Westland police officers visit kids

Children share lunch with cops at Hellenic Center

LeAnne Rogers

USA TODAY NETWORK - MICHIGAN

The children of Ss. Constantine and Helen Greek Orthodox Church in Westland believe in thanking others.

With Thanksgiving approaching, members of the Hope and Joy groups at the church took a chance to say thanks to Westland police officers and share lunch at the Hellenic Cultural Center after church services.

Ages 4-12, the children got a chance to ask the officers questions and learn about their lives outside of work, along with talking about their police duties.

Stopping by a for a visit were Sgt.
Robert Fruit and Community Police and
Neighborhood Resource Officers Rod-

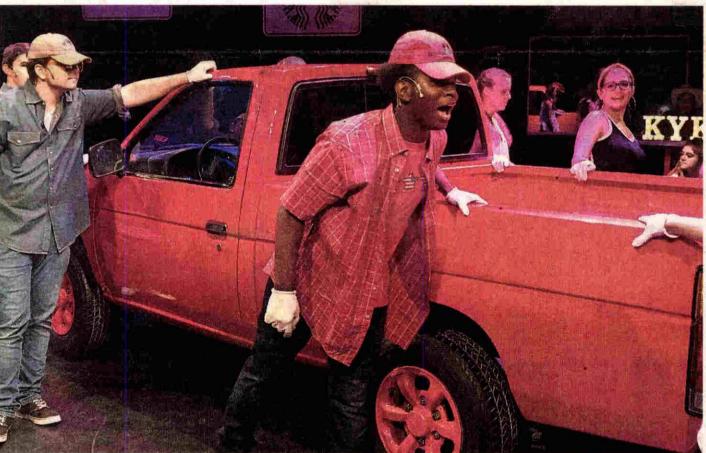

ney Donald and Chaim Kozak. These officers handle a wide variety of assignments, which include bike and foot patrol, youth enforcement, tobacco and alcohol inspections, neighborhood relations and crime suppression.

The star of the day, however, was K-9 Officer Narco, accompanied by his handler, Officer Derek Trosper, Narco is trained in obedience, narcotic searches,

Tickets still available for Churchill play

The Livonia Public Schools district's Creative and Performing Arts program will present a unique theatrical experience for audiences this weekend, as students bring the drama "Hands on a Hard Body" to life in the Churchill High School's intimate Black Box Theater.

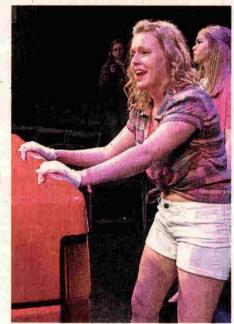

According to director Angie Hillman, the musical will be performed "in the round," with a real pickup truck being the center focus. "Hands on a Hard Body" is based on the true story and documentary about a "hands on a truck" contest that took place in Texas in the late 1990s.

Contestants had to test their will and

stamina to see who could keep their hands placed on a truck for the longest period of time. The production features music written by Trey Anastasio from the jam-band Phish, with lyrics by Amanda Green, and is based on the book by Doug Wright.

Hillman encourages audiences of all ages to join in this fun performance — tickets are still available for the 1 p.m. matinee shows Saturday and Sunday, Nov. 17-18, but they are selling fast.

To order tickets, call 734-744-2650, ext. 76256.

Police are asking for the public's help in identifying a man who barreled a pickup truck into the back yard of a home in Westland, causing property damage, then apparently tried to get into the house before leaving some five

The incident occurred during the early morning hours of Aug. 19 at a home on Van Born, near Inkster Road, according to Westland police.

Security video shows a red Ford F-150 with an extended cab parked in the home's driveway just after 3:30 a.m., police said. After sitting in the driveway for some time, the driver continues into the back yard, striking a parked pickup

with the F-150. Police said the F-150 also damaged the home and the garage.

The driver, the video shows, exits the truck and appears to try to open the back door. He returns to the F-150, which is seen leaving the back yard shortly after 8:30 a.m.

The driver is described as a white male between 25 and 30 years old with tattoos on both arms. He was wearing blue jeans, a white T-shirt and white tennis shoes.

Police are asking that anyone with information about the incident or the driver call police at 734-467-3194.

Hegira Health announces new name

After nearly 50 years and serving hundreds of thousands of metro Detroiters, Hegira Programs Inc. has changed its name to Hegira Health Inc., in order to better reflect its commitment to comprehensive care for residents of Wayne County in all aspects of behavioral and physical health.

Hegira Health Inc. is one of Michigan's largest freestanding integrated, behavioral health care organizations, providing a variety of quality, individualized mental health and substance-use treatment services to Wayne County residents of all income levels and ages, from infants to adults.

Hegira provides services for mental health, substance-use disorders, intellectual and developmental disorders, co-occurring disorders and primary care services at 10 clinics across Wayne County, including in Detroit, Westland, Livonia, Inkster and Canton.

Its staff of 520 psychiatrists, nurse practitioners, physicians, social workers and counselors offers a variety of services, including 24-hour adult crisis care, outpatient services for those with mental illness, suicide prevention and counseling, primary care services for adults, substance-use treatment and prevention and more. In fiscal year

2016-17, Hegira served some 30,000 people, for everything from addiction to toddler mental health services.

"We are very proud of this next phase in our organization's story and look forward to serving even more of our neighbors across Wayne County," said Carol Zuniga, executive director of Hegira Health. "A lot of thought goes into changing the name of an established, strong and proud organization like ours, but we have transformed from an institution offering programs for behavioral health treatment into one that takes a holistic approach to our clients' total well-being. This change is reflected in

our new name and dedicated mission."

The many processes behind the change began last winter, after Hegira's Board of Directors overwhelmingly approved the name change, with the new name now in effect publicly.

"For nearly half a century, we have pledged to meet the diverse health care needs of Wayne County," said Edward Forry, president and CEO of Hegira Health. "Over that time, best practices and the needs placed on our organization have changed, and we have changed with them in order to better meet the challenges faced by those in our community."

Three elected to Clarenceville school board

David Veselenak

hometownlife.com USA TODAY NETWORK — MICHIGAN

What originally was a race with too few candidates ended up being a contested race with write-ins for the Clarenceville School District board.

