App allows parents to track school buses

Shelby Tankersley Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Wayne-Westland Community Schools is partnering with Here Comes the Bus, an app that allows parents to track their child's bus.

"We want to give the parents an opportunity to have a better idea to know where their students' buses are," said Rhonda Lyons, the district's transportation director. "It's for time management and to help the parents out." The app is customizable to include

more than one child's bus route.

"It is very easy," Lyons said. "All they need is a student ID and a district code and they can set up the parameters for if they want an email notification, a text or a push notification."

Wayne-Westland isn't the only near-

by district to utilize a bus tracker. Huron Valley Schools uses the SafeStop app and Plymouth-Canton, Northville and Birmingham districts all use the Durham Bus Tracker.

Pet funeral home opens in Livonia

David Veselenak Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Bob and Wendy Sutton know they aren't the people most pet owners want to see. But they want them to know they're there to help in a grieving pet owner's most difficult time.

The Livonia couple recently opened a Pet Passages franchise on Schoolcraft Road between Merriman and Middlebelt. The business offers cremation services for those whose pets have died, and even provides space for a final visitation with a deceased family pet for everyone to say their goodbyes.

For the couple, inspired to open such a business after the death of their beloved dog Lulu last year, treating pets with dignity in death is a key component to their work.

Clients can choose from a number of pet cremation urns at Pet Passages.

"We treat them like they're still alive. We want the pet parents to know that through the whole process that that pet is in our care, that they will be taken care

of," Bob Sutton said. "I take care of this like it's my own pet."

The opening marks the first Pet Passages to open in Michigan, though the New York-based company has a license affiliate with a pet funeral home in Iron Mountain in the Upper Peninsula.

The company has businesses in New York, Pennsylvania, South Carolina, Georgia, Utah and Arkansas, to name a few.

The desire to open such a business for the Suttons came when they realized taking care of their pet's remains meant either driving to Brighton or Royal Oak, which got to be a long drive either way during a stressful and emotional time.

Schoolcraft president settles election complaint

Shelby Tankersley Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Amid the efforts to pass a tax increase to benefit Schoolcraft College in the 2018 election, President Conway Jeffress used his public email account to recruit supporters. Because he used that account, a complaint was made against him for allegedly violating the Michigan Campaign Finance Act.

Jeffress, according to the agreement made with the Secretary of State, settled with \$75 last month in an effort to avoid the litigation process. The violation, if convicted, would have been a \$100 fine from the state.

Jeffress is stated in the agreement as believing that because of his position as a "policy making official," he was exempt under the Act.

The complaint was filed in late October by attorney Karen Woodside, saying Jeffress had emailed "everyone" with a Schoolcraft email address at least two times, saying the millage would "benefit" students and staff "personally."

The complaint also cites three separate instances where students and staff were urged by administration to support the millage.

Woodside alleged this was in violation of the Campaign Finance Act because Jeffress, acting for the public college, used public resources to gain support.

Ultimately, the millage passed, upping the tax in the Schoolcraft district to 2.27 mills for the next decade, which will total around \$7.1 million.

The college has not returned requests for comment.

Police: Man entered mosque dressed as Muslim woman

Susan Vela Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Canton police are investigating why a man lingered at a local mosque Saturday night disguised as a woman in "niqab," a garment covering the face worn by some Muslim women.

Police Deputy Director Chad Baugh said the man entered the mosque on the Palmer Road campus of the Muslim Community of Western Suburbs around 10 p.m. Saturday. He was greeted by parishioners and left after about 15 minutes.

"It appears that he was deterred by our vigilant community members and armed security and he fled," the community's Facebook post reads. "We have increased security measures accordingly and we have engaged the Canton Police."

Baugh asks community members to stay aware, especially during the holy Ramadan season, which concludes in early June.

"Especially in the times that we live, it's very important that we all work together," Baugh said. "There's no threat that we know of. It's just odd. It's just something that doesn't happen."

Teen faces 2nd-degree murder charge in fatal crash

Susan Vela Hometownlife.com
USA TODAY NETWORK - MICHIGAN

A Canton Township teen faces a second-degree murder charge because of his alleged role in a Tuesday afternoon car crash that killed a 64-year-old man, according to Wayne County prosecutors.

Prosecutors said in a statement that Micaiah Minor, a 17-year-old unlicensed driver, sped southbound on Belleville Road, disregarded a red light,

crossed over the double yellow line and struck a northbound vehicle.

John Robert McElreath was pronounced dead at the scene, near Ecorse Road in Van Buren Township.

Minor was transported to St. Joseph Mercy Hospital for his injuries. He was in stable condition later that day.

In a release, prosecutors said Minor is expected to be arraigned Saturday in 34th District Court in Romulus.

Ryan Reynolds' favorite T-shirt came from a Pinckney tavern

Micah Walker Detroit Free Press
USA TODAY NETWORK

Ryan Reynolds is one of the hottest actors in Hollywood.

