it was the Hawks who did all the scoring to turn a close game into a runaway.

The visiting Hawks registered four touchdowns that quarter, including two in the final 31 seconds.

Hendricks, a senior, tossed a 12-yard touchdown to Moet Andrews and Roderick Heard followed with a pair of touchdown runs from 27 and 3 yards out. It appeared as if the Hawks would take a 28-7 lead into halftime.

Seaholm got the ball back with 25 seconds left in the quarter.

The Maples picked up a first down and had the ball at their own 43-yard line with five seconds left. Seaholm quarterback Joel Mitchell completed a short pass to Vaishnav Siddapureddy whose attempted lateral fell to the ground. Harrison junior Vincent Rawls picked up the loose ball and raced 43 yards into the end zone for the TD as time expired to give his team a 35-7 halftime lead.

LOOKING FOR POSITIVES

Veteran Seaholm head coach Jim DeWald tried to find some positives in the stinging 42-point defeat.

DeWald liked the play of quarterback Mitchell and how he took charge in that punishing second-quarter drive that resulted in the team's only touchdown. He also liked the play of a pair of sophomores — running back Chaz Strecker and defender James DeWald. Strecker finished with 79 yards rushing on 13 carries.

The key for Seaholm was giving up 21 points on turnovers or faulty special teams play.

"We started a couple of sophomores who

played pretty well," DeWald said. "Our quarterback had a good game understanding the game and he had a good second quarter. The thing is, we were behind the eight-ball so much in the second half, we just didn't give him a chance to do anything."

HARRISON OWNS SE-RIES

Farmington Harrison and Seaholm have now played 10 times on the gridiron — seven times during the regular season and three more in the playoffs — and the Hawks have won every single meeting.

Their seven regular-season meetings have all been in OAA White Division action since the Hawks moved into the OAA following its move from the old Western Lake Activities Association in 2002.

The three playoff battles were in 2011, 1997 and 1984.

In the 10 games, Harrison has outscored Seaholm by a 369-93 margin.

JUST THREE WINS AWAY

Herrington, in his 48th season as the only head coach Harrison has ever had, is now just three wins away from becoming state's winningest coach.

Herrington owns 428 career victories and is fast closing in on Fracassa's 430.

Herrington's Hawks will now face the most challenging part of their schedule. Harrison will host Birmingham Groves this week in a pivotal OAA game. After a game against Rochester, the Hawks must battle state power Oak Park. The good thing for Harrison is it will host both Groves and Oak Park in games which figure to decide the OAA White Division title.

Brighton 28, Novi 14

The host Wildcats battled back twice in the first half, but couldn't respond to a pair of second-half Brighton scores. Brighton quarterback Spencer Mykols threw a pair of first-half touchdown passes to Drew Billig, 16 yards in the first quarter and 9 yards in the second. Novi's Sean Gilliam answered each score, running for a 2-yard TD early in the second quarter and then adding a 14-yard scamper late in the half to knot the score at 14-14. Each touchdown capped an 80-yard drive. The Bulldogs (2-2) took the lead for good on Mykols' 1-yard run in the third quarter, before Rudy Ramirez closed the scoring with a 16-yard TD dash in the fourth quarter, followed by his fourth extra point. Plymouth opened the scoring in the first quarter on Zach Beadle's 35-yard touchdown pass to Kyle Aniol. The Zebras gained their only lead late in the half, when Donte Williams completed a 33-yard TD pass to Fred Biles and then Williams ran in the two-point conversion. But the Wildcats answered quickly, as Beadle hit Miller on a 5-yard scoring pass with nine seconds on the clock to send Plymouth into halftime with a 13-8 edge. Miller's 8-yard touchdown run, plus Mike Mathias' second extra point of the game made it 20-8 in the third quarter. Wayne responded with two quick scoring strikes: an 84-yard run by Williams and a 74-yard Williams-to-Reggie Micheaux pass that tied the game. Beadle was 6-of-11 passing for 90 yards. Ashton LeBeau led the Wildcats with nine tackles, including six solo hits. For the Zebras, Williams threw for 187 yards and ran for another 138.

Thornton Cain ran 11 times for 88 yards. He scored on a 48-yard run in the second quarter, courtesy of a strong trap block by Tyrese Taylor. Isaac Grant tallied RU's other two TDs, on scampers of 42 and 52 yards. The Cougars racked up 465 yards total offense, to Northern's 364, to earn a shootout victory. Jake Waranaukas had another big two-way game for East, rushing 30 times for 224 yards and two scores, while adding a third TD on a reception. Waranaukas also chipped in an interception. Northville 17, Westland John Glenn 14

White Lake Lakeland 22, Waterford Kettering 16

The host Eagles (3-1) rallied from a 16-14 halftime deficit to earn a hard-fought victory. The Eagles seemed to be in control early, as quarterback Mitchell Boles hit running back Robbie Tracy for a 59-yard touchdown strike to help Lakeland race to a 14-0 lead. But Kettering took advantage of some big plays – including a blocked punt – to grab a two-point edge at the half. The Eagles' defense began the second half with a key stop and then the offense did its share, marching down the field to set up Dylan Kutzleb's touchdown run. Lakeland travels Friday to South Lyon East, hoping to push its winning streak to four games.