Two candidates appeared on the ballots last week in the small school district, which covers northeast Livonia, southeast Farmington Hills and a small portion of northern Redford Township. Those included current board members Cindy Immonen and Dennis Myers, both of whom won re-election, with 2,335 votes for Immonen and 2,228 for Myers.

No one else filed to run by the filing deadline in July, leaving just two names on the ballot and three open seats. Two write-in candidates did eventually file: Livonia resident Joe Sanchez, who was appointed to the board earlier this year, and Livonia resident Michael Liss.

Figures from Livonia City Clerk Susan Nash, who oversees the Clarence-ville election, show Liss as the winner of the third board seat with 176 votes to Sanchez's 113 votes. Those totals are unofficial until certified by the Board of Canvassers.

The three will serve four-year terms on the school board and will be up for

Troop 782 adds eight more Eagle Scouts

Boy Scout Troop 782, which meets at Holy Trinity Lutheran Church in Livonia, presented eight Eagle Scout awards Nov. 5, bringing the troop's total to 315 Eagle Scouts since it was founded in 1954. It is ranked No. 6 in the nation. There were five Eagle Scouts in the troop when J. Kenneth Bourgon assumed the scoutmaster position and he added 267 during his tenure. Scoutmaster Bill McCarley has added 43 additional Eagle Scouts.

New Eagle Scouts are Alex Chartier, Ryan Falconer, Terry McMillan, Michael Miney, Erik Schmidt, Austin Stratton, Miguel Teran and Matt Zelin.

Chartier is a senior at Stevenson High School. He is in the National Honor Society, Jazz Pit, clarinet ensemble and marching band. He is the drum major as a senior. He plans to double major in business and mechanical engineering at either Kettering or the University of Michigan-Dearborn. He has been to Philmont Scout Ranch, which he considers his best scouting experience. His project was to collect items for the Blessings in a Backpack. His crew spent 98 hours collecting and packaging items

for the BIAB national office.

Falconer is a senior at Churchill High School. He has been in the CHS marching band as a section leader for four years and the Touch-a Truck program for two years. He plans to major in either aerospace or mechanical engineering and has applied to Purdue, Lawrence Tech, Princeton and the University of Michigan. For his project, Falconer planned and organized reworking an outdoor meditation garden at the Finnish Center. His crew put in 226 hours. He has been to Philmont Scout Ranch and was crew chaplain.

McMillan is a senior at Stevenson High School. He is in the National Honor Society and received the KLAA Student Athlete Award. He has his varsity letter in swimming. He is also in the Chess Club, Community Service Club and Lighthouse International Church Youth Group. McMillan went to Philmont Scout Ranch and was a crew leader. He plans to attend the University of Michigan and become a doctor. For McMillan's Eagle project, they built sign posts for Holiday Park Nature Preserve and donated 70 hours.

Miney is a sophomore in a home-schooling program. He plans to attend Schoolcraft College before transferring to the University of Michigan to major in aerospace engineering. He recently has attained his second-degree black belt in martial arts. His project was completed at the Branch Line School. He and his helpers built garden beds for students to learn how to grow food. They contributed 128 hours to the project.

Schmidt is a senior at Stevenson High School. He has earned summa cum laude his first three years and is a member of the National Honor Society. Schmidt is in the DECA club for marketing/business students. He has earned his tennis varsity letter. He was a member of the concert band for a year. Schmidt has worked with Cell Phones for Soldiers and collected more than 5,000 phones. College is in his future and probably he will major in music. His Eagle project was to rework the St. Aidan Church community gardens and his team contributed 125 hours.

Stratton graduated from Career Center Construction Trades program. He plans to attend a trade school to continue his construction career. He recently earned his cross country varsity letter. He just spent a month in Alaska and had a great experience. His Eagle project was to build benches for the Merriman Hollow conservation area. His crew of 11 people contributed 128 hours to the project

Teran is a junior at Franklin High School. He has been on the robotics team for three years. He has also been selected for the bel canto choir. Teran plans to attend college and study electrical engineering. For his Eagle project, he and his crew spent 78 hours to build wheelchair adapters for Clark Park picnic tables.

Zelin is a senior at Stevenson High School. He has been on the cross country team for four years. Zelin plans to major in architecture or aviation. His project was to collect and assemble pocket flags to be sent with a note to Sgt. Kuaff Matthew, stationed in Kuwait, for distribution. His team contributed 103 hours.

Livonia Scout donates duffel bags for children

A Livonia Boy Scout has gone ahead and helped dozens of foster children in Wayne County as a part of his Eagle Scout project.

George Atala, a member of Troop 755 in Northville, recently decided to help foster children in the county by providing duffel bags full of gear, including stuff animals, toothbrushes and more.

After finding out foster children could use bags and items, Atala reached out to Michigan Health and Human Services in Wayne County and worked with it to provide items to foster children across the county.

Atala was able to raise nearly \$5,000 to purchase 170 bags with several items in them, including blankets, coloring books and more. He and several other Scouts donated the items earlier this month in downtown Detroit.

GM has offered buyouts; here's what to consider

Just after releasing better than expected third-quarter earnings, General Motors announced that it was offering buyouts to approximately 18,000 salaried workers in North America. Currently, General Motors has approximately 50,000 North America salaried workers, which means that approximately 36 percent of GM's North American salaried workers are eligible for the buyout.

In order to be eligible, you must have at least 12 years at General Motors. GM is offering the buyout, which basically gives workers six months pay in order to cut costs and to be proactive, as sales in the world's two largest car markets and GM's largest markets, China and the United States, are slowing down. Eligible employees will have until Nov. 19 to decide if they wish to accept the buyout. Depending upon how many workers accept the buyout, General Motors has indicated that, after the Nov. 19 deadline, it is possible it would have forced layoffs. Obviously, General Motors is offering buyouts because it feels it's in the best interest of the company. If you're offered the buyout, what should you do? General Motors is doing what is best for General Motors; you should do what's best for you.

In deciding if the buyout works for you or not, the key is to look at your own situation. What is good for your next-door neighbor or your brother-in-law may not be good for you. The key is to look at your goals and objectives and use them as a guide. Here are a few things you should consider in helping you make your decision.