However, Reynolds said in a New York Times interview that he is not big on the vanity side of celebrity, saying his wife, Blake Lively, jokes about him only needing a drawer for his clothes rather than a closet.

Reynolds, who stars as the voice of Pikachu in the "Detective Pikachu" film which opened last weekend, revealed that one of his favorite articles of clothing is a T-shirt – and it happens to be from Michigan.

"I have an old T-shirt that I've had for maybe 18 years," he told The New York Times. "It was black, but is gray now. And on the front it says Zukey Lake Tavern."

"I don't even know where that is, but it's a real tavern somewhere in the United States. I've had a couple of people say, 'No way! That's from my hometown.'"

Zukey Lake Tavern is in Pinckney, in Livingston County. The bar sells various kinds of merchandise in different styles and colors, such as tie-dye hoodies and T-shirts, tank tops, women's V-neck shirts and hoodies with phrases such as, "Zukey Lake Tavern, it's on the way to Hell, Michigan."

Zukey Lake even has a section on its website called, "ZLT Around the World," with people from Pittsburgh to Scotland donning a tavern shirt.

"We're honored and privileged to have our name out there," said Jeff Plante, co-owner of Zukey Lake Tavern. "My partner and I are big fans of Ryan Reynolds. We even have a picture up of him wearing the

Actor Ryan Reynolds poses with singer Alicia Keys in 2006 while wearing his Zukey Lake Tavern shirt. GETTY IMAGES

shirt at the 'Smokin' Aces' premiere in 2007."

The tavern got its name from Zukey Lake, and was built after the end of Prohibition in the early 1930s by Maggie and Baldy Girard. The brothers also built several houses on the north shore of the lake, and the road where the tavern is located would be named after them, Girard Road.

In addition to its clothing, the bar is known for its roof deck tiki bar, "Lobster tail Tuesdays" and a Sunday breakfast buffet.

Plante said the tavern started selling retail in the early 1980s. Customers would get a free T-shirt when they ordered a large pizza.

Plante hopes to get in touch with Reynolds soon to offer him a new Zukey Lake Tavern T-shirt.

Man arrested for not returning rented tuxedo

Susan Vela Hometownlife.com
USA TODAY NETWORK - MICHIGAN

It didn't take long for a 26-year-old Livonia resident to show local police he knew why there was a warrant out for his arrest.

When stopped, the man told officers that the tuxedo he had failed to return late last year was in the back of

his Ford F-150.

According to police reports, he had rented a tuxedo from Gerard Tuxedo near Five Mile and Middlebelt roads and then ignored the return date.

The shop's owner filed a police report because of the missing tuxedo coat, pants, vest, shirt, tie and shoes - clothing worth about \$500, but accruing \$20 in late fees every day it went missing.

The owner had sent the man a collection letter and called him multiple times to get the clothing back.

In early April, a police officer stopped the man for having a large crack in his driver's side windshield.

The officer ran the driver's license plate and discovered there was a misdemeanor warrant for his arrest.

The driver said he knew about the warrant and directed the officer to the tuxedo's whereabouts.

Hills police called to fight between seniors

Susan Vela Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Police were dispatched to a senior living center in Farmington Hills earlier this month because of a fight between residents.

Officers said in a May 4 report they arrived at Sunrise at North on Middlebelt Road because of an assault and battery incident there.

A female resident had told a staff member that a

male resident struck her.

Police talked to the woman, who said she was arguing with the man when he punched her in the stomach. Her stomach had no signs of trauma and she said there was no need for medical attention.

Police talked to the male resident, who said he wasn't sure who his accuser was.

Staff promised to place the male in an area better suited to his needs.

Police arrest man in Farmington Hills road rage incident

Susan Vela Hometownlife.com
USA TODAY NETWORK - MICHIGAN

A 43-year-old Farmington Hills resident has been charged with felonious assault because of an alleged road rage incident.

According to a police report, police officers were dispatched to Ten Mile Road and Springbrook Drive on May 2 because a vehicle was in a ditch.

Police arrived to find teens saying a silver truck had run them off the road. They told police they were southbound on Springbrook Drive when the truck began swerving aggressively toward them.

The truck driver apparently stopped and approached the teens' vehicle to threaten them with physical harm before leaving the scene. One teen saw something shiny in his possession.

Someone captured an image of the truck with a cellphone, and police were able to track down the alleged assailant to make their arrest.

Vintage trailers and motor coaches will gather Saturday at the Tin Can Tourists open house at Camp Dearborn, featuring live music and more. SUBMITTED

Vintage camper group celebrating 100 years

David Veselenak Hometownlife.com
USA TODAY NETWORK - MICHIGAN

Spending time in the great outdoors in a trailer several decades old first became a family event for Terry Bone when he was younger.

His parents needed help and they would all go out camping in trailers that didn't look like the rest in the campground. Once they pulled up to their site, it instantly became a socialization magnet.