Down by a 10-7 margin to begin the fourth quarter, John Glenn (1-3, 1-2) appeared to be going for a game-tying 22-yard field goal, but opted for the fake instead as running back and holder Matt Nutt (21 carries, 121 yards) circled his way toward the near sideline relatively unscathed for a 5-yard score to put

Junior wide receiver Nick Prystash remained Michalak's main target during the contest, finishing with nine grabs for 115 yards, along with a 5-yard touchdown with 3:24 left in the half to give the Mustangs a 10-7

"Coming off last week, we've been working hard on the offensive and defensive game plan," Prystash said. Meanwhile, senior quarterback Connor Engel orchestrated the offense to a productive night. When he needed to make a big pass, he found targets such as senior Noah Brown (two catches, 53 yards) and senior Danny Lanava, who caught a 22-yard touchdown pass in the third quarter.

"It's crazy, it's a blessing with what our O-line can do," Engel said. "I just got to give it all to them. They put up those 45 points."

Canton head coach Tim Baechler said his defense held Salem's big guns in check except for one big play — senior Andrew Davis scored on a 63-yard TD pass from senior quarterback Ryan Young.

And on offense, the Chiefs put together several long marches that took chunks of time off the clock.

"We wanted to possess the ball," Baechler said. "We thought we could just hammer our double-wing stuff. They were having trouble with it."

"Our defense stepped up in the second half and got a couple stops. We were able to consume the clock and were able to knock a couple in there."

Salem head coach Kurt Britnell, whose team dipped to 2-2, said his players performed better than the final score indicated.

"But it is what is and I don't think the score is any indication of what kind of game it was."

Salem got the ball to start the second half, but Chase Meredith immediately sacked Young to set the tone.

After the Rocks punted, Canton went on a 64-yard drive in nine plays, with Engel connecting with Lanava, who was all alone in the end zone.

That made it 29-14 and the rout was on.

Davis was Salem's biggest offensive contributor, with 163 all-purpose yards. The Rocks' second touchdown was a 3-yard run by senior Cody Tapp.

Kicking a key field goal at the end of the first half was Chase Meredith, to give the Chiefs a 23-14 edge.

Canton also scored on a pair of two-point conversions and a safety.

Following are five takeaways from the Park rivalry contest:

NO TIME TO WASTE

Canton quickly found the Salem end zone near the start of both the first and second quarters, with Walker and Troup both registering a TD run. Troup then scored on a two-point conversion run to put the Chiefs up 20-7 less than two minutes into the second.

ATHLETE OF THE WEEK

Lakeland's Kutzleb earns weekly honor

Brad Emmons
hometownlife.com

Dylan Kutzleb considers himself a car and a boat guy.

And the 5-foot-10, 175-pound senior running back from White Lake Lakeland showed Friday that he has a well-tuned engine, running for a career-high 254 yards on just 14 carries as the host Eagles improved to 2-1 in the Lakes Valley Conference with a 34-14 win over South Lyon.

And for his efforts, which included touchdown runs of 86 and 69 yards, Kutzleb earned

this week's HometownLifeSports.com's Athlete of the Week honors.

"I'm just really humbled that there's 14,000 people out there that even care about this," Kutzleb said. "I'm really surprised that I was even nominated for this award and then to win it means a lot for me."

Kutzleb, who was also a big factor in Lakeland's 29-27 LVC win the previous week against Waterford Mott, believes the seed was planted for his early season success during the off-season.

"It started in early summer," he said. "We started workouts every morning. All the team was there working hard, three hours a day, just getting at it and building

as a team and getting the offense down early."

Kutzleb had a couple of individual goals going into the season that he needed to improve upon.

"Particularly, blocking for me was a big thing that I needed to work on," he said. "but also finding the holes and hitting them with no hesitation was a big thing also."

Kutzleb also excelled in track last spring, when he was runner-up in the long jump at the KLAAs Lakes Conference meet with a personal best 21 feet, 1 1/4 inches. He also placed third at the regional and was a member of the Eagles sprint relay teams.

"For track, I'm looking to make states for the long jump this year," he

said. "Maybe if I can get an offer there from some school, I'd consider that. But mostly, I'm going for education more than sports."