Where do you stand with your pension benefits? Many people who are offered the buyout will find that they have not worked at General Motors long enough to receive their maximum pension benefit. In fact, many people will find that, if they work for a few more months, their pension benefit would increase substantially. The effect on your pension should be a major consideration in deciding on the buyout offer.

The buyout can have an impact on other benefits that you may receive from the company, such as health care. In addition, your Social Security benefits can be impacted if you take the buyout. It is important that you analyze how other benefits that you may be entitled to would be affected before you decide on the buyout.

Even though jobs are
plentiful these days, we all
know that for older people
it's not as easy to find new
employment, particularly at
the salary you may desire. ...
Keep in mind, if you don't
have the wherewithal to
retire, accepting the buyout
may not be such a good idea.

Many people who are contemplating accepting the buyout are going to retire. The question those people need to ask themselves is do they have the resources to be retired for the rest of their life. It is important that, if you are thinking of accepting a buyout and you are going to retire, you have the financial resources to provide yourself with a rising income throughout your life. If you won't have the resources and you still want to accept the buyout offer, you have to consider obtaining new employment.

Even though jobs are plentiful these

days, we all know that for older people it's not as easy to find new employment, particularly at the salary you may desire. If you are thinking of accepting the buyout and you are going to need employment before you accept the offer, you should explore what the realistic possibility of obtaining a new job is and what that compensation would be. Keep in mind, if you don't have the wherewithal to retire, accepting the buyout may not be such a good idea.

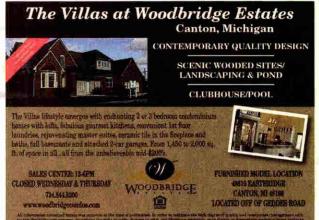

The key to making the right decision is to focus on your own situation and not let emotion enter into the equation. Unfortunately, General Motors did not give its employees sufficient time to make their decision. My advice is to start the process as soon as possible and don't be afraid to sit down with someone professionally if you need to. As always, when you deal with someone professionally, it is important that you don't deal with a salesperson, but someone whose sole goal is to do what makes sense for you.

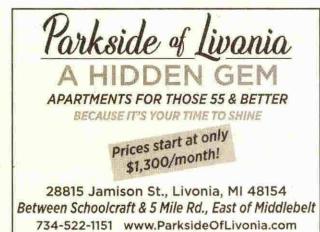

Good luck!

Folsom latest to be honored as top veteran

Donald Folsom, a World War II veteran from Livonia, was honored as the November 2018 Veteran of the Month.

Donald Folsom, a World War II veteran from Livonia who served in the U.S. Marine Corps from 1942-46, was honored as the November 2018 Veteran of the Month by the Sons of the American Legion, Squadron 32, of the Myron H. Beals American Legion Post 32 in

Folsom was born in March 1923 in Bad Axe. His family moved to California during the depression and, in 1935, they moved to East Detroit and then Rosedale Gardens in Livonia. It was Sunday afternoon, Dec. 7, 1941, that news come across the radio that Japan had bombed Pearl Harbor.

"I was eager to get into the fight," Folsom said. "I tried to enlist on Monday, but my parents, wisely, insisted that I finish my last six months of high school."

In 1942, Folsom graduated from Plymouth High School and, in November 1942, went to the recruitment center in Detroit and joined the marines. He was sent by train to Chicago then to the Marine Corps Recruit Depot in San Diego for boot camp and combat training.

"Boot camp was a challenge at first," Folsom said. "But I loved every minute of becoming a Marine. I was a pretty good shot on the rifle range, a skill that would help me stay alive during four battles.'

Folsom was deployed July 1, 1943, with the 2nd Marine Division to Hawaii, then New Zealand, for amphibious combat operations in the Pacific. His training included all aspects of light and heavy artillery and high-explosive demolition.

In November 1943, Folsom participated in action

'We were on the beach and under mortar attack when the guy next to me said we should run and take cover under a downed tree. He no more than got the words out of his mouth when a mortar exploded next to him, killing him."

Donald Folsom

against the Japanese at Tarawa, in the Gilbert Islands. "Tarawa was hell on earth," he said. "There's no way for me to describe it. It all begins with a dangerous climb down a net hanging off the side of the transport ship into an LCVP landing craft. As we approached the island, the sound of the shells screaming overhead from the battleships, heavy and light cruisers and destroyers was deafening. The sight of dead marines floating in the water gave me an idea of what was to come. I was scared, the sounds of bullets hitting around us and mortar shells exploding added to the fear we were all experiencing. I lost two buddies from Plymouth High School on that island."

During the battle, Folsom served on a 105mm Howitzer crew. Rear Adm. Meichi Shibasaki of the Japanese fleet said it would take the Americans 1,000,000 men and 100 years to take the island. It took the Marines 76 hours with 1,100 American casualties and 4,500 Japanese lives. "After the battle, we searched the dead bodies of our fellow marines for dog tags, pictures and wallets so they could be identified and then we buried them. It was a tough job," he said.

Folsom's fighting days did not end there. Beginning in mid-June 1944, Folsom (now a corporal) participated in battles on Saipan and Tinian in the Marianas Islands. The landing at Saipan met with heavy resistance from the Japanese.

"We were on the beach and under mortar attack when the guy next to me said we should run and take cover under a downed tree. He no more than got the words out of his mouth when a mortar exploded next to him, killing him," Folsom said. "We would drive them back during the day, only to have them come back at night. One morning, I woke up in my foxhole and found my buddy, who was on guard, sleeping. I looked out and saw a Japanese soldier coming directly at us with a grenade in his hand. I grabbed my M-1 and emptied the clip in him and then I gave my buddy hell. Another time, we thought things were under control when all hell broke out. The Japanese had broken through our lines and were coming in droves. They were using everything they had as a weapon, even bayonets lashed to bamboo poles. We started shooting buckshot out of our 105 and then were told to back off as the army infantry moved in. We could see the Japa-

nese falling in droves as the army fought back." Three weeks into fighting on Saipan, Folsom and the 2nd Marines, along with the 4th Marines, were ordered to take Tinian. The island had been under heavy bombardment for seven weeks prior and resistance was weak. The island and its 8,000 Japanese were easily defeated within two weeks. "By the end of July, we were in really bad shape. Between the heat, exhaustion and dengue fever, I think we could have been beaten by a Boy Scout troop," Folsom said.