"Then we found out when we bought our first trailer how much fun it was to go to a campground in a vintage trailer and see people's reactions. It's a really quick way to make friends," said Bone, a Wixom resident. "It usually brings back a lot of memories for them. They want to talk to you about it."

Bone and plenty more will celebrate the legacy of campers such as the Airstream this upcoming weekend, as the "Tin Can Tourists," a social group dedicated to vintage trailers, celebrates its 100th anniversary with an open house at Camp Dearborn, 1700 General Motors

"It's a really quick way to make friends. It usually brings back a lot of memories for them. They want to talk to you about it."

Terry Bone
Wixom resident and Tin Can Tourist regional representative, on traveling in a vintage camper

Road in Milford Township.

The group launched in 1919, originally serving as a social club organized around the new hobby of camping, Bone said.

People in the northern United States would begin traveling down south to Florida and using their Model Ts as makeshift campers.

The group provided guidance for etiquette for proper camping, Bone said, which included respecting neighbors and keeping a park clean.

"The local businesses and chambers

of commerce were starting to get worried that these weren't the kind of people you wanted in your city," Bone said. "The group of campers decided to start a club, educate those that were getting on the road and doing this, so they kind of came up with some guiding principles."

After the group grew throughout the decades, it flourished with thousands of members until the 1970s, when it fizzled out. In the 1990s, Bone said his parents, Forrest and Jeri, heard about the group and its history and decided to resurrect it with a focus on vintage campers. His parents would take their trailer and head out with the family, a hobby he's continued on in his life.

Bone owns a 1976 Avion trailer he likes to take out. His trailer will join more than 160 vintage campers at Camp Dearborn this weekend to mark the organization's centennial celebration. Campers from as early as the 1920s will be on display, and several newer models with vintage styles will also be on display.

Different from a car show, Bone said

this open house encourages visitors to visit each trailer and even take a look inside for what camping was like decades ago.

"Most of them allow them to fully walk through," Bone said. "It's really cool, because it's a little different than your auto show."

The Fast Eddie Band will perform during the open house, playing tunes from the 1950s to get visitors feeling nostalgic.

Also taking place is a celebration of vintage trailers at River's Edge Brewing in Milford. Tin Can Tourists will have photos up at the brewery, 125 S. Main St., all week long.

The open house takes place from 11 a.m. to 3 p.m. Saturday at Camp Dearborn. Attending the event is free, though an entrance fee into the camp may be charged. More information on the group and its upcoming activities can be found at tincantourists.com.

Pets

Continued from Page 1A

"Nobody really thinks about it until you're in that position," Wendy Sutton said. "We knew we wanted her cremated and it was then, 'OK, where do we take her?'"

"We then realized there was a hole on our side of town in (the) western Wayne/Washtenaw/southwestern Oakland County area."

All kinds of pets cared for

The business will accept a wide range of family pets for cremation. Those include cats, dogs, birds, hamsters, guinea pigs and more.

The couple provides services for deceased pets just as a funeral home would for a human: they will come and pick up a pet that has died either at home or at a veterinarian's office, and offers cremation of a pet's remains on site. Pet owners can order laser-etched urns for safekeeping of the remains.

Wendy and Bob Sutton prepare packages of mementos for their clients in addition to the urns of pets' cremated remains. JOHN HEIDER/HOMETOWNLIFE.COM

There's even two rooms dedicated for families to say goodbye to the deceased pet. Called the "Rainbow Bridge" rooms, after the poem detailing a pet waiting for its owner in the afterlife, families can gather privately in the room with their pet's remains wrapped in purple, the

color of royalty.

Bob Sutton said they've had several clients find the "Rainbow Bridge" rooms so comfortable that they've left and brought back other family members so they can say goodbye.

"These two rooms are built for the

family to sit in there and say goodbye and take as long as they want," he said. "The family can come and say goodbye to their pet in a nice, warm environment."

Pricing for packages is listed on the franchise's website and ranges from \$65 to \$270.

Neither Bob or Wendy Sutton originally planned to enter such a business. Both dog lovers, it can be tough to handle the emotions their clients feel when they lose their pet.

But knowing they can provide some ease of mind for pet owners is why they got into the business.

"It's tough. I'm not going to say it isn't," she said. "But when they come back to pick up their pet and we give them all their final deliverables, the feedback has been absolutely amazing. The thank-yous for what we do, the thank-yous for making this process a little bit easier that we're here, that we get it, that we understand, it's paid off already. Tenfold."

William Smith Jr.

FARMINGTON HILLS - William B. Smith, Jr. (Bill), father of five and grandfather of eight, passed away peacefully on Saturday, April 27, 2019. Born in Pittsburgh, Pennsylvania on June 16, 1919, Bill's family soon moved to Detroit. A whip-smart student, Bill skipped 3rd grade and went on to achieve all A's at Catholic Central High School graduating in 1936. In 2014 he was honored as the oldest living alumni and was gifted with a gold watch he proudly wore until the end of his life.