Kutzleb is keeping his options open as far as his future.

"I'm not really looking into football right now," Kutzleb said. "I'm looking into going to Michigan State and pursue an engineering degree."

During his spare time, Kutzleb likes to stay active.

"I like cars and just hanging out with my friends, playing sports, being outside ... fishing, stuff like that, being on the boat," he said.

goals, then each kid got an opportunity to score a touchdown," Henson said.

And the event continues to grow each year.

"We had all kinds of fans in the stands," Henson said. "The energy was great, the attitudes were great. The cheer and pom pom teams were also there to help us. The band played the national anthem for us. It was a really good day."

South Lyon running backs coach Adam Delamiellure, who works for Unilock, helped arrange for his company to sponsor the event.

Each participant received a jersey, a football and a medal.

"It was a great day," South Lyon running back and cornerback Will Kelley said. "You get to help out kids that normally don't get a chance to play football or to get to play in

game like we do. So it's just fun to help them out live out that experience. The most fun part about it was that every kid got to score a touchdown and get that feeling."

All 29 South Lyon varsity football players were there to help coach up the participants.

"With the drills, we just taught them what the coaches taught us, like how to carry the ball, how to tackle, power through everything, wrap up on the bags, scoop and score," Kelley said. "We talked to them after and asked them what was their favorite part about the day."

The event concluded with a cookout for all the participants.

"It was a good experience to help out the kids," Kelley said. "It was just about letting them play football."

The Lions will go after their first triumph Friday, Sept. 22, at home against Milford in a Lakes Valley Conference encounter. Game time is 7 p.m.

and the RU Blue and Gold athletic boosters club also plans on unveiling a sign at the stadium.

"What we're going to do at each home opener for each varsity event, we're having a moment of silence for him," RU athletic director and football coach Miles Tomasaitis said. "His mom (Eleanor Rollin) also turns 100 (Sept. 17), so the family are coming to the game also to kick off the home season."

"Obviously, Jimmy will be missing his first game in a lot of years. They're coming in to try to fill in for him and say thank you (to) the community for the support they've got."

Jimmy would have loved how Friday's game turned out, too. The Panthers blanked Clarenceville by a 33-0 score.

"We've got Jimmy's initials stenciled just outside the playing field," Tomasaitis said. "Blue and Gold (Club) is planning some other things. I'm not sure."

"We have VIP seating for them (family) on the track inside the gates. We're going to play 'Happy Birthday' to Jimmy's mom at the first change of possession. The band's going to play it and we're going to his mom for her 100th birthday."

Even as Rollin neared the end, he had Redford Union and the Blue and Gold Club on his mind.

"Everything he had, his car and everything else, is being donated to the Blue and Gold and to the athletic department," Tomasaitis said.

The family also is asking that donations continue to be donated to the Blue and Gold Club and athletic department.

Giving back

"Jimmy was at everything. You'd look up and he was there," Tomasaitis

said. "The other athletic directors around the conference knew who Jimmy was because he showed up at everything."

"He was at tennis matches, he was at swim meets, football games, basketball games, volleyball, baseball, softball, track. He showed up at everything. Coaches would drive him to games sometimes or he'd ride the bus if an event was farther away."

"You don't see that dedication from alumni over time, that's for sure," Tomasaitis said. "It is (nice to honor him). We're going to miss him. It was a shock to the whole community when

he passed away.

COLLEGE SOFTBALL

Hope springs eternal with All-American Jones on mound

Brad Emons
hometownlife.com

Before she even graduates next spring from Hope College, Sydney Jones is already leaving quite a legacy on the softball diamond.

The 2014 South Lyon East High School grad is coming off an extraordinary junior season, as she earned NCAA Division III first team All-

Jones

America honors from Fastpitch News while leading the Flying Dutch to the regional finals at Wisconsin-Whitewater and claim a share of the Michigan Intercollegiate Athletic Association title with a 13-3 record.

The right-hander, who posted a 17-7 record with a 1.18 earned-run average, also earned all-region honors from the National Fastpitch Coaches Association and was named the MIAA's Most Valuable Pitcher.

Jones set school records with 17 wins, 11 shutouts, 23 starts, 22 complete games and 229 strikeouts in a single season. Her ERA is second-lowest in Flying Dutch history.

Jones became the Flying Dutch's career strikeout leader (482).

She also proved to be a standout defender in the infield, recording a .994 fielding percentage with just one error in 154 chances.

"It was just working hard with my teammates and, really, perfecting my pitching," Jones said. "And it's, really, taking it to that next level to be able to do the kind of things that me and my team did last year."

Hope College coach Mary VandeHoef said there are several reasons for Jones's breakout year.