In April 1945, Folsom again saw action in the invasion of Okinawa, the last major battle of World War II and one of the bloodiest, with 100,000 Japanese and 50,000 allied casualties. After Okinawa, Folsom and his fellow marines trained hard for a planned invasion of Japan, scheduled for Nov. 1, 1945.

Folsom was in Pearl Harbor when the war ended in September. He was discharged in January 1946 and went back to Livonia. He joined the Livonia Fire Department as a volunteer in 1949 and was the second fireman to be hired by Livonia in 1951. He served his community honorably for 28 years until his retirement in 1979 as battalion chief. Folsom and his wife Lois, who died in 2014 after 61 years of marriage, have two sons, one daughter and two grandchildren.

Folsom was interviewed by members of S.A.L. and a DVD was made of the interview and shown at the S.A.L. November membership meeting with Folsom, his son Richard, daughter Diane, granddaughter Rebecca, sister-in-law Jean and Richard's father-in-law Tom Debolski, a member of Post 32, in attendance. A plaque was presented to him from Livonia Trophy with his picture and service information. An additional plaque was also put on display in the vestibule of the American Legion Hall. The S.A.L. invites local residents to attend their monthly meetings to listen to the Veteran of the Month. The public is also encouraged to nominate veterans to be honored at its meetings. Nomination forms can be picked up at the American Legion Hall, 9318 Newburgh Road, Livonia, MI 48150.

Revamped KLAA loaded with good teams

Brad Emons

hometownlife.com USA TODAY NETWORK - MICHIGAN

When it comes to playing hockey in the Kensington Lakes Activities Association, you better bring your 'A' game or you'll get your lunch handed to you.

That's the consensus of the Association's coaches as they embark on the 2018-19 season.

The reconfigured KLAA features two strong divisions, including MHSAA Division 1 and 2 state champions Brighton and Hartland, respectively, from the KLAA West, along with Division 3 run-

Groves tops Franklin in shootout to win regional

Marty Budner

USA TODAY NETWORK - MICHIGAN

Groves is making a return trip to the state semifinals.

The host Falcons remained alive in the Division 2 football state playoffs with a wildly entertaining 53-29 victory Friday over Livonia Franklin to claim the regional championship. It marks the second time in program history that Groves has advanced to the semifinals - the first just two years ago, when it lost a heart-breaker to Detroit King.

Henry Van Faussien was a sophomore in 2016 who experienced the state playoffs as a varsity call-up. This time, he's going as a senior tri-captain and can't wait.

"This is awesome. We're only the second team to have made it (to the semifinals)," Van Faussien said. "There are a lot of parallels between those teams. We have strong leaders, but we also have strong juniors. Everyone steps up and makes plays for us."

Groves' offense was hard to stop once it got started against Franklin.

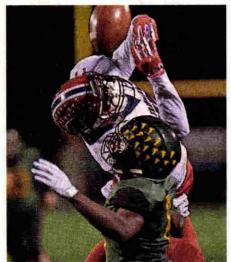

The Falcons trailed 2-0 after the opening quarter, but exploded for three second-quarter touchdowns on three consecutive possessions to take a 21-2 halftime lead. Groves continued its onslaught in the second half by scoring 32 points en route to its biggest offensive output of the season. Six different players accounted for the seven Falcons touchdowns.

An offensive explosion

Veteran head coach Brendan Flaherty figured the teams would put on an offensive show despite the cold, windy conditions.

"I did expect this (shootout). I abso-

Chelsea stuns Harrison to end school's glorious run

hometownlife.com

USA TODAY NETWORK - MICHIGAN

For Chelsea, it's five more days of practice and a chance to play for a state championship Thanksgiving weekend at Ford Field.

For Farmington Harrison, it's the wrap on a fabulous 49-year football run as the host Hawks gave up two touchdowns during the final 2:07 and were stunned by Chelsea, 21-14, in the final game that will ever be played at Buller Field in the MHSAA Division 4 regional final.

With the school closing its doors next June, the Hawks' goal of adding to their record 13th state title under coach John Herrington appeared to be still on track as they carried a 14-7 lead deep into the fourth quarter.

But after a short Harrison punt, Chelsea got the ball at midfield and drove 52 yards in 10 plays, resulting in an 11-yard TD pass from quarterback Quinn Starkey to Hunter Neff with only 2:07 left to tie the score at 14-14.

Harrison then went to a hurry-up offense and drove to the Chelsea 42, only to have disaster strike as an errant snap from center eluded QB Keel Watson, who was unable to get a handle on it as the Bulldogs' Nicklas Holmberg recovered the fumble at the Hawks' 42 with only 46.2 seconds remaining.

And Starkey came through on the second play with a 22-yard TD strike down the sideline to Aaron McDaniels

year Northville coach Gordie Brown, who takes over from Clint Robert. "Having three KLAA teams make it to the state finals last year and two of them winning their respective divisions tells you that you are in one of the top leagues and that you really can't afford to take any days off. We look forward to competing every day."

And that's just for starters.

Livonia Stevenson was a D-2 quarterfinalist a year ago and is the defending KLAA champion, while Plymouth was ranked No. 2 last year in Division 2 and Churchill was ranked No. 9 in Division 3 before making a run all the way to the finals last March at USA Hockey

"Our schedule is as demanding as ever, which is the exactly the way we want it," Stevenson coach David Mitchell said. "We cannot take a night off or, for that matter, a day off. We must continue to understand that growth with this group can't be optional, it needs to be excepted. We have high expectations for the season but, more importantly, we have high expectations day by day. This group is learning that expectations are a gift and we all must embrace them. If we do this, we could have a very memorable season. We are excited to get started.

Brighton coach Paul Moggach, entering his 24th season, knows what the KLAA competition is all about.

"I think the KLAA West is one of the strongest in the state," he said. "I don't think there's many teams on our side that can't win on any given night. I think it's going to be a good battle for our league and I think also outside our league, when we play our non-conference teams, it's going to be at a pretty high level and it's going to be tough."