He attended Wayne State University part-time while working full time as an electrician at General Motors until war broke out and duty called. He joined the Army Air Corps, was sent to Italy and flew 23 missions as a navigator in a B-17 over Germany during World War II.

Thanks to the G.I. Bill, he attended the University of Michigan and graduated in 1947 with a Bachelor of Science degree in Mechanical Engineering. He embraced college life and maintained his relationship with his Sigma Alpha Epsilon Fraternity brothers attending many Alumni events in the Detroit area well into his 90's.

After graduation, Bill went to work for Fisher Body in Hamilton, Ohio. His co-worker set him up on a blind date with his wife's younger sister, Joanne Schloss of Grand Rapids, who swept him off his feet and they married on June 18, 1949. With the arrival of his first child, Christopher, they moved to Detroit and Bill began his career at Ford Motor Company in Product Development. As their family expanded with a second child, Gretchen, they moved to Farmington Township and had three more children, Michelle, Brian and Carol.

Bill and Joanne enrolled their children at the Our Lady of Sorrows Parish school where family, church, and social life were intertwined. For decades there was always a "Smith kid" at Sorrows. Bill happily served the church as an usher helping out whenever needed which made him a familiar face well into his 90's.

Determined his kids would see many National Parks, the family hit the road in the latest model Ford station wagon with a trailer in tow to traverse the country. Eventually a new tradition began - an annual trek to Camp Michigan on Walloon Lake where he learned to sail but especially loved competing in the tennis tournament. His passion for the sport continued and he was a long-time member of the Farmington Tennis Club.

In his 50's, while still working full-time for Ford in Dearborn, his focus on education lured him "Back to School" at his beloved University of Michigan. Unlike Rodney Dangerfield, Bill was a serious student and earned his Masters Degree in Business Administration in 1976. As proud alumni, Bill and Joanne held season tickets and cheered on the Wolverines at the Big House for many decades.

Bill and Joanne were active members of the Farmington Democratic Club and he was very proud of Joanne's rise from Councilwoman to Mayor of Farmington Hills. They made many

close friends working together and supporting both local and national campaigns. After retiring from a 44 year career at Ford at age 77, Bill and Joanne traveled the world with the Nomads and U of M Alumni Club to Europe, Asia, Australia, South American and Africa.

After 59 years in Farmington Hills, Bill and Joanne moved to The Rivers Grosse Pointe to be near their daughter, Michelle. Although Joanne passed away in 2017 after 67 years of marriage, Bill still believed in living each day to the fullest. He enjoyed Tai Chi, chair yoga, bingo and, of course, ice cream socials and music concerts. Bill's day always ended in his recliner watching the world news followed by "All in with Chris Hayes." In his final days, he was pleased to know "Middle-Class Joe" had entered the 2020 race.

Bill's greatest joy was his family. A man ahead of his time, he was a "hands on" parent and always available to help with homework, fix a bike tire, play catch in the backyard or give Joanne a break and take the kids on an errand or out for ice cream. This pattern continued with the grandchildren whether it be building a fort from a cardboard box, taking his turn on the Slip n' Slide, or treating the kids to an outing at Marvin's Marvelous Mechanical Museum. He was their biggest fan at concerts, plays, dance recitals and sporting events. For a kid from the east side of Detroit who made it through the Depression, Bill felt fortunate to not only put his five kids through college but also live long enough to celebrate each grandchild earning a bachelor's degree.

Bill Smith was a good man whose zest for life, perseverance, and kindness may explain why you could often find him singing his favorite tune "On the Sunny Side of the Street."

Bill is survived by his children, Christopher Smith; Gretchen Woodward (David); Michelle Smith; Brian Smith (Camille); Carol Smith (Allan Paschke); grandchildren, Elizabeth Woodward Iles (Zack); Katherine Woodward; Christopher Peplin (Katy); Erica Peplin; Scarlett Smith (Max French); Spencer Smith; Kathryn Papoulias; William Papoulias and his dear sister, Marie Mack. He was predeceased by his parents, William and Marie Smith; brother John J. Smith; sister Ellen Freely; and many loving relatives.

His family will receive visitors at the Heeney-Sundquist Funeral Home, 23720 Farmington Road, Farmington on Sunday, May 19 from 3:00 - 7:00 with Prayers and Remembrances at 6:00 p.m. A Funeral Mass will be held at Our Lady of Sorrows Catholic Church, 23815 Power Road, Farmington on Monday, May 20, at 10:30 a.m. (visitation at 10:00 a.m.).

Donations may be made to the Capuchin Soup Kitchen at cskdetroit.org or Catholic Central High School in Novi at catholiccentral.net.