"It's always great when someone puts a lot of time and energy and hard work into what they do and to see the results on the field," said VandeHoef, whose team finished 27-15 overall last season. "Syd is an incredibly hard worker, takes her position very seriously and works hard ... and so she's gotten better every year."

As a freshman, Jones went 9-3 in 88½ innings with a 1.74 ERA, followed by a sophomore season where she logged 121 innings, going 8-10 with a 2.13 ERA.

"Along with great velocity, she has a really, really good movement on her pitches," VandeHoef said. "She's a pitcher that really commands the inside part of the plate really well, but at the same time this past sea-

son, she really developed her change-up and that became a pitch that took her from her sophomore to her junior year to becoming a pitcher that could throw that change-up in any count."

Jones attributes her success to Hope College pitching coach Jeanette Olinger, whom she affectionately calls "Coach J," along with Wes Strickland, who offers softball instruction out of the Great Lakes Baseball Academy in Canton while she's home during school breaks.

"Coach J has been a great help for me," Jones said. "She's helped me mentally and physically get prepared for everything. She's just been super great."

Jones has a brother (Blake) and a sister (Taylor) who graduated from Hope in 2014 and 2016, respectively. Her younger sister Peyton, a 2016 East grad, is a sophomore who was a member of the Flying Dutch women's basketball JV team last year.

Meanwhile, younger brother Griffin, a sophomore at East, has not committed to Hope just yet.

Jones, who was a Division 2 honorable mention all-state player at East in softball, also played basketball, but decided to concentrate solely on softball once she arrived

in Holland.

"I hadn't seen her throw in games until that summer before she was here," VandeHoef said. "She was definitely a player who was on our radar, but hadn't had the opportunity to see her play. It was a great surprise to see that Syd

would be able to help us and contribute."

Jones, who is majoring in exercise science, is carrying a full 17-credit load this semester and plans to go into the nutritional field following graduation.

"There's a lot to love," Jones said about Hope

College. "The academics are amazing. My professors are amazing. I have met so many great people here and it's just been a blessing to be able to study here while still playing the sport that I love. It's really just been a great experience for me."

The Flying Dutch lose only three players to graduation and the goal for Jones is to earn a trip to the 2018 NCAA Division III national tournament. It's something she believes is within reach.

"Just to take it further and work just as hard, or harder, this off-season," she said. "And to keep pushing my teammates and having them push me so that we can go even farther at the end of the season, so we can make a better postseason run this year."

Earning All-America honors as a junior proved to be icing on the cake and it came as a surprise as she was one of five first team pitchers named and among 15 selections overall.

"I worked really hard for it," Jones said. "I was definitely excited this year. It was really a great thing to share with my teammates and everything because, obviously, I didn't get there alone."

PREP CROSS COUNTRY

Top duo looks to power Patriots, girls also look strong

Tim Smith
hometownlife.com

Livonia Franklin boys cross country coach Pat Koelzer likes the Patriots' blend of experienced as the team looks to compete within a very competitive conference.

"We have a good pack of varsity runners who need to continue moving closer to the front of races for us to do well," Koelzer said.

Leading the Patriots will be senior Grant Rudd and junior Logan Evan-chuk in the top two spots, with senior Jackson Nordbeck, junior Russell Rusnell and junior Andrew Ulaszek pushing them at the front of the pack.

"Grant was a sub-17 minute racer as a sophomore," Koelzer said. "Last year, he dealt with some injury troubles before getting his time back down to 16:42.

"This fall, he has been healthy so far and looks to lead the way for the team and finish his high school career at or below 16:00 and, hopefully, battle for a shot at states."

Evan-chuk (17:20) could push his time under the 17-minute mark, while Nordbeck, Rusnell and Ulaszek "are looking to get under 17:30 as soon as possible so our pack of five can be more competitive in the bigger races."

Koelzer added that the KLAA promises to be a juggernaut again this season, led by Plymouth.

"They look dominant and are likely to be a favorite to win the conference and region," he said. "Northville is usually a top three conference and region opponent. Stevenson, Salem and Novi look like they may also round out the top conference teams.

"Within our division,

other than Plymouth and Salem, Churchill and Canton are also likely to be the toughest teams to face."

Franklin girls

Veteran Livonia Franklin girls cross country coach Dave Bjorklund said the Patriots will be competitive again, even in the new-look KLAA division (which includes Salem).

Four of five top runners from 2016 are back, including junior Erin Seibert

(two-time state qualifier), Emily Esker, Ashley de-Guise and Hailey Kutrukis. Caroline Hardy is a promising newcomer.

"I like the competition we have within the team this year and look forward to see what we can do as the season progresses," Bjorklund said.

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