The revamped KLAA East features Livonia Franklin, Churchill, Stevenson, Canton Salem and Plymouth, while the West features Brighton, Hartland, Howell, Northville and Novi.

"Our league is probably up there with the MIHL (Michigan Interscholastic Hockey League)," Novi coach Mark Vellucci said. "Those are two of the top leagues in the state."

Here's a capsule outlook for the 2018-19 this season in the KLAA.

KLAA East Division

Livonia Churchill

Head coach: Jason Reynolds, seventh season.

Last year's record: 16-12-2.

Titles won last year: MHSAA Division 3 runner-up, regional champion.

Players to watch: Zack Vendittelli, Sr. F; Matt Gibboney, Sr. D; Michael Mancina, Jr. F; Cameron Greener, Jr. F; Keith Peterson, Jr. D; Jimmy Targosz, Soph. F; Donovan Young, Soph. D; Bryant Riley, Soph. G; Devin Genzel, Fr. F.

Reynolds's 2018-19 outlook: "I'm really excited about the character we have in our locker room ... possibly the highest we've ever had. We're a young roster, although we have a solid core returning from last year's historic run. We'll be relying on our leadership to set high standards our young players in order to prepare them for a very challenging KLAA schedule. Our culture will demand that they compete and we'll achieve growth through winning and learning.

Livonia Franklin

Head coach: Ken Anderson, first sea-

Last year's record: 8-16-1.

Players to watch: Jacob Cox, Jr. F; Dakota Keaton, Sr. F; Nolan Niva, Jr. F; Justin Pedersen, Sr. F; Sebastian Stukel, Sr. F; Steven Morris, Sr. D; Ryan Kerr, Jr. D; Josh Boze, Soph. D; Steven Hicks, Jr. G; Kyle Fugedi, Soph. F;

Anderson's 2018-19 outlook: "With a new coaching staff and eight new players joining 10 returners, we will have to have patience with each other going through the start of the season. We will have to have a strong five-man commitment in our defensive zone to limit the opponents' scoring chances. Look for some scoring from our defensemen, since we don't have a lot of experienced goal scorers up front. We look to be an aggressive, disciplined team that will give our opponent a tough hard-fought game every game."

Livonia Stevenson

Head coach: David Mitchell, seventh

Last year's record: 23-6.

Titles won last year: Division 2 regional, KLAA Association and KLAA Black Division.

Players to watch: Austin Adamic, Sr. F; Adam Hillebrand, Sr. F; Josh Suzio, Sr. F; Seth Lause, Jr. F; Jaydon Spears, Sr. F; Patrick McGowan, Sr. F; Steven Hunt, Sr. Def.; Joe Sharkey, Sr. D; Stephen Mc-Donald, Sr. D; Eric Polzin, Sr. G; Jonah

Austin Adamic (left) returns this season for Livonia Stevenson. TOM BEAUDOIN

"Having three KLAA teams make it to the state finals last year and two of them winning their respective divisions tells you that you are in one of the top leagues and that you really can't afford to take any days off." **Gordie Brown**

Northville coach

Heath, Sr. G.

Mitchell's 2018-19 outlook: "As always, competing each day is our top priority. We have a good, deep group that understands the type of work, focus, preparation and execution that other Spartan teams have put before them to have some success. We have had a good off season and have some nice additions in key spots that should allow us to be a deeper team come January and February. Our leadership is solid and experienced, they are helping to evolve our culture.

Canton

Head coach: John Bartle, second

Last year's record: 11-13-1.

Players to watch: Hugo Fronovic, Jr. Austin Woelke, Sr. C: Soph. C; Alex Poe, Sr. D; Addison Eilers, Jr. D; Jaxon Taylor, Jr. G; Michael Renzi, Soph. G; Lenny Kubitski, Soph. F; Kunal Kale, Soph. F; Chris Hugan, Jr. F; James Monteith, Soph. C; Hadley Hudak, Soph. D.; Tyler Laski, Soph. D.

Bartle's 2018-19 outlook: "We are continuing to rebuild with a young, talented team. It takes a few years to get a program back to where it should be, but believe we are slightly ahead of schedule. We topped the previous five years by seven wins. Our top returning scorer is (Hugo) Fonovic (51 points in 24 games). We have two solid goalies returning in (Jaxon) Taylor and (Michael) Renzi, who may be the strongest tandem in the league."

Plymouth

Head coach: Gerry Vento, eighth

Last year's record: 17-8-1.

Players to watch: Adam Rebecca, Sr. D; Jack VandenBergeury, Sr. F; Nathan Stoneburg, Sr. F; Ian Smith, Jr. F; Kyle Ahearn, Jr., D; Josh Montroy, Sr. G; Joel Drucker, Jr. G.

Vento's 2018-19 outlook: "We graduated a lot of talent and leadership last year, so there will be plenty of opportunities for players to step up and fill some pretty important roles. With four sophomore defensemen playing their first year of varsity hockey, it will be exciting to watch them develop and grow as a group. With a healthy (Josh) Montroy in net and (Joel) Drucker working hard at his first year of varsity, we are very confident in our goaltending. While we lost some key components from last year's team, I have no doubt with the returners we have along with players we added from prep and outside the program we will be fine. The work ethic and attitude has been very encouraging and I expect to see a much different team at the beginning of February than we see at the beginning of November."

Salem

Head coach: Ryan Ossenmacher, 13th season

Last year's record: 12-12-1. Titles won last year: Lash Cup.

Players to watch: Colin Goleniak, Sr. F (leading scorer); Josh German, Jr. D; Anthony Gattoni, Jr. D; Alex Schaumburger, Jr. F; Dante Doute, Soph. F; Devan Grayshaw, Soph. F.

Ossenmacher's 2018-19 outlook: "This year's group returns six out of top seven statistical performers from last season. Our schedule is extremely challenging with teams from Michigan, Ohio, Ontario and Illinois, including road trips to Chicago and Traverse City. This will be one of the more skillful groups we have had at Salem and, if we can commit to playing a complete game, we should be an entertaining team to watch."