Myra Lane "Mike" Juhnke

PLYMOUTH - age 76, passed away peacefully May 2, 2019 for reasons known only to her. An aficionado of natural health and clean living, she refused medical intervention of any kind her entire life, excepting the very end where she briefly embraced the wonders of modern-day illicit drugs. She was a career smoker until nearly the last day, and as she predicted, retained remarkably perfect lungs, heart and mind. She is now shouting "I told you so" from somewhere in the 4th dimension through a cloud of American Spirits. She was born June 11, 1942 in Detroit, Michigan to Myron and Dorothy Scott. Born as Myra Lane Scott but known to all as "Mike," she touched many lives with her challenging zest for debate, esoterica, and controversy. She raised brothers Randy & Jeff Scott and sister Tracey (Scott) Benoit until at age 20, she married her one and only love David Willard Juhnke after picking him out of the choir and predicting their entire life while only 17. Mike was a woman who always knew who she was and what she wanted. She is survived by her husband David Juhnke of Plymouth & Luzerne, Michigan, her daughters Elizabeth Gatt (Jeffrey) of Tampa, Florida, Jennifer Thimm (David) of Plymouth, Michigan, and Stephanie Dougherty (Michael) of Bloomfield Hills, Michigan. She is also incredibly missed by the grandchildren who loved her as "Mimi": Stefan Gatt (Suzanne) of Deerfield Beach, Florida, Joshua Gatt (Melissa) of Altach, Austria, Aidan Thimm of Grand Rapids, Michigan, Elana Thimm of Savannah, Georgia, Rowan and Daphne Dougherty of Bloomfield Hills, Michigan, and Great-Grandson Austin Gatt (age 1) of Deerfield Beach, Florida. This large and boisterous brood were all present at her wake, which she attended a few weeks before her passing, where she enjoyed wine and tomahawk steaks (even if just a little...), and a spring sky listening to Johnny Mathis and Elvis. She is eagerly greeted

with kisses and eggs benedict at the Rainbow Bridge by her beloved Belgian Malinois, Samantha. Mike was a friend and mentor, and always made the time for anyone wanting a challenging discussion, a golf lesson, fly-fishing pointers, or just some personal confessions of which she famously had no memory. She helmed J&J Machine Products, Co., Inc. of Redford, Michigan for 30 years - one of the first women owned businesses of the area. Every employee or vendor in the area will attest to the life-changing conversations had at J&J. A student of life, she studied the works of Edgar Cayce, A Course in Miracles and Adele Davis (Let's Have Healthy Children). Mike read every book known to mankind, favoriting Atlas Shrugged, Beauty's Daughter and her favorite: Diana Gabaldon's Outlander series. Many of us have needed dictionaries to piece together both the complements and insults from her. We will forever miss her Chicken and Dumplings, Pizza on the green egg upnorth, peach cobbler, apple pies, shrimp salad, Texas sheet cakes, and Toad-In-The-Holes. Brownies & lemon bars, Onion & Mushroom canapés, fried chicken, chicken pot pie, strawberry salad, and Poached Lobster. We will forever value her love of salt and butter. We will all try to live up to her pound cake recipe that she passed on from her Grandmother Inez "Nannie" Chandler. In the last months we have enjoyed sharing the memories of her life that touched so many with laughs, travels, rounds of golf and LOVE. "If ever there is a tomorrow when we're not together... there is something you must always remember. You are braver than you believe, stronger than you seem, and smarter than you think. But the most important thing is, even if we're apart... I'll always be with you." -A.A. Milne. In lieu of flowers, we ask that tributes be made in her memory to the Eton Academy Scholarship Fund. <https://www.etonacademy.org/giving/invest-in-eton> To share a memory, please visit vermeulenfuneralhome.com

Ruth Anne Moore

BLOOMFIELD HILLS - Ruth Anne (Smith) Moore, 89, died at her home on Saturday, May 4, 2019.

Loving wife and proud mother, sister, aunt and grandmother, Ruth Anne was born November 6, 1929, in Lorain, Ohio, to parents Carl L. Smith and Kathryn (Sando) Smith. She married her college sweetheart, Paul F. Moore, in 1951. Paul and Ruth Anne were pinned at Otterbein University, and as proud Otters, they kept up a life-long friendship with their fraternity brothers and sorority sisters, "The Round Robin."

After a short stint as an elementary school teacher, Ruth Anne focused on her family, church, and community. She enjoyed diverse pursuits. She loved to play golf with her husband and friends at Oakland Hills Country Club. She enjoyed Friday night meals of the iceberg-lettuce wedge, blue cheese dressing and bacon with "the Nancys." A great believer in continual education, she participated in Great Books, tutored literacy, and volunteered as an aide at schools. She handed out books to patients at St. Joseph's Hospital in Pontiac, Michigan, and later at Beaumont Hospital in Royal Oak. She enjoyed summers at Blueberry Island and traveling extensively both while she lived in Tokyo, Japan, and Adelaide, Australia, as well as afterwards.

Ruth Anne hosted family gatherings and holidays, loved lemon bars, any-

thing with chocolate, and Wise Potato Chips.

A dedicated lover of the arts, Ruth Anne volunteered at the Booth House at Cranbrook, Bloomfield Hills, Michigan. But her favorite community role was her cherished work as a docent at the Detroit Institute of Arts, where she gave tours and led groups of children through the museum.

A long-term resident of Michigan, Ruth Anne maintained her passionate status as an Ohio woman, a Buckeye through and through.

Ruth Anne will be remembered as a lady, dignified and always polite, with a sense of justice for all.

In her final hours, her most common words were, "I love you" to family members and "thank you" to all of her caregivers at Hospice and at University Living, who held their own vigil for her, she was that well liked. Her final words were, "We will always be good to each other."

Ruth Anne is survived by her children, Jeff, Ann, and Amy; four grandchildren, Clinton, Rose, Kailee and Brooke; and siblings Neale, Dick, and Kathy. Her beloved husband, Paul, preceded Ruth Anne in death.

The family would especially like to acknowledge and thank the wonderful medical team at Great Lakes Hospice.

A memorial service will be held at 11:00 a.m., Saturday, June 1, 2019, in the chapel at the First Presbyterian Church, 1669 West Maple Road, Birmingham, Michigan where family will celebrate her life with her friends. In lieu of flowers, donations can be made online or through the mail to the Detroit Institute of Arts, Detroit, Michigan, "In memory of Ruth Anne Moore."

Michigan may get rules on vaping enacted statewide

Susan Vela Hometownlife.com
USA TODAY NETWORK – MICHIGAN

Michigan parents may finally get statewide legislation that would appease their concerns about e-cigarettes, a trending activity for today’s teenager.

State senators voted last month for a new bill that would ban selling or giving e-cigarettes to anyone under the age of 18. A House vote is pending.

Approval would place Michigan among a growing number of state and local governments taking steps to regulate the vaping phenomenon.

Violators would face fines of up to \$2,500. Minors trying to skirt the rules would face fines of up to \$50.

“My legislation is very simple,” sponsoring Sen. Rick Outman, R-Six Lakes, said. “We just want to keep it out of the hands of kids. That’s where I stand.”

He’s not the only one. Communities throughout metro Detroit have been hosting events to warn parents about vaping – or inhaling – the aerosol from e-cigarettes.

John Ciecko III, Bloomfield Hills High School’s sports medicine director, warned parents at a recent information session of reduced lung capacity because of vaping.

“You’re not getting in that oxygen that’s going to help the body repair itself,” he said. “People who smoke or vape a lot. ... You’re seeing them not be able to go up a flight of stairs. You’re seeing an increased risk of injury. We’re seeing people have that chronic issue – muscle strains, tendon issues, heart and lung problems.”

School Liaison Officer David VanKerckhove with the Bloomfield Township Police Department and other organizers called vaping an epidemic that night.

“This has become an issue,” VanKerckhove said. “When I got into the schools, that’s when I really, really started waking up to what this problem is. I remember my personal experience of realizing that this isn’t just in high school. It’s getting to younger kids and our middle school kids.”

Alarm has heightened since, according to a study published in the journal Pediatrics, many teens using e-cigarettes are often unaware of the amount of nicotine they’re taking in.

An annual Monitoring the Future survey indicated 37.3 percent of 12th graders responded positively to “any vaping” in 2018, compared to 27.8 percent in 2017. Federal officials concurred vaping had risen to epidemic proportions.

Last year, Canton Township’s Board of Trustees toughened a nicotine-usage ordinance to include \$50 fines for vaping minors after a local student overdosed while vaping a mixture of THC (tetrahydrocannabinol)

and rat poison. The student survived.

The Public Health Law Center in Minneapolis tracks vaping laws. It identifies Michigan and Pennsylvania as the only states without statewide laws restricting youth access to e-cigarettes.

“I think it’s unusual,” center attorney Mark Meaney said. “There hasn’t been good evidence to suggest that they’re helping people quit smoking. More and more kids are getting addicted to nicotine.”

Some local vape stores are preparing for some state rules even if they already card customers.

“We’ve been responsible about what it is that we do for a living,” said Jay Fisher, who owns Great Lakes Vapor stores in Brighton and Farmington.

He promotes vaping as a smoking cessation strategy. Vapers can control the nicotine they inhale.

“I’m definitely all for them doing whatever they need to do to make sure minors don’t get their hands on these products,” Fisher said.

One of his customers, Regina Knight of Southfield, started vaping to stop smoking. These days, she can’t stomach the smell of cigarettes.

She likes “puffing on peppermint” but doesn’t think young teens should.

Concerns for her children compelled Bloomfield Hills resident Jessica Rankin to learn more about vaping. She worries the activity is too easy to get away with at school.

Rankin is thankful legislators may finally put more statewide vaping rules in place.

“They’re starting to make it a little harder for them to get,” she said.

Plymouth's Fisher signs with U-M as walk-on

Andrew Vaillencourt
Hometownlife.com
USA TODAY NETWORK — MICHIGAN

The Plymouth Wildcats will have a member of their football team in maize and blue next season.