KLAA West Division

Head coach: Gordie Brown, first sea-

Last year's record: 13-13.

Players to watch: Owen Moruzi, Sr. G; Nick Bogenhagen, Sr. D (captain).

Brown's 2018-19 outook: "Owen (Moruzi), who played 18 of 26 games last season, will be a big key to the team's success. Owen gained a lot of experience last season and has earned the starting position. He has spent the off season working hard on and off the ice, and there are some colleges that have taken notice of this and are interested in Owen playing for their programs after he graduates from Northville. Nick (Bogenhagen) provides exceptional leadership, has an outstanding work ethic and great two-way ability on the ice."

Head coach: Mark Vellucci, sixth season.

Last year's record: 9-17.

Players to watch: Ethan Hunsinger, Sr. G; Ryan Pinho, Sr. F (captain); Evan Chippa, Sr. F (alternate captain); Chris Martin, Sr. D (alternate captain); Nate Erskine, Soph. F; Sam Lewinski, Soph. D; Max Rallis, Soph. D.

Vellucci's 2018-19 outlook: "We have a very difficult schedule, we'll play a lot of great teams. We'll have to work hard and compete every night to have a successful season. Our greatest strength will be our goaltending and defense. We have a majority coming back. We're really going to be a junior-sophomore team. The seniors we lost we replaced with sophomores, who we're going to rely upon to be a big part of our team. A majority of my guys have a year under their belt of varsity hockey ... I expect good things. We're not quite as talented as the other teams, but I think our work ethic will lead to more success than last year. I believe we'll be better than a .500 team. It all depends on what Novi team shows up. I'm encouraged. We haven't had one bad practice yet. It's a long way to go, but I like the start we're having."

Brighton

Head coach: Paul Moggach, 24th season.

Last year's record: 24-6-1.

Titles won last year: Division 1 state and regional.

Players to watch: Timothy Erkkila, Sr. D; Caleb Seiter, Jr. D; Will Jentz, Jr. F; Jason Verhelle, Sr. F; Evan MacDonald, Sr. F; Braden MacDonald, Jr. F; Harrison

Fleming, Sr. G. Moggach's 2018-19 outlook: "It al-

ways hard to defend a state title, league title or regional title. It's just really hard. You have a target on your back and everybody is going to give your your best game. But I think there's parity now in high school hockey with a lot of teams that have some talent. It's a battle, but I'd rather be defending than not defending. You really have to monitor the expectations of your players, so that they aren't living off last year's championship. It starts all over again every season. We've got a lot of young guys. We graduated a lot of offense and we'll probably have to play a defensive style to begin with and try and find our offense. We're happy with what we got and we hope it works out for us this year."

Hartland

Head coach: Rick Gadwa, eighth sea-

Last year's record: 23-6-1.

Titles won last year: Division 2 state, regional and KLAA Gold Division.

Players to watch: Joey Larson, Sr. F; Brendan Tulp, Sr. F; Brett Tome, Sr. G; Owen Pietila, Sr. F; Gabe Anderson, Sr. F; John Druskinis, Jr. D.

Gadwa's 2018-19 outlook: "We return 11 players off last year's state championship team. Combining that with the new talent acquired, we look to be strong this year ... on paper. The challenge is, names on paper don't win hockey games, teams do. Leadership and work ethic will determine the success of our program this season. With 12 iors on the roster this will their team. We go as they go. We will be challenged with one of the toughest schedules in the state with the likes of Brighton, (Birmingham) Brother Rice, Stevenson and an annual trip to Houghton to play Hancock and Houghton, Orchard Lake St. Mary's, (Cleveland) St. Ignatius and the MIHL Showcase, to name a few. We've had success within our program due to returning players carrying on tradition. If this team does that, you never know what can happen come playoff time."

Howell

Head coach: Eric Hirzel, seventh

Last year's record: 11-14-1.

Players to watch: Graham Hassan, Sr. F; Josh Farr, Sr. F (captain); Ethan Ryan, Sr. G; Dominic Rossi, Jr. D; Gavin Sheffer, Sr. D; Brandon Eoll, Jr. D; Leander Daavettila, Sr. F; Nolan Schick, Sr. D; Stefan Frantti, Jr. F; Cam Sturos, Jr. F; Wes Smith, Sr. F; Brent Wolf, Jr. F.

Hirzel's 2018-19 outlook: "Ethan (Ryan) is our returning goalie. He'll be our go-to guy. He'll be our number guy. We have Graham Hassan back, he was our leading scorer, who made second team all-state. He's going to be a top guy to watch. Stefan Frantti played really well at the end of last season. Those guys are going to be good. Nolan Schick, our senior defenseman, is going to be a tough one to play against. (Dominic) Rossi is a high-powered offensive defenseman that was all-state honorable mention. I think we're going to be in a little bit better shape than last year. We're really trying to work on speed. We're trying to play a fast game. Obviously, it's the toughest league around, the East or the West, just the KLAA in general."

Harrison

for the game-winning points with only 32.3 seconds left to stun Harrison.

The 77-year-old Herrington, who guided all 49 Harrison teams, reflected afterward on the finality of it all.

"The only thing I thought about it was Don Meredith and 'Monday Night Football," said Herrington, who finished with a state-best 443-112-1 record, including 13 state titles. "He used to say, 'Turn out the lights, the party's over.' I guess that's my quote. I thought we might go down and get a field goal to win it ... we were a little bit lucky to win it last week and lost when we were a little bit unlucky this week. That's the way football is."

Chelsea (9-3) moves into the state semifinals Saturday at Walled Lake Northern, where they will face Williamston (10-2), a 28-0 regional winner Friday over St. Clair.

Never give up

"Our guys never quit battling, they never panicked," first-year Chelsea coach Josh Lucas sad. "We're trying to score. We're not trying to let this thing go to overtime. We're trying to go for the win."

The Hawks (8-4) opened the game with a methodical 13-play, 67-yard drive, capped by Roderick Heard's 10th straight carry on a 14-yard TD run with 4:41 left in the first quarter.

With 3:32 remaining in the second, Chelsea's Kyle Knight made a couple of shifty moves inside the Harrison defense and scored on a 38-yard TD run to even the score at 7-7l.