Luke Fisher, an offensive lineman, has signed with the University of Michigan as a preferred walk-on and will compete with the Wolverines in the fall.

He chose Michigan over other schools largely due to the academics. He was accepted into the U-M College of Engineering and plans to study biomedical engineering.

"The reputation and quality of the

engineering school and the opportunity to work with and learn from the Michigan football staff were the determining factors in my final decision," Fisher said.

He'll join an offensive line group coached by Ed Warinner, who led the unit's bounce back season last year. Michigan is a consensus top 10 team in the country entering the 2019 season.

Another former Plymouth offensive lineman, Michael Jordan, who went to Ohio State, was recently drafted into the NFL.

His goal was to just hit the ball somewhere in the outfield to drive home the game-winning run.

Instead, John Glenn senior Chad Stevens stood firm in the batter's box and was hit by a pitch with the bases loaded, bringing home the run. It wasn't the way he pictured the at-bat going, but it got the job done, as the Rockets beat Northville 2-1 Friday night in extra innings.

It was Stevens' second RBI of the game, driving in the team's first run on a double in the fourth inning.

However, was stood out most about Stevens wasn't his hitting, it was his

Novi's Fenchel announced as All-American

Andrew Vaillencourt

USA TODAY NETWORK — MICHIGAN

The Novi girls soccer team is currently enjoying an undefeated season as it heads for its second consecutive state championship.

One of the team's stars, Avery Fenchel, has been named an Allstate All-American and will be honored at the 2019 Major League Soccer all-star game in Orlando.

The All-American program honors the nation's top 250 players: 125 male and 125 female.

Forty of each will play in inaugural Allstate All-America Cup, which will also take place in Orlando during all-star festivities.

Four celebrity head coaches comprised of former U.S. women's national team standouts and Olympic gold medalists Brandi Chastain and Julie Foudy, and Major League Soccer and U.S. men's national team members Brian McBride and Taylor Twellman, will lead the 80 Allstate All-American roster selections.

Fenchel has been dominating the high school soccer scene and is the team's leading scorer.

dominance on the mound.

Stevens, who will play baseball at Hillsdale College next year, pitched seven and 2/3 innings before being removed due to hitting the league's maximum pitch count in the eighth and final inning. He allowed just one run and one hit, while striking out 10.

"Chad has been our workhorse the whole year," John Glenn coach Lawrence Scheffer said. "He gets ahead of batters and has been unbelievable for us. He's 7-0 and it shows.

"We play with confidence when Chad is on the mound. Good things come when we play good defense. Chad's a bulldog out there, he throws strikes. Take nothing away from Northville, they're a great baseball club. Chad does great things on the mound. He's got great mound presence and you can tell he's a senior."

Stevens carried a no-hitter into the sixth inning before it was broken up by a one-out single from Spencer Ziparo. That also happened to drive in Northville's lone run. A lead-off walk took second on a bunt before coming around to score on the hit. It would've been Stevens' second no-hitter of the season.

He'll happily take the win, no matter how the team gets it. He had a short leash when he entered the game in the eighth, but knew he had to keep fighting for his club.

"My mindset is just to win every inning," Stevens said. "If we're down an inning we lose the game. I wanted to throw as few pitches as I could since my pitch count was getting up, and I just needed to shut them down so didn't get a run."

He added that his fastball and changeup combo was really working well for him and that he was getting hitters into 0-2 counts and then getting outs with his changeup. The speed difference is so great between the two pitches, that it really puts hitters off-balance.

"He's great for us," John Glenn catcher Josh Muse said. "He always throws a lot of strikes and gets ahead of batters. He puts us in a position to win a lot of games, and I have a great time back there catching for him."

Northville did manage to put a runner on base here and there, but nobody reached base in the third, fourth or fifth innings.

"We played solid defense and Northville is a very well coached team," Scheffer said. "Coach (John) Kostrzewa is a good friend of mine and every time they take the field they are well coached and don't make many mistakes."

The pitching was great on the other side of the field as well. Northville's Adam Harp started and lasted three and 2/3 innings, allowing only one run on two hits. He was relieved by Christian Clark, who was brilliant until the eighth

The Mustangs' Nick Gattoni, bottom, scores a run by sliding under the tag of airborne John Glenn catcher Josh Muse.

inning when he allowed the final run to score. He pitched three and 2/3 innings as well and struck out six.

John Glenn entered Friday's game trailing Livonia Stevenson by a game and a half for the KLAA East Division lead. With the win over Northville, they trail by just one game, pending the outcome of Friday's Stevenson game against Canton.

The Rockets will face the Spartans twice next week in a series that is likely to decide the division.

"We've been grinding all year," Scheffer said. "Stevenson is a very good team, Coach (Rick) Berryman does a very good job over there, so they'll be ready to go. The best team is going to win, so we have to come ready to play."

Stevens echoed his coach's sentiment, but went a step further, saying not only is this the best team he's played on at Glenn, but that there's nothing stopping the team from going deep into the state playoffs.

"We absolutely have the talent to win

the division," Stevens said. "Our team is a bunch of scrappers. At the beginning of the season, teams looked at us like 'oh it's John Glenn, that's an easy W' but then we go in there and beat them. Our team plays with heart, we get on for the next man. I think our team has the ability to go far in the playoffs too. I think we're going to win the division."

Avenall, Hartland capture KLAA title

Sophomore goalie saves 19 in win over Plymouth

Bill Khan Livingston Daily
USA TODAY NETWORK — MICHIGAN

HARTLAND — Hartland sophomore Bryce Avenall plays a critical position, but in most lacrosse games he's hardly noticeable.

Goaltending doesn't come into play too often for the Eagles, who average 19 goals a game and beat opponents by an average margin of 14.

But the later it gets in the season, the more important the games become — and the more important Avenall becomes.

The championship season began for Hartland Wednesday night with a 14-5 victory over Plymouth in the Kensington Lakes Activities Association title game.

The next step is the first round of the state Division 1 tournament May 16 against Ortonville Brandon.

The third-ranked Eagles' ultimate goal is to win a state championship after suffering heartbreaking losses to Detroit Catholic Central in the state semifinals the last two years. For Hartland to break through, Avenall will need a few performances like the one he turned in against Plymouth.

Avenall made 19 saves in a game Hartland (14-1) led by only two goals late in the first half.

"The ball was just going real slow," Avenall said. "Sometimes you just get in the zone. Everything kind of goes slow motion."

As a freshman, Avenall was one of two backup goalies behind Evan Griffin, who is playing for Calvin College. He got in only four games, but the experience helped prepare him to take over in net this season.

"I just watched, learned," he said. "You've got to stay calm, you can't get rattled."

The Eagles needed Avenall to provide a calming presence in goal for most of the first half, as Plymouth stayed close and had several dangerous scoring opportunities.

Brendan Allen gave Plymouth a 1-0 lead 1 minute and 57 seconds into the game. Hartland led only 2-1 after one quarter and 5-3 after Plymouth's Gavin Roach scored with 2:43 left in the first half.

"Bryce is a great player," Hartland coach Garnet Potter III said. "He showed it tonight. We're lucky to have him here at Hartland. He stood on his head, because we started out slow. A lot of this win has a lot to do with him."

Continued from Page 3B

Reece Potter gave Hartland a 6-3 halftime lead by scoring with 12 seconds left in the first half. Hartland then scored the first four goals of the second half to create some breathing room.

In the other net, Plymouth senior Blake Nowicki was just as spectacular against a high-powered Hartland attack. He was the primary reason the Wildcats (12-4) were still in the game at halftime.

"Blake played outstanding tonight," Plymouth coach Ray Miller said. "They did end up scoring a lot of goals on us, but without him it easily could've been 20-plus on us. He really did keep us in. We battled until the end. Blake Nowicki was a big part of that for us."

In a three-day span, Hartland beat archrival Brighton, 24-8, and won its third straight KLAAs championship. Those were major feats two years ago when the Eagles won their first league championship, but they have become an expectation for Hartland.

"Obviously, our goal is to win a state championship, but our first goal is to

win the league," coach Potter said. "That was our first step. ... Now we'll go on to winning a regional. You don't think about a state championship until you win the regional."

"If we win a regional, if we're lucky enough to play well and do that, then we'll worry about winning a final four, which we haven't done yet. Then we'll worry about a state championship. So, it's all in stride. You can't look ahead; if you do, you're going to get caught."

Reece Potter scored four goals and had two assists, Gavin Payter scored four goals and Bo Lockwood scored three goals for Hartland.

It was the first KLAAs championship game for Plymouth, which lost 17-12 to Hartland on April 15 after taking a 3-0 lead.

"I entered this program three years ago," Miller said. "To think we'd be in the KLAAs championship three years from then, I don't think anyone would've believed that. We were a .500 team or less. For us being 12-4 and having a good chance to win the regional championship, this program's in the right direction. There are a lot of positive things. Unfortunately, we hit Hartland, who is the third or fourth best team in the state."

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

THE BOLD LOOK OF KOHLER.

Choosing between a new walk-in bath or shower for your home depends greatly on your needs and accessibility. While both offer the safety benefit of a low step-in for easy entry, the comfort and aesthetic advantages vary.

The KOHLER® Walk-In Bath allows you to bathe in a comfortably seated position while enjoying the therapeutic benefits of hydrotherapy whirlpool jets. It also allows you to recline as you bathe. However, those who feel comfortable standing for a longer period of time may find that the KOHLER® LuxStone™ Shower, which provides a more traditional shower experience, better meets their needs.

Contact your Kohler specialist at New Bath Today to discuss your bathing needs and options, and to help make a decision today.