On the ensuing possession, Harrison got down to the Chelsea 24. Watson then hit Heard on a 24-yard wheel route for what appeared to be a Hawks touchdown, but it was called back because of a chop block, negating the play.

The scored was tied 7-7 at halftime.
"The penalties killed us in the first

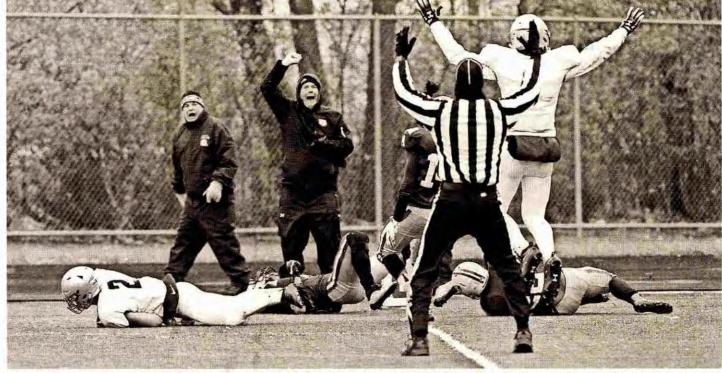

"The penalties killed us in the first half, then a couple of mistakes at the end," Herrington said. "(Chelsea) deserved it, they played real hard. They played well."

After holding Chelsea to 80 yards total in the first half, the Hawks' defense forced a three-and-out to start the second half and scored on an eight-play, 63-yard drive, capped by a nice hesitation move by Heard for a 12-yard TD run with 5:57 left in the third to make it 14-7.

And it appeared Harrison was in position to make another trip to the state semifinals.

"We were making first downs and everything, but when you get 15-yard penalties, it's a little hard to overcome," Herrington said. "We didn't do what we had to do. We did have the lead, 14-7, with about six minutes to go and we lost it. That's the way it is in football."

After going 5-of-8 passing for just 22 yards in the first half. Starkey was 11-

of-17 for 119 yards during the final two quarters.

"Quinn is the real deal. He made couple of reads there where he wished he probably want to have back, left a couple of touchdowns out there," Luca said. "But he's an assassin. When we need him to do it, he makes plays. He's been doing it all year."

Heard, meanwhile, finished with 160 yards rushing on 25 carries.

"To be completely honest, I thought we really dominated them a majority of the game. I think we were able to do whatever we wanted," said Heard, a Northwestern commit. "Of course, (Chelsea) made plays and things like that, but they just came out with the win. We got a lot of penalties, a lot of missed plays and things like that. That's how it goes sometimes. Definitely, congrats to them on winning the game and,

Reflecting on the season, Heard said has no regrets.

"We worked hard, committed ourselves," he said. "We had a pretty good season ... third round of the playoffs. A lot of teams wished they'd still be in the third round of the playoffs. That's an accomplishment in itself. We are district champs and that's another accomplishment. Obviously, it's not the total goal that we wanted to achieve, because we really wanted to go for that state title."

But you win some and you lose some."
Harrison played its first home game in 1971, when it was a member of the old Western Six League.

"I remember the first home game we ever played as a school and that was over at North (Farmington)," Herrington said of the 1970 season. "But I can't remember that for sure. Somebody asked me that the other day what our first home game was here. I know it was 1971."

As far as Herrington's future plans? His first immediate business to take a trip in December to Florida.

"I don't have any yet," he said. "I'll think about it now that's it's over. I don't think about this day in particular, but the whole year has been good. It's been tough in some respects, getting everybody on the same page. But we did good and our defensive coaches did a great job. They did a great job today. Couple mistakes at the end and plays that we knew that were coming ... we didn't stop them."

And his final message to the 49th and final Harrison football team?

"I just told them to be proud of themselves and that they stuck with Harrison," he said. "It would have been easy to bail out being with the program three years knowing it was going to close out. And the juniors, especially, that stayed in, I appreciate them. I think they won more games than a lot of people thought we would. I was proud of that."

Chelsea, meanwhile, seems to be peaking at the right time. The Bulldogs have won six of their last seven games. And the Bulldogs certainly played the spoiler role.

"It's a big deal, but it's just another football field to us," Lucas said. "We didn't get caught up in all the hoopla. We just came out here and played football. They knew it was their last year. It's hard. You've got to remember these kids are 16 and 17 years old. They've had cameras in their face all year. They knew it was the last game here. They had a lot on their shoulders and you could see it in the game, the emotions were so high. Our kids stayed even keel the whole time."

Groves

lutely did. I think (Franklin) does a great job," said Flaherty, whose team is now 10-2 on the season. "It's like three weeks in a row between (Seaholm head coach Jim) DeWald (and Rice head coach Adam Korzeniewski) and now (Franklin head coach Chris) Kelbert. These guys are really, really smart guys.

"This is awesome and it's a good testament for us and we always want to try and get a little better each week," he added. "I think it's a credit to the coaches and the players and everyone involved with the program for us to get back to the semifinal."

Franklin took the early 2-0 lead with a safety following a bad snap that ended up in the end zone on a Groves punt attempt.

The Falcons then did what they do best — tear up opponents with their big-play rushing attack.

Junior Colby Taylor burst up the middle and sprinted untouched into the end zone for a 67-yard TD run to begin the Groves comeback. Three minutes later, senior tri-captain Damonte McCurdy raced 30 yards into the end zone after shedding a couple of Patriots defenders.

Then, with just eight seconds left before halftime, junior quarterback Markis Alexander hit senior Christian Thomas in the corner of the end zone on an 8-yard TD pass.

Franklin, which finished fourth in the tough KLAA East Division and got in the playoffs with a 5-4 record due to its brutal schedule, scored the first 13 points of the second half to get within six points at 21-15. Junior quarterback Jacob Kelbert completed touchdown passes to Cal Fournier (38 yards) and Frederick

Biles (15 yards).

But Groves quickly responded on its next possession, when McCurdy went in from 23 yards out. Two minutes later, Falcons defensive end Jacob Edelman intercepted a pass and ran it back 35 yards to the Franklin 5-yard line. Senior halfback Joel Mitchell romped in on the next play and Groves regained a comfortable advantage at 36-15.

Kelbert paces Patriots attack

Franklin's two other touchdowns

were passes from Kelbert to Biles (56 yards) and Davion Reno-Smetler (9 yards). The final two Groves touchdowns were by Khalil Dawsey (41-yard run) and Taylor (25-yard run). Groves kicker Moritz Preuss also hit a 37-yard second-half field goal.

"We just had a bad start. We didn't come out and fire on all cylinders there," said Franklin head coach Chris Kelbert, whose team ended with a 7-5 record. "In the beginning of the game, we got ourselves in an 18-point deficit and that was kind of the outcome. We had to play

catch-up from there on out.

"I challenged the kids at halftime to come out and make it the greatest comeback ever instead of the other side of that," he added. "They did what I asked. But Groves is a very talented team and they did what they needed to do."

Kelbert accounted for most of Franklin's offense with 263 passing yards (18of-33) and 60 yards rushing.

Alexander completed 15-of-20 passes for 120 yards and McCurdy paced the rushing attack with 131 yards. Colby added 93 yards rushing and Dawsey had 41.

Groves will play Warren De La Salle (10-2) in the D-2 semifinal set for 1 p.m. Saturday at Hazel Park High School. De La Salle, the defending Division 2 state champion, advanced to the semifinal after Friday's 21-3 victory over Port Huron Northern.

"This feels great. We really have a lot of momentum going for us," Van Faussien said. "We're on a 10-game winning streak and I think we have a real shot at moving on. We're going to play our hearts out (against De La Salle), we're going to leave it all out on the field and we're going to make it to the state championship game.

"We didn't really finish off well last week (in the district championship win over Brother Rice) and that was on us," he added. "We have a non-stop drive to play aggressive. We play mean and we play hard. That's just who we are."

Flaherty knows the Pilots will be a huge obstacle to overcome.

"They are really, really good and it's going to be a huge challenge for us," he said

DeWitt routs Farmington in regional final

Brian Calloway

Lansing State Journal
USA TODAY NETWORK — MICHIGAN

Injuries have limited the impact Tyler Warren could make on the field during his sophomore and junior seasons.

It was a knee issue that limited him two years ago.

Then last year, it was a broken bone in his ankle that limited him to just a few games for the DeWitt football team.

Warren has made his mark as a senior for the Division 3 No. 2-ranked Panthers. And he set the tone Saturday as DeWitt captured its first regional championship since 2013 with a 42-7 victory over Farmington at Lansing Catholic's Cougar Stadium.

"It's such a blessing," Warren said of being able make plays. "I've missed a lot of football. To be here right now – I can't be more thankful."

Warren returned the opening kickoff for a touchdown Saturday while setting the tone for DeWitt (12-0). He later added a touchdown reception late in the opening half for the Panthers, who had a 42-0 advantage at the half.

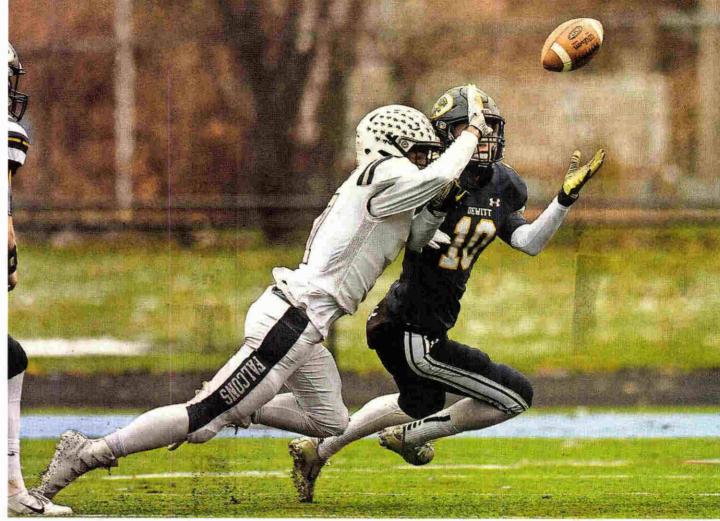

"He's been unbelievable and had another great game today," DeWitt coach Rob Zimmerman said. "He's the fastest kid I've ever had here."

Warren was among a large number of contributors for the Panthers in the regional win. Derek Hamp, Thaddeus Anwar and Andrew Debri also scored touchdowns.

Third time's a charm

The postseason journey for the Panthers had ended in the regional round each of the last two years. In 2016, it was eventual state champion Orchard Lake St. Mary's that rallied to beat DeWitt on the road. A year ago, eventual state champ Muskegon routed the Panthers in the regional final.

DeWitt had the motivation for a better outcome this time around. Warren's early score and an interception returned for a touchdown by Jace Preston less than two minutes later had the Panthers well on their way to capturing the title they had missed out on the last couple

of years.

"It means a ton," Panthers senior lineman Michael Joseph said. "It's just unfinished business from the last couple years. The last couple years, we've been playing some great football teams in the regional finals.

"Farmington was a great football team, but it was a lot of fun to come out here and play like we did."

DeWitt's dominance Saturday earns it a date with Detroit King, which spent all season ranked in the top five in Division 2 in the Associated Press state poll, in this weekend's semifinal at 1 p.m. Saturday at Brighton High School.

A building block

Farmington put itself in a tough spot early, facing a 15-0 deficit a little more than two minutes in that was difficult to come back from.

But despite what the scoreboard said at the end of game, coach Kory Cioroch viewed the season as a positive for his program.

The Falcons were just 5-13 over the last two years before putting things together this fall. Farmington (8-4) played for an OAA Blue championship before falling short against Birmingham Seaholm. And it made its best state playoff

run since 2002 by posting wins over Auburn Hills Avondale and South Lyon East while claiming a district crown.

"I thought even though the score was what It was that our kids fought," said Cioroch, whose team got a late touchdown run by Kendall Williams.

"We talked at halftime about some of these kids have a half left in their life to play football and to come out and play with some pride. I thought they did. I'm just proud of them. I'm proud of them for getting here. No one thought we were going to be here. Winning a district championship – I think we're pretty happy."

Here's How It Works: Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
